Re: Update to Councillors' Lounge

It has been a number of years since the Councillors' Lounge had been renovated. Given that this room is used by Council to host a number of events, the furniture, paint and carpet requires updating.

I respectfully request that the Civic Administration be requested to place funds in the 2014 Budget to renovate the Councillors' Lounge.

I will be available to address any questions that may arise as a result of this request.

Respectfully,

Harold Usher
Councillor Ward 12
