

Committee: **Covent Garden Market Board of Directors**

Organization/Sector represented: **Resident of London**

Name: **Diehl Elkin**

Address:

**800 Wonderland Rd S
Apt 309**

Occupation: **retired**

Work experience: **I have lead many social services and health focussed non profit service providers in this province and in Saskatchewan. I have experience in executing strategic plans and corporate moves with sale of properties as well as development of clinical programs . I am conversant with supportive housing, and housing involving treatment. I started my career in the violence against women sector and moved into addiction programs attached to the North Bay Hospital and then on to crisis response in Saskatchewan. My most recent experience has been within the mental health sector.**

Education: **I hold a B.A. Hons from Wilfrid Laurier University I held a membership in the Society for Assoc Executives Hospital Managers Certificate from Hospital Assoc of Canada**

Skills: **I have the ability to offer insight into areas pertaining to service provision, team oriented in terms of work, able to seek others' input**

Interest reason: **It will be a relatively new area for me in some ways but in others I feel I can benefit the organization with my overall career experience and I enjoy learning from others.**

Contributions: **I have been a founding Board member on two Social councils, I have been actively involved in Boards relating to human services provision and addictions. I understand enough accounting principles to be effective in finance discussions.**

Past contributions: **Please see previous answer**

Interpersonal: **I firmly believe that respect is the cornerstone for all successful discussions. Each member brings their own unique traits to the table and is there to learn about skills and traits that other members offer. Combined, the work should be done successfully and efficiently.**

Interview interest: **Yes**
