# City of London's New Zoning By-law

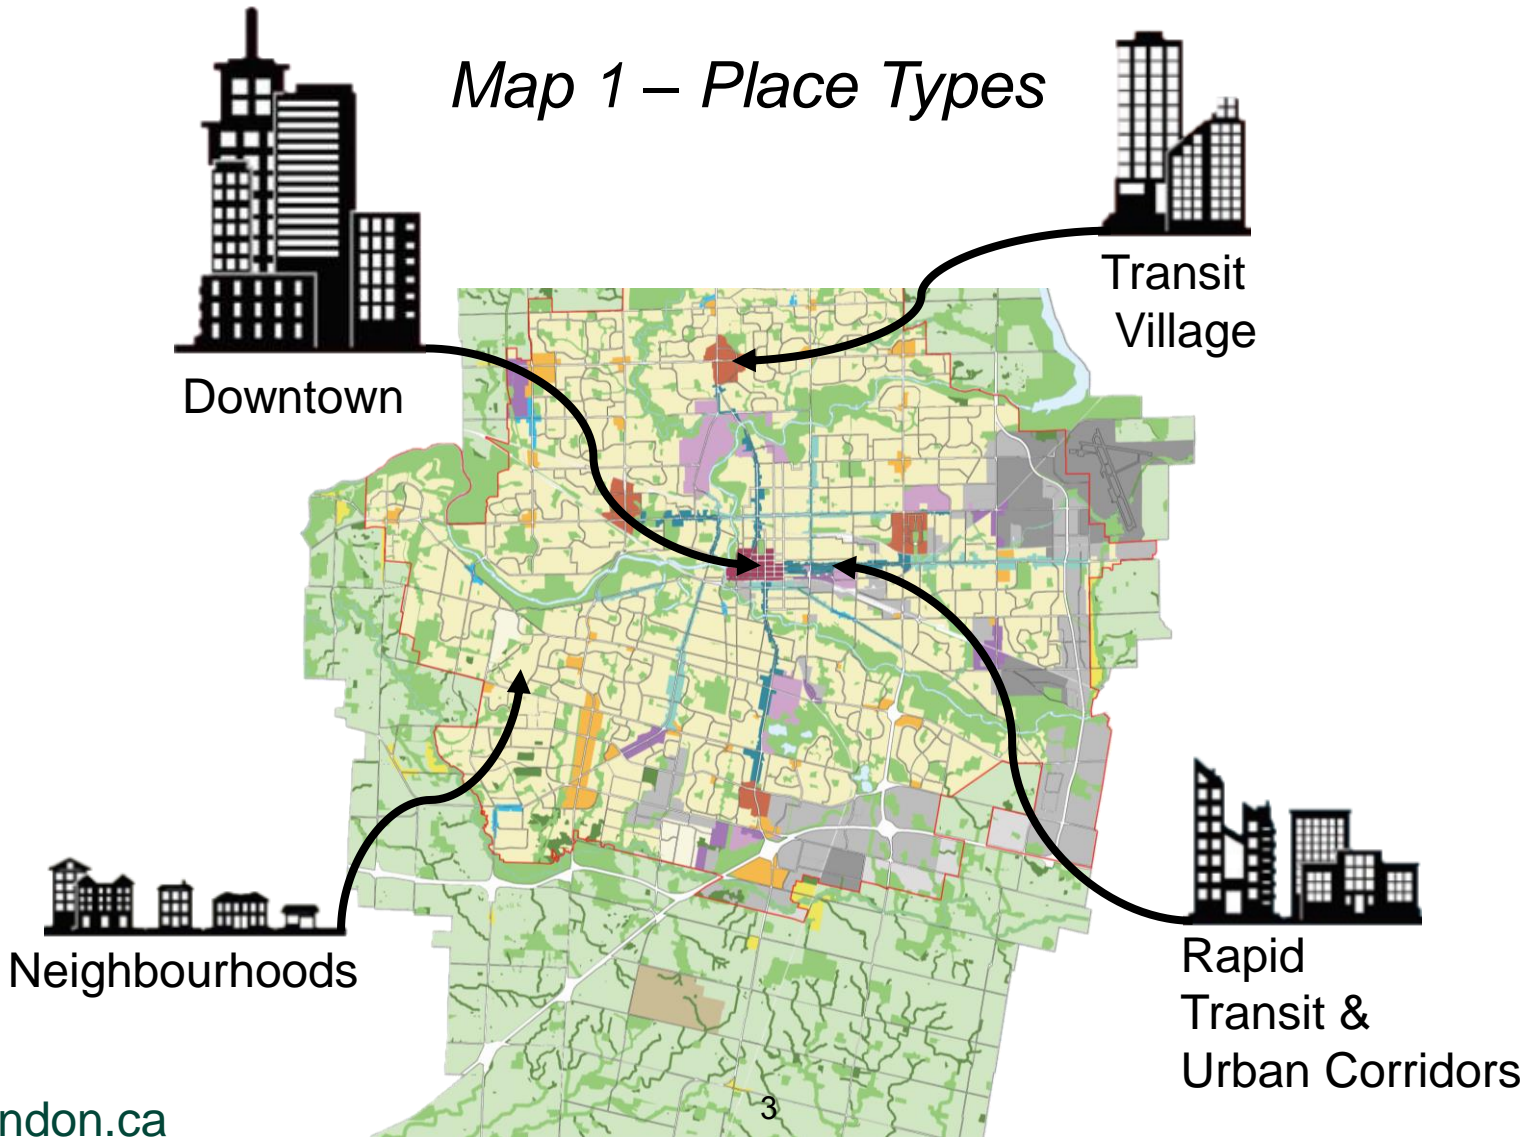

AWCAC

September 7, 2023

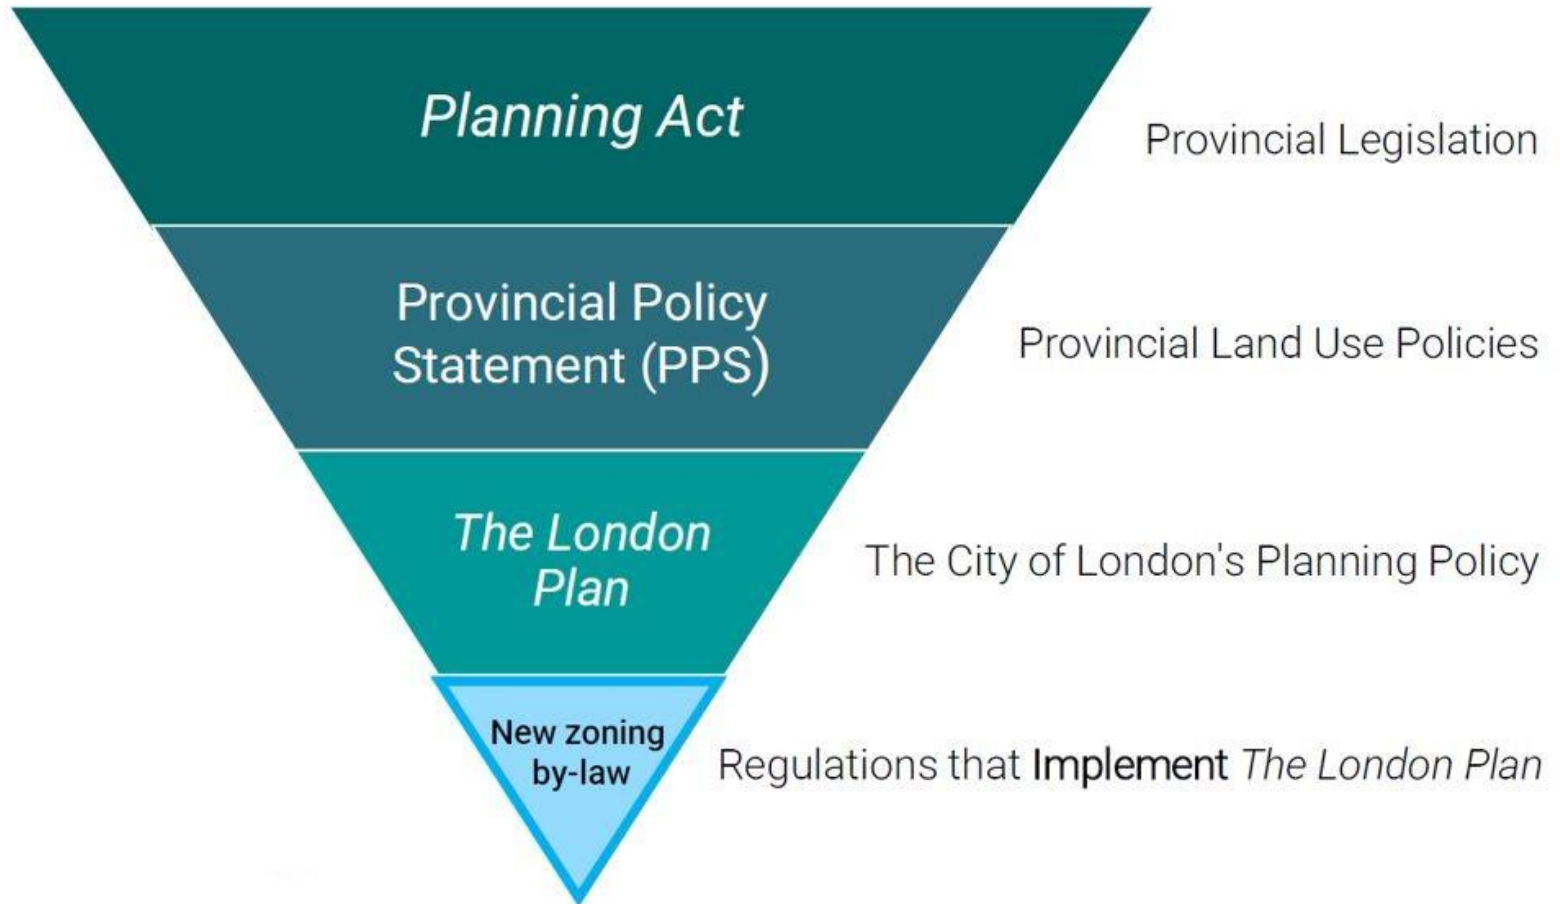

# Background: The London Plan

*Map 1 – Place Types*

# What is a Zoning By-law?

# What is a Zoning By-law?

Rules for how properties can develop:

- Use – what is the main purpose of a property or building
- Intensity – how much of a use or the scale of a building
- Form – what shape a building can take

# ReThink Zoning Approach

## Project Objectives

- Implement The London Plan's Place Types in terms of use, intensity & form.
- Create a user-friendly & plain language document.
- Create a tool that allows for efficient planning processes.

## ReThink Zoning Approach: Simplified Permitted Use

- Uses are to be defined broadly.
- Decoupling the way uses are described from intensity considerations.
- Provide a separate and more specific definition for a use, only when different regulations are needed regulate the land use impacts of the use.
- Provide a definition only when there is not a common understanding.

Hi Kiersten,

I would like to formally request that I am looking for delegation status at the next AWCAC meeting which I believe is Thursday, September 7 at City Hall. Please remind me about the time I should arrive as well as what preparation I need to do.

Best regards,  
Angela
