Subject: [EXTERNAL] 39 Carfrae Street - July 17 PEC Meeting - Included 2023-07-17 PEC Reg Agenda

Hello Heather

Further to my telephone conversations with Penny.

I would like to make a formal request for Delegation Status at the July 17th PEC Meeting.

I would like my request to remove the Easement By-law No. L.S.P.-3491-144 currently registered on title of 39 Carfrae Street, London.

I would like to have my presentation and background information included in the agenda.

Unfortunately I will need to forward in 3 emails - please confirm you have received all three emails and that you can open the files.

Can you also confirm that audio visual equipment is available for a power point presentation

Thanking you in advance

Jeff Gard
