

Hello,

I grant permission to have my name and address included with the submission on the added council agenda. My name is Ms. Barbara Lim, 1071 Foxcreek Road, London, ONT, N6G 0C9.

I support the move for a temporary stop light on Fanshawe Park Road. W. Also, there needs to be a sidewalk or bike path built immediately for students walking to the school. My daughter walks from the Foxfield neighbourhood and it is very dangerous walking around the traffic circle and on the side of the roads. I walked with her a few times and it is very inefficient and **unsafe** not to have a sidewalk already built for the safety of the students.
