2020 Draft Work Plan (Version 1.0)**

Updated: February 28<sup>th</sup>, 2020

<b>Project I.D. #</b>	<b>Project</b>	<b>Background</b>	<b>Project Lead</b>	<b>Timeline</b>	<b>Link to Strategic Plan</b>	<b>Status</b>
CSCP 20.1	Lighting on City-Owned Walkways/Trails/Pathways	With concern of community safety, lighting among City of London owned walkways, pathways and trails is key to providing safe methods of travel. It is to be reviewed the lighting in these key areas and whether or not the lighting, if present, is sufficient.	TBD	Q3 - 2020		Ongoing
CSCP 20.2	Mandatory Pre-Payment Technology at Gas Stations	City Council has received a report from City of London staff in regard to the recommendation of amending the Business Licensing By-Law to enforce Pre-Payment at all gas stations in the City.	City Staff	Q2 - 2020		CSCP to provide feedback on the implementation of this proposed regulation.  City Staff preparing public consultation.
CSCP 20.3	Changes to the Scrap-Metal Exchange By-Law	City Council has received a report from City of London staff in regard to the recommendation of amending the Business Licensing By-Law to limit the amount of theft of scrap metal and Catalytic Converters. Several options were listed in the report.	City Staff	Q2 - 2020		CSCP to provide feedback on the implementation of this proposed regulation.  City Staff preparing public consultation.
CSCP 20.4	Implementation of Middlesex-London Community Alcohol and Drug Strategy	In September 2018, a report was formulated and presented called the Middlesex-London Community Alcohol and Drug Strategy. This report identifies the issues and provides several recommendations on how to overcome these issues.	Bruce Rankin	Q3 - 2020	Middlesex-London Community Drug & Alcohol Strategy	Review the recommendations currently being implemented in the City of London and review and provide advice on how to implement other recommendations in the report.

**Recommendation 5:**

Increase response to public space challenges related to drugs and alcohol.

Actions

5.1 Increase collaboration between services, organizations, business groups, and community members with a mechanism for ongoing feedback to work together towards the goal of achieving public spaces that are non-stigmatizing and safe for all.

5.2 Services, businesses, institutions, and community members work together to foster mutual public respect and understanding in public spaces.

5.3 Improve communication between stakeholders to utilize models of service delivery which recognize and address the impact in surrounding community spaces and plan accordingly to address issues.

**Recommendation 8:**

Ensure supportive built environments and social environments in our communities.

Actions

8.1 Work with municipal decision-makers to include evidence-based substance prevention considerations in municipal planning and policies (e.g., Municipal Alcohol Policies, bylaws related to cannabis legalization).

8.2 Advocate for provincial policy that reduces substance-related harms (e.g., cannabis and alcohol pricing and taxation, drug impaired driving laws).

8.3 Offer the necessary supports needed for accessing services and programs (e.g., transportation to and from programs, child minding services, free services).

8.4 Encourage workplaces to develop and implement policies that support work-life balance and flexible working hours for parents.

**Recommendation 16:**

Develop a comprehensive community needle syringe recovery strategy.

Actions

16.1 Expand the availability of portable needle disposal kits and needle disposal bins throughout Middlesex-London.

16.2 Empower and educate the public regarding safe handling of sharps.

16.3 Explore and advocate for models of comprehensive needle recovery that support the effective and safe management of discarded sharps for citizens and property owners within London and Middlesex which does not rely on a fee for service. 16.4 Advocate for increased funding for a syringe recovery strategy.

**Recommendation 23:**

Enhance the community's understanding of the "right" responder to contact in situations where addiction crisis is apparent and increase community knowledge about reporting incidences.

Actions

23.1 Support the development of an information campaign (e.g., when to go to a walk-in crisis centre; when to go to the emergency department; when to call 911).

23.2 Influence coordination and collaboration among first responders to work in a manner to ensure the right resource and care is mobilized.

23.3 Foster service provider, business and workplace awareness of crisis response resources and choices to make other than 911.

23.4 Facilitate knowledge transfer to community members about crisis response resources in London.
