Summary of Draft Base Budget Amendment:

The City of London provides accounting and other financial services to Tourism London. During the budget upload process the Tourism London budget was erroneously maintained at 2023 levels for the 2024 to 2027 period in the City's draft budget document. This change is required to align with Tourism London's 2024-2027 budget submission.

The draft 2024-2027 Multi-Year Budget for Tourism London reflects a 2.1% average annual increase. This increase is primarily driven by personnel cost increases in accordance with collective agreements and right-sizing of various expenditure budgets to align with recent spending levels.
