SUBJECT	2017-2018 MULTI-SECTOR SERVICE ACCOUNTABILITY AGREEMENT DEARNESS HOME ADULT DAY PROGRAM AND THE SOUTH WEST LOCAL HEALTH INTEGRATION NETWORK DECLARATION OF COMPLIANCE – APRIL 1, 2017- MARCH 31, 2018

RECOMMENDATION

That, on the recommendation of the Managing Director, Housing, Social Services and Dearness Home, regarding compliance with the terms of the 2017-2018 Multi-Sector Service Accountability Agreement for the Dearness Home Adult Day Program, the Managing Director, Housing, Social Services and Dearness Home **BE AUTHORIZED** to execute the Declaration of Compliance (substantially in the form attached as Schedule 1) for the reporting period April 1, 2017 to March 31, 2018.

- 2014-17 Multi-Sector Service Accountability Agreement Dearness Home Adult Day Program and the South West Local Health Integration Network – Declaration of Compliance April 1, 2015 – March 31, 2016. (Community and Protective Services Committee – May 25, 2016)
- 2014-17 Multi-Sector Service Accountability Agreement Dearness Home Adult Day Program and the South West Local Health Integration Network – Declaration of Compliance April 1, 2014 – March 31, 2015. (Community and Protective Services Committee – May 20, 2015)

BACKGROUND

It is a requirement of the *Local Health System Integration Act, 2006* that a Local Health Integration Network (LHIN) have a service accountability agreement (SAA) in place with each Health Service Provider (HSP) that it funds. The SAA for the Dearness Home Adult Day Program is called the Multi-Sector Service Accountability Agreement (M-SAA). In April 2014, Council approved a three year M-SAA agreement with the South West LHIN for the Dearness Home Adult Day Program for the period April 1, 2014 to March 31, 2017. On February 2017, LHIN announced they were going to extend the M-SAA one more year to include 2017/18, which was set to expire on March 31, 2018. Managing Director, Housing, Social Services and Dearness Home signed the agreement as per delegated authority by By-Law A.-7116-206 to execute documents required by LHIN under agreements with LHIN including amendments.

Article 8.1 (d) of the Agreement sets out the requirement for the Board of the HSP to issue a declaration that the HSP has complied with the terms of the Agreement. Under Article 1.0 of the Agreement (Definitions and Interpretations) with respect to a municipality, “Board” means the Municipal Council. The reporting timeline set out in the Agreement is “within 90 days of the HSP’s fiscal year-end”. The fiscal year end of the Dearness Home Adult Day Program is March 31st which requires submission of the Declaration of Compliance by June 30th.

With respect to compliance with the M-SAA agreement, the Administrator of Dearness Home has confirmed that during the reporting period April 1, 2017 to March 31, 2018 the Dearness Home

Adult Day Program has complied with the terms of the M-SAA agreement and specifically any procurement practices set out in Article 4.8 of the Agreement and the *Local Health System Integration Act, 2006*.

As a result, it is recommended that the Managing Director, Housing, Social Services and Dearness Home be authorized by Municipal Council (Board) to execute the Declaration of Compliance for the Dearness Home Adult Day Program for the period April 1, 2017 to March 31, 2018.

SCHEDULE G – FORM OF COMPLIANCE DECLARATION

DECLARATION OF COMPLIANCE

Issued pursuant to the MSAA effective April 1, 2014

To: **The Board of Directors** of the South West Local Health Integration Network (the “LHIN”). Attn: Board Chair.

From: **The Board of Directors** (the “Board”) of the [Corporation of the City of London] (the “HSP”)

Date: June 30, 2018

Re: April 1, 2017 – March 31, 2018 (the “Applicable Period”)

Unless otherwise defined in this declaration, capitalized terms have the same meaning as set out in the MSAA between the LHIN and the HSP effective April 1, 2014.

The Board has authorized me, by resolution dated June 12, 2018, to declare to you as follows:

After making inquiries of the [Brad Hall, Administrator of the Dearness Home] and other appropriate officers of the HSP and subject to any exceptions identified on Appendix 1 to this Declaration of Compliance, to the best of the Board’s knowledge and belief, the HSP has fulfilled its obligations under the service accountability agreement (the “MSAA”) in effect during the Applicable Period.

Without limiting the generality of the foregoing, the HSP has complied with:

- (i) Article 4.8 of the MSAA concerning applicable procurement practices;
- (ii) The *Local Health System Integration Act, 2006*; and

[Please identify each obligation under the MSAA that the HSP did not meet during the Applicable Period, together with an explanation as to why the obligation was not met and an estimated date by which the HSP expects to be in compliance.]

Report to Community & Protective Services Committee

To: Chair and Members
Community & Protective Services Committee
From: John M. Fleming
Managing Director, Planning and City Planner
Subject: Deferred Matter 3 - Status Update for the Naming of a
Permanent Site for Vimy Ridge Park
Meeting on: May 29, 2018

Recommendation

That, on the recommendation of the Managing Director, Planning and City Planner, the following status update **BE RECEIVED** with respect to the naming of a permanent site for Vimy Ridge Park.

Status Update

As a result to two concurrent requests to name/rename two different city owned sites as Vimy Ridge Park in time for the 100th anniversary of the Vimy Ridge battle, on March 3, 2017 Council directed staff to:

- a) Complete appropriate stakeholder consultation and report back with respect to a location that would be adequate for a suitable Vimy Ridge commemorative location, including the necessary budget;
- b) The request to name a parcel of land located adjacent to Charlie Fox Overpass at Hale Street and Trafalgar Street “Vimy Ridge Park” be referred to the process above, and;
- c) The necessary arrangements be made to designate the above site as the temporary Vimy Ridge Park until the permanent site has been established.

A subsequent direction on May 3, 2017 eliminated the second original site (Mildred Barons Park) for consideration and added a new site at the 427 London Wing building (within London International Airport lands) to be considered.

Work to Date:

In 2016/17, staff had already been working on the plans for a “Veterans Park” in association with the completion of the Veterans Memorial Parkway community enhancement program that could be the location for military related memorials. This site is on Oxford Street at Crumlin Road at the gateway to the City from the airport. This concept plan has been partially implemented with site grading and seeding through an arrangement with Dancor Developments during site preparation for their first phase of development adjacent to this site. This park is the third site under consideration as it has a link to the VMP and a growing military history presence along Crumlin Road.

Members of the London community installed Vimy Ridge Memorials in various London locations to recognize the 100th anniversary date of the Battle of Vimy Ridge on April 9, 2017. One of these locations was on the lands that became the temporary Vimy Ridge Park site. Another location was at Remembrance Gardens, a site on River Road at the VMP by the “Remember November 11” Group. This Group has formally adopted this site and has installed many commemorative military memorials within their City - approved concept plan for the park. This group declined being formally considered as one of the sites to be assessed as the permanent Vimy Ridge Park site.

The temporary Vimy Ridge Park site was recognized with temporary signage and the 100th anniversary ceremony was held.

In May of 2017, it was formally announced that the formal Environmental Assessment process for High Speed Rail would begin. Preliminary work has indicated that approximately 15m of the Hale/Trafalgar site may be required to expand the rail corridor. The EA is scheduled to occur through 2018/19.

A project team was established to complete this project, including staff from Parks & Recreation Operations, Neighbourhood and Fire Services, Communications, Culture Office, and Planning Services.

Staff have met with the proponents of two of the sites: lands at the S-E corner of Trafalgar Street and Hale Street and the 427 London Wing. This location is owned by the group and is situated on Airport Authority lands at the north end of Crumlin Road. This site has other military memorials and a formal tree planting associated with the Vimy celebrations.

With the completion of the VMP project in July 2017, some of the remaining capital funds (\$105,000) were allocated by Council to assist with the creation of the permanent Veterans Park site. Depending on what is required to develop the site, this funding may not be sufficient to complete the project.

Staff reached out to the Board of the Vimy Branch of the Royal Canadian Legion in December 2017 to assist with “appropriate stakeholder consultation”, and they offered to help with this stakeholder consultation process. It is important to have this support and direction as there are many military related groups that may wish to comment on this issue. At this time, the consultation process has not been finalized.

Evaluation of the Selection of a Permanent Vimy Ridge Park

The Battle of Vimy Ridge was a defining moment for the creation of Canada as a country with its own identity. The Canadian National Vimy Memorial is a war memorial National Historic Site in France dedicated to the memory of Canadian Expeditionary Force members killed during the First World War. It also serves as the place of commemoration for Canadian soldiers of the First World War killed or presumed dead in France who have no known grave. The monument is the centrepiece of a 100-hectare preserved battlefield park that encompasses a portion of the ground over which the Canadian Corps made their assault during the initial Battle of Vimy Ridge offensive of the Battle of Arras. The Battle of Vimy Ridge was the first occasion on which all four divisions of the Canadian Expeditionary Force participated in a battle as a cohesive formation, and it became a Canadian national symbol of achievement and sacrifice.

“Vimy Ridge” would be recognized as a prominent name for a park site selected in London and as such due diligence must be taken for consideration of this site selection.

Draft Evaluation Criteria

Staff have developed draft criteria for the site evaluation process (Appendix A) that will be used to formally review the three possible sites for the best site for the naming of a permanent Vimy Park and possibly an expanded Vimy Memorial in the future.

Some key questions to be answered through this review process include:

Park Site

- Is there a suitable context for the park and memorial site
- How much parking and what site amenities are required to support annual Vimy Ridge events and other commemorative events to occur at a permanent Vimy Ridge Park?
- Should a Vimy Ridge Park have high visibility and accessible access?
- What impact will the High Speed Rail Environmental Assessment have on the Hale/Trafalgar temporary Vimy Park site?

- What are the full capital costs and on-going operational costs and who would bear those costs for development of a permanent Vimy Ridge Park?

Public Art/Memorial(s)

- Is a memorial required for Vimy Ridge Park, and if yes, should this memorial be located on public land and maintained by the City on an ongoing basis, as per the Public Art/Monuments Policy?
- What scale and design would be suitable for a Vimy Ridge Memorial for the significance of the Vimy Ridge battle in Canada's history?
- What are the costs for developing a Vimy Ridge Memorial and how would this project be funded, as there is no funding currently available from the Culture Office Public Art/Monument budget for a Vimy Ridge Memorial?

The draft evaluation criteria and these key questions should be consistent with City Council's Parks naming policy and needs to be reviewed as part of a stakeholder discussion process.

Next Steps

Partnering with the Vimy Legion Branch, the City team will be organizing the stakeholder consultation program.

With that input and any updated information from the High Speed Rail EA, staff will complete the site assessment process and report that back to the proponents of the two sites and those that participated in the consultation process. Further discussion may take place with the proponents regarding the assessment and implementation.

A final report will be brought back to Council late next fall for endorsement and will include a cost estimate for the works and timing for implementation.

This report was prepared with input from the project team.

TO:	COMMUNITY AND PROTECTIVE SERVICES COMMITTEE MAY 29, 2018
FROM:	G. KOTSIFAS, P. ENG. MANAGING DIRECTOR OF DEVELOPMENT AND COMPLIANCE SERVICES AND CHIEF BUILDING OFFICIAL
SUBJECT:	PET BOARDING AND PET SITTING SERVICES

RECOMMENDATION

That on the Recommendation of the Managing Director, Development and Compliance Services and Chief Building Official, the following actions be taken with respect to Pet Boarding and Sitting Services:

- A) This report **BE RECEIVED** for information purposes; and
- B) Civic Administration **BE DIRECTED** to hold a public participation meeting before the Planning and Environment Committee on a by-law amendment to the Zoning By-law to permit pet boarding and/or sitting business as a Home Occupation.

BACKGROUND

Civic Administration was directed to report back at a future meeting of CPSC, with respect to amending City of London By-laws to provide for individuals to operate pet boarding and/or sitting business from their homes.

On October 17, 2017 the City of London Animal Control By-law PH-3, and Dog Licensing and Control By-law PH-4 were amended allowing an increased number of dogs and cats to be registered to an owner. This registration is connected to the pet owner’s place of residence.

The combined total of spayed or neutered cats and dogs within a single detached dwelling unit was increased to eight (8), with no more than three (3) being dogs. In any residential building containing more than dwelling unit the limit was increased to five (5), with no more than three (3) being dogs.

A review of the Zoning By-law indicates within Section 4.10 Home Occupation regulations there are provisions for dog and cat grooming businesses excluding overnight accommodation, and prohibiting the cats or dogs to be outside the dwelling. Within section 4.10 (12) (a) (i) there is reference to By-law PH-3 and PH-4 indicating that the maximum number of cats permitted per premise is two (2). This number was based upon the former regulations of By-law PH-3 prior to the October 17, 2017 amendment and requires updating.

Considering any residential unit may have a minimum of five (5) cats and dogs, where the maximum number of dogs is three (3), it may seem reasonable to allow a residential premise to contain that same number of cats or dogs for the purpose of pet boarding or sitting as a home occupation.

CONCLUSION

As Zoning By-law amendments are heard before the Planning and Environment Committee for consideration, Civic Administration recommends that direction be provided to continue the review with a report back to the Planning and Environment Committee including a draft amending by-law.

TO:	CHAIR AND MEMBERS COMMUNITY AND PROTECTIVE SERVICES COMMITTEE MAY 29, 2018
FROM:	LYNNE LIVINGSTONE MANAGING DIRECTOR NEIGHBOURHOOD, CHILDREN AND FIRE SERVICES
SUBJECT:	LICENSED CHILD CARE AFFORDABILITY PILOT

RECOMMENDATION

That, on the recommendation of the Managing Director of Neighbourhood, Children and Fire Services, the report outlining the Licensed Child Care Affordability Pilot for London and Middlesex County **BE RECEIVED** for information.

PREVIOUS REPORTS PERTINENT TO THIS MATTER

- Ontario Early Years Child and Family Centres, Ontario Transfer Payment Agreement, and City Ontario Early Years Child and Family Centres Funding Agreement Template (November 7, 2017)
- Child Care Information Update and London-Middlesex Child Care and Early Years Service Plan (July, 18, 2017)
- Ontario Early Years Child and Family Centres Planning and Transfer Payment Agreement (January 24, 2017)

BACKGROUND

Ontario’s child care and early years sector has been undergoing a transformation towards a more responsive and affordable system since 2013. On June 6, 2017, the Province released Ontario’s Renewed Early Years and Child Care Policy Framework. This framework builds on previous progress, with the following vision for early years and child care in Ontario:

“All children and families have access to a range of high-quality, inclusive and affordable early years and child care programs and services that are child- and family-centred and contribute to children’s learning, development and well-being”

Ontario’s Renewed Early Years and Child Care Policy Framework includes initiatives to give more children access to early years and child care programs across the system, including a commitment to help 100,000 more children aged 0-4 access licensed care. The framework is divided into seven key areas of action:

- 1) increasing access to early years and child care programs and services;
- 2) ensuring a more affordable early years and child care system;
- 3) establishing an early years workforce strategy;
- 4) determining a provincial definition of quality in early years;
- 5) developing an approach to promoting inclusion in early years and child care settings;
- 6) creating an outcomes and measurement strategy; and
- 7) increasing public awareness of Ontario’s early years and child care system.

One of the strategies included in the first key area of action, **increasing access to early years and child care programs and services**, is the Child Care Expansion Plan (herein referred to as “Expansion Plan”). The Expansion Plan will help the Ministry of Education meet its objective of creating access to affordable licensed child care for 100,000 more children aged 0-4 year old over five years, beginning in 2017.

The purpose of this report is to outline the City’s response to meet the expectations of the Expansion Plan: **The Licensed Child Care Affordability Pilot** (herein referred to as “Affordability Pilot”) that will be implemented in 2018. The goal of this pilot program is to improve affordability, quality, and access to the licensed child care system in London and Middlesex County.

Provincial Child Care Expansion Funding

To support the Expansion Plan, the Ministry of Education has provided Service System Managers with new one-time expansion funding allocations in 2017 and 2018. The total funding allocation for London and Middlesex County for 2017 and 2018 is approximately \$11.2 million. Expansion funding can support new and/or additional fee subsidies and increased affordability and access for children aged 0-4 to licensed child care (centre-based and home child care) beyond the annual base allocation provided for child care as outlined in service agreement with the Province.

The expansion funding allocation must be expensed by December 31, 2018. Any unused funding will be recovered by the Ministry of Education.

Stakeholder Consultation to Inform The Affordability Pilot

The Affordability Pilot was developed in consultation with a number of child care sector groups in London and Middlesex County and has been endorsed by the Child Care Working Group, a cross-section of stakeholders representing rural, urban, for-profit, not-for-profit, single-site and multi-site operators. Service providers are optimistic about the Pilot and have expressed excitement about this one-time investment in the child care system. Consultation and collaboration with the child care community will continue as the Affordability Pilot is implemented.

The Pilot fulfils the criteria of increased access and affordability and is supported by the Ministry of Education.

The Licensed Child Care Affordability Pilot

As outlined in the 2017 London-Middlesex Child Care and Early Years' Service Plan, The City of London in its role as Service System Manager, has focused its expansion strategy on: supporting new child care centres; encouraging existing centres to utilize their existing licensed capacity; and supporting additional fee subsidy associated with the increased number of spaces.

The expansion funding available in 2018 has made it possible to enhance the London-Middlesex County expansion strategy through the implementation of a Licenced Child Care Affordability Pilot.

The Affordability Pilot fulfils the expectations of the Provincial Expansion Plan by improving affordability, quality, and access to the licensed child care system in the geographic area of the City of London and County of Middlesex. The Affordability Pilot is a one-time investment that includes a number of initiatives to support both families and child care service providers. Key initiatives include:

- a. affordability for families;
- b. enhanced quality of service provision;
- c. capacity building and special project funding;
- d. special needs resourcing;
- e. relocation and/or amalgamation of child care centres; and,
- f. ongoing support of local expansion projects.

a) Affordability for Families

This initiative involves a one-time grant to licensed child care service providers to make licensed child care more affordable and accessible for families. The grant will result in immediate savings for families of approximately \$150 per month, per child ages 0-4, between June and December 2018. The one-time grant ensures all families accessing licensed child care in London and Middlesex County are provided with some support for child care fees in 2018. The grant will increase access to licensed child care by providing opportunities for both families who may only be accessing the system on a part time basis as well as new families wishing to enter the system.

It is anticipated that the administration of the initiative will have minimal impact on families. Families will receive immediate savings through their licenced child care provider starting in June 2018 for a period of seven months, with no additional paper work required.

b) Enhanced Quality of Service Provision

A one-time operating grant will be provided to licensed child care service providers. The one-time grant will be based on the number of licensed child care spaces and be available to all licensed child care service providers including centre-based and home child care. The one-time grant can be used for a number of ongoing costs such as: staff wages and benefits, lease and occupancy costs, utilities, administration, transportation for children, resources, nutrition, supplies and maintenance. The funding will help to improve quality and access by providing agencies with the flexibility to address a number of operating issues such as repairs and maintenance or to invest in new play based materials

and equipment. Savings realized through the grant could be leveraged to expand operations and develop affordability strategies.

c) Capacity Building and Special Project Funding

Capacity building and special project funding will also be available to licensed child care service providers to improve quality and access for families. The funding will support professional learning and development opportunities that build the capacity of licensees, supervisors, program staff/caregivers, home child care providers and non-profit volunteer board members to support the provision of high quality programs for children. Targeted initiatives include improved communications and reporting through technology; training; as well as special projects to support innovative ideas to increase access. This funding will continue to strengthen the child care sector by building capacity throughout the system.

d) Special Needs Resourcing

There is an increasing need to support the inclusion of children with special needs in licensed child care settings, including home child care, camps, and authorized recreation programs at no additional cost to parents/guardians. This funding will be provided to improve quality and access by hiring the services of resource/support staff; purchase or lease of specialized/adaptive equipment and supplies; and professional development opportunities to support staff.

e) Relocation and/or Amalgamation of Child Care Centres

Transformation funding to support costs for relocating and/or amalgamation of licensed child care operations will be made available to interested child care service providers who have identified a need/desire to move operations and/or amalgamate operations within the city of London and/or Middlesex County.

f) Ongoing Support of Local Expansion Projects

In 2017/2018, four new 88 space child care centres opened in London and Middlesex County. A portion of the expansion funding for 2018 will be used in sustaining this growth.

Potential Outcomes of The Affordability Pilot

There are a number of ways the Affordability Pilot will increase affordability, quality and access to licensed child care for families in London and Middlesex County including:

- a) immediate savings for families paying for licensed child care;
- b) increased access to child care fee support for families entering the system or using the system part-time;
- c) improved quality of both child care services and facilities;
- d) increased access to licensed child care through expansion projects; and,
- e) increased support for family needs through special needs resourcing.

In addition, there are also a number of benefits to licensed child care service providers. The one-time funding provides opportunities to:

- a) address operating issues such as repairs and maintenance;
- b) invest in play based materials and equipment;
- c) improve communications and reporting technology;
- d) improve recruitment and retention of early childhood educators;
- e) strengthen the workforce through training and professional development;
- f) support costs for relocating and/or amalgamation of operations; and,
- g) leverage funding to expand operations and consider affordability strategies moving forward.

NEXT STEPS

Communications Strategy

The Communications Strategy will support the implementation of the Licensed Child Care Affordability Pilot to make sure families have information available to make informed decisions regarding their children’s child care, and licensed child care service providers have access to funding to support their operations. All public communications are required to clearly acknowledge that the contributions were made by the Province of Ontario and the Government of Canada. The specific communication tactics will include:

- The Affordability Pilot media release;

- Information letter to all licensed child care providers within London and Middlesex County;
- Updated information on london.ca website;
- Social media (Facebook and Twitter);
- Creation of promotional materials including poster and informational flyer; and,
- Insertion in existing City e-newsletters.

Implementing The Affordability Pilot

Civic Administration will work with child care service providers in the geographic area of the City of London and County of Middlesex to support the implementation of the six key initiatives outlined in The Affordability Pilot commencing in June, 2018 and ending by December 31, 2018. Funds will be allocated to service providers through current funding processes and grant agreements. Outcomes will be tracked throughout the duration of the project and reported to the Province in Q1 2019.

FINANCIAL IMPACT

The Affordability Pilot will utilize the remaining Provincial allocation of approximately \$10.3 million available through 2017/2018 expansion funding to improve the child care system in London and Middlesex County. The expansion funding is 100% Provincial funding and does not require a municipal contribution.

Future initiatives to continue to enhance affordability and access to licensed child care will be subject to future Provincial funding levels.

CONCLUSION

The Affordability Pilot has a number of benefits for both families and licensed child care service providers in the geographic area of the City of London and County of Middlesex. It fulfils the expectations of Ontario’s Renewed Child Care and Early Years Framework and supports the Province’s commitment to help 100,000 more children from birth to age four access licensed care. The Affordability Pilot ensures that the full allocation of 2017/2018 expansion funding available for the geographic area of the City of London and County of Middlesex is invested in the community and provides the ability to enhance the licensed child care system towards improved affordability, quality and access for families.

BACKGROUND

Each year the Ministry of Education and the Corporation of the City of London execute standard Service Contracts and Agreements for programs legislated through the *Child Care and Early Years Act, 2014*. These programs are in accordance with the City of London’s responsibilities for the service system management of child care and early years in the geographic area of the City of London and County of Middlesex. Prior to the *Child Care and Early Years Act, 2014* coming into effect on August, 2015, the legislative authority for these contracts and agreements fell under the *Day Nurseries Act*.

The purpose of this report is to recommend amending the current By-law (No. A.-7100-150) to reflect the Province’s change in legislation from the *Day Nurseries Act* to the *Child Care and Early Years Act* and to introduce a new by-law to delegate authority to the Managing Director of Neighbourhood, Children and Fire Services, or their designate to oversee new approval processes that are required by the Province in the City’s role of Service System Manager.

Service System Manager New Administrative Processes

On January 1, 2018, the City of London became responsible for the oversight of the EarlyON Child and Family Centre Program as part of its role as Service System Manager (herein referred to as SSM) for the geographic area of the City of London and the County of Middlesex. As a result, the Province of Ontario has mandated two new responsibilities to SSMs to ensure quality and accountability of the program: (1) Serious Incident Reporting; and, (2) Registered Early Childhood Educator Service Provider Exemptions.

1. Serious Incident Reporting

The City of London, as the SSM, must ensure that appropriate policies and procedures are in place to make sure service providers are delivering programs in a way that promotes the health, safety, and well-being of children and families being served. This includes providing processes

for service providers to report Serious Incidences to the SSM, and for the SSM to determine appropriate responses and approvals as necessary. A detailed process has been developed in partnership with the service providers that mirrors the process that has been in place for years when these service providers reported Serious Incidences to the Province. Where an incident has occurred that may result in media attention, the SSM is required to report this to the Ministry.

2. Registered Early Childhood Educator Service Provider Exemptions

The SSM is required to make sure that qualified staff teams are responsible for delivering programs and services at every EarlyON Child and Family Centre. Qualified teams must include at least one Registered Early Childhood Educator (RECE) to deliver mandatory core services related to supporting early learning and development. If a service provider requires more than one early years programming staff to support a program, and the provider has been unsuccessful in recruiting a qualified RECE staff, an exemption can be made in these circumstances. The City of London can grant an exemption to the requirement of a qualified RECE, with the expectation that:

- a) At least one RECE must be on site during early years programming;
- b) Exemptions are not to be extended indefinitely;
- c) Exemptions must be reviewed on an annual basis; and,
- d) The City of London is required to monitor exemptions to identify challenges and develop strategies to support service providers in meeting the requirement.

The City of London has the appropriate procedures and guidelines in place to meet these obligations and mitigate risks associated with both of these two new administrative responsibilities stated above. The proposed by-law would delegate authority to the Managing Director of Neighbourhood, Children and Fire Services or their written designate to approve and undertake all administrative and reporting acts related to Registered Early Child Educator Service Provider Exemptions and Serious Incident Reporting.

FINANCIAL IMPACT

The 2018 and 2019 funding allocations for the City of London as the Service System Manager is approximately \$3,808,829/year. This EarlyON program is expected to be fully funded by the Province of Ontario and therefore is not expected to have a net impact on the City’s approved 2018 and 2019 operating budgets.

it being noted that the proposed names are in compliance with Council-approved naming preferences.

PREVIOUS REPORTS PERTINENT TO THIS MATTER
--

- Memorandum of Understanding – Proposed Joint Venture to Construct and Operate a Facility Between City of London, The YMCA of Western Ontario and The London Public Library Board (Community and Protective Services Committee, Feb. 18, 2015).
- Potential Partnership in the Southwest Multipurpose Recreation Facility (Community and Protective Services Committee, July 21, 2014).

BACKGROUND

The attached request dated May 15, 2018 from Scott Stafford, Managing Director, Parks and Recreation on behalf of the Joint Venture Management Committee of the new southwest London community centre has been considered in accordance with the “Naming/Re-naming or Dedicating of Municipal Property, Buildings and Park Elements Policy”. Included with the request is the rationale for the proposed name of “Bostwick Community Centre, YMCA and Library”.

The Joint Venture Agreement between the City of London and the YMCA confers naming rights for the facility to the YMCA stating: “The YMCA shall be entitled to have naming rights for the Project, subject to the prior approval of the City which approval is not to be unreasonably withheld; provided, however the Library shall be entitles to separately name the Library space. The City retains the rights to name the arena and/or two (2) other suitable portions of the Project to recognize the contributions of the vendor of a portion of the Lands gifted to the City.” As the YMCA has not been able to find a donor interested in purchasing naming rights for the overall facility, the responsibility for the naming of the facility rests with the Joint Venture Management Committee, which consists of representatives from the Civic Administration, the YMCA and the London Public Library.

The Joint Venture Management Committee’s reasons for the proposed name of the new facility are as follows:

- There is a growing confusion in the community between the current project name - Southwest Community Centre and the existing South London Community Centre at 1119 Jalna Blvd., the South London Community Pool at 585 Bradley Ave., and Southwest Optimist Sports Park at 682 Southdale Road West;
- The new community centre is located within the Bostwick Planning District and is in keeping with naming of other recent community centre projects (i.e., Stoney Creek Community Centre, YMCA and Library); and,
- The proposed name is in keeping with the naming preferences detailed in the Council's Naming/Re-naming or Dedicating of Municipal Property, Buildings and Park Elements Policy. Specifically, the proposed name continues the current traditional practice of naming property after significant geographical, neighbourhood and historical elements.

The Municipal Addressing Advisory Group indicates support for the use of the proposed name “Bostwick Community Centre, YMCA and Library” for the new facility.

The proposed naming of the rooms contained in the building compliance with the Council-approved naming preferences as naming requests have been proposed as a result of receiving a significant donation towards the building elements.

If the naming request is approved by the Municipal Council, it is the intent of the Joint Venture Management Committee to official announce the naming through a public information campaign.

Subject: Naming of New Community Centre, YMCA and Library Facility – Application Review and Approval

Introduction

At present the New Southwest Community Centre, YMCA and Library (former Westmount Branch) is under construction and will open in September 2018.

This community facility consists of indoor pools, gymnasium, double pad arena, community programming and meeting space, community kitchen, Service London counter, walking loop, full service YMCA, and a public library branch.

This project is a joint venture between The City of London, YMCA of Western Ontario and the London Public Library Board.

Overall control of the joint venture rests with a Management Committee consisting of members of the Civic Administration (Parks and Recreation, Neighbourhood, Children and Fire Services, and Finance), the YMCA and the London Public Library administration. The Management Committee provides executive oversight for all aspects of the joint venture and facility operations. Day-to-day operational decisions within the facility will be the responsibility of the YMCA, the City of London within the arena and Service London space, and the Library in the case of the branch space.

Naming Rights

The Southwest Community Centre Joint Venture Agreement, Article 6.2, between the City and the YMCA, confers the naming rights to the YMCA stating: "The YMCA shall be entitled to have naming rights for the Project, subject to the prior approval of the City which approval shall not be unreasonably withheld; provided, however, the Library shall be entitled to separately name the Library space. The City retains the rights to name the arena and/or two (2) other suitable portions of the Project to recognize the contributions of the vendor of a portion of the Lands gifted to the City."

The YMCA has advised that as of this date, they have not found a donor to name the overall facility. The YMCA asked the Joint Venture Management Committee to assist in the development of a new name to replace the construction working name used thus far.

The YMCA has also advised that various rooms and elements within the facility have attracted donations in support of the YMCA's capital campaign and they seek approval of the names of these elements.

Reasons for New Facility Name

The Joint Venture Management Committee has met and noted the following:

- There is a growing confusion in the community between the current project name - Southwest Community Centre and the existing South London Community Centre at 1119 Jalna Blvd., the South London Community Pool at 585 Bradley Ave., and Southwest Optimist Sports Park at 682 Southdale Rd. W.;
- there is a need to change the name now to coincide with creation of signage and upcoming advertising and awareness campaigns; and,
- the YMCA confirms that they have not found a suitable sponsor to warrant a sponsored name of the facility and YMCA.

Rationale for Recommended Name Selection of Facility

The Joint Venture Management Committee recommends that the facility be renamed "The

Bostwick Community Centre, YMCA and Library”. Even though the naming provisions of the Joint Venture Management Committee agreement supersede the Council Policy, it should be noted that the proposed name is in keeping with The Joint Venture Management Committee recommends this name on the basis that:

- the name is in keeping with the Naming/Re-naming Policy where preference is given to “naming after significant geographic, neighbourhood and historical elements.”
- the facility is located within the Bostwick Planning District, east of Bostwick Road and follows the naming convention used to name the Stoney Creek Community Centre, YMCA and Library in 2010;
- it is geographical in nature and won’t cause confusion as to location of the facility within the city; and,
- could be easily replaced were the YMCA to find a donor to name the facility after.

The London Public Library and the YMCA are satisfied with the proposed name. The Library will, by policy and library practice, want to name the library branch for those times when they refer only to the library itself. The London Public Library administration, should the proposed name be approved, will be recommending to their Board the naming of the branch Library "Bostwick Branch Library". Parks and Recreation and Neighbourhood, Children and Fire Services, and Finance also support this name.

The naming of rooms is also in accordance with Council Policy which allows an organization to be recognized for “outstanding contributions and/or sponsorships made toward the development and/or enhancement of a property or building”. The YMCA continues to look for donors/sponsors for the various internal elements within the centre and a further report will be brought forward for final approval of all naming within the centre.

Conclusion

The Joint Venture Management Committee recommends the following names; it being noted that the proposed naming complies with Council approved naming preferences and approval of Council is required as per the Joint Venture and cannot be unreasonably withheld.

Facility Name: The Bostwick Community Centre, YMCA and Library.

Minutes from the Education and Awareness Sub-Committee

Date: Apr. 3, 2018

Time: 7 p.m.

Location: Kiwanis Seniors Centre, 78 Riverside Dr., London, ON

Attendees: Jay Menard (chair), Michael Cairns, Ashton Forrest, Jacqueline Madden, and Penny Moore.

AGENDA

1. Top-Five Ask re: “Summary and Compilation of the Accessibility Advisory Committee’s Open House Project.”

The team reviewed the documentation and has put forward its top three categories, with actionable items under each. These items appear in the documentation below. We propose the following motion:

“Be it resolved that the following statement be forwarded and presented to CAPS, with the intent of receiving approval to move to council to undertake action on the priorities disclosed herein:

The Accessibility Advisory Committee asks for the following actions to be undertaken. These asks have been formed through a combination of community statements, lived experience, and historical reference, and galvanized by our five community open houses, wherein these three key areas of deficiency: Transit, Employment, and Infrastructure, were deemed to be of the highest priority and the greatest barriers to a fully inclusive community in London.

TRANSIT

The City of London, in order to provide an equitable accessible transit service, will commit to the following improvements:

- Reduction of wait time from three days to a maximum of one day
- Improvement of service call times to match call/wait/response times of that of the larger transit system
- Improve booking system to meet today’s standards
- Increase of availability of accessible spaces on LTC busing or increasing paratransit rides
- Appropriate training and education of transit providers to assist in the respectful and appropriate interaction with people with disabilities, both visible and invisible.

The City of London has a vested interest, from a financial standpoint, in paratransit through its LTC commitments. As such, there can be no deflection of responsibility. An improved overall service would also align with mandates listed in AODA compliance, efforts to increase employment access in the city, the London Plan, the various roadmaps to ending poverty, and a commitment to developing an age-friendly city.

EMPLOYMENT

City of London to be a leader in removing barriers currently preventing people with disabilities from becoming employed, by committing to the following:

- Removing artificial, non-job-essential requirements from all postings (CPR, driver’s license, vehicle)
- Improving transit to ensure that people are able to get to interviews or jobs throughout the city
- Providing examples to the community of successfully employed PWD to provide visual representation for youth career aspirational goals

- Work with unions to remove systemic barriers to hiring people with disabilities (flexible hours, work from home, ergonomic issues, breaking up a full-time job into two part-time jobs)
- Working with community partners to improve awareness of accessible hiring best practices and tangible improvements to employment issues, including that the application process is fully accessible

And INFRASTRUCTURE

To promote a safe environment and foster equitable access to the community for all Londoners, ACCAC requests that the city:

- Improves notification of construction projects, blocked passages, and road work, bus route changes, and review the timing of pedestrian crossovers to ensure adequate opportunity for people of all ages and abilities to safely navigate through the city;
- Work with heritage departments to find a human-focused solution to promote accessibility in heritage-designated buildings
- Change snow removal minimums and prioritize pedestrian pathways and bus access points when it comes to snow removal.
- Commit to ensuring that all community gathering areas and parks under the City's mandate be fully accessible
- Ensure that City-funded housing programs live up to AODA-compliance metrics and that accessibility is a key component in the approval of development projects, both residential and commercial.”
- Commit to a review and, if required, an update of the 2007 FADS report by the end of 2018.

The Accessibility Advisory Committee also requests delegate status to speak to this request at the May 29, 2018 CAPS meeting.”

2. Virtual meeting trial discussion

The committee engaged in a brief, albeit relatively informal, discussion about hosting virtual meetings.

The committee agreed that it may be easier to implement at a subcommittee level and will investigate opportunities to ensure that meeting areas have the facilities required to support these efforts.

What is needed is the following:

- A facility with free and steady wifi
- An opportunity for participants to phone into a meeting
- A technological solution (whether it's a laptop or tablet), that allows for broadcasting

Jay has committed to investigating the opportunities that are available and presenting these at the next subcommittee meeting.

3. Investigate/discuss benefits and impact of making ACCAC brochures/materials available in accessible formats.

Deferred to next meeting

4. Next Meeting Date.

6. Deferred Matters/Additional Business

None.

7. Adjournment

The meeting adjourned at 6:45 PM.

RECOMMENDATION:

Animal control By-law PH-3 prohibits the keeping of specified animals and regulates the keeping of other animals within the City of London.

The Animal Welfare Advisory Committee (AWAC) recommends amending the Animal Control By-law PH-3 as indicated in the draft By-law provided.

changes to be inserted:

4 new definitions in Section 1.1

Animal-use Entertainment Show - defined

"Animal-use entertainment show" means any entertainment show where live animals are physically present as an intended part of aspect of the conduct or presentation of the entertainment show, whether interaction between animals and admittees is allowed or not.

Entertainment show - defined

"Entertainment show" means any show, performance, presentation, circus, concert or similar event where admission is allowed to persons by admission fee or otherwise, the primary purpose of which is entertainment of the admittees by performers.

Mobile Live Animal Program - defined

"Mobile live animal program" means a mobile operation, facility or place where live animals are brought to a location on a temporary basis and, whether segregated from persons by fixed barriers or not, are made available for exhibit, observation, recreation, entertainment, any degree of physical or other interaction with such persons, other than those persons charged with the custody of the animals or any other purpose.

Zoo- defined

"Zoo" means a place where live animals in captivity are kept for display to persons for conservation, educational, scientific or recreational purposes, and where the animals and such persons are physically segregated from each other by fixed barriers.

New exemption wording in Section 3.6

Existing wording 3.6 Public park-zoo-fair-exhibition-circus-licensed, This bylaw shall not apply to animals maintained in a public park, zoo, fair, exhibition or circus operated or licensed by a municipal or other governmental authority.

Replace with

This by-law shall not apply to:

- a) animals maintained in a public park or zoo owned or operated by the City of London,
- b) a zoo licensed in accordance with the Fish and Wildlife Conservation Act, 1997 and any successor legislation thereto,
- c) pet shows, with respect to Class 4, 5 and 6 animals except where prohibited elsewhere in this by-law,
- d) agricultural fairs, shows and exhibitions, with respect to Class 1, 2 and 3 animals.

New prohibition in Section 4.17

Animal-use Entertainment Show, Zoo, Mobile Live Animal Program

No person shall conduct or present any animal-use entertainment show or operate any mobile live animal program involving Class 7 animals or any other animals prohibited in the City of London.

ANALYSIS:

The Animal Control By-law ranks animals in seven classes, and prohibits the keeping of some of them:

Class 1 animals are cow, donkey, goat, horse, mule, pig (swine) of all species including hybrids, pony and sheep. Class 1 animals are prohibited within municipal boundaries. There are regulations that apply to the keeping of these animals that were held prior to the passage of the by-law.

Class 2 animals are chicken, goose, turkey, duck and any domestic fowl. Class 2 animals are prohibited within municipal boundaries. There are regulations that apply to the keeping of these animals that were held prior to the passage of the by-law.

Class 3 animals are homing, pouter, racing or tumbler pigeons. No more than 40 banded Class 3 animals may be kept during winter, and no more than 60 banded Class 3 animals may be kept during summer. There are regulations that apply to the keeping and flight times of these animals.

Class 4 animals are domestic cat, guinea pig, gerbil, hamster, mouse, rat, rabbit, chinchilla, ferret and turtle. A maximum of two of these animals may be kept, with the exception of domestic cats. The

number of cats that may be kept varies depending on the number of dogs kept and the type of dwelling unit.

Class 5 animals are non-venomous snakes, non-venomous lizards and non-venomous spiders. No more than two Class 5 animals are permitted in any dwelling unit or on any premises. Non-venomous snakes over 60.9 cm (24 inches), and non-venomous lizards over 30.48 cm (12 inches), are prohibited.

Class 6 animals are domestic cardinals, finches, budgies, bulbuls, canaries, tanagers, amazons, cockatoos, conures, macaws, parakeets, cockatiels, lorikeets, touracos, toucans, orioles, mynahs, magpies, barbets, arcaris, pied hornbills and cock-of-the-rocks. A maximum of two Class 6 animals may be kept.

Class 7 animals are defined to mean “any animal of a type that is normally found in a wild and natural state, whether or not it has been bred and/or raised in captivity and includes but is not limited to bear, wolf, coyote, crocodile, alligator, bobcat, lynx, mountain lion, cougar, tiger, lion, monkey, fox, skunk, kangaroo, eagle, hawk, elephant, weasel, racoon, venomous lizard, venomous snake, venomous spider, all birds the keeping of which is prohibited in the Migratory Birds Convention Act, S.C. 1985, C.M-7, and regulations thereto and all animals the keeping of which is prohibited in the Fish and Wildlife Conservation Act, 1997 and regulations thereto.” The keeping of Class 7 animals within the municipal boundaries is prohibited.

Part 3 of the By-law provides specific exemptions for the following:

London Animal Care Centre

London Humane Society

Public pound

Animal hospital – clinic - kennel

Pet shop

Public park - zoo - fair - exhibition - circus - licensed

Research facility - registered

Agricultural - land - premises

Feral Cat Colony

City of London Cat Adoption Centre

Section 3.6 provides an exemption for Class 7 animals, and other animals that are currently prohibited from the City of London.

AWAC recommends replacing this current exemption for " animals maintained in a public park, zoo, fair, exhibition or circus operated or licensed by a municipal or other governmental authority" with:

This by-law shall not apply to:

- a) animals maintained in a public park or zoo owned or operated by the City of London
- b) a zoo licensed in accordance with the Fish and Wildlife Conservation Act, 1997 and any successor legislation thereto
- c) pet shows, with respect to Class 4, 5, and 6 animals except where prohibited elsewhere in this by-law
- d) agricultural fairs, shows and exhibitions with respect to Class 1, 2 and 3 animals

REASONS FOR THE RECOMMENDATION:

Exemption Makes No Sense Today: The exemption as it is currently written provides a blanket exemption to a broad range of both small and large animal enterprises which allows them to conduct their activities with prohibited animals in the City of London unfettered by oversight or control. For example, anyone, regardless of expertise, experience or financial wherewithal can start a zoo or zoo-type display in the City. In addition, Mobile Live Animal Programs (MLAPs), which are exploding in number, can operate with impunity. Even the holding of a simple City of London business license could trigger exemption 3.6 as it is presently written, and under the present by-law there is a decent defence (to a prosecution for a Bylaw violation) argument that the holding of *any municipal license*, of *any description*, from *anywhere* (ie. from any other municipality anywhere), by an animal enterprise would also trigger 3.6. That does not make sense from either a policy or jurisdictional perspective.

No Provincial Oversight: In Ontario, there are no comprehensive laws governing the keeping of exotic wild animals in captivity. No provincial permit is required to operate a zoo, zoo-type facility, mobile animal operation or to keep exotic wild animals and there are no requirements for experience, expertise, training and finances, no comprehensive standards for animal housing and husbandry or standards for human health and safety, no Ontario government inspection regime and no convenient way for anyone to close down an animal enterprise. This dearth of laws, regulations and rules at the provincial level means the onus to provide oversight and to deal with problems lies with individual municipalities who are ill-equipped to deal with exotic wild animals.

Lack of Municipal Expertise and Resources: At the present time, City staff are responsible for providing oversight of, and responding to issues associated with the keeping and/or presence of, exotic wild animals within City boundaries. However, City staff are not properly trained in how to assess exotic wild animal situations including, but not limited to, human health and safety features and practices and/or animal welfare, or in how to restrain and house exotic wild animals, nor are there the resources to do so. With a growth in the number of animal enterprises in Ontario, especially Mobile Live Animal Programs (MLAPs), it is not reasonable to expect City staff to provide appropriate levels of oversight. They do not have the expertise or capacity.

Changing Times: Over the past decade the City has made steady progress toward becoming a more enlightened and compassionate city for animals. Regulations concerning the keeping of domestic cats have been updated, the treatment of feral cats has become more humane, and humane protocols for handling human-wildlife conflicts have been adopted.

The controversial Lickety Split Zoo is gone and, in 2012, City Council and staff recognized that the accommodation provided for many of the animals at Storybook Gardens was not sufficient to meet the animals' needs, and took the responsible step of closing the zoo and re-homing the animals to sanctuaries and other appropriate facilities elsewhere. There are currently no public or private zoos operating within municipal boundaries. This is in keeping with a shift in societal attitudes toward animals.

Animal Welfare: Across the province, more than 45 unregulated zoos and more than 70 Mobile Live Animal Programs are in business, while hundreds of private citizens keep a broad range of exotic wild animals for personal amusement purposes. With no comprehensive laws in place governing exotic wild animal housing, husbandry, care and safety, many animals are subjected to conditions in which their biological, behavioural and social needs are not met. Undersized cages and enclosures, barren living spaces, lack of appropriate environmental conditions, such as temperature, humidity and light, lack of shelter and privacy, poor quality food and unsafe housing are not uncommon in Ontario. That has led to many animals enduring physical health issues, as well as psychological issues, such as boredom, anxiety, frustration and other negative emotional states, which lead to animal suffering.

Claims have been made that the Ontario SPCA can deal with any problems but they lack the internal expertise and resources to do so. In fact, the OSPCA recently called on the Ontario government to pass new legislation to deal with this issue. Canada's Accredited Zoos and Aquariums has also been suggested as a potential vehicle for dealing with this issue but they are a private, industry group and not a regulatory body. They operate without transparency and, with just two staff members, do not have the capacity to properly monitor the daily activities of their members. Their accreditation inspections occur once every five years.

Human Health and Safety: There are two primary kinds of dangers posed by exotic wild animals: 1) physical attack and, 2) zoonoses (disease).

Many animals are large, powerful and are equipped with features, such as sharp teeth, claws or venom that make them potentially dangerous to humans. Many of these animals, including exotic cats, primates and large reptiles, are found in Ontario animal facilities where they are poorly housed and secured. Mobile Live Animal Programs also utilize some of these animals and bring them to daycares, schools, senior's homes and other events. For example, one accredited zoo conducting offsite programs brought large constricting snakes to birthday parties and wrapped them around the waists of young children so photos could be taken.

Most exotic wild animals also harbour diseases that can be transferred to humans (called zoonoses). Particular animals, such as reptiles, amphibians, birds and young ruminants, have long been known to shed proportionately more potentially pathogenic organisms than other animals. The best known is Salmonella. Some zoos and most Mobile Live Animal Programs feature contact with wild exotic animals as a key selling point for obtaining bookings. They allow the public, including at-risk groups such as young children, pregnant women, immunocompromised individuals and the elderly to contact these animals, even though most public health agencies advise against it, or recommend very stringent disease mitigation measures be in place.

Dubious Education and Rescue: All too often, children, after seeing the animals being displayed and possibly hearing a presentation from the staff, do not develop empathy toward animals. The peer-reviewed literature is populated by papers that show the educational claims of animal enterprise businesses are questionable, at best. Rather, they learn that animals are objects for their pleasure and amusement, and they ask their parent to purchase such an animal for them as a pet. Some zoos even sell cages, tanks and other equipment, reinforcing the idea that wild exotic animals make suitable pets. Most wild exotic animals die long before reaching the upper limits of their potential lifespans. More than 75% of reptiles die within 24 months after being purchased. For some, when the novelty wears off, the animal might be disposed of by releasing into the wild, or perhaps given to a rescue group to find another home. In some cases the former pet is dropped off at London Animal Care Centre, where the cost of handling the animal is paid by the City. Some animal enterprises claim to be rescue and to serve a useful function by assisting municipalities, but the numbers of animals dealt with tend to be small.

For the abovementioned reasons, and after careful study and deliberation, the AWAC recommends that the City Animal control By-law PH-3 be revised to include the 4 new definitions in Section 1.1, the new

prohibition in Section 4.17 and new wording in Section 3.6 as provided in the accompanying draft PH-3 By-law.

WHEREAS paragraph 1 of section 210 of the Municipal Act, R.S.O. 1990, c. M.45, as amended, provides that by-laws may be passed by Councils of local municipalities for prohibiting or regulating the keeping of animals or any class therein within the municipality or defined areas thereof, including the number of animals that may be kept by any person and the number of animals or any class thereof that may be kept about any dwelling unit;

AND WHEREAS paragraph 2 of section 210 of the said Act provides for the regulating of establishments for the breeding or boarding of animals or any class thereof, within the municipality or defined area thereof;

AND WHEREAS paragraph 4 of section 210 of the said Act provides for the prohibiting

and regulating within any part or defined area of a municipality or upon any highway therein, the being at large or trespassing of animals, other than dogs, and for impounding them and causing them to be sold if they are not claimed within a reasonable time or if the damages, fines and expenses are not paid according to law;

THEREFORE the Municipal Council of The Corporation of the City of London enacts as follows:

SHORT TITLE ANIMAL CONTROL BY-LAW

Part 1 DEFINITIONS

1.1 Definitions

In this by-law:

Animal - defined

"animal" includes birds and reptiles but does not include fish or dogs.

Animal Control Officer - defined

"Animal Control Officer" shall mean a person appointed by the Pound keeper whose duties include the administration and enforcement of this by-law.

Animal-use Entertainment Show - defined

"Animal-use entertainment show" means any entertainment show where live animals are physically present as an intended part or aspect of the conduct or presentation of the entertainment show, whether interaction between animals and admittees is allowed or not.

Approved Foster Organization - defined

"Approved Foster Organization" shall mean an organization that rescues and fosters domestic cats and that has been approved in writing for the purposes of this by-law by the City Representative, and whose approved status has not been revoked by the City Representative.

City - defined

"City" shall mean The Corporation of the City of London.

City Representative - defined

"City Representative" shall mean the City's 'Managing Director, Development and Compliance Services & Chief Building Official', or his or her written designate.

Dwelling unit - defined

"dwelling unit" shall mean a single room or series of rooms of complementary use which are located in a building in which food preparation, eating, living, sleeping and sanitary facilities are provided for the exclusive use of the occupants thereof; which has a private entrance directly from outside the building or from a common hallway or stairway inside the building; and in which all occupants have access to all the habitable areas and facilities of the unit.

Entertainment show - defined

"Entertainment show" means any show, performance, presentation, circus, concert or similar event, where admission is allowed to persons by admission fee or otherwise, the primary purpose of which is entertainment of the admittees by performers.

Foster Home - defined

"Foster Home" shall mean the dwelling unit of an individual who has been approved in writing by an Approved Foster Organization to foster domestic cats on a temporary basis until a permanent owner can be found.

Fostering Cat Owner - defined

"Fostering Cat Owner" shall mean the individual who has been approved in writing by an Approved Foster Organization to foster domestic cats in a Foster Home and who owns, keeps, possesses, harbours or acts as a guardian of the domestic cat on a temporary basis until a permanent owner can be found. The Fostering Cat Owner shall be considered the owner of the cat under this by-law while the cat is under their care.

Keeps - defined

"keeps" shall mean owns, possesses or harbours.

Microchip - defined

“microchip” shall mean an object which may be permanently implanted in a cat by injection or surgical procedure, which is programmed to store a unique and permanent identification number and is capable of using radio-frequency signals to relay the stored information to a scanning device.

Mobile Live Animal Program – defined

"Mobile live animal program" means a mobile operation, facility or place where live animals are brought to a location on a temporary basis and, whether segregated from persons by fixed barriers or not, are made available for exhibit, observation, recreation, entertainment, any degree of physical or other interaction with such persons, other than those persons charged with custody of the animals, or any other purpose.

Owner - defined

“owner” includes any person who owns, keeps, possess, harbours or acts as a guardian of an animal for any length of time, whether or not that person has a registration for the animal, and, where the owner is a minor, the person responsible for the custody of the minor. “Own” shall

have a corresponding meaning.

Pet shop - defined

“Pet shop” shall mean an establishment engaged in the retail sales of animals.

Pet shop keeper - defined

“Pet shop keeper” shall mean a person who has the charge, care or ownership of a pet shop.

Pound keeper - defined

"Pound keeper" for The Corporation of the City of London shall mean Urban Animal Management Inc. operating as Animal Care and Control Centre (London).

Premises - defined

“premises” includes the entire lot on which a single dwelling unit building or a multi-dwelling unit building is situated.

Zoo - defined

"Zoo" means a place where live animals in captivity are kept for display to persons for conservation, educational, scientific or recreational purposes, and where the animals and such persons are physically segregated from each other by fixed barriers.

**Part 2
CLASSES OF ANIMALS**

2.1 Animals - ranked by class

Animals shall be ranked according to the classes set out in this Part of this by-law.

2.2 Class 1 animal

"Class 1 animal" shall mean cow, donkey, goat, horse, mule, pig (swine) of all species including hybrids, pony and sheep.

2.3 Class 2 animal

"Class 2 animal" shall mean chicken, goose, turkey, duck and any domestic fowl.

2.4 Class 3 animal

"Class 3 animal" shall mean homing, pouter, racing or tumbler pigeons.

2.5 Class 4 animal

"Class 4 animal" shall mean domestic cat, guinea pig, gerbil, hamster, mouse, rat, rabbit, chinchilla, ferret and turtle.

2.6 Class 5 animal

"Class 5 animal" shall mean non-venomous snakes, non-venomous lizards and non-venomous spiders.

2.7 Class 6 animal

"Class 6 animal" shall mean domestic cardinals, finches, budgies, bulbuls, canaries, tanagers, amazons, cockatoos, conures, macaws, parakeets, cockatiels, lorikeets, touracos, toucans, orioles, mynahs, magpies, barbets, arcaris, pied hornbells and cock-of-the-rocks.

2.8 Class 7 animals

"Class 7 animals" shall mean any animal of a type that is normally found in a wild and natural state, whether or not it has been bred and/or raised in captivity and includes but is not limited to bear, wolf, coyote, crocodile, alligator, bobcat, lynx, mountain lion, cougar, tiger, lion, monkey, fox, skunk, kangaroo, eagle, hawk, elephant, weasel, raccoon, venomous lizard, venomous snake, venomous spider, all birds the keeping of which is prohibited in the *Migratory Birds Convention Act, S.C. 1985, C.M-7*, and regulations thereto and all animals the keeping of which is prohibited in the *Fish and Wildlife Conservation Act, 1997* and regulations thereto.

7.10 Droppings - removal - disposal - bi-weekly - exception

Every person keeping Class 3 animals shall remove and dispose of in a sanitary manner at least twice each week, all pigeon droppings, refuse and dropped or scattered feed within or adjacent to all such buildings, structures, lofts, pens, coops or runs, including outside runs enclosed only with wire, provided, however, that this regulation shall not apply when below freezing temperatures prevent removal and disposal.

7.11 Feed - storage - rodent-proof containers

Every person keeping Class 3 animals shall store all feed in rodent-proof containers.

7.12 Pigeons - trespassing - prevention

Every person keeping Class 3 animals shall prevent pigeons from trespassing on any land, except as otherwise provided in this by-law.

Part 8**CLASS 3 ANIMALS - NUMBERS - LIMITED****8.1 Banded pigeons - maximum - 40 - winter months**

Despite section 4.1 of this by-law, if a pigeon is banded with an identifying leg band issued by an organization recognized as bona fide by resolution of the Council, no more than a total of 40 homer, pouter, racing or tumbler pigeons or any combination thereof may be kept at any one time from November 1 of one year to March 31 of the following year.

8.2 Banded pigeons - maximum - 60 - summer months

Despite section 4.1 of this by-law and in order to provide for the raising and racing of pigeons hatched in any year, the number of pigeons that may be kept from April 1 to October 31 of any year may be increased to not more than 60.

8.3 Unbanded pigeons - maximum - 2 - at any time

No person shall keep more than 2 unbanded pigeons at any time.

Part 9 CLASS 3 ANIMALS - FLIGHT

9.1 Enclosed - all times - exception - 2 flights daily

Class 3 animals shall be kept enclosed at all times, except during a maximum of two flight periods daily, when no more than half the total number of animals of the class being kept by any one person shall be at large at any one time and such flights shall be governed by the regulations set out in sections 9.2 to 9.5 inclusive of this by-law.

9.2 Flights - summer months - times - designated

During the period from April 1 to September 30 of any year, all flights shall take place before 9:00 o'clock in the morning or after 5:00 o'clock in the afternoon.

9.3 Flights - winter months - times - designated

During the period from October 1 of one year to March 31 of the following year, all flights shall take place before 10:00 o'clock in the morning or after 3:00 o'clock in the afternoon.

9.4 Flights - supervision - required

All flights shall take place under the supervision of the owner of such animal or a competent person on his behalf.

9.5 Exception - organized flights - recognized by City

When a bona fide flight is conducted by an organization recognized by a Council resolution, the regulations set out in sections 9.2 to 9.4 inclusive of this by-law do not apply.

Part 10 CLASS 4 ANIMALS

10.1 Maximum – 2 animals – in one dwelling unit

No person shall keep more than two Class 4 animals in any one dwelling unit or on any premises, regardless of the ownership of the animals.

10.2(1) Maximum - Domestic Cats – Not Spayed/Neutered

Despite section 10.1, no person shall keep more than the following number of domestic cats in a dwelling unit or on any premises regardless of the ownership of the animals, if any of the domestic cats or dogs are not spayed/neutered:

- (i) where there are no dogs, a maximum of three domestic cats;
- (ii) where there is one dog, a maximum of two domestic cats;
- (iii) where there are two dogs, a maximum of one domestic cat;
- (iv) where there are three dogs, no domestic cats.

10.2(2) Maximum - Domestic Cats – Spayed/Neutered

Despite section 10.1 and 10.2(1), no person shall keep more than the following number of domestic cats in a dwelling unit or on any premises, in combination with the listed numbers of dogs, regardless of the ownership of the animals, if all of the domestic cats or dogs are spayed/neutered:

- (i) where there are no dogs, a maximum of eight domestic cats;
- (ii) where there is one dog, a maximum of seven domestic cats;
- (iii) where there are two dogs, a maximum of six domestic cats;
- (iv) where there are three dogs, a maximum of five domestic cats.

10.2(3) Maximum - Domestic Cats – Spayed/Neutered in other than a one unit dwelling

Despite section 10.1, 10.2(1) and 10.2(2), no person shall keep more than the following number of domestic cats in a dwelling unit on any premises that contains more than one dwelling unit, in combination with the listed numbers of dogs, regardless of the ownership of the animals, if all of the domestic cats or dogs are spayed/neutered:

- (i) where there are no dogs, a maximum of five domestic cats;
- (ii) where there is one dog, a maximum of four domestic cats;
- (iii) where there are two dogs, a maximum of three domestic cats;
- (iv) where there are three dogs, a maximum of two domestic cats.

10.3 Maximum Cat Limit Amnesty – program to encourage registration of spayed/neutered cats that are not compliant with pet limit regulations

The City Representative is authorized to use discretion and licence spayed/neutered cats that are not compliant with the pet limit regulations at the time of enactment of this by-law with

respect to a program that encourages registrations, or renewals of registrations, and that this program expire on July 1, 2015.

10.4 Maximum – Domestic Cats – Exception

Any person(s) who, on the date of the passing of this by-law, was lawfully keeping more cats than the current by-law permits may keep those cats until they have deceased or have otherwise been removed from, or have left the dwelling unit;

10.5 Maximum – Domestic Cats – Foster Home

Despite section 10.1 and 10.2, a recognized/approved Foster Home shall not be limited in the number of dogs or cats sheltered for adoption purposes.

10.6 Maximum – Domestic Cats – Moved from another Municipality

Despite sections 10.1, and 10.2, any individual who moves to the City of London from another municipality and has more than the allowed number of domestic cats as set out in section 10.2, may continue to keep those domestic cats until the domestic cats are no longer in the owner's possession, subject to the owner providing proof of a current valid licence, registration or tag for the domestic cats from the other municipality if that municipality required same, and subject to the owner providing proof that all the cats have been spayed/neutered.

10.7 Newborns – keeping – maximum 2 months

Despite section 10.1, the young of any class 4 animal may be kept for a period not exceeding 2 months after birth.

10.8 Newborns – domestic cats – keeping – maximum 6 months

Despite sections 10.1 and 10.2(1), the young of a domestic cat may be kept for a period not exceeding 6 months after birth.

Part 11 DOMESTIC CATS

11.1 Poundkeeper appointed - Cat Registry

The Council appoints and authorizes the Poundkeeper as the registry keeper for domestic cat identification, and the domestic cat identification tag issuer, on behalf of the City.

11.1.1 City Clerk – Maintain Record of Approved Foster Organizations

The City Clerk shall maintain a record of all Approved Foster Organizations as approved in writing by the City Representative. The record shall be available for public inspection at the office of the City Clerk during normal business hours.

11.2 Registration – Information - Requirements

The Poundkeeper is designated to keep a registry on behalf of the City showing the following cat registration information:

- (i) name and address of cat owner;
- (ii) description of the cat (including colour, breed, name, sex, whether spayed/neutered, whether microchipped, microchip number if applicable, date of birth if known);
- (iii) date of registration;
- (iv) amount of fee paid upon registration; and
- (v) serial number of tag, if issued.

The Poundkeeper shall at all times produce the registry for inspection when required to do so by the City Representative.

11.3 Application – forthwith – upon ownership – cats under 6 months exempt

- (a) All domestic cat owners shall make application for registration of each of their cats to the Poundkeeper forthwith upon commencing ownership of the cat.
- (b) A domestic cat owner is exempt from the requirement in section 11.3(a) if the cat is less than 6 months of age.

11.4 Application – registration – description - fee

Every application for cat registration shall be accompanied by the following:

- (i) name and address of cat owner;
- (ii) description of the cat (including colour, breed, name, sex, whether spayed/neutered, whether microchipped, microchip number if applicable, date of birth if known);
- (iii) proof of sterilization and/or microchipping if applicable; and
- (iv) the applicable fee as set out in Schedule "A".

11.5 Tag – serial number – issued – upon payment of fee

Upon payment of the applicable fee, the owner shall be furnished with a cat tag bearing the serial number, the year for which it was issued and the words “City of London”.

11.6 Expiry – annual – December 31

A registration of a cat and the cat tag expires on the thirty-first day of December of the year for which it was registered, and the registration must be renewed yearly.

11.7 Notice to Poundkeeper – death – change of ownership

A cat owner shall notify the Poundkeeper forthwith upon the death or change of ownership of a cat so registered.

11.8 Transfer – of Tag - conditions

A tag may be transferred after notification under section 11.7 and payment of the applicable fee upon the following occurrences:

- (a) transfer in ownership of a cat during any registration year;
- (b) replacement of cat upon death of registered cat;
- (c) transfer of current year licence or registration from any municipality.

11.9 Tag – affixed – securely – to cat – at all times– exceptions – microchipped – farm – less than 6 months of age

- (a) The tag shall be fixed securely on the cat for which it was issued at all times until such time as the tag is renewed or replaced.
- (b) Despite subsection (a), the following domestic cats are exempt from the requirement to have a tag affixed:
 - (i) cats that are microchipped; or
 - (ii) cats kept on a farm (and for the purposes of this section, “farm” means lands and buildings primarily used for agricultural purposes including the cultivating of the soil, production of crops or the raising of livestock); or
 - (iii) cats that are less than 6 months of age.

11.10 Tag – replacement – where lost

Where a tag has been lost, an application shall be made to the Poundkeeper for a replacement tag, for a fee. The application shall be accompanied by proof that the current year’s registration fee has been paid.

11.11 Pet Shops – purchasers – cats – Inform of registration requirements

Every pet shop keeper shall inform a purchaser of a cat of the requirement to register the cat under this by-law.

11.12 Fostering Cat Owner – Approved Rescue Organization - Registration Exemption

Despite section 11.3, a Fostering Cat Owner and an Approved Foster Organization are exempt from the requirement to apply for registration of a cat with respect to cats from an Approved Foster Organization.

11.13 Foster – No Tag

Sections 11.5 through 11.10 shall not apply with respect to Approved Foster Organizations or Fostering Cat Owners with respect to cats from an Approved Foster Organization.

11.14 Transfer of ownership- from Foster to new owner – inform of registration requirements

- (a) In the event the ownership of the fostered cat is transferred from the Fostering Cat Owner or an Approved Foster Organization to a new owner, the Fostering Cat Owner and/or the Approved Foster Organization shall inform the new owner of the requirement to register the cat under this by- law.
- (b) Where the ownership of the fostered cat is transferred from a Fostering Cat Owner or an Approved Foster Organization to a new owner, the new owner shall forthwith apply to the Poundkeeper for registration of the cat under this by-law.
- (c) Where the ownership of the fostered cat is transferred from a Fostering Cat Owner or an Approved Foster Organization to a new owner, there shall be no fee for the remainder of the year in which the registration was applied for, and no fee for the first annual renewal of a registration. Thereafter, the normal registration fees shall apply.

11.15 Fostered Cat – Spayed/Neutered

Fostering Cat Owners and Approved Foster Organizations shall ensure that the cat is spayed or neutered and has received all recommended and required vaccinations prior to any transfer of ownership where there is no unacceptable medical risk to the cat to do so.

11.16 Fee Amnesty – programs to encourage registration

The City Representative is authorized to waive the payment of any fee under this by-law with respect to a program that encourages registrations, or renewals of registrations, and the City Representative shall annually report to Council on all such waivers of fees.

Greetings:

Please grant my request to address members of the Community and Protective Services Committee at the May 29th meeting.

My delegation request is related to the Animal Welfare Advisory Committee recommendation regarding the present bylaw exemption that exists within 'Animal Control Bylaw PH-3'.

As a founding member of local group, FOCA-Friends of Captive Animals, I would appreciate the opportunity to speak with your committee on this matter.

TO:	CHAIR AND MEMBERS COMMUNITY AND PROTECTIVE SERVICES COMMITTEE MEETING ON MAY 29, 2018
FROM:	SCOTT STAFFORD MANAGING DIRECTOR, PARKS AND RECREATION
SUBJECT:	PARKS & RECREATION AREA BY-LAW PR-2 AMENDMENTS FEEDING OF WILDLIFE IN PARKS AND OTHER ADMINISTRATIVE REVISIONS

RECOMMENDATION

That, on the recommendation of the Managing Director of Parks and Recreation, the attached proposed By-law (Appendix A) **BE INTRODUCED** at the Municipal Council meeting on June 5, 2018, to amend the Parks & Recreation Area By-Law PR-2 to address the feeding of wildlife in city parks and other administrative amendments.

PREVIOUS REPORTS PERTINENT TO THIS MATTER

Community and Protective Services Committee:

- Parks and Recreation By-Law - June, 17, 2013
- Parks and Recreation By-Law - June 22, 2009
- Revised Parks and Recreation By-Law - April 25, 2005
- New Parks By-Law – July 29, 1996

BACKGROUND

The existing Parks and Recreation By-Law was last revised in 2013. Over the past 4 years, a number of issues have arisen that should now be addressed by the by-law.

The feeding of Wildlife in Parks is one of the key items to be addressed. Civic Administration is recommending changes to the Parks & Recreation Area By-law to better deal with excessive feeding of wildlife in parks and natural areas.

PROPOSED PR-2 BY-LAW UPDATES

Feeding of Wildlife

While most wildlife regulations are governed by the Ministry of Natural Resources, the feeding of wildlife on municipal lands can be regulated by the Municipality. The Ministry of Natural Resources recommends that the feeding of wildlife be discouraged as it can increase disease transmission and decrease natural foraging skills. Deposited foods are typically nutritionally incompatible with normal wildlife diets and create a reliance on human interaction. The feeding of deer can also create unnatural herding and migration patterns in many natural areas which can cause damage to neighbouring properties.

Wildlife in the city is a natural occurrence and for the most part, Londoners have learned to live with various forms of wildlife and have grown to appreciate most. On occasion, wildlife becomes

a nuisance to park users, adjacent home owners and city maintenance activities. This was the case with the feeding of deer in Sifton Bog which lead to an over-population of deer in the Bog causing environmental damage. There have also been calls in the past to control the dumping of bread and feed to feed geese along the river which have caused traffic delays and unsafe road conditions.

The intent of previous reports in this regard was to propose the addition of a new section to prohibit the feeding of animals in parks and natural areas. This recommendation was referred back to staff to find a clearer way to deter the excessive dumping of feed while not prohibiting the occasional feeding of small amounts of food to animals like squirrels and ducks. Upon further review by multiple service areas, it was determined that the existing Section 3.1 (23) offence of “Failing to deposit refuse in containers or failing to remove refuse from parks” would already cover the feeding of wildlife, since the “refuse” definition includes “discarded food”.

However, the use of Section 3.1(23) has proven ineffective in resolving the bulk feeding issue. Therefore staff is proposing that a new definition of bulk feeding of quantities greater than 250ml be introduced with a corresponding by-law to prohibit the bulk feeding of wildlife be added to the Parks and Recreation By-law (PR-2). This will help to clarify that the bulk feeding of wildlife is prohibited for the wellbeing of the animals and the safety and enjoyment of the park users.

The Animal Welfare Advisory Committee, at its May 3, 2018 meeting, fully supported the implementation of this update to the By-Law.

Administrative and Modernization amendments

Other minor administrative amendments include the elimination of wording regarding pens, and animals in Storybook Gardens, updating of service animal implications and gender neutral language.

CONCLUSION

The proposed By-law changes are required to address the recurring bulk feeding issues within the City’s park and open space system. The modernization and administrative revisions will also allow the Parks and Recreation By-Law (PR-2) to address these issues and will help manage activities in our parks and natural areas. Please note that the by-law will come into effect on August 1st to allow time for new set fine orders to be attained.

No person shall use a park or recreation area without first having paid the applicable fee, if any, or having made the appropriate arrangements for the scheduled payment of fees according to the practices established by the Managing Director and as established in the applicable fees and charges by-law.

Part 7 ENFORCEMENT

7.1 Enforcement

- (1) Where any person contravenes any provisions of this by-law, such person is subject to the provisions of the *Trespass to Property Act, R.S.O. 1990, c. T.21*
- (2) Any Police Officer, Municipal Law Enforcement Officer, or person under contract with the City to enforce this by-law may enforce the provisions of this by-law.
- (3) Where any person contravenes any of the provisions of this by-law, the permission of such person to remain in that park or facility is revoked.
- (4) A police officer, Municipal Law Enforcement Officer, person under contract with the City to enforce this by-law, or the Managing Director may order a person believed to be in contravention of this by-law to:
 - (a) cease the activity that is in contravention of the by-law; and/or
 - (b) leave the park or facility.

7.1.1

- (a) If a Municipal Law Enforcement Officer, a Police Officer, or person under contract with the City to enforce this by-law is satisfied that this by-law has been contravened, the officer may make an order, known as an Order to Discontinue Activity, requiring the person who contravened the by-law, or who caused or permitted the contravention, to discontinue the contravention.
- (b) An Order to Discontinue Activity shall set out:
 - (i) the address of the property or name of the park on which the contravention occurred;
 - (ii) the date of the contravention;
 - (iii) the reasonable particulars of the contravention of the by-law; and
 - (iv) the date by which there must be compliance with the order.
- (c) The Order to Discontinue Activity may be served personally on the person to whom it is directed or by regular mail to the last known address of that person, in which case it shall be deemed to have been given on the third day after it is mailed. Service on a corporation can be effected by registered mail to the corporate mailing address.
- (d) No person shall contravene an Order to Discontinue Activity.”

7.2 Applicable Law

Park and recreation area users are subject to all applicable Municipal by-laws and all Provincial and Federal laws and regulations and all persons violating any by-law or law may be required to leave any park or recreation area.

7.3 Recreation Area Permit Holders

Holders of permits for recreation areas shall be responsible to ensure that all applicable provisions of this by-law are upheld.

7.4 Continuation – repetition of offence – prohibited

The court in which the conviction has been entered and any other court of competent jurisdiction thereafter, may make an order prohibiting the continuation or repetition of the offence by the person convicted, and such order shall be in addition to any other penalty imposed by the court on the person convicted.

Part 8 PENALTY

8.1 Contravention of By-Law

Any person contravening any provision of this by-law is guilty of an offence and on conviction is liable to such penalty as is provided for under the Provincial Offences Act, R.S.O. 1990, Chapter P.33, as amended.

Part 9 MISCELLANEOUS

9.1 By-law reference on signs - deemed to conform

On a sign posted by the City in a park or recreation area, references to By-laws P 67-15, P 67-15-90(m) and PR-1 shall be deemed to be references to this by-law.

9.2 Short Title

This by-law may be referred to as The Parks and Recreation Area By-Law.

9.3 Validity

It is declared that notwithstanding that any Part or Parts of this by-law, or sections thereof, may be found by any court of law to be bad or illegal or beyond the power of the Council to enact, such Part or Parts or sections thereof shall be deemed to be severable and that all other Parts or sections of this by-law are separate and independent therefrom and enacted as such.

9.4 Repeal

By-law No. PR-1, and all amendments thereto, are hereby repealed.

Background

The 2016 City of London Official Plan introduced a group of **Street Classifications**, which set the stage for more **context sensitive city building policies** and **redefining mobility** for Londoners

Classifications Include:

- Rapid Transit Boulevards
- Urban Thoroughfares
- Civic Boulevards
- Main Streets
- Neighbourhood Connectors
- Neighbourhood Streets
- Rural Thoroughfares
- Rural Connectors

THE LONDON PLAN

Goals

The City of London Official Plan suggested the preparation of a Complete Streets Manual to establish:

- Overall cross-sections for the street classifications
- Design parameters for the public realm

Background

Many **stakeholders** were included in **consultation efforts** for the development of the Complete Streets Design Manual and attended a **Stakeholder Workshop**, held on June 2nd, 2017. These groups included:

- Accessibility Advisory Committee
- Can-Bike
- Hyde Park Business Association
- Bell
- London Middlesex Road Safety Committee
- Middlesex Health Unit
- Start Communications
- Cycling Advisory Committee
- London Fire
- London Development Institute (LDI)

- Downtown London BIA
- London Hydro
- London Transit
- Union Gas
- Tree and Forests Advisory Committee
- Argyle BIA
- City of London Water
- London Environmental Network
- City of London Development Services

Local Policy Support

“Municipal Council adopted the following Vision Zero Principles:

- No loss of life is acceptable
- Traffic fatalities and serious injuries are preventable
- We all make mistakes
- We are all physically vulnerable when involved in motor vehicle collisions
- Eliminating fatalities and serious injuries is a shared responsibility between road users and those who design and maintain our roadways

**Embed Sustainability**

**Emphasize Vitality**

**Prioritize Connectivity**

**Ensure Context Sensitivity**

london.ca

13

Accessibility

The Manual defines what a pedestrian is, describes the central role of walking and mobility device travel within London and outlines how the City will support pedestrians through Complete Streets.

Key considerations:

- Tactile walking surface indicators
- Separation of pedestrians and cyclists where practical
- Consideration of user needs and land uses in prioritizing street elements such as sidewalk width
- Design processes that emphasize consultation with stakeholder groups
- Pedestrian crossing refuge islands
- Accessible transit stop design

Core Principles

**Prioritize Safe and Accessible Options for People**

“The safety and mobility needs of all users is a priority in any street design exercise.”

**Emphasize Vitality**

“Streets that attract pedestrians enhance urban vitality in London.”

Design For Accessibility

“Pedestrians include those who are using a walker, crutches, a wheelchair or an electrically powered mobility device as well as individuals with a visual impairment. Design features should be used to accommodate all of London’s pedestrians, such as:

- appropriately wide pedestrian clearways;
- audible pedestrian signals;
- tactile walking surface indicators (TWSIs);
- visually contrasting surface treatments; and
- amenities such as seating

ELEMENTS OF COMPLETE STREETS

“Provide connectivity:

“Prioritize vulnerable users:
Cyclists are more vulnerable than transit riders and motorists in a collision because they are not protected within a vehicle.”

3

Approach 2: Strengthen City’s capacity to provide services

Activity	Desired Outcome
Create Working Group	City divisions are aligned and working together to serve non-status/uncertain status individuals.
Develop policy	Clear directives of City staff interaction with residents who are non-status/uncertain status; access services free of fear.
Encourage selected boards to develop policy	Clear directives of boards’ interaction with residents who are non-status/uncertain status; access services free of fear.
Develop data collection mechanisms	Better information on numbers and needs.
Staff guidelines, training, and resources	Staff understand that they are only to ask about immigration status when required to access a specific service.
Public awareness communication plan	The public is aware of the rights of non-status individuals/individuals with uncertain status.

Approach 2: Strengthen City’s capacity to provide services

Activity	Desired Outcome
Staff guidelines, training, and resources	Non-status/uncertain status individuals are more willing to access municipal services
Public awareness communication plan	Non-status individuals/uncertain status individuals are aware of and access services; Londoners develop better understanding of issue
Information line for enquiries	Non-status/uncertain status individuals receive information/clarification on which services they may access without fear that their immigration status will be requested

Potential titles for initiative

- Access to City Services without Fear for Londoners
- Access to London: Services for All
- Access to London Services
- Services Free of Fear (City or Initiative)

Initiatives

Public Awareness Forums: wide ranging in topics, DIAAC has collaborated with local organizations and brought forth to the community an array of topics and issues surrounding diversity and inclusion. In recent years, DIAAC organized the Anti-racism forum to explore the affect racism has on London.

Hands against racism campaign: DIAAC launched a local social media initiative to send the message of unity and a stand against racial intolerance.

Diversity, Inclusion & Anti-Oppression Advisory Committee

[London.ca/DIAAC](https://london.ca/DIAAC)

Who we are

DIAAC (formerly known as LDRRAC) is an advisory committee with the City of London. It is made up of volunteer Londoners from different walks of life coming together to form an integral part of local government.

DIAAC serves as a resource to City Council. Our committee provides insight and recommendations that address concerns, enhance access and opportunity for Londoners regardless of abilities, culture, ethnicity, gender identity and expression, faith perspective, and sexual orientation.

Our mandate also includes raising public awareness and gathering input on issues pertaining to racism, inequality and various forms of oppression.

How does DIAAC help the community?

- offers a safe space for many voices to be heard.
- Provides a forum for Londoners to present their experiences and take part in discussions to suggest ideas, bring forward initiatives and impact municipal policies and practices.
- works collaboratively with agencies in the community on applicable events and issues of interest to affect change in London.

Initiatives

DIAAC has been involved in a number of programs, initiatives and changes impacting Londoners and the City of London. Below are just a few examples:

The City of London Diversity, Race Relations and Inclusivity Award: **DIAAC** coordinates an annual awards ceremony recognizing Londoners and local organizations, large and small, that champion best practices and initiatives which fosters positive race relations, promotes diversity, and inclusivity to advance London towards being a more welcoming and inclusive city for all.

To nominate a person or organization contact:

DIAAC@London.ca

Nomination period is from January to September 30th each year.

Street checks: working with other stakeholders across the City, **DIAAC** helped London Police Services to review this practice.

Through community consultation, worked with the City of London to devise the city wide initiative of the **Community Diversity Inclusion Strategy (CDIS)** as well as the City of London's **Diversity Work Place** internal policy.

February 23, 2018

His Worship Mayor Matt Brown and Members of City Council
The City of London
300 Dufferin Avenue
London, Ontario, N6A 4L9

Dear Mayor Brown and Members of Council:

Re: A Strategic approach to the allocation of revenues resulting from legalization of Cannabis

As each level of government begins to rationalize how they will deal with the legalization of Cannabis, the London Chamber of Commerce is concerned about what approaches will be undertaken both in terms of how the revenue from the sale of cannabis will be allocated in the most equitable way possible and how the associated business and social costs of legalized cannabis might be addressed at the earliest possible stage.

The Issues:

There is no question that the legalization of cannabis will create challenges for employers and will impact the entire workplace. As legalization comes into force, there will be a growing urgency for guidelines to support employers and a need for an integrated health strategy to support individuals and those most susceptible to addiction.

Implications for Business:

According to Health Canada data, "the number of registered users is up 32% to 167,000 Canadians in the last quarter alone in 2016/17 and has grown to fifteen hundred times its size since the first documents quarter in June 2014." The estimated surge is expected to be similar for recreational users, compounding the challenge for employers.

For employers, the questions arises as to the impact cannabis may have on increased costs attributed to possible absenteeism, productivity, benefits coverage and safety concerns for work impairment. Moreover, there is a concern that the long term implications of use may cause or exacerbate other mental health issues in the well-being of employees and the community overall.

Source: Health Canada. June 2017. Market Data. Accessed at: [https:// www.canada.ca/en/health-canada/services/drugs-health-products/ medical- use-marijuana/licensed-producers/market- data.html](https://www.canada.ca/en/health-canada/services/drugs-health-products/medical-use-marijuana/licensed-producers/market-data.html)

Recommendations:

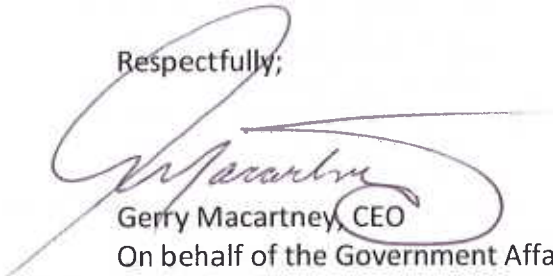

In consultation with member employers and other community partners we respectfully request the following, irrespective of whatever shape the final funding formula may take (Federal to Provincial - Provincial to Municipal).

That a fair and transparent portion of the revenues from cannabis sales in the legalization process be dedicated and reinvested into the following:

- 1. Education and awareness programs, particularly aimed at youth under the age of 19 with the aim of deterring the use of cannabis.***
- 2. Increased education, guidelines and awareness in workplaces as to health and safety issues, absenteeism, productivity and benefits.***
- 3. Increased funding towards community counselling and addiction support services, for youth and adults.***
- 4. Education and awareness programs aimed at identifying the inter-relationship between cannabis, homelessness and those at-risk individuals.***

TO:	CHAIR & MEMBERS COMMUNITY AND PROTECTIVE SERVICES COMMITTEE
FROM:	G. KOTSIFAS, P. ENG. MANAGING DIRECTOR OF DEVELOPMENT & COMPLIANCE SERVICES AND CHIEF BUILDING OFFICIAL
SUBJECT:	PUBLIC MESSAGING IN THE COMMUNITY – NUISANCES Meeting on May 29, 2018

RECOMMENDATION

That on the Recommendation of the Managing Director, Development and Compliance Services and Chief Building Official, the following actions be taken with respect to Public Messaging in Public Spaces:

- A) This report **BE RECEIVED** for information purposes; and
- B) Civic Administration **BE DIRECTED** to draft by-law amendments, for consideration at a future meeting of the Community and Protective Services Committee, to:

a. amend the Public Nuisance By-law to regulate abusive or insulting language that unnecessarily interferes with the use and enjoyment of public space by other persons; and

b. amend the Sound By-law to regulate amplified live speech.

BACKGROUND

In 2016 and 2017 Municipal Law Enforcement Services received in excess of 50 complaints related to individuals or groups publically expressing their views while on municipal lands, some using amplification to do so. London Police Services also received as many complaints on these same activities. In 2018 both Municipal Law Enforcement Services and London Police Services are again receiving similar complaints. Some complaints have indicated that the individuals expressing their views on municipal property are using amplification devices to do so, and are using personal invective, such as personal insults or personally abusive language, towards other individuals who happen to be in the area.

Freedom of expression, which would include expressing views on public property, is a guaranteed freedom under the *Charter of Rights and Freedoms*. If a municipality wishes to limit this freedom, it must be a reasonable limit prescribed by law and “demonstrably justified in a free and democratic society”.

The Ontario Court of Appeal has upheld a regulatory body’s authority to pass a regulation that made it an offence to use abusive or insulting language which unnecessarily interferes with the use and enjoyment of a Park by other persons.¹ The court stated “[the section] does not cast a wide net over expressive activity in the Parks. ...the provision does not curtail expression that society expects a reasonable person to be able to tolerate. It does not restrict expression that is annoying, or even infuriating. People using public spaces are required to tolerate exposure to ideas with which they intensely disagree – ideas that may be inimical to their own deeply cherished

¹ Bracken v. Niagara Parks Police, 2018 ONCA 261

Agenda Item #	Page #

commitments and choices.” The Court of Appeal was clear about the limited scope of the expression the regulation would apply to:

... [the section] does not prohibit the expression of contentious or controversial ideas. It does not prohibit or curtail robust contributions to public debate. It does not prohibit incivility, profanity, or vulgarity. In proscribing the use of abusive or insulting language, it merely prohibits personal invective.

The *Municipal Act, 2001* provides that municipalities may prohibit and regulate with respect to public nuisances, including matters that, in the opinion of Council, are or could become or cause public nuisance, and the opinion of Council under section 128 of the *Municipal Act*, if arrived at in good faith, is not subject to review by any court.

INFORMATION

Civic Administration has reviewed the four by-laws below that may address aspects of the activity of public address where it is causing a public nuisance or unnecessarily interfering with the use and enjoyment of the public space.

Parks & Recreation Area By-law PR-2: Within Part 3 Prohibited Matters section (9) indicates no person shall engage in riotous, boisterous, violent, threatening, or illegal conduct or use profane or abusive language, including: i) making any verbal comments or physical gestures, about or toward anyone that could reasonably be considered to be offensive, derogatory or abusive.

Public Nuisance By-law PH-18: The activities currently prohibited in this by-law are limited to nuisance parties, public urination/defecation, or the knocking over of mail boxes and garbage containers lawfully located on a highway.

Sound PW-12: This by-law regulates sound/noise that would be an unreasonable noise or noise likely to disturb inhabitants. The Sound By-law could be amended to regulate amplified public address by way of a Temporary Noise Exemption Permit which could include terms and conditions relating to time, date, location, volume, and duration.

Streets By-law S-1: Within Part 2 Prohibited Matters section 2.3 indicates No person shall, either by himself or by permitting others, without lawful authority, cause a public nuisance in or upon a street, by fire, water, vapour, noise or any means whatsoever.

CONCLUSION

To address public concerns related to personal invective affecting citizen and visitor enjoyment of London’s public spaces Civic Administration recommends that an amendment to the Public Nuisance By-law, which would apply to public spaces, be drafted for consideration at a future meeting to be heard before Community and Protect Services Committee. Civic Administration also recommends an amendment to the Sound By-law be drafted to regulate the amplification of live speech. Any amendments would protect the charter rights of the person and that of individuals to move freely without being harassed by offensive or abusive behaviour regardless of personal or religious beliefs.
