Subject: Re: Multi-Year Budget Update - TAC Review

Josh,

As promised, TAC held a Sub-Committee meeting on the subject of the Multi-Year Budget Update. Having reviewed the various documents available via the on-line portal, we have the following observations:

1. We confined our review to the Transportation section of the Operating and Capital budgets,
2. We did not review elements of the Transportation section relating to the London Transit Commission,
3. While we noted an increase in the Operating Budget for Roads (up \$31M) we were unsure of the rationale for this increase,
4. We reviewed the 2030 Major Capital Project forecasts but found insufficient detail to comment, and
5. Subject to the constraints mentioned in 3/4 above, we see no significant Transportation-related issues which would prevent the adoption of the 2020 budget update.

Finally, we would like to thank you as Budget Chair for including TAC in the formal feedback loop.

Given our current structure and your tight timeframe for approval, in 2021 we might benefit from an advance view of the Transportation-related content in a formal presentation to TAC by Civic Admin finance staff so that we may ask questions, request additional background if required and provide more meaningful input.

Cheers,
Dan Foster
Chair - Transportation Advisory Committee

Subject: [EXTERNAL] Multi-Year Budget Review - TAC

Josh,

TAC looks forward to reviewing the Multi-Year Budget Review documents added to today's SPPC agenda and has scheduled a Sub-Committee ZOOM meeting for Tuesday, November 24th at noon to begin the process.

In reviewing the slide deck to be tabled today at SPPC, I have an observation and a question:

1. Slides 26 and 27 in the deck relating to Key Dates & Planned Public Engagement Activities make no mention of the referrals to Advisory Committees for input, and,
2. Considering we have no official meetings scheduled in order to debate and vote on the resulting SC recommendations, I am curious to know the specific process the Civic Administration intends to follow to receive SC input into the public record as well as the deadline for the same.

I will be in attendance at SPPC via the on-line portal. Perhaps as Chair of the Budget Process you could ask the Clerk to address these observations on my behalf?

Cheers,
Dan Foster

Subject: City of London Budget and TAC

Good afternoon,

We want to ensure that you are aware of what is happening with the City of London Budget. We are writing to enquire if you would like to have an Advisory Committee meeting to hear an overview from staff on the proposed Budget or if it would suffice to have the Budget information packet sent to all members of the Advisory Committee for their own review.

Please note that the purpose of the meeting, if held, would be to receive the information only. **Members are then welcome to meet as a sub-committee to draft comments for the**

Strategic Priorities and Policy Committee agenda, or to attend the public participation meeting at the Strategic Priorities and Policy Committee meeting on December 7 to provide comment as individuals.

There will not be any other items on the agenda, just the Budget information.

We can advise that regular meetings of the Advisory Committees will be held only when there is a legislative requirement to do so. We will ensure that you are kept up-to-date with respect to matters that may be of interest to you.

If you do choose to have a meeting, it will have to be during the weeks of either November 23 to November 27 or November 30 to December 4, as the Budget will not be available until November 17 and the first public participation meeting is on December 7.

Thank you

Memo

To: Accessibility Advisory Committee
 Transportation Advisory Committee

From: Roads & Transportation

Date: January 20, 2021

Subject: 2021 Neighbourhood Street Reconstruction Projects
 Complete Streets Sidewalk Assessments

The Renew London Construction Program includes the reconstruction of neighbourhood streets in poor condition. To improve road user safety, connectivity, and accessibility, the 2020 neighbourhood reconstruction program implemented approximately 2,600 metres of new sidewalk on streets where they did not previously exist.

This program generally includes replacing the road and underground services where necessary and rebuilding and restoring areas disturbed by construction to current standards. As part of the design process, the complete streets assessment of the 2021 reconstruction projects is underway which considers area mobility needs, neighbourhood context including trees, and land use.

The assessment has identified that the streets listed in the table below are planned for reconstruction and do not currently have sidewalks on either side of the street.

Location	From	To
Abbey Rise	Longbow Road	Scarlett Avenue
Bartlett Crescent	Viscount Road	Kinnear Crescent
Elm Street	Trafalgar Street	Hamilton Road
Friars Way	Annadale Drive	Wychwood Park
Imperial Road	Grenfell Drive	Balcarres Road
Paymaster Avenue	Burlington St	east limit
St. Anthony Road	Hyde Park Road	Hampton Crescent
Tarbart Terrace	Deer Park Circle	Deer Park Circle
Doncaster Place	*	
Culver Place	*	
East Afton Place	*	

* The streets without “from” and “to” limits are short court-style dead-end streets. The entire length of these streets is planned for reconstruction.

The committee’s input into the complete streets assessment of sidewalk needs is welcome.

Last Review Date: December 3, 2019

Service Area Lead: Director of People Services

1. Policy Statement

The Corporation of the City of London (“Corporation”) is committed to providing a safe and supportive workplace in which the diversity, dignity, and perspectives of all individuals are valued and respected.

Harassment and discrimination in the workplace are prohibited by law. Under Ontario’s [Human Rights Code](#), every person has a right to equal treatment in employment without discrimination and the right to be free from harassment in the workplace. Workplace measures to prevent and address workplace harassment are also required by the [Occupational Health and Safety Act](#).

The Corporation will not tolerate, ignore, or condone harassment, discrimination, or reprisal of any of its employees in the workplace by anyone, including other employees, elected officials, members of the public, customers/clients, volunteers, contractors, and consultants. Workplace harassment, discrimination, and reprisal are serious forms of misconduct that may result in corrective and and/or disciplinary actions, up to and including termination of employment.

2. Definitions

The following definitions are intended to assist employees in understanding terms referenced in this policy. To the extent definitions may not be identical to legal definitions, they shall be interpreted and applied in accordance with applicable legislation, including the [Human Rights Code](#) and [Occupational Health and Safety Act](#).

- 2.1 **Discrimination** – Actions or behaviours that result in unfavourable treatment or which have a negative impact on an individual or group because of one or more of the prohibited grounds listed in the [Human Rights Code](#). Discrimination may be intentional or unintentional. It may involve direct actions that are outright discriminatory, or it may involve rules, practices or procedures that appear neutral, but disadvantage certain groups of people.
- 2.2 **Disrespectful Behaviour** – Failing or refusing, through words or actions, to treat others in a professional, courteous, civil, dignified, fair, and equitable manner.
- 2.3 **Harassment** – Engaging in offensive, hurtful, upsetting or embarrassing comment or conduct that a person knows or ought reasonably to know is unwelcome. The fact that a person does not explicitly object to harassing behaviour, or appears to be going along with it, does not mean the behaviour is welcomed, consented to, or is not harassing. Harassment usually involves more than one incident or a pattern of behaviour, but a single incident may be sufficiently serious, offensive, or harmful to constitute harassment.

Harassment may be:

- a) **Personal** – directed at an individual(s) but not based on any prohibited ground listed in the [Human Rights Code](#); or
- b) **Code-based** – based on one or more of the prohibited grounds listed in the [Human Rights Code](#). Code-based harassment is also a form of discrimination.

Harassment of a worker in the workplace, including sexual harassment of a worker in a workplace, is collectively referred to as “workplace harassment” for the purposes of the [Occupational Health and Safety Act](#).

2.4 Poisoned Work Environment – A hostile, humiliating, or uncomfortable workplace that is created by comments or conduct (including comments or conduct that are condoned or allowed to continue when brought to the attention of management) that intimidate, demean or ridicule a person or group. The comments or conduct need not be directed at a specific person, and may be from any person, regardless of position or status. A single comment or action, if sufficiently serious, may create a poisoned work environment. Pornography, pin-ups, offensive cartoons, insulting slurs or jokes, and malicious gossip are examples of comments and conduct that can “poison the workplace” for employees.

2.5 Prohibited Grounds – The [Human Rights Code](#) prohibits harassment and discrimination in employment based on one or more of the following grounds:

- race
- colour
- creed (religion, including atheism)
- gender identity
- record of offences (criminal conviction for a provincial offence or for an offence for which a pardon has been received)
- disability (includes mental, physical, developmental or learning disabilities)
- ancestry
- ethnic origin
- sex (includes pregnancy and breast feeding)
- gender expression
- marital status (includes married, single, widowed, divorced, separated, living together in a conjugal relationship outside of marriage, whether in a same-sex or opposite sex relationship)
- association or relationship with a person identified by one of the listed grounds
- place of origin
- citizenship
- sexual orientation
- age
- family status (such as being in a parent-child relationship)
- perception that one of the listed grounds applies, whether or not it actually does

2.6 Reprisal – Any act of retaliation or revenge against a person for:

- a) Raising a concern or making a complaint under this policy (whether on their own behalf or on behalf of another);
- b) Participating or cooperating in an investigation or other complaint resolution process under this policy; or
- c) Associating with or assisting a person identified in paragraphs a) and/or b) above.

2.7 Sexual Harassment – Harassment based on sex, sexual orientation, gender identity, or gender expression and includes:

- a) Engaging in offensive, hurtful, upsetting or embarrassing comment or conduct because of sex, sexual orientation, gender identity or gender expression that a person knows or ought reasonably to know is unwelcome;
- b) Making a sexual solicitation (i.e. request) or advance where the person making the solicitation or advance is in a position to confer, grant or deny

- a benefit or advancement and the person knows or ought reasonably to know that the solicitation or advance is unwelcome; and
- c) Retaliating against or threatening to retaliate against an individual for the rejection of a sexual solicitation or advance where the retaliation or threat of retaliation is by a person in a position to confer, grant or deny a benefit or advancement to the individual.

Sexual harassment of a worker in the workplace is referred to as “workplace sexual harassment” for the purposes of the [Occupational Health and Safety Act](#).

- 2.8 **Supervisor** – When referenced in this policy means a management supervisor.
- 2.9 **Workplace** – Includes all sites, facilities, and other locations where the business, work, or social activities of the Corporation take place (see also the Applicability section below).

3. **Applicability**

- 3.1 This policy applies to:

- All Corporation employees, including full-time, part-time, temporary, probationary and casual employees;
- Elected officials;
- Volunteers (including members of Advisory Committees, Special Committees and Task Forces);
- Interns and students on placements; and
- Contractors and consultants acting on behalf of the Corporation.

Members of the public, including visitors to Corporation facilities and individuals accessing services or conducting business with the Corporation, are expected to adhere to the standards of conduct set out in this policy, including refraining from workplace harassment and discrimination of employees, elected officials, and persons acting on behalf of the Corporation.

- 3.2 This policy applies at all Corporation workplaces, whether during or outside of normal working hours and whether at or away from the worksite. This includes:

 - e) Social media sites (e.g. Facebook, Twitter, Instagram etc.) and internet sites, where posts may be connected to the workplace or could have an impact on the workplace or working relationships.
- 3.3 This policy also applies to communications by telephone, cell phone, email, text message, or other electronic instant messaging platforms where the communication may be connected to the workplace or have an impact on the workplace or working relationships, whether the computer, phone, or other electronic device used to make the communication is a personal or Corporation-issued device.

Upon receipt of a complaint, the City Manager will immediately refer the complaint to an external third party.
- c) The external third party will perform all the functions assigned to the Human Resources Division and/or the Human Rights Division as described in this procedure and the Formal Investigation Process.
- d) In the case of the City Manager, if the external third party determines that a formal investigation is required, they will provide the investigation report

and their recommendations, if any, to the Committee designated by the Municipal Council to deal with such matters. The Committee, after consultation with the external third party and such other external and/or internal resources as appropriate and required (e.g. external legal counsel, member of the City Solicitor's Office, Director of People Services), shall make recommendations to the Municipal Council relating to corrective and/or disciplinary actions, and the Municipal Council shall consider, adopt or otherwise deal with the recommendations from the Committee.

- e) In the case of the Deputy City Manager, Managing Directors, Director of People Services, and the Human Rights Intake Administrator, if the external third party determines that a formal investigation is required, they will provide the investigation report and their recommendations, if any, to the City Manager. In all other respects, the Resolution/Complaint Procedures below will apply to the processing of the complaint.

4. Complaints Involving a Member of Council (Including the Mayor)

- a) Complaints received through these Resolution/Complaint Procedures alleging a Member of Council has engaged in prohibited conduct shall be forwarded to the Director of People Services as soon as possible. In the event the Director of People Services, determines that a formal investigation of the complaint is required, they will immediately refer the complaint to the Integrity Commissioner to conduct an investigation in accordance with the Integrity Commissioner's procedures. Where such a request is made to the Integrity Commissioner, the Director of People Services shall be the complainant for the purposes of the Integrity Commissioner's procedures.
- b) Where the Integrity Commissioner conducts an investigation, the Integrity Commissioner will provide results to the Director of People Services in accordance with the Integrity Commissioner's procedures. Based on the Integrity Commissioner's reporting, the Director of People Services will provide the complainant with a written summary of the findings.
- c) Where there are findings of a violation of this policy, the Director of People Services will refer the findings to the Respectful Workplace Response Team to implement appropriate corrective action to ensure the behaviour stops in accordance with section 7.4 below.
- d) As noted in Section 7.10 below, other complaint avenues for raising concerns of prohibited behaviour by a Member of Council may be available, including directly to the Integrity Commissioner as provided for in the [Code of Conduct for Members of Council](#).

In all other respects, the Resolution/Complaint Procedures below will apply to the processing of the complaint.

5. Complaints Involving Members of the Public Attending at Corporation Workplaces and/or Accessing Corporation Services

- a) The Division Manager of Corporate Security and Emergency Management, or designate, in addition to the individuals listed in sections 6.1 and 6.2 below, is available to provide advice, guidance and assistance to employees and supervisors/managers regarding available options to raise and resolve concerns of prohibited behaviour by a member of the public.
- b) The Division Manager, Corporate Security and Emergency Management, or designate, in consultation with the Human Rights Division as needed,

may also determine an appropriate informal course of action that may effectively resolve a complaint against a member of the public in a timely and fair manner as outlined in section 6.3 below. All findings of harassment, discrimination, and/or reprisal determined through informal action, as well as any corrective actions taken, shall be reported to the Human Rights Division.

- c) In addition to the Director of People Services and in accordance with section 6.5 below, the Division Manager, Corporate Security and Emergency Management or designate, in consultation with the Human Rights Division as needed, may determine that further inquiry into a complaint of prohibited conduct against a member of the public is necessary and, if so, a formal investigation of the matter will be conducted in accordance with the Corporation's [Formal Investigation Process](#).
- d) Where there are findings of a violation of this policy, corrective action shall be determined in accordance with section 7.4 below.
- e) The Division Manager, Corporate Security and Emergency Management or designate, shall report all findings of harassment, discrimination, and/or reprisal determined through formal investigation, as well as any corrective actions taken, to the Human Rights Division.

In all other respects, the Resolution/Complaint Procedures set out below will apply to the processing of a complaint against a member of the public.

6. Resolution/Complaint Procedures

There are a number of internal options available to raise and resolve concerns of prohibited behaviour under this policy, including:

- 1) Consultation – Obtaining Advice and Assistance
- 2) Individual Action – Talking to the Respondent
- 3) Informal Action – Dispute Resolution without Formal Investigation
- 4) Mediation
- 5) Formal Investigation

Whether all options are available or appropriate in a particular case will depend on the nature of the concerning behaviour and/or the parties involved. In all cases, concerns should be raised and addressed as soon as possible. Where appropriate, and especially when raised right away, individual or informal actions can bring about a quick resolution and prevent escalation of workplace disputes.

6.1 Consultation – Obtaining Advice and Assistance

Employees who believe they have witnessed or been subjected to prohibited behaviour may benefit from having access to information and advice before deciding how to proceed with a concern. Employees may consult any member of management or Human Resources or Human Rights Division staff. These individuals have responsibility to take action to resolve and stop prohibited behaviour (see Roles and Responsibilities – Policy, Section 4.4). They can provide advice, assistance, coaching, and referrals to assist employees in addressing the dispute themselves where appropriate to do so. Depending on the nature and circumstances of the concern raised, these individuals may be obligated to initiate an investigation even if the complainant does not wish to pursue that option.

The RWO is also available to provide neutral, confidential advice and information regarding available resolution and complaint options (see Policy, Section 4.4.7).

Employees who are members of a bargaining unit may also consult their Union/Association representative.

6.2 Individual Action – Talking to the Respondent

If an employee believes they are being subjected to prohibited behaviour and

there are no immediate health or safety concerns, it is recommended the respondent be told as soon as possible that their behaviour is unwelcome and must stop.

It is not necessary for the employee to advise the respondent directly. The communication may be done verbally, via e-mail, transcribed, or other suitable means. It is recommended that if the communication is done verbally, what was said, as well as the date, time and place, be documented. Human Rights and Human Resources Division staff, a Union/Association representative, any member of management, or a trusted friend may assist.

It is recommended that the complainant maintain a detailed record of incidents of prohibited behaviour, including the number of occurrences, date(s), time(s), place(s), nature of the offensive behaviour(s), names of individuals who may have observed the incidents and all actions taken.

If addressing the respondent directly could raise health or safety risks, escalate the dispute, or is not appropriate, complainants may take other resolution options outlined in these procedures.

6.3 Informal Action – Dispute Resolution without Formal Investigation

If individual action is not appropriate or if the prohibited behaviour continues after asking the person to stop, the employee shall advise their supervisor/manager or the Human Rights Division of their complaint, preferably in writing. Where the employee's supervisor/manager is involved in the complaint, the employee may advise a more senior member of management. Supervisors and managers will report all complaints of behaviour that may constitute harassment, discrimination, or reprisal to the Human Rights Division as soon as possible. When uncertain, supervisors/managers should consult the Human Rights Division for guidance.

Where the prohibited behaviour alleged is not harassment, discrimination, or reprisal, the supervisor or manager in consultation with the Human Rights Division, as needed, and with the parties to the dispute, if appropriate, may determine an appropriate informal course of action that will effectively resolve the complaint in a timely and fair manner without the need for formal investigation. If the prohibited behaviour warrants disciplinary action, the supervisor or manager must consult with Human Resources or Human Rights Division staff before issuing discipline. The supervisor or manager shall document and report to the Human Rights Division any informal action taken, including any corrective/disciplinary action(s) implemented, to resolve the complaint.

Where the alleged prohibited behaviour may constitute harassment, discrimination, or reprisal, the Director of People Services, or designate, in consultation with the Human Rights Division, and with the complainant if appropriate, will determine whether an informal course of action may be appropriate.

Circumstances in which an informal course of action may be appropriate include the following:

- i) Where the alleged misconduct is minor in nature;
- ii) Where all the facts necessary for resolution are known without the need for further inquiry;
- iii) Where no other resources or special expertise are required for an impartial and timely resolution;
- iv) Where the alleged misconduct is acknowledged by the respondent, the parties to the complaint are in agreement as to how to effectively resolve the issues, and the agreed upon resolution is acceptable to the appropriate manager(s) and the Director of People Services or designate.

Informal action may include, among other actions:

- i) Consulting, advising, meeting with and/or interviewing those involved in the complaint (i.e. an informal review/investigation);
- ii) Reviewing documentary evidence (e.g. emails);
- iii) Communication of findings to the parties to the complaint and making recommendations to remedy concerns; or
- iv) A facilitated discussion to resolve the issues.

The [Occupational Health and Safety Act](#) requires employers to conduct an investigation that is appropriate in the circumstances of all incidents and complaints of workplace harassment. Therefore options for informal action that do not include investigation will not be available for complaints of workplace harassment until after an appropriate investigation has been completed.

Where there are findings of prohibited behaviour determined through informal action, communication of those findings will be in accordance with the Communication of Findings section of the Corporation's [Formal Investigation Process](#).

6.4 Mediation

Mediation is a form of informal action. It is a voluntary process whereby the complainant and respondent meet with a trained mediator to determine whether the complaint can be resolved in a mutually satisfactory manner.

Mediation is not appropriate in all circumstances. For example, when there are allegations of severe discrimination or harassment which, if substantiated, would result in disciplinary action, or where there are potential health or safety concerns. If the Director of People Services or designate, in consultation with the Human Rights Division, deems mediation appropriate, it will be offered to the parties but will only be conducted with the consent of both the complainant and the respondent.

It is preferable that mediation be attempted prior to a formal investigation but will remain available to the parties throughout the investigation process. Where workplace harassment is alleged, mediation will only be available, if deemed appropriate, after an investigation is completed as required by the [Occupational Health and Safety Act](#).

During the mediation process, the complainant and the respondent may, if desired, be accompanied by a Union/Association representative or a trusted friend.

If a mediated settlement is reached, the terms of the settlement shall be reduced to writing and signed by the complainant, respondent and the mediator. If the settlement requires any action on the part of the Corporation, the agreement of the Director of People Services or designate will be required.

Discussions at the mediation will be treated as carried out with a view to coming to a settlement. Discussions will be treated as privileged and confidential to the full extent permitted by law.

6.5 Formal Investigation

If mediation or other informal options to resolve the complaint are not appropriate or are unsuccessful or where the Director of People Services or designate, in consultation with the Human Rights Division, determines that further inquiry is necessary, a formal investigation into the matter will be conducted.

Corporate-initiated Investigations: In circumstances where a complaint is made by someone other than the alleged victim, the Corporation may conduct a formal investigation where the Director of People Services or designate, in

consultation with the Human Rights Division, deems it appropriate, including where allegations of harassment or discrimination warrant further action/investigation or where the alleged victim does not wish to submit a complaint. The Corporation may also conduct a formal investigation where there is information to suggest the existence of an outstanding specific or systemic problem in the workplace.

Formal investigations and communication of the findings from such investigations will be conducted in accordance with the Corporation's [Formal Investigation Process](#).

7. General Provisions

7.1 Refusal to Act or Investigate

The Corporation may refuse to act or investigate or may discontinue an informal action or investigation where:

- i) The behaviour alleged, if true, would not be a breach of this policy;
- ii) The complaint is anonymous and there is insufficient information to warrant any or further steps;
- iii) The complaint is vexatious or made in bad faith (see Section 7.5 below);
- iv) Another complaint avenue has been pursued or engaged regarding the same or a related concern/complaint; or
- v) Having regard to all of the circumstances, further investigation of the matter is unnecessary.

7.2 Interim Measures

In certain circumstances such as where health or safety is at issue, it may be necessary to take immediate measures. In such a case, interim measures shall be determined by the Director of People Services, or designate, in consultation, where appropriate, with the Human Rights Division, other members of the Respectful Workplace Response Team, Corporate Security, and/or the London Police Service. Interim measures may include relocating a party, or placing a party on a non-disciplinary suspension with pay pending the resolution of the complaint or outcome of the investigation. The Division Manager, Corporate Security and Emergency Management Division, or designate, in consultation, where appropriate, with the Human Rights Division, other members of the Respectful Workplace Response Team, and/or the London Police Service, shall determine interim measures with respect to members of the public. The implementation of interim measures does not mean that conclusions have been reached relating to the allegations.

7.3 Support for Parties

The Corporation recognizes that involvement in a workplace investigation may be stressful and emotionally upsetting. Complainants, respondents, witnesses, and other affected employees may access the counselling services and support provided by the Corporation's employee assistance provider. Additionally, complainants may wish to access counselling and support through outside agencies.

Parties to a complaint also have the right to be accompanied by a support person of their choice during meetings relating to a complaint made pursuant to these procedures, including their Union/Association representative, if applicable, or a trusted friend (e.g. another manager if they are a management employee). Where the Human Rights Intake Administrator/investigator is of the opinion that the presence of the support person is inappropriate (e.g. they have a conflict) or is hindering the process, the relevant party may select another support person provided that doing so does not hinder or unduly delay the meeting/process. As these procedures are intended as an internal means of addressing prohibited

behaviour outside of more formal legal proceedings, parties are not entitled to select legal counsel as their support person.

7.4 Corrective Action and/or Disciplinary Action

Where a finding of a violation of this policy that does not constitute harassment, discrimination, or reprisal has been made, the applicable division manager, in consultation with the Director of People Services, or delegate, will determine appropriate corrective and/or disciplinary actions.

Where a finding of harassment, discrimination, or reprisal in violation of this policy has been made, the Respectful Workplace Response Team will determine appropriate corrective and/or disciplinary actions.

Where it is determined that corrective or disciplinary action is to be taken against an employee of the Corporation, such action may include the following:

- An apology
- Coaching or counselling
- Education or training
- Warning
- Suspension or leave without pay
- Demotion
- Transfer
- Termination of employment

The appropriate supervisor or manager will implement corrective or disciplinary actions to be taken against an employee.

Where it is determined that corrective action is to be taken against members of Council, volunteers (including members of Advisory Committees, Special Committees, and Task Forces), students on placements, contractors, consultants, members of the public, including clients or customers, the Corporation will take such corrective action as is reasonable in the circumstances and permitted by law to ensure the prohibited behaviour stops. This may include barring the person from Corporation facilities or discontinuing business with contractors or consultants. The Division Manager, Corporate Security and Emergency Management Division or designate will be consulted with respect to determining any corrective action to be taken against members of the public.

The Corporation may also implement any systemic remedies it deems appropriate.

7.5 Vexatious/Bad Faith Complaints

Where it is determined that the complainant has made a vexatious or bad faith complaint or an individual makes allegations knowing them to be false, the Respectful Workplace Response Team will take appropriate corrective and/or disciplinary action which may include the same corrective and/or disciplinary actions noted above.

A complaint is vexatious or made in bad faith if it is made for the purpose of annoying, embarrassing or harassing the respondent, out of spite or vindictiveness, or the complainant is engaging in improper behaviour such as fraud, deception, or intentional misrepresentation.

A complaint that is made in good faith but is not substantiated does not constitute a vexatious or bad faith complaint.

7.6 Timing of Complaint

A complaint under these procedures should be made as soon as possible after the prohibited behaviour occurred and no later than one year after the last

incident occurred unless there are reasons why it was not possible to bring it forward sooner. Where failure to make a complaint in a timely fashion affects the ability of the Corporation to conduct a full and complete investigation, the Corporation may decline to deal with the complaint.

7.7 Timing of Completion of Actions/Investigation

The Corporation will complete any informal actions or formal investigations pursuant to these procedures in a timely manner and within three (3) months from the date of receiving a complaint/initiating an investigation, unless there are extenuating circumstances (e.g. illness, complex investigation) warranting a longer period. The Human Rights Intake Administrator/investigator, supervisor, or manager responsible for handling a complaint under these procedures will update the parties to the complaint on a regular basis (approximately every two to three weeks) as to the status of their complaint and anticipated next steps.

7.8 Confidentiality

The administration of these procedures will be in accordance with the [Municipal Freedom of Information and Protection of Privacy Act](#) (“MFIPPA”). All complaints received under these procedures will be considered strictly confidential subject to the Corporation’s obligation to safeguard employees, to conduct a thorough investigation, take appropriate corrective and/or disciplinary action, or to otherwise disclose information as required by law. The parties to the complaint and any witnesses are also expected to maintain confidentiality. Unwarranted breaches of confidentiality will result in corrective and/or disciplinary action.

7.9 Complaint Records

Where an investigation results in corrective and/or disciplinary action against an employee, a record of such action will be placed in the employee’s Human Resources file. Where there is insufficient evidence to prove that prohibited conduct occurred, no record of the complaint shall be placed in the respondent’s Human Resources file.

All records pertaining to enquiries and complaints under this policy will be kept in confidential storage separate from employees’ Human Resources files. All records will be subject to the provisions of [MFIPPA](#) as noted above.

7.10 Other Avenues of Complaint

In addition to these internal resolution and complaint procedures, there may be other avenues available to pursue complaints of prohibited behaviour. Depending on the nature of the behaviour at issue and the parties involved, other complaint avenues may include an Application to the Human Rights Tribunal of Ontario, a complaint to the Ministry of Labour, an application to the Ontario Labour Relations Board, a civil action, a criminal complaint, a complaint to the Integrity Commissioner, and a grievance pursuant to the terms of an applicable collective agreement.

These resolution/complaint procedures are not intended to interfere with or restrict employees’ rights to pursue any other available avenue(s) of complaint, including pursuant to the Ontario [Human Rights Code](#) and the [Occupational Health and Safety Act](#). Where appropriate and/or required by law, the Corporation will conduct its own independent investigation into the allegations and make its own determination in accordance with this policy even when another avenue of complaint is pursued. This includes circumstances where there may be a related criminal proceeding.
