Occupation: Multimedia Coordinator

Work experience: Production Assistant, TVOntario 1974-76 Teacher Assistant, Broadcasting, Thames Valley District School Board 1976-78 Producer/Director, Rogers Television-London 1978-2003 Multimedia Coordinator, Edcom Multimedia Products 2003-current

Education: Graduate St.Marys District High School, St.Marys, Ontario Graduate Fanshawe College Radio Television Arts Program, London Supervisory and Management continuing education courses at Fanshawe College

Skills: Having served on the Covent Garden Market Board of Directors for the past term, I believe I would have an understanding of how the Board has achieved positive growth, and would welcome the opportunity to continue in its' strategic direction.

Interest reason: I feel positive about the continued development of the downtown core. I was involved with the organizing committee of the official opening of the John Labatt Centre. Covent Garden Market is one of the cornerstones of the investment in downtown London, and its' continued success.

Contributions: Continuing to serve on the Covent Garden Market Board of Directors to provide continued continuity

Past contributions: I have been involved with several organization over the years, most notably 10 years on the Board of Directors, with two serving as Chair, three years as VP-Administration for the London Junior Knights Hockey Association, and five years as Public Relations Officer for the London Power and Sail Squadron.

Interpersonal: I have learned over many years of producing television programs with community organization to coaching minor league hockey and baseball, that the key to success is teamwork.

Interview interest: Yes
