Subject: [EXTERNAL] Re:OZ-8693—193-199 College Avenue-On Council Agenda for June 4 2024

With other concerned neighbours, I would like to request that this proposal be discussed at this upcoming meeting of the council on June 4th,2024.

The proposed development is too large for the area and is not consistent with or does not conform to:

1. The London Plan (Current Official Plan)
2. The Official Plan of 1989
3. The Near Campus Neighbourhood (NCN) Policies
4. The Provincial Policy Statement 2020

I support the London City Staff recommendation to refuse this application and urge you to vote against it.

Accepting the proposed development will create a disregard for The London Plan and area specific policies, and could set a dangerous precedent for all neighbourhoods.

I understand there is a need for additional housing development but it needs to be done properly. Rushing through the process and rubber stamping applications is not what we expect from elected officials. The goal of adding 47,000 units should not negate the due diligence and evaluation of the suitability of applications in the context of the existing city plans and policies of the neighbourhoods.

Respectfully,
