#### 4. Items for Discussion

##### 4.1 Demolition Request for Heritage Designated Property located at 50 King Street, Downtown Heritage Conservation District, by 50 King Street London Limited

That, on the recommendation of the Deputy City Manager, Planning and Economic Development, with the advice of the Heritage Planner, the demolition request for the heritage designated property located at 50 King Street, located in the Downtown Heritage Conservation District, BE PERMITTED pursuant to Section 42(1) of the Ontario Heritage Act subject to the following terms and conditions:

- prior to any demolition, photographic documentations and measured drawings of the existing building at 50 King Street be completed by the property owner and submitted to the satisfaction of the Director of Planning and Development;
- prior to any demolition, a demolition plan shall be prepared by the property owner and submitted to the satisfaction of the Director, Planning and Development demonstrating how the heritage attributes of adjacent cultural heritage resources are conserved, mitigating any potential direct or indirect adverse impacts, and implementing the recommendations of the Cultural Heritage Impact Assessment submitted as part of the demolition request, it being noted that should an area(s) identified as requiring further archaeological assessment be included within the work area for the demolition of the existing building at 50 King Street, further archaeological assessment shall be required;
- prior to any demolition, a landscape plan shall be prepared by the property owner and submitted to the satisfaction of the Director, Planning and Development identifying work required to create a grass lawn on the property as an interim condition until any future redevelopment; no additional commercial and/or accessory parking will be permitted on the property as an interim use prior to the redevelopment of the property; the landscape plan should identify the cost of the work for the purpose of calculating a landscape security;
- a security for landscape be taken to ensure the condition above is implemented within an appropriate timeframe;
- prior to demolition, the plaques commemorating the opening of the Middlesex Municipal Building in 1959 and 50 King Street in 1986 be salvaged by the property owner; and,
- efforts to commemorate the Middlesex Municipal Building and the Court House Block be addressed through any future Heritage Impact Assessment required for the site and integrated into any landscape plans for the broader site;

it being noted that a separate Heritage Impact Assessment will be required as part of a future planning application for the property and Heritage Alteration Permit approval will be required before the issuance of a Building Permit;

it being further noted that the site is an important cultural heritage landscape and should continue to be part of an institutional and public realm landscape in the Downtown Heritage Conservation District.

##### 4.2 Heritage Alteration Permit Application by K. and C. Siemens for the property located at 59 Albion Street, Blackfriars/Petersville Heritage Conservation District

That, on the recommendation of the Deputy City Manager, Planning and Economic Development, with the advice of the Heritage Planner, the application under Section 42 of the Ontario Heritage Act seeking retroactive approval for the use of the NUVO Iron railing system on the front porch of the heritage designated property located at 59 Albion Street, within the Blackfriars/Petersville Heritage Conservation District, BE APPROVED with the following term and condition:

- any future repair, alterations, or replacement to the railing system require the implementation of the squared wooden spindles approved through HAP21-018-D;

it being noted that the communication, as appended to the Added Agenda, from C. Siemens, with respect to this matter, was received.
