

October 4, 2023

Dear City Counsellors,

I am writing to express my strong support for London's Hubs plan to address the crisis of homelessness in our city.

Homelessness in London is a major public health crisis and London's proposed plan for addressing it through Hubs is based on an extremely well-designed compassionate community-driven approach.

The Hubs plan has my full support and I urge London City Council to implement it fully.

Sincerely,

A handwritten signature in black ink that reads "Jeff Tennant". The signature is written in a cursive style with a large, stylized 'J' and 'T'.

Jeff Tennant
