

Good Morning Jerri

I have been advised that I need to be more specific.

I would like to make a formal request for Delegation Status at the July CACP meeting. Sorry I have not been able to find the exact date.

I would specifically like to discuss the Heritage Easement at 39 Carfrae Street, London ON and how it is directly effecting the current Heritage Alteration Permit application and the current demand from the City to make two functional wood burning fireplaces non usable.

Please confirm you have received this email request.

Thank you

Jeff Gard
