**Subject:** [EXTERNAL] Submission to be attached to Item 6.1. Fireworks By-Law Options on the Council Agenda - Need Direction

Greetings City Clerk,

Attached, please find the title page, list of signatures/addresses and list of comments for a petition circulated by **Londoners for Quiet Fireworks**. The names of those who signed who live outside of Canada have been blacked out. There are 2,332 signatures from London and area. I understand that the signatures and comments will not be distributed to members of council by the City Clerk's Office, therefore, I have cc'd all councillors who have not yet received paper copies of the signatures and comments.

Could you please add this petition to Item 6.1, Fireworks By-Law Options on the added agenda for the council meeting on August 29th?

I give permission for the petition to be added to the agenda.

Kindest Regards,

Deanna Ronson
