10. (3.2) Application - 470 Colborne Street (OZ-8948) (Relates to Bill No.'s 38 and 49)

Motion made by: A. Hopkins

That, on the recommendation of the Director, Development Services, the following actions be taken with respect to the application by Peter and Janice Denomme, relating to the property located at 470 Colborne Street:

a) the proposed by-law appended to the staff report dated January 7, 2019 as Appendix "A" BE INTRODUCED at the Municipal Council meeting to be held on January 15, 2019 to amend the 1989 Official Plan by AMENDING Section 3.6.9. – Office Conversions and the existing Specific Area Policy in Section 3.5.4. – Woodfield Neighbourhood;

b) the proposed by-law appended to the staff report dated January 7, 2019 as Appendix "B" BE INTRODUCED at a future Council meeting, to amend The London Plan by ADDING a policy to the existing Woodfield Neighbourhood Specific Policy Area within Specific Policies for the Neighbourhoods Place Type AND that three readings of the by-law enacting The London Plan amendments BE WITHHELD until such time as The London Plan is in force and effect;

c) the proposed by-law appended to the staff report dated January 7, 2019 as Appendix "C" BE INTRODUCED at the Municipal Council meeting to be held on January 15, 2019 to amend Zoning By-law No. Z.-1, (in conformity with the Official Plan as amended in part a) above), to change the zoning of the subject property FROM a Residential R3 (R3-2) Zone and a Commercial Recreation (CR) Zone TO a Residential R3 Special Provision/Office Conversion Special Provision (R3-2(\)/OC3(\)) Zone;

d) the request to amend the Official Plan by adding a Special Policy Area to Chapter 10 – Special Policy Areas, BE REFUSED for the following reasons:

i) an amendment to add 470 Colborne Street to the list of permitted office conversions in Section 3.6.9. – Office Conversions, and an amendment to add site-specific policy to the existing Woodfield Neighbourhood policies in Section 3.5.4. of the Official Plan is consistent with the established approach to office conversion permissions, and area or site-specific policies within the Woodfield Neighbourhood, and provides more transparency and ease of policy interpretation than an amendment to add a new policy to Chapter 10 – Special Areas;

e) the request to amend Zoning By-law No. Z.-1 to change the zoning of the subject property FROM a Residential R3 (R3-2) Zone and a Commercial Recreation (CR) Zone TO a Residential R3 Special Provision/Restricted Office Special Provision (RO1(*) Zone, BE REFUSED for the following reasons:
i) an Office Conversion (OC3) Zone conforms to and more accurately reflects the recommended amendments to the 1989 Official Plan to recognize 470 Colborne Street as a location where office conversions are permitted;

ii) an Office Conversion (OC3) Zone variation is a more appropriate base zone in combination with the recommended Residential R3 Special Provision (R3-2(2)) Zone as it limits office development to within the existing building which is to be retained, and requires a minimum of one dwelling unit in order to enhance and maintain the low-rise residential character of the Woodfield Neighbourhood;

iii) applicant refinements of the parking scenarios for the converted dwelling, non-residential, and mixed-use scenarios have increased the amount of land area that may be retained as landscaped open space than originally requested;

iv) additional site-specific regulations for the Residential R3 Special Provision (R3-2(2)) Zone and the Office Conversion Special Provision (OC3(2)) Zone are recommended that address and mitigate impacts of intensity by allowing increases to the permissible maximum parking area coverage, ensuring the provision of adequate rear yard amenity area for converted dwellings, limiting the number of parking spaces in the rear yard, ensuring that the cumulative parking requirements for the uses established in the existing building do not exceed the allowable maximum number of parking spaces, and prohibiting front yard parking.

it being noted that the recommended amendment will functionally achieve the same range of uses requested by the applicant albeit in a manner that better protects the existing buildings and ensures a more compatible fit within the neighbourhood;

it being pointed out that at the public participation meeting associated with these matters, the individuals indicated on the attached public participation meeting record made oral submissions regarding these matters;

it being further noted that the Municipal Council approves this application for the following reasons:

• the recommended Official Plan and Zoning By-law amendments are consistent with the Provincial Policy Statement, 2014;

• the recommended 1989 Official Plan amendment will provide policies to enable the adaptive re-use of the existing heritage building for uses that conform to the relevant review criteria for the Near Campus Neighbourhood, Woodfield Neighbourhood, community facilities and office conversions in Residential designations, and Planning Impact Analysis policies;

• the recommended amendment to The London Plan will provide policies to enable the adaptive re-use of the existing heritage building for uses in a mixed-use format that conform to the Key Directions for building a mixed-use compact city and building strong, healthy and attractive neighbourhoods for everyone, the vision for the Neighbourhoods Place Type, and relevant review criteria for the Intensification in the Neighbourhood Place Type, Near Campus Neighbourhood, Woodfield Neighbourhood, community facilities and office conversions in the Neighbourhood Place Type, and Evaluation Criteria for Planning and Development Applications; and,
the recommended amendment to Zoning By-law Z-1 will conform to the 1989 Official Plan and The London Plan as recommended to be amended and provide appropriate site restrictions to ensure the permitted uses are compatible and a good fit within the existing neighbourhood. (2018-D09)

Motion made by: A. Hopkins

That, on the recommendation of the Senior Planner, Development Services, the following actions be taken with respect to the application by Sifton Properties Limited, relating to the lands located at 2835 Sheffield Place (also known as Block 153 within the Victoria on the River Draft Plan of Subdivision):

a) the proposed by-law appended to the staff report dated January 7, 2019 as Appendix "A" BE INTRODUCED at the Municipal Council meeting to be held on January 15, 2019 to amend Zoning By-law No. Z-1, (in conformity with the Official Plan), to change the zoning of the subject lands FROM an Open Space Special Provision (OS5(3)) Zone and a Holding Open Space (h-2•OS4) Zone TO a Holding Residential R6 Special Provision (h-100•h-159•R6-2(11)) Zone to permit cluster housing in the form of single detached dwellings; together with a special provision for lot frontage of 12.0 metres minimum, rear yard depth of 4.5 metres minimum, interior side yard depth of 3.0 metres minimum, and lot coverage of 35 percent maximum; and, FROM a Holding Residential R6 Special Provision (h-100•h-159•R6-2(11)) Zone TO an Open Space Special Provision (OS5(3)) Zone to permit such uses as conservation lands, conservation works, passive recreation, and managed woodlots;

b) the Municipal Council SUPPORTS proposed red-line revisions to the draft approved plan of subdivision as submitted by Sifton Properties Limited, prepared by Bruce Baker, Ontario Land Surveyor (Drawing No. D4099-DP.dwg, dated July 18, 2017), which shows a revised Low Density Residential Block 153 and Open Space Buffer Block 172, and creation of a new Open Space block, SUBJECT TO the previously approved draft plan conditions;

c) the Approval Authority BE ADVISED that the following issues were raised at the public participation meeting with respect to the proposed revisions to the limits of Block 153 within the Victoria on the River draft plan of subdivision, as submitted by Sifton Properties Limited:

i) encroachment on green space;

ii) concerns over the number of trees to be cut down; and,

iii) the loss of habitat for amphibians;

d) the Approval Authority BE ADVISED that the following issues were raised at the public participation meeting with respect to the application for Draft Plan of Vacant Land Condominium:

i) the amount of traffic using Sheffield Place;
ii) the lack of knowledge that the subject block was being built for multiple residential units in this location;

iii) the status of the Meadowlily Woods Environmentally Significant Area Master Plan as well as what measures will be put in place to educate residents and avoid encroachment and conflicts with the Environmentally Significant Area;

iv) the width of the existing streets; and,

v) how will conflicts between trail and private street crossing be minimized;

it being noted that the Planning and Environment Committee reviewed and received a communication dated January 2, 2019 from A. McEwen, by e-mail;

it being pointed out that at the public participation meeting associated with these matters, the individuals indicated on the attached public participation meeting record made oral submissions regarding these matters;

it being further noted that the Municipal Council approves this application for the following reasons:

• the recommended zoning amendments, revisions to draft plan of subdivision, and proposed vacant land condominium are considered appropriate and consistent with the Provincial Policy Statement;

• the proposal conforms with The London Plan, the 1989 Official Plan, and the Old Victoria Area Plan; and, the proposed residential use, form and intensity of development are considered appropriate. The zoning previously approved through the draft plan of subdivision process contemplates low density residential development in the form of single detached cluster housing. (2018-D09)

PUBLIC PARTICIPATION MEETING COMMENTS

3.2 PUBLIC PARTICIPATION MEETING – Application – Portion of 146 Exeter Road (Richardson Subdivision 39T-15501, Block 30 and a Portion of Block 31, Wharncliffe Road Frontage) (Z-8969)

- Lindsay Clarke, Sifton Properties Limited, applicant – concurring with the staff recommendations; thanking staff for their report.
- Gary Brown, 35A – 59 Ridout Street South – believing that the Planning Office recommended against the South West Area Plan originally and were forced to do it to be honest with you; talking about a company that just clear cut a forest in the area and clear cut a forest at Kilally and he does not believe that we should be changing the setbacks, the rules exist for a reason; remembering that Councillor J. Baechler very often pointed out that we should not be planning by plot; advising that no one is sure what is being built around it at this moment in time and he thinks that it would be very premature to make an exception for this setback here; thinking that once a site plan is provided would be a more appropriate time to be approving this.
3.3 PUBLIC PARTICIPATION MEETING – Application – 2156 Highbury Avenue North (OZ-8956)

• Laverne Kirkness, Kirkness Consulting, on behalf of the applicant – advising that there are approximately twenty-five people in the gallery to show their support for this application; noting that there are approximately one hundred people that meet at Jack Chambers Public School every Sunday; advising that, instead of meeting there, they would like to have their own place and they purchased this property hoping that they could get it redesignated, replace typed and rezoned to permit the conversion of the residence to a place of worship; introducing Vasu and Binod and the rest of the audience are members of the congregation; indicating that this is a complicated property, it has a long history, as you can tell by the Planning and Environment Committee Agenda; appreciating working with Mr. M. Tomazincic, Manager, Current Planning, and C. Lowery, Planner II, to come to an agreeable position with Chinmaya such that they support the report and recommendation that they put before the Planning and Environment Committee; reiterating their appreciation to staff for working with them in this regard; indicating that the policy framework is extremely complicated; reiterating that the property is quite complicated with a stream going through it, four zones on it; advising that their focus is to create the development along the front with a refurbished conversion, a slightly larger parking area and the rest will basically remain the same; advising that they have to go through site plan approval as well and the City will see those refinements; asking the Planning and Environment Committee to approve the recommendation and take it to Council.

• Member, Chinmaya – advising that she has been a member of Chinmaya for over five years now and they do a great job for the community; indicating that they involve children and youth and help people with self-development and by having their own property and their own congregation, they will be able to bring more to the city and create a greater community; indicating that they incorporate everyone there, they are inclusive.
