Analysis

1.0 Background Information

This report provides information on permit and associated inspection activities for the month of August 2023. <u>Attached</u> as Appendix "A" to this report is a "Summary Listing of Building Construction Activity for the Month of August 2023", as well as respective "Principle Permits Reports".

2.0 Discussion and Considerations

2.1 Building permit data and associated inspection activities – August 2023

Permits Issued to the end of the month

As of August 2023, a total of 2,509 permits were issued, with a construction value of \$777.7 million, representing 957 new dwelling units. Compared to the same period in 2022, this represents a 17% decrease in the number of building permits, with a 27.5% decrease in construction value and an 45.2% decrease in the number of dwelling units constructed.

Total permits to construct New Single and Semi-Dwelling Units

As of the end of August 2023, the number of building permits issued for the construction of single and semi-detached dwellings was 166, representing a 65.2% decrease over the same period in 2022.

Number of Applications in Process

As of the end of August 2023, 968 applications are in process, representing approximately \$916.6 million in construction value and an additional 1,167 dwelling units compared with 836 applications, with a construction value of \$820.2 million and an additional 1,119 dwelling units in the same period in 2022.

Rate of Application Submission

Applications received in August 2023 averaged to 16.8 applications per business day, for a total of 370 applications. Of the applications submitted 30 were for the construction of single detached dwellings and 71 townhouse units.

Permits issued for the month

In August 2023, 370 permits were issued for 201 new dwelling units, totaling a construction value of \$216.7 million.

Inspections - Building

A total of 1,914 inspection requests were received with 2,066 inspections being conducted.

In addition, 13 inspections were completed related to complaints, business licenses, orders and miscellaneous inspections.

Of the 1,914 inspections requested, 98% were conducted within the provincially mandated 48 hour period.

Inspections - Code Compliance

A total of 1,052 inspection requests were received, with 1,047 inspections being conducted.

An additional 120 inspections were completed relating to complaints, business licences, orders and miscellaneous inspections.

Of the 1,052 inspections requested, 99% were conducted within the provincially mandated 48 hour period.

Inspections - Plumbing

A total of 971 inspection requests were received with 1,264 inspections being conducted related to building permit activity.

An additional 6 inspections were completed related to complaints, business licenses, orders and miscellaneous inspections.

Of the 971 inspections requested, 100% were conducted within the provincially mandated 48 hour period.

2018 - 2020 Permit Data

Additional permit data has been provided in Appendix "A" to reflect 2018 – 2020 permit data.

Conclusion

The purpose of this report is to provide Municipal Council with information regarding the building permit issuance and building & plumbing inspection activities for the month of August 2023. <u>Attached</u> as Appendix "A" to this report is a "Summary Listing of Building Construction Activity" for the month of August 2023 as well as "Principle Permits Reports".
