Subject: request to Community and Protective Services Committee

Hello Barb,

Further to my phone call this morning, Youth Opportunities Unlimited (YOU) requests that, in light of the closure of Street Connection, Executive Director, Steve Cordes appear as a delegation before the Community and Protective Services Committee to provide an update on:

- the City's investment in The Cornerstone
- The Cornerstone's positive impacts
- the recent development of primary healthcare for at risk/vulnerable youth at The Cornerstone
- the installation of a green roof at the building

Should you require further information please contact me at your convenience.

Sincerely,

Christine
