TIPS TO STAY SAFE
London Police Service

For Pedestrians:

- ♣ Cross the street at marked crosswalks and intersections.
- ♣ Stop and look every time before crossing streets even when you have the right-of-way.
- ♣ Before crossing, look left, right, then left again and over your shoulder for turning vehicles.
- ♣ Begin crossing the street on “Walk” signals – never on a solid or flashing “Don’t Walk”.
- ♣ Make eye contact with drivers so they see you. Never assume they do.
- ♣ Use sidewalks. If none, walk facing traffic so you see vehicles and drivers see you.
- ♣ Stay visible after dark and in bad weather by wearing light coloured clothing, reflective material or carrying a flashlight.
- ♣ Don’t let parcels, umbrellas or hats interfere with a clear view of traffic.

For Cyclists:

- 🚲 Wear a helmet and use hand signals – it’s the law.
- 🚲 Ride on the right side of the road with traffic – never against it.
- 🚲 Obey all the rules of the road, signs and traffic signal lights.
- 🚲 Be aware of the traffic around you – scan side to side, to the front and even behind you.
- 🚲 Stay visible, with lights, reflectors and a bell – it’s the law.
- 🚲 Make eye contact with motorists and pedestrians before crossing paths.
- 🚲 Obey all the rules of the road, signs and traffic signals.
- 🚲 Avoid riding on sidewalks (unless under 14 years of age).

For Drivers:

- 🚗 Leave early so you’re not running late.
- 🚗 Obey speed limits, signs and traffic lights – never run Red or Amber lights.
- 🚗 Stop or yield to pedestrians at crosswalks and intersections – it’s the law.
- 🚗 Don’t block crosswalks when stopping at stop signs or intersections.
- 🚗 Always look out for pedestrians especially before turning at a green light or making a “right turn on a red”.
- 🚗 Be courteous when merging and changing lanes or when others are doing the same.
