Experience and Qualifications

If you have experience on a London Advisory Committee, please provide dates and details. (maximum 750 characters, attach an extra sheet if you need more space)

I have been involved in the Community Diversity and Inclusion Strategy - Accessibility Group for the past year and a half. I have not been on a formal Advisory committee but look forward to providing my insight, expertise and lived experience to help make thoughtful decisions to improve access in our City.

What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I am hoping to understand more clearly how decision making related to accessibility and access happens in the City of London. I hope to learn from other longer standing committee members and to help to contribute to a more engaged City. I have wanted to be a part of the Accessibility Advisory Committee for a few years as I have seen how active their contributions have been. I hope to support the group with my own suggestions and make an impact.

Application for Appointment to City of London Advisory Committees

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I will work to support committees by lending my voice and experience to any projects, petitions, letters or motions that the committee puts forward to make change for accessibility.

I will work on subcommittees and help with any research or work being done by subcommittees. I currently have the time and opportunity to work towards important change and support the work of the Accessibility Advisory Committee. As I say regularly, I want to be able to move around London with my son without saying "Mommy can't." I will work with the advisory committee to change the way London thinks about access.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

As a mother with a disability and full-time caregiver to my toddler-aged son, I have a good number of insights into the kinds of spaces and places that are inaccessible, especially related to City services. I have been contributing actively to the Community Diversity and Inclusion Strategy for the past year and a half and was responsible for helping Mayor Matt Brown spend a day in a chair to see what it was like navigating transit, parks and services in our neighbourhoods. I have supported research projects about accessibility in the City as well and have been involved in helping to create materials (a video) to make parking more accessible for all.

Subject: [EXTERNAL] Delegation request

Hello,

The Urban League of London would like to request delegation status to speak at the November 17 SPPC meeting regarding Advisory Committees and our concern that other than LACH, the Advisory Committees have not met since the pandemic began and what this means for community input and citizen voices into city matters.

Thank you,
Shawna Lewkowitz
