- iii) the rationale for the bonus zoning needs to be further clarified;
- iv) lack of greenspace proposed to be provided for the residents;
- v) lack of trees being provided for on the proposed development;
- vi) the negative impact of the shadows from the proposed building

will have on neighbouring properties;
vii) the proposed density is too high;
viii) the proposed height of the building is too high;
ix) concerns with location of garbage bins;
x) concerns about the proposed reduced side yard setback;
x) concerns with the current maintenance of the interior and exterior of the existing building owned by the same Corporation;
and,
xi) the walkway that was to be built between the building owned by the same Corporation and Dundas Street should be provided for;

it being pointed out that the Planning and Environment Committee reviewed and received the following communications with respect to this matter:

- a communication from C. BakerBriden; and,
- the staff presentation;

it being pointed out that at the public participation meeting associated with these matters, the individuals indicated on the ~~attached~~ public participation meeting record made oral submissions regarding these matters;

it being further noted that the Municipal Council approves this application for the following reasons:

- the recommended amendment is consistent with the Provincial Policy Statement, 2020 which promotes intensification, redevelopment and a compact form in strategic locations to minimize land consumption and servicing costs and provide for a range of housing types and densities to meet projected requirements of current and future residents, and by promoting a land use pattern, density and a mix of uses that serve to minimize the length and number of vehicle trips and support the development of viable choices and plans for public transit and other alternative transportation modes;
- the recommended amendment conforms to the in-force policies of the Old East Village Dundas Street Corridor Secondary Plan that promotes the continued revitalization of the area;
- the recommended amendment conforms to the in-force policies of The London Plan including but not limited to, Our City, Key Directions, and City Building, and will facilitate a built form that contributes to achieving a compact, mixed-use City;
- the recommended amendment conforms to the in-force policies of the 1989 Official Plan, including but not limited to the objectives of the Old East Village Main Street Commercial Corridor policies which encourages redevelopment in The Village Annex segments of the Main Street Commercial Corridor;
- the recommended amendment will facilitate an enhanced form of development in accordance with the Old East Village Commercial Corridor Urban Design Manual which includes an architecturally defined base, middle and top with the base serving to frame the pedestrian realm at a human-scale; and,
- the recommended amendment is appropriate for the site and surrounding context and will assist with the continued improvement and revitalization of the broader Old East Village.
