b) clauses 1.1, 3.1, 4.1, 5.1 and 5.2, BE RECEIVED. (2.3/11/CPSC)

C. Saunders  
City Clerk  
/jb

cc: Chair and Members, Animal Welfare Advisory Committee  
Chair and Members, Environmental and Ecological Planning Advisory Committee

## SCHEDULE 14 PET SHOP

### 1.0 DEFINITIONS

1.1 In this Schedule:

“**Pet Shop**” means a shop, place or premise, where animals for use as pets are displayed, sold or kept for sale; and

“**Animal**” means any member of the animal kingdom other than a human.

### 2.0 POWERS OF THE LICENCE MANAGER

2.1 In addition to any other power, duty or function prescribed in this By-law, the Licence Manager may make regulations under this Schedule including:

- (a) prescribing the manner, form and content of records to be kept by a Pet Shop licence holder under section 4.4 of this Schedule;
- (b) prescribing animals or classes of animals that are permitted to be displayed, kept, sold or offered for sale in a Pet Shop;
- (c) prescribing the manner form and content of the list of animals or classes of animals prescribed under paragraph (b) that is required to be posted by a Pet Shop licence holder under section 4.3;
- (d) prescribing the information that a Pet Shop licence holder is required under section 4.6 to provide to a person who purchases, acquires or obtains an animal from the Pet Shop licence holder; and
- (e) prescribing a list of prescribed rescue groups for the purpose of section 4.1(d) of this Schedule.

### 3.0 PROHIBITIONS

3.1 No person shall operate a Pet Shop without holding a current valid licence issued under this By-law.

### 4.0 REGULATIONS

4.1 No holder of a Pet Shop licence shall acquire, display, keep, sell or offer for sale a dog or cat obtained from a source other than:

- (a) a municipal animal shelter;
- (b) a registered humane society;
- (c) a registered shelter; or
- (d) a rescue group prescribed by the Licence Manager.

4.2 Every holder of a Pet Shop licence shall post in a conspicuous place in their Pet Shop the list of animals or classes of animals prescribed by the Licence Manager that are permitted to be displayed, kept, sold or offered for sale in a Pet Shop.

4.3 No Pet Shop licence holder shall display, keep, sell, offer for sale or give to a person an animal that is not prescribed by the Licence Manager as permitted to be displayed, kept, sold or offered for sale in a Pet Shop.

4.4 Every Pet Shop licence holder shall maintain a record in the form and containing all of the information as prescribed by the Licence Manager relating to animals displayed, kept, acquired, offered for sale or sold by them.

4.5 No Pet Shop licence holder shall sell, offer for sale or give an animal to a person under the age of eighteen (18) years.

4.6 Every Pet Shop licence holder shall provide to a person who purchases or acquires an animal from them all of the information about the animal as prescribed by the Licence Manager.

# WHAT YOU CAN DO

## If you find an injured songbird

Contact a wildlife rehabilitator near you  
[www.ontario.ca/page/find-wildliferehabilitator](http://www.ontario.ca/page/find-wildliferehabilitator)

## How to keep your cat indoors

Although it's easiest to raise your cat to stay indoors as a kitten, it IS possible to train an adult!

### To transition an outdoor cat to indoor life:

- Feed your cat indoors, keeping them inside for increasingly longer times after feeding

- Familiarize your cat to a scratching post and litter box first, and transition them slowly. To prevent injury to your cat, purchase a scratching post large enough to support the weight of your cat.

- Give cats stimulating toys to help foster their natural behaviours (e.g. hunting-based toys, a cat tree or jungle for climbing), play with your cat, and try giving them catnip

- Bring the outdoors inside
  - Provide a sunny window perch
  - Try growing cat grass
  - Provide hiding places

- Make the indoors comfortable
  - Keep the litter tray clean
  - Keep eating, drinking, litter, resting, and hiding places well-separated
  - Consider a second cat as a playmate

### Safe outdoor options:

- Spay / neuter your cat
- Provide a screen-enclosed outside area
- Harness train them for outdoor walks
- Ensure your cat has an ID tag or microchip

# You, Your Dog, and Nature in London

A guide to help you and your dog enjoy and protect nature in London

**Your dog must be on a leash (max. 1.8m/6ft) at all times.**

Parks and Recreation Area By-law PR-2,  
and the Dog Licensing and Control By-law PH-4

**Natural areas, including Environmentally Significant Areas (ESAs), need to be protected by minimizing human and pet disturbance.**

**For the safety of wildlife, visitors and your pet:**

- Keep your dog on a leash at all times.
- Stay on marked trails.
- Dispose of all pet waste in garbage bins or carry it out.
- Be aware of dangers such as vehicles, other animals, ill-willed individuals, traps and snares, toxic products, algae blooms, poisons, sick animals, parasites, rabies, distemper and other diseases.

## Ticks and Lyme Disease

There is a possibility of encountering infected ticks in almost all wooded or brushy areas in Ontario, including London.

## Wild Animals

- A wide variety of mammals, birds, reptiles, and amphibians call our urban neighbourhoods and ESA's home. Almost all conflict situations between wildlife and dogs occur when dogs are off-leash.
- Coyotes and other wildlife are highly protective of family members and perceive dogs as a threat, especially near their nesting/den sites or established territory.
- Coyotes may 'escort' or 'shadow' a dog walker out of an area when coyote pups or a den are nearby.
- Birds of prey may perceive small dogs as a potential food source.
- Off leash dogs may injure, orphan or separate wildlife offspring from their family.
- The mere presence of your dog can disrupt the feeding, foraging, mating, denning, and nesting of rare and endangered birds and animals.
- Wildlife expend vital energy reserved for survival when chased by dogs.

## Plants

- Dogs may run, roll, or dig through natural areas. Your dog may damage or destroy rare and endangered plant species. Many plants can also seriously harm or kill your dog. Some include:  
Poison Oak                      Poison Ivy  
Poison Sumac                  Giant Hogweed

## Safety Tips

- Always obey by-laws or ordinances that apply to the wild spaces you visit.
- Be aware of the wildlife in areas where you walk your family pets.
- Keep a respectful distance from wildlife.
- Never feed wildlife; this includes indirect feeding, such as leaving food waste in wild spaces. Feeding wildlife disrupts natural foraging behaviors and encourages an unnatural proximity tolerance to people.
- If a coyote is nearby, small dogs can be lifted and carried for safety. Never run; leave the area slowly, keeping your dog close to you.

## There are 5 off-leash dog parks in London:

- Campbell Memorial Park
- Pottersburg Park
- Stoney Creek Park
- Greenway Park
- Caesar Park
