Linkage to the Corporate Strategic Plan

Council’s 2019 to 2023 Strategic Plan for the City of London identifies “Growing Our Economy” and “Leading in Public Service” as strategic areas of focus. These involve working better together for economic growth with Business Improvement Areas (BIA’s) of London and continuing to build strong working relationships with such community partners. In line with these areas of focus, the City provides guidance to the BIA’s in regard to establishment and ongoing business and financial operations. The City also acts as the intermediary with respect to collecting the approved levy amounts which fund services provided to the BIA members and thus promote continued growth in London’s economy.

2.0 Financial Impact/Considerations

On October 15, 2020, the Board of Management of the Argyle Business Improvement Area (ABIA) approved the 2021 budget (Schedule “A”) which was presented to the members at the Annual General Meeting on November 18, 2020.

Under subsection 205(2) of the Municipal Act, 2001, a business improvement area (BIA) must submit an annual budget to Council that Council may approve in whole or in part, but may not add expenditures. The ABIA has met this requirement in Schedule “A”, noting the 2021 total expenditure budget of \$262,000.

Civic Administration provides the following comments based on its review of the submission:

- a) The ABIA submitted a 2021 budget of \$262,000, which represents a decrease of \$22,100 (7.8%) compared to its 2020 budget of \$284,100. The special levy to the members remains the same as 2020 but there is a decrease in the Draw from Operating Fund which will be used to cover a portion of the operating expenditures in 2021. Less non-levy revenue (e.g. boardroom rentals) is also expected in 2021.
- b) Significant changes to expenditures in 2021 include:
 - i. Seasonal/Part-time Wages - \$10,000 is budgeted for Seasonal/Part-time Wages for 2021; this amount was budgeted under Other Program Initiatives in the past, but this is now segregated.
 - ii. Safety and Security and Clean Streets - In 2021, \$12,000 is budgeted for Safety and Security, a new program being implemented whereby ABIA will be contracting out “on-call” security workers to deal with member concerns surrounding their properties. A \$5,000 budget for Clean Streets is also new; to be used for improving the appearance of the BIA area.
 - iii. Improvement Grant - \$10,000 is budgeted for a select number of grants in 2021 for façade improvements to BIA members’ properties.
 - iv. Long-term Initiatives - Nothing is budgeted for long-term initiatives in 2021 due to the significant uncertainty of COVID-19 financial impacts on ABIA’s 2021 budget.

ABIA will be establishing a reserve fund at 2020 year-end to set aside funds for anticipated and unanticipated expenditures that may occur due to unforeseen events, such as the COVID-19 pandemic. ABIA wants to improve its financial position in order to adapt to the financial impacts of COVID-19 and other potential, non-controllable factors as they may arise. One of the uses of the reserve fund would be for potential cost-sharing projects between ABIA and the City. City Planning is currently conducting a regeneration study in Argyle to determine what public tools and resources can be used for further improvement in the area. \$70,000 will be transferred from ABIA’s Operating Fund to establish the reserve fund at year-end.

At the time of submitting this report, the audited 2020 financial statements were unavailable. The ABIA projected a year-end surplus of \$34,263 after adjustments to the draw from the operating fund. After the transfer to establish the new reserve fund at year-end, the unaudited projected balance in the Operating Fund at December 31, 2020 is \$49,099 including year-end adjustments. The year-end fund balances are presented in Schedule “B.”

Conclusion

The owners of business property within the BIA will be responsible for payment of \$215,000 to be raised by the Corporation for the 2021 fiscal year for the purposes of ABIA and pursuant to subsection 208(1) of the Municipal Act, 2001. Upon Council approval, the City of London will pay ABIA 50% of the budgeted Municipal Special Levy amount, with the remaining 50% to be paid on or after June 30th.

2.0 Financial Impact/Considerations

On November 18, 2020, the Board of Management of the Hamilton Road Business Improvement Area (HRBIA) approved the 2021 budget (Schedule "A") which was presented to the members at the Annual General meeting on the same day.

Under subsection 205(2) of the Municipal Act, 2001, a business improvement area must submit an annual budget to Council that Council may approve in whole or in part, but may not add expenditures. The HRBIA has met this requirement in Schedule "A", noting the 2021 expenditure budget of \$135,231.

Civic Administration provides the following comments based on its review of the submission:

- a) HRBIA submitted a 2021 budget of \$135,231, which represents an increase of \$11,706 (9.5%) compared to its 2020 budget of \$123,525. The total increase in revenue is a result of the following:
 - i. A \$10,000 increase in Government Student Funding under the Canada Summer Jobs program administered by Service Canada.
 - ii. \$10,000 is budgeted for the Friends of the Tree Trunk Tour Fund. This fund will be established to be used for new tree sculptures and the related ongoing maintenance costs. Funding is donated from interested businesses and community members.
 - iii. \$5,000 is budgeted for the transfer of the remaining funds from the Hamilton Road Area Business Association to the Hamilton Road Business Improvement Area.
 - iv. The increases in revenues are partially offset by a decrease of \$10,794 in the Draw from Operating Fund and a decrease of \$2,500 in Administrative Fees.
- b) A Special Allowance of \$50,000 was granted by Council in February 2019 when the BIA was first starting operations. A balance of \$22,206 is remaining at the end of 2020. HRBIA was unable to complete the planned initiatives in 2019 as a significant amount of time was spent on establishing BIA policies and procedures and then in 2020, COVID-19 prevented the completion of these initiatives once again. \$5,029 is budgeted for long and short-term initiatives in 2021 for beautification, primarily banners. The remainder of the funds will be contributed to the operating fund. HRBIA will seek additional funding and grants to complete other long and short-term initiatives as necessary.
- c) Administrative Salaries and Wages - a \$25,618 increase is budgeted as a result of a staff member returning to work from a temporary leave and a consolidation of salaries and wages from Long-term and Short-term Initiatives.
- d) Summer Jobs - a \$10,000 increase in expense (including deductions) is offset by an increase of \$10,000 in revenue from the Government Student Funding program.
- e) Friends of the Tree Trunk Tour - \$10,000 is budgeted for new tree sculptures and related ongoing maintenance costs with funding provided by donations from businesses and community members.
- f) Long-term and Short-term Initiatives - a decrease of \$27,952 due to the financial impacts of COVID-19; amount budgeted for long-term and short-term initiatives to cover the cost of the following planned projects:
 - i. Pole banners and decoration brackets
 - ii. Road to Recovery Rebate
 - iii. Hamlet festival
- g) Long-term and Short-term Initiatives - Salaries and Wages – In 2021, Salaries and Wages is consolidated under Administrative Salaries and Wages.

At the time of submitting this report, the audited 2020 financial statements were unavailable. After adjustments to the draw from the operating fund, HRBIA projects a balanced year-end position, no surplus or deficit. The unaudited projected December 31, 2020 Operating Fund balance is approximately \$22,065. The year-end fund balance is presented in Schedule "B".

Conclusion

The owners of business property within the business improvement area will be responsible for payment of \$70,000 to be raised by the Corporation for the 2021 fiscal year for the purposes of HRBIA and pursuant to subsection 208(1) of the Municipal Act, 2001. Upon Council approval, the City of London will pay HRBIA 50% of the budgeted Municipal Special Levy, with the remaining 50% to be paid on or after June 30th.

2.0 Financial Impact/Considerations

On October 15, 2020, the Board of Management of the Hyde Park Business Improvement Area (HPBIA) approved the 2020 budget (Schedule “A”) which was presented to the members at the Annual General Meeting on November 12, 2020.

Under subsection 205(2) of the Municipal Act, 2001, a business improvement area (BIA) must submit an annual budget to Council that Council may approve in whole or in part, but may not add expenditures. The HPBIA has met this requirement in Schedule "A", noting the 2021 expenditure budget of \$442,000.

Civic Administration provides the following comments based on its review of the submission:

- a) The HPBIA submitted a 2021 budget of \$442,000, which represents an increase of \$45,019 (11.3%) compared to its 2020 budget of \$396,981. The special levy remains the same to each member as in 2020, however the total amount to be collected has increased as a result of growth; new businesses establishing within HPBIA's boundaries.
- b) Significant changes to expenditures in 2021 include:
 - i. Salary and Wages - an increase of \$21,044 over 2020 is budgeted for the addition of one new part-time staff position and annual salary and wage rate increases.
 - ii. Office Equipment Upgrades - a decrease of \$8,500 over 2020 is budgeted, as required technology upgrades were made in 2020, therefore less is needed in 2021.
 - iii. CTV Ad Package - an increase of \$29,000 over 2020 is budgeted, as this program will be offered for a longer period of time during the year. This program assists with covering the costs of airtime for participating member businesses' commercials aired on TV.

At the time of submitting this report, audited 2020 financial statements were unavailable. Estimates received from HPBIA indicate a projected 2020 year-end surplus of \$22,332. The unaudited projected December 31, 2020 Operating Fund balance is approximately \$90,180. The year-end fund balance is presented in Schedule "B."

Conclusion

The owners of business property within the BIA will be responsible for payment of \$434,000 to be raised by the Corporation for the 2021 fiscal year for the purposes of HPBIA and pursuant to subsection 208(1) of the Municipal Act, 2001. Upon Council approval, the City of London will pay HPBIA 50% of the budgeted Municipal Special Levy, with the remaining 50% to be paid on or after June 30th.

These involve working better together for economic growth with Business Improvement Areas (BIA’s) of London and continuing to build strong working relationships with such community partners. In line with these areas of focus, the City provides guidance to the BIA’s in regard to establishment and ongoing business and financial operations. The City also acts as the intermediary with respect to collecting the approved levy amounts which fund services provided to the BIA members and thus promote continued growth in London’s economy.

2.0 Financial Impact/Considerations

On October 8, 2020, the Board of Management of the London Downtown Business Association (LDBA) approved the 2021 budget (Schedule “A”) which was presented to the members at the Annual General Meeting on November 9, 2020.

Under subsection 205(2) of the Municipal Act, 2001, a business improvement area (BIA) must submit an annual budget to Council that Council may approve in whole or in part, but may not add expenditures. The LDBA has met this requirement in Schedule "A", noting the 2021 total expenditure budget of \$1,972,282.

Civic Administration provides the following comments based on its review of LDBA's submission:

- a) The LDBA submitted a 2021 budget of \$1,972,282 which represents an increase of \$145,792 (8.0%) compared to its 2020 budget of \$1,826,490. The total increase in revenue is a result of the following:
 - i. \$224,000 is budgeted for a Draw from Operating Fund which will be used to cover increased costs related to pressures from COVID-19 including \$100,000 for COVID grant funding, an increase in budget for Retention and Recruitment, and a new program (Public Safety Member Liaison).
 - ii. The increase in the Draw from Operating Fund is partially offset by a decrease of \$38,308 to the Municipal Special Levy. The Levy for 2021 is budgeted at \$1,877,082. This decrease is to provide some financial relief to member businesses due to the financial impacts of COVID-19.
- b) Significant changes to expenditures in 2021 include:
 - i. Transfer of Mainstreet London (MSL) items to LDBA budget – As of 2021, MSL is only budgeting for the LDBA Sponsorship for Grant Payments. All other expenses have been transferred to the LDBA budget to clearly identify which expenditures are funded from the Municipal Special Levy. This includes approximately \$95,000 for Wages and Benefits and \$50,000 for Retention and Recruitment.
 - ii. Legal and Audit - A decrease of \$15,000 from 2020 budget due to less professional fees anticipated in 2021.
 - iii. Retention and Recruitment – In addition to the transfer from MSL, this expenditure has increased another \$90,000 to \$140,000 to initiate a new recruitment program to help fill empty storefronts as well as increase retention efforts to further help existing businesses.
 - iv. Communications and Marketing - A decrease of \$40,000 from the 2020 budget, due to a portion of this budget being reallocated to the COVID-19 Response. 2020 also included a significant one-time expenditure for a new website.
 - v. Mainstreet Sponsorship - With the exception of grant programs, all expenditures have been transferred to LDBA, so no amount is budgeted.
 - vi. Public Safety Member Liaison - \$75,000 is budgeted to meet the needs of member businesses with respect to social, safety and crime issues that have arisen since the onset of COVID-19.
 - vii. Cleaning and Maintenance - An increase of \$42,500 over 2020 budgeted to meet member feedback requests. This includes an increase to the clean team hours which will provide more frequent checks and cleaning of all areas within the BIA boundary.
 - viii. COVID-19 Response - \$80,000 is budgeted to address any COVID-19 related financial impacts in 2021.

Civic Administration provides the following comments based on its review of the Mainstreet London (MSL) budget:

- a) LDBA submitted MSL's 2021 budget of \$200,000, which represents a decrease of \$185,500 (48.1%) compared to its 2020 budget of \$385,500. The decrease is a result of the following:
 - i. As of 2021, MSL is only budgeting for the LDBA Sponsorship for Grant Payments. All other expenses have been transferred to the LDBA budget to clearly identify which expenditures are funded from the Municipal

Special Levy. This includes approximately \$95,000 for Wages and Benefits and \$50,000 for Retention and Recruitment.

- ii. Mainstreet's agreement with the City of London to pay for the Dundas Place Manager was extended from March 2020 to the end of December 2020; however, no amount has been budgeted for 2021 as this arrangement has concluded.

At the time of submitting this report, audited 2020 financial statements were unavailable. Estimates received by the LDBA and MSL indicated that there is an estimated combined year-end surplus of \$240,760 for 2020 (LDBA surplus of \$239,960 and MSL surplus of \$800). The unaudited projected December 31, 2020 reserve fund balance is \$134,896 and the unaudited projected balance in the Operating Fund is \$574,297 including year-end adjustments.

Conclusion

The owners of business property within the BIA will be responsible for payment of \$1,877,082 to be raised by the Corporation for the 2021 fiscal year for the purposes of LDBA and pursuant to subsection 208(1) of the Municipal Act, 2001. Upon Council approval, the City of London will pay the LDBA 50% of the budgeted Municipal Special Levy, with the remaining 50% to be paid on or after June 30th.

These involve working better together for economic growth with Business Improvement Areas (BIA’s) of London and continuing to build strong working relationships with such community partners. In line with these areas of focus, the City provides guidance to the BIA’s in regard to establishment and ongoing business and financial operations. 2.0 Financial Impact/Considerations

On October 21, 2020, the Board of Management of the Old East Village Business Improvement Area (OEVBIA) approved the 2021 budget (Schedule "A"), which was presented to the members at the Annual General Meeting on October 29, 2020.

Under subsection 205(2) of the Municipal Act, 2001, a business improvement area must submit an annual budget to Council that Council may approve in whole or in part, but may not add expenditures. The OEVBIA has met this requirement in Schedule "A", noting the 2021 total expenditure budget of \$234,350.

Civic Administration provides the following comments based on its review of the submission:

- a) The OEVBIA submitted a 2021 budget of \$234,350 which represents an increase of \$20,650 (9.7%) compared to its 2020 budget of \$213,700. The special levy to the members remains the same as 2020 but there is an increase in the Draw from Operating Fund which will be used to cover increased costs, mostly related to addressing pressures from COVID-19. Revenue includes the special levy plus City of London Funding of \$141,102, the same amount as previous years.
- b) Significant changes to expenditures in 2021 include:
 - i. Salaries and Benefits - an increase of \$11,150 over 2020 is budgeted for part-time staff wages and cost of living increases.
 - ii. COVID-19 Budget - \$12,000 is budgeted to fund the following:
 - Additional/unidentified COVID-19 related supports in 2021
 - Graffiti removal program
 - Beautification - COVID-19 related needs/opportunities
 - Digital Marketing Fund

At the time of submitting this report, audited 2020 financial statements were unavailable. After adjustments to the draw from the operating fund, OEVBIA projects a balanced year-end position, no surplus or deficit. The unaudited projected December 31, 2020 reserve fund balance is \$8,002 and the unaudited projected balance in the Operating Fund is \$117,713 including year-end adjustments. The year-end fund balances are presented in Schedule "B."

Conclusion

The owners of business property within the business improvement area will be responsible for payment of \$42,000 to be raised by the Corporation for the 2021 fiscal year for the purposes of OEVBIA and pursuant to subsection 208(1) of the Municipal Act, 2001. Upon Council approval, the City of London will pay the OEVBIA 50% of the budgeted Municipal Special Levy, with the remaining 50% to be paid on or after June 30th.

Subject: Assessment Growth for 2021, Changes in Taxable Phase-
Values, and Shifts in Taxation as a Result of Reassessments

Date: January 18, 2021

Recommendation

That, on the recommendation of the Managing Director, Corporate Services and City Treasurer, Chief Financial Officer, this report BE RECEIVED for information purposes.

Executive Summary

Each year, coinciding with the budget process, weighted assessment growth is calculated as it generates incremental tax revenue. The allocation of this incremental tax revenue is reported to Council in mid March in accordance with Council's Assessment Growth Policy. This report indicates that weighted assessment growth is calculated to be 1.38% for 2021 taxation. The historical trend in weighted assessment growth is presented in graph format below in Figure 1.

Figure 1 – Weighted Assessment Growth by Year (2000-2021)

Analysis

1.0 Background Information

1.1 Assessment Growth

Assessment growth generally refers to the net increase in assessment attributable to new construction less adjustments resulting from assessment appeals and property classification changes. To determine the impact of assessment growth on tax revenue, assessment must be weighted with tax ratios which reflect the different tax rates applicable to the various property classes.

Measuring assessment growth also requires the use of values of a uniform base year. If a consistent base year for property valuations is not maintained, changes in assessment totals will be distorted by changes in property valuations and will not correctly reflect the actual new construction less adjustments resulting from assessment appeals and property classification changes.

Schedule 'A' attached details the growth which has occurred in weighted assessment for year 2021 taxation. Assessment has been weighted using tax ratios which were applicable in year 2020. The uniform base year which has been used for the determination of property valuations is 2020 phase-in values. Schedule 'A' indicates that the total weighted assessment growth for 2021 for the City is 1.38%.

Historically the City of London has recorded the following percentage weighted assessment growth in the years indicated as shown in the chart below:

Year	Assessment Growth	Year	Assessment Growth
2000	1.40%	2011	1.40%
2001	0.86%	2012	1.01%

2.0 Discussion and Considerations

2.1 Changes in Property Valuations from Reassessment to 2016 Base Year

As referred to above, change in property valuations is a separate and distinct topic from assessment growth. For year 2013 taxation, all properties in Ontario were valued using a 2012 base year for market value determination. The 2012 values were phased in over a four-year period beginning in 2013 and ending in 2016. For the years 2017, 2018, 2019 and 2020 taxation were based on phasing in 2016 market values for the four-year period.

For 2021 the Province decided because of the Covid-19 pandemic situation in Ontario there would be no reassessment of properties as was previously schedule for the 2021 property tax year. As a result, all properties in Ontario will continue to be valued based on 2016 market values.

Schedule 'B' attached indicates no change will occur in the taxable phase-in values between 2020 and 2021 based on information provided by the Municipal Property Assessment Corporation (MPAC). Schedule 'B' indicates that the increase in total phase-in values of all taxable properties in London from 2020 to 2021 will be 0.00% for all property classes.

2.2 Potential Shifts in Municipal Taxation between Property Classes as a result of the 2021 Values (2020 Phase-in Values per MPAC)

Schedule 'C' indicated there will be no shifts in municipal taxation in 2021 between property classes as a result of the 2021 values, if no changes are made to 2020 tax ratios. Schedule 'C' reflects the fact that no phase-in of a reassessment is occurring in the year 2021.

Tax ratios determine how heavily a property class is taxed relative to the residential class. The tax change in the various classes including education taxes will be analysed and reviewed in greater detail later in the year after the 2021 City budget is approved by Council and all of the regulations related to 2021 tax policy and education tax rates have been finalized by the Province.

Conclusion

Weighted assessment growth is an important part of municipal taxation as it generates additional incremental revenue. This growth represents new construction in the municipality less adjustments resulting from assessment appeals and property classification changes which is not to be confused with changes in the value of existing properties. Total weighted assessment growth in 2021 is 1.38% (1.63% in 2020).

Looking ahead, Civic Administration will be bringing forward a 'Tax Policy Report' presenting alternatives for tax ratios for 2021 property taxation.

Report to Corporate Services Committee

To: Chair and Members
Corporate Services Committee
From: Cathy Saunders, City Clerk
Subject: Ontario Transfer Payment Agreement – Bill 218, *Supporting Ontario's Recovery and Municipal Elections Act, 2020*
Date: January 18, 2021

Recommendation

That, on the recommendation of the City Clerk, the attached proposed by-law (Appendix “A”) being a by-law to approve and authorize the Ontario Transfer Payment Agreement between Her Majesty the Queen in right of Ontario as represented by the Minister of Municipal Affairs and Housing (the “Province”) and The Corporation of the City of London (the “Recipient”) to provide funding for expenses related to the to return to first-past-the-post election framework for the 2022 Municipal Election, **BE INTRODUCED** at the Municipal Council meeting to be held on February 2, 2021.

Executive Summary

The purpose of this report is to seek authorization to enter into a Transfer Payment Agreement with the Provincial Government of Ontario for the reimbursement of election expenses related to the return to a first-past-the-post election (FPTP) framework for the 2022 Municipal Election.

Analysis

1.0 Background Information

1.1 Previous Reports Related to this Matter

Corporate Services Committee – November 2, 2020 – Proposed Changes to the *Municipal Elections Act, 1996*

2.0 Discussion and Considerations

2.1 Amendments to the *Municipal Elections Act, 1996*

Bill 218, *Supporting Ontario's Recovery and Municipal Elections Act, 2020* received Royal Assent on November 20, 2020. Bill 218 removed the ranked ballot framework in the *Municipal Elections Act, 1996* (MEA) and revoked the supporting Ontario Regulation 310/16 for Ranked Ballot Elections. Therefore, despite the City of London having used Ranked Choice Voting in the 2018 Municipal Election, the City of London will not be permitted to use Ranked Choice Voting (RCV) for the 2022 Municipal Election.

2.2 Returning to First-Past-the-Post (FPTP)

There is no requirement under Bill 218 or the MEA for the City of London to perform any public consultation prior to returning to the first-past-the-post (FPTP) framework, however, as indicated in the November 2, 2020 Staff Report, the City Clerk recommends that a public awareness campaign be developed and executed to mitigate voter confusion and effectively communicate FPTP. Recognizing the unique position of the City of London with respect to this change, the Province, based on the cost estimates of the City Clerk, will provide the City with funding of \$51,000 to cover costs for a public awareness campaign, poll supplies and other administrative expenses necessary for the transition to FPTP.

3.0 Financial Impact/Considerations

In order to receive the above-noted funding, the Province of Ontario requires The Corporation of the City of London enter into the attached (Appendix "A") Ontario Transfer Agreement ("Agreement").

The above-noted Agreement requires the City to submit an interim report by January 31, 2022 and a final report by January 31, 2023 to the Province providing a detailed budget breakdown of funds that were expended for the purpose of the elimination of the ranked ballot framework and the return to FPTP elections.

The Agreement contains an indemnification provision requiring the City to indemnify and hold harmless Her Majesty the Queen in right of Ontario, her ministers, agents, appointees and employees from all liability arising out of or in connection with the Project, unless caused solely by the negligence or willful misconduct of the Province. The benefit of this Agreement far exceeds the low level of risk. The City of London Risk Management staff confirm that the City can satisfy the insurance requirements of the agreement.

Conclusion

The City Clerk will be conducting a public awareness campaign to deliver the message that the City of London is returning to FPTP and the funding from the Province will offset that cost.

**LONDON BLACK HISTORY
COORDINATING COMMITTEE**

December 17, 2020

City Clerk
Councillor Arielle Kayabaga
London City Hall
300 Dufferin Avenue
London, Ontario

Dear Councillor Kayabaga & City Clerk:

2020 has been a year of upheaval in London, across the country and around the world. COVID 19, the Black Lives Matter Movement and many other important milestones in the lives of Londoners and member of the City's black community. We once again and more loudly than in the past, wants the city to proclaim Black history Month in February 2021, and want it to be done much sooner than it was done in 2020.

Counsellor Kayabaga and City Clerk, we have again looked at the City of London's strategic plan and I believe the two points below best describe how LBHCC fits in. It is also more than those from the Black community fitting in, and feeling a sense of belonging, but it also means that others, who are not as familiar and know nothing of how far back our community goes in this city, will also learn more through the programming in February. This year we have sponsorship from TD Bank and we will focus some of the programming not only on Black youth, but the intersection of Black Youth issues with those of the Indigenous Community.

Strategic Priorities:

- Increase the number of residents who feel welcomed and included
- Create inclusive engagement opportunities for Londoners

We look forward to seeing this proclamation in place again for 2021.

Sincerely,

Carl Cadogan, Chair
London Black History Coordinating Committee

2020 Theme – Our Community is our Strength

The London Black History Coordinating Committee, since its inception, has been supported by the London Cross Cultural Learner Centre. From its mission statement: *LCCLC is a community organization that exists to provide settlement services and support to newcomers and to promote intercultural awareness and understanding.* The centre provides outreach support to the committee and an employee of the LCCLC is a member of our committee.

Since 2001, the London Black History Coordinating Committee has held events to celebrate Black History Month. The Committee also acts as a coordinating body to ensure that the community knows about all events not only those developed and planned by the Committee. In 2019, the committee organized six events and continued to promote other similar events in the London area on our Facebook page and on our website. The events in 2019 included: The Opening Ceremony, which featured performances as well as booths displaying information about various cultural groups; The African Food Festival, a food experience featuring food from three East African and three West African countries. The Children’s Festival, held at the downtown branch of LPL, with a turnout of over 350 people including over three hundred children; the Closing Gala, which featured the Black Community Achievement Award ceremony as well as a number of musical and artistic performances.

Through entertainment and education, Black History Month assists with increasing the knowledge in London about the contributions of Canadians of African descent. The social nature of the activities organized and supported, provides time for the community to present their successes and achievements to the city, highlighting their contributions and encouraging more interactions among and between Londoners of different cultures and races. Reducing negative stereotypes and increasing opportunities for community engagement is a proven method for helping to reduce prejudice and discrimination.

Black history refers to the stories, experiences, and accomplishments of people of African origin. Black history did not begin in recent times in Canada, but in ancient times in Africa. People connected by their common African history and ancestry have created Black history here. The African-Canadian population is made up of individuals from a range of places across the globe including the United States, South America, the Caribbean, Europe, Africa, and Canada.

The commemoration of Black History Month dates back to 1926, when Harvard-educated African American historian Carter G. Woodson proposed setting aside a time devoted to honour the accomplishments of African Americans and to heighten awareness of Black history in the United States. This led to the establishment of Negro History Week in 1926. Celebrations of Black history began in Canada also shortly thereafter. During the early 1970s, the week became known as Black History Week. It was expanded into Black History Month in 1976.

In December 1995, the House of Commons officially recognized February as Black History Month in Canada following a motion introduced by the first Black Canadian woman elected to Parliament, the Honourable Jean Augustine. The motion was carried unanimously by the House of Commons.

In February 2008, Senator Donald Oliver, the first Black man appointed to the Senate, introduced the [Motion to Recognize Contributions of Black Canadians and February as Black History Month](#). It received unanimous approval and was adopted on March 4, 2008. The adoption of this motion completed Canada's parliamentary position on Black History Month.

In 2002, the first meeting was held to plan and coordinate Black History Month in London and in 2003 work began in earnest by a group of individuals to launch the first event in London.

In 2020, the start of a new decade, LBHCC will be launching the 18th Black History Month Celebration in London and we invite everyone to attend.

Every province and every city where immigrants from the more than 90 FGM/C practicing countries have settled has survivors and possibly girls at risk. London has immigrants from at least 11 countries where FGM/C is an issue. We advocate for support for survivors and protection for girls at risk. Dear Mayor and Council,

For the second year in a row, the End FGM Canada network is running a Canadian campaign to have February 6th recognized as the official day to honor survivors of female genital mutilation and those who are fighting against it. This year, we are hoping that your city will join the campaign by proclaiming February 6th as the International Day of Zero Tolerance for Female Genital Mutilation as designated by the United Nations. This year's theme is:

No Time for Global Inaction: Unite, Fund and Act to End Female Genital Mutilation.

Last year dozens of cities from coast to coast joined in the campaign and proclaimed the day, from St. John's, Newfoundland, to Victoria, B.C; four provinces also proclaimed the day. It was remarkable.

This year, we are looking to double the number of proclamations that were issued last year, and we hope we can count on you to help us reach that goal. The Province of British Columbia has already issued theirs, see attached!

As a bit of background--Female Genital Mutilation/Cutting (FGM/C) is a gross human rights abuse perpetrated on girls and women every 10 seconds of every day somewhere in the world. There are currently more than 200 million survivors worldwide, and **upwards of 100,000 in Canada**. There are also **girls at risk in Canada**, as confirmed in federal government documents. Female Genital Mutilation is extremely traumatizing, debilitating, and even causes death. There is evidence that girls in Canada are being taken outside of Canada for 'vacation cutting,' and that cutters may be being brought into Canada.

See the moving account from [Maryam Sheik](#), a survivor who lives in Newfoundland and who brought her daughter here to save her from FGM/C. Maryam, who is on our End FGM Canada steering committee, is urging Canadians to break the silence on this topic.

FGM is not a question of religion, ethnicity, or nationality. It's a question of human rights. FGM is practiced among many religions including Christianity, Islam, and Animists. It happens in Africa, the Middle East, South America, Asia, and the West—in short, it's an issue on **every continent except Antarctica**. A recent [Equality Now report](#) indicates that there are more than 90 countries worldwide where Female Genital Mutilation is an issue. See our recent campaign highlighting a few [surprising countries](#) where FGM /C is an issue. And the effect of COVID19 has been devastating. The UN estimates that an additional 2 million girls will be cut as a result.

February 6th has been proclaimed by the UN as the day where we focus attention on FGM, and we hope that this year it will be celebrated across Canada.

With these Canadian proclamations we are hoping to draw attention to this world-wide problem, and to raise awareness that this is an issue in Canada as well. In every Canadian province we

have immigrants from communities that practice FGM, including from countries in the Middle East, Africa, and Asia; there are bound to be FGM survivors even in **London**.
