7. Adjournment

Next meeting: October 4, 2018

Animal Welfare Advisory Committee

Report

8th Meeting of the Animal Welfare Advisory Committee
August 2, 2018
Committee Room #4

Attendance PRESENT: W. Brown (Chair), H. de Hoog, M. Gelinas, A. Hayes, P. Lystar, M. Morris, D. Simpson M. Toplak and P. Shack (Secretary)

REGRETS: K. Ashe, A. Cheng and A.M. Evans

ALSO PRESENT: R. Oke

The meeting was called to order at 5:02 PM.

1. Call to Order

1.1 Disclosures of Pecuniary Interest

That it BE NOTED that no pecuniary interests were disclosed.

2. Scheduled Items

None.

3. Consent

3.1 7th Report of the Animal Welfare Advisory Committee

That it BE NOTED that the 7th Report of the Animal Welfare Advisory Committee, from its meeting held on July 5, 2018, was received.

3.2 Highbury Avenue/Hamilton Road Intersection Improvements - Environmental Assessment Study - Notice of Completion

That it BE NOTED that the Notice of Completion, from B. Hutson, Dillon Consulting Limited and M. Elmadhoon, City of London, with respect to the Highbury Avenue/Hamilton Road Intersection Improvements Environmental Assessment Study, was received.

4. Sub-Committees and Working Groups

That it BE NOTED that a verbal update from W. Brown, with respect to the sub-committee activities, was received.

5. Items for Discussion

5.1 Pets in Hot Cars

That it BE NOTED that the Animal Welfare Advisory Committee held a general discussion with respect to Pets in Hot Cars.

5.2 Mobile Zoos

That, the following actions be taken with respect to the proposed amendments to the London Animal Control By-law PH-3:

a) the Civic Administration BE REQUESTED to report back to the Animal Welfare Advisory Committee(AWAC) regarding amendments to the London Animal Control By-law PH-3, as previously submitted by the AWAC by the end of August, 2018;

b) the Civic Administration BE ADVISED that the AWAC believes there is some urgency and that the staff report be expedited for the Community and Protective Services Committee and the Municipal Council's consideration as a private zoo business has stated its intent to and has reportedly been working to establish a facility in London;

it being noted that a significant part of the proposed business involves the off-site use of a wide variety of exotic animals in a diversity of venues, a practice that potentially brings with it a whole range of additional issues, challenges and problems that have not yet been considered and discussed;

it being further noted that, as stated previously, AWAC has a number of concerns about animal welfare, human health and safety, environmental protection, as well as real concerns about the City's lack of capacity to provide proper oversight, to assess conditions and to identify problems, proactively mitigate against them happening, and to address them after they arise; prior to any new zoological facility establishing itself in the City, it is critical that the proposed changes to the by-law be considered first;

it being also noted that during the past decade London has made steady progress toward becoming an enlightened and compassionate City known for its actions on behalf of animal welfare; in keeping with this shift in societal attitude toward animals there are currently no public or private zoos or menageries operating in London, a modern, progressive circumstance and one that all Londoners can be proud of; and,

it is our hope that London will continue to be a regional leader in demonstrating a modern, enlightened relationship with animals that reflects our best intentions and values. Therefore we request that CPSC expedite the staff report on proposed amendments to London's animal control bylaw.

5.3 Licensing in Homes for Pet Related Services

That the following actions be taken with respect to potential amendments to the Zoning By-law Licensing in Homes for Pet Related Services:

a) The Civic Administration BE ADVISED of the following comments from Animal Welfare Advisory Committee(AWAC):

-standards for good animal welfare be addressed in terms of physical space, and also caring for these animals such as:

-basic obedience training

-CPR First Aid

-human First Aid

-fire & safety measures must be put in place

-sanitation protocol and standards

-vaccination and insurance requirements

-fence height restriction

-education requirements

-determine if current business owners are meeting these standards and if not, recommend timeline to be established to met

b) The Civic Administration BE REQUESTED to report back to AWAC with respect to the feasibility of implementing AWAC recommendations.

6. Deferred Matters/Additional Business

None.

7. Adjournment

The meeting adjourned at 6:00 PM.

Councillor Virginia Ridley, Ward 10

August 22, 2018

Chair and Members
Animal Welfare Advisory Committee

Re: Skunk Population around the City

It has been brought to my attention that there has been an increase in the number of skunks in the Westmount area, and also around the entire City.

I have reached out to the London Animal Care Centre for some thoughts on what could be done about this and been informed that they are not tasked with response or authorized to interfere with healthy wildlife and their involvement is very minimal. I have also been informed that healthy wildlife concerns from a home owner or property owner should be directed to a private contracted wildlife removal company vs London Animal Care Centre.

The concern from residents are around the following areas: domestic pet/skunk or people/skunk interaction, property damages, appropriate and safe removal options.

As the Animal Welfare Advisory Committee, I am writing to you to see if you have likewise noticed, or heard about an increase, and what you might recommend as possible resolutions.

Thank you for your consideration of this matter.

Virginia Ridley
Councillor, Ward 10
