

Committee: **Covent Garden Market Corporation Board of Directors**

Organization/Sector represented:

Name: **Roberto Mannella**

Address:

**42 Garden Walk
London, ON
N6J 4W9**

Occupation: **Global Telecommunications Manager & Security Officer**

Work experience: **I have over 17 years experience in Information Technology. I currently work on a global scale for a company with 13.7 billion Euros in annual sales, operating in 37 countries worldwide. I have extensive experience in budgeting, developing RFPs and contract negotiations.**

Education: **I have a Bachelors of Science in Computers and I am currently certified as a Certified Information Systems Security Professional (CISSP).**

Skills: **With extensive experience in budgeting, business case development and contract negotiations on a global scale, I would bring a unique perspective to the Board of Directors.**

Interest reason: **I have recently moved to London with my family. We really love London and I am looking to help make a difference in the community.**

Contributions: **I believe my global perspective in business will bring great value to this Board. Having worked with many people in many different countries and cultures, I am well adapted to working in a variety of situations.**

Past contributions: **I currently sit on a volunteer Board of Directors for the Guelph Rod & Gun Club (since 2009).**

Interpersonal: **Along with my existing Board experience, my years of contract negotiations have provided me with the ability to listen to issues and to find resolutions to difficult operational and financial issues.**

Interview interest: **Yes**
