Summary of Draft Base Budget Amendment:

Changes from the draft base budget released reflect the UTRCA's updated draft operating budget. The expenditures and revenues have been refined primarily based on expenditures related to materials, supplies, and property expenses, as improved estimates have been received. 2023 year-end revenues have also improved previous estimates for deficits funded by reserves in 2024, while draws from reserves in 2025 to 2027 are projected to be reduced.
