Subject: [EXTERNAL] Resignation from Committee of Revision/Court of Revision Board

Dear Heather:

I was elected to the Committee of Revision/Court of Revision Board in November 2022, and currently serve as its vice-chair. I found it very interesting learning about drainage and how much work goes into its design. It was also very interesting to learn about the public hearing process for drainage issues.

However, I am no longer able to continue in that role due to family commitments, and I hereby submit my resignation from the board, effective today, May 7, 2024.

It has been a pleasure working with the Committee of Revision/Court of Revision Board, and I wish the Board Members and staff involved all the best in the future.

Yours sincerely,

Don
