Subject: RE: [EXTERNAL] ESR for Dingman EA

Hello Sandy,

James and I spoke on the question below.

I suggest that ECAC is welcome to provide comments to the presentation last week for consideration in the EA process. We will have another public meeting spring/summer 2024 and could give another presentation to ECAC with the project updates. Comments would be welcome from ECAC following the presentation.

The ESR once complete can be circulated to ECAC for review in accordance with the EA process.

Regards,

Adrienne

Hi James, hope all is well with you and yours. Adrienne Sones presented to ECAC (new name for EEPAC) last night. She mentioned the timing on the ESR. I asked if ECAC will be asked to review the ESR. Staff suggested that I ask you. So I am asking : ) - let me know.
