Subject: [EXTERNAL] Ward 7 constituent in favor of hub

Dear Council,

My parents, my husband, children and I all live in Ward 7. We are in support of the planned hub at the corner of Fanshawe and Wonderland. We hope it will go through and be able to support our homeless neighbors in need of help. It is important to us that we take care of all members of our community.

I consent to having this message on the public agenda.

Sincerely,

Sarah Vernon-Scott, Ph.D., C.Psych.
