

To whom it may concern:

I wrote to Mr. Lewis and Mr Pribil about the bus stop on Hale Street.

It was moved 2 months ago with no previous notification.

I live in a senior apt building.

There are tenants who use walkers and wheelchairs.

Where the stop is now you have to cross two streets. I have included pictures.

██████ at LTC has the petition I did in the building. She will not change her mind.

Where the original bus stop was, there is a crosswalk. It was very convenient for the tenants of the building and neighborhood.

You have my permission to make this public
