5.2 Fireworks By-law Review

That the following actions be taken with respect to fireworks:

a) the Municipal Council BE ADVISED that the Environmental Stewardship and Action Community Advisory Committee (ESACAC) recommends the City of London adopt Option B as outlined in the staff report presented to the Community and Protective Services Committee; it being noted that Option B would allow for permitted display fireworks only to be discharged on specific days in London; it being further noted that this option would restrict use of all consumer (backyard) fireworks, restrict the sale of consumer fireworks in London, and propose an increase to current fines; and,

b) the Municipal Council BE ADVISED that the Environmental Stewardship and Action Community Advisory Committee recommends that the City considers the locations of permitted display fireworks to account for nearby environmental disturbance and to limit pollution from entering sensitive features such as the Thames River, and that the City aim to promote lower-impact alternatives to fireworks for at least some subsidized public events, such as outdoor concerts and light shows using drones.

it being noted that the submission on the fireworks by-law review, prepared by ESACAC, was received.

5.3 Climate Emergency Action Plan Working Group

That a Working Group consisting of R. Duvernoy, A. Hames, M. Hodge, A. Pert, B. Samuels and A. Whittingham BE ESTABLISHED to review the Climate Emergency Action Plan.
