Dear City Council,

BGC London is a community organization providing activities for children and youth during the evenings and the day for adults 55 years old and over.

By promoting physical health, mental health, and emotional well-being, our programs help young people succeed in school, form positive relationships, and mature into healthy, responsible, and caring adults. We are committed to helping children and youth reach their full potential.

Our programs are not limited to our London location. We have an outreach program to provide education support at the Family Centre Westmount and operate an after-school program in a neighbourhood in Pond Mills. Also, we've created partnerships in communities like Ilderton and Thorndale to offer youth and families fun recreation programs and a drop-in youth program.

BGC London is part of a Federation, BGC Canada, and nationally we are celebrating BGC Club Day on June 7th. This is a day we acknowledge BGC Clubs' work across the country.

At BGC London, BGC Club Day is part of an awareness campaign called "Opportunity Changes Everything." The goal is to share with our community the impact of our programs in children, youth, and seniors who participate in our programs and activities.

This proclamation request is for Friday, June 7th, and as mentioned before, this will help raise awareness about the great work we do in London and neighbouring communities. We request that you raise BGC Club flag, and we will use the photos on our social media on June 7nd, and during that weekend.

Thank you for considering our request. If you have any questions, don't hesitate to contact me,

Kind regards,

A handwritten signature in blue ink that reads "Susana Martinez".
