

To the Chair, ESACAC:

For the last year and a half, I have had the privilege of serving on the Environmental Stewardship and Action Community Advisory Committee (ESACAC); it has been a pleasure to work with committee members and City of London Employees.

I have experienced significant stressors in the past 8 months and am no longer able to provide the commitment this committee deserves.

At this time, I regret to submit my resignation from ESACAC, effective immediately.

I wish you all the best.

Sincerely,

A handwritten signature in black ink that reads "AWhittingham". The signature is written in a cursive, flowing style.

Amanda Whittingham
