Subject: [EXTERNAL] RE: OZ 8693 -193-199 College Ave (Agenda June 4 ,2023)

I Craille Scott-Barré , Resident Of Bishop Hellmuth Neighbourhood Association am asking council to oppose the amendment to the Official Plan to re-designate the the above properties on College Ave.

The proposed development represents an over- intensification, and does NOT satisfy the criteria of the Planning Impact Analysis.

The City needs to respect the Low Density Residential Neighbourhoods and NOT make amendments as is being proposed for 193-199 College Ave.

I CONSENT TO SHARE THIS INFORMATION.

Sincerely,

Craille Scott-Barré
