# Land Acknowledgements

We acknowledge that we are gathered today on the traditional lands of the Anishinaabek, Haudenosaunee, Lūnaapéewak and Attawandaron. We acknowledge all the treaties that are specific to this area: the Two Row Wampum Belt Treaty of the Haudenosaunee Confederacy/Silver Covenant Chain; the Beaver Hunting Grounds of the Haudenosaunee NANFAN Treaty of 1701; the McKee Treaty of 1790, the London Township Treaty of 1796, the Huron Tract Treaty of 1827, with the Anishinaabeg, and the Dish with One Spoon Covenant Wampum of the Anishnaabek and Haudenosaunee.

This land continues to be home to diverse Indigenous people (First Nations, Métis and Inuit) whom we recognize as contemporary stewards of the land and vital contributors to society. We hold all that is in the natural world in our highest esteem and give honor to the wonderment of all things within Creation. We bring our minds together as one to share good words, thoughts, feelings and sincerely send them out to each other and to all parts of creation. We are grateful for the natural gifts in our world, and we encourage everyone to be faithful to the natural laws of Creation.

The three Indigenous Nations that are neighbours to London are the Chippewas of the Thames First Nation; Oneida Nation of the Thames; and the Munsee-Delaware Nation who all continue to live as sovereign Nations with individual and unique languages, cultures and customs.

This Land Acknowledgement is a first step towards reconciliation. Awareness means nothing without action. It is important that everyone takes the necessary steps towards decolonizing practices. We encourage everyone to be informed about the traditional lands, Treaties, history, and cultures of the Indigenous people local to their region.

# Message from the City Treasurer

His Worship Mayor Josh Morgan,  
Members of London City Council,  
Residents and Ratepayers of the City of London.

I am pleased to share The Corporation of the City of London's (the City) Annual Financial Report for the year ended December 31, 2023.

The Financial Statements have been prepared in accordance with Canadian Public Sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. The provincial financial information return has been completed using accounting policies and practices prescribed for Ontario Municipalities by the Ministry of Municipal Affairs. The Consolidated Financial Statements and the Financial Statements of Local Boards and Commissions have been audited by the firm of KPMG LLP.

This document provides an overview of the City's 2023 financial performance which saw a return to pre-pandemic service levels. The annual Financial Reports serves as an opportunity to highlight to all residents, community partners and local businesses the City's financial policies and prudent long term financial management through its multi-year budget process. The 2023 results continue London's history of strong financial leadership in business planning and long term financial management that demonstrate the commitment to providing high standards of fiscal excellence.

My sincere thanks for the hard work, dedication, and cooperation from the Finance staff, all Service Areas, and Boards and Commissions in the preparation of this Report.

Sincerely,

A handwritten signature in black ink that reads "Anna Lisa Barbon". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Anna Lisa Barbon, CPA, CGA,  
Deputy City Manager, Finance Supports

**DRAFT**

# **Financial Reporting**

## External Audit

The City is required under the *Municipal Act, 2001*, section 294.1, for each fiscal year, to prepare annual financial statements for the municipality in accordance with generally accepted accounting principles for local governments. Further, in accordance with section 296, an independent auditor, *licensed under the Public Accounting Act, 2004*, is required to express an opinion as to whether the financial statements of the City are free from material misstatements. The auditors have full access to all the records and materials within the City. Staff periodically met with the auditors to discuss any matters that occur during the audit process. At the end of the year end audit, the City will receive a report from the external auditor which outlines any audit findings. Although the financial statements are audited by an independent third party, the City's management is responsible for the preparation of the financial statements and the integrity and objectivity of the financial information contained within them.

## Accounting and Financial Reporting Requirements

The City's financial statements are prepared on a full accrual accounting basis; the same basis of accounting used by the federal and provincial governments. The City continues to account for tangible capital assets, which was adopted in 2009, which provides information for accountability and stewardship and provides critical information on the City's significant investment in assets. For the 2023 Financial Statements, in accordance with Public Sector Accounting Standards, five (5) new standards were introduced; Asset Retirement Obligations, Financial Instruments, Foreign Currency Translation, Portfolio Investments, and Financial Statement Presentation.

## Consolidated Financial Statements Overview

The Consolidated Financial Statements include the following individual statements:

Name	Purpose
Consolidated Statement of Financial Position	Provides a summary of the City's assets (financial and non-financial), and financial liabilities as at December 31, 2023.
Consolidated Statement of Operations	Outlines revenues, expenses, surplus for the year and accumulated surplus at year end. This statement reflects the combined operations of the operating, capital, reserve and reserve funds for the City and its consolidated entities and provides the calculation of the City's accumulated surplus at year end.
Consolidated Statement of Change in Net Financial Assets	Outlines the changes in net financial assets as a result of annual operations, tangible capital asset transactions, as well as changes in other non-financial assets.
Consolidated Statement of Cash Flows	Summarizes the City's cash position and changes during the year by outlining the City's sources and uses of cash.
Consolidated Statement of Remeasurement Gains and Losses	This statement identifies unrealized changes arising from remeasurement of financial instruments and items denominated in foreign currencies and any other comprehensive income.

The Consolidated Financial Statements combine the financial results of the City's service areas with the financial results of the boards and commissions, and government business enterprises that the City effectively controls. There are 20 entities that are directly included in the financial statements, and these are listed in Note 1 to the Consolidated Financial Statements. The notes to the statements provide further detail about the City's financial results and are an integral part of the statements.

## **Consolidated Statement of Financial Position**

The Consolidated Statement of Financial Position is the municipal equivalent of the private sector's balance sheet. This statement includes the net book value of the City's tangible capital assets. This statement focuses on the City's assets (financial and non-financial) and liabilities. The difference between the liabilities and financial assets is the City's net financial assets, which represents the net amount by which financial assets are available to fund future obligations.

Note 15 to the Consolidated Financial Statements details the breakdown of the accumulated surplus, including all of its components: amount invested in tangible capital assets; equity in government business enterprises, reserve and reserve fund balances; and unfunded liabilities that must be recovered from future revenues.

The City has received funds for specific purposes under legislation, regulation or agreements. The recognition of these funds as revenues has been deferred until related expenses occur in the future. For example, development charges and Federal and Provincial Government transfers received (such as public transit funding) are not recognized as revenues until such time as the projects are constructed. These restricted funds are included in liabilities as "Deferred Revenue" and not in the accumulated surplus. A breakdown of the City's deferred revenue obligatory reserve funds can be found in Note 8 to the Consolidated Financial Statements.

As a result of the significant investment in tangible capital assets, there is a large, accumulated surplus. Also contributing to the accumulated surplus, is that the City has a net financial asset position which assists in financing future unfunded liabilities and expenses. Although tangible capital asset balances are considerable for municipalities – much larger on a percentage basis than any other level of government – they do not provide liquidity, and are not typically available for sale, the proceeds of which could be used for other purposes. It is for this purpose that tangible capital assets are not included in the calculation of net financial assets position, arguably the most important financial statistic for governments.

## **Consolidated Statement of Operations and Accumulated Surplus**

The Consolidated Statement of Operations and Accumulated Surplus are considered to be the municipal equivalent to the private sector's Statement of Income and Retained Earnings.

The Consolidated Statement of Operations and Accumulated Surplus provides a summary of the revenues, expenses and surplus throughout the reporting period and outlines the change in accumulated surplus. The 2023 budget values presented in this statement have been adjusted to reflect the differences between amounts as budgeted at the City on a modified "cash requirements" basis and amounts now recorded in these financial statements.

Note 20 to the Consolidated Financial Statements outlines the adjustments to the budget, particularly reduction of debt proceeds and payments, reduction of tangible capital asset purchases and inclusion of estimated amortization expense. These adjustments to budgeted values were required to provide comparative budget values based on the full accrual basis of accounting. The accrual based budget results in a surplus, as the City must fund reinvestment in assets at replacement costs which are much greater than their historical cost.

## **Consolidated Statement of Net Financial Assets**

The Consolidated Statement of Net Financial Assets is unique to governments. Other senior levels of government have been preparing this statement for a number of years. This statement focuses on the financial assets of the City, adjusting the annual surplus for the impact of tangible capital assets: mainly deducting the costs to acquire assets, and adding back amortization charged during the year.

## **Consolidated Statement of Remeasurement Gains and Losses**

The Consolidated Statement of Remeasurement Gains and Losses is being introduced as part of the City's Financial Statements for the year ended December 31, 2023. The inclusion of this new statement is in accordance with the Public Sector Accounting Handbook Section (PS) 1201, Financial Statement Presentation. The requirement to adopt this section is a result of PS 3450 Financial Instruments, PS 3041 Portfolio Investments and PS 2601 Foreign Currency Translation. This new statement includes unrealized gains and losses arising from remeasurement of financial instruments and items denominated in foreign currencies and any other comprehensive income that arises when a government includes the results of government business enterprises and partnerships.

**DRAFT**

# **City of London Budget**

## Budgetary Process

In March 2020, Municipal Council approved the City of London's second Multi-Year Budget (operating and capital) that covers a four (4) year period (2020-2023) and is linked to Municipal Council's Strategic Plan. Council also approved a ten-year capital plan. Linking the strategic plan to the budget provides accountability between what is achieved and the cost to the tax and rate payer. Rather than approving a budget annually, the City of London approves budgets in four (4) year cycles, with the last year aligning with the first year of the new term of Municipal Council.

An important element of the Multi-Year Budget is the annual budget update process. The municipality is required by the *Municipal Act, 2001* to review and readopt the budget for that year. Annual updates continue to provide the opportunity to adjust the budget to provide flexibility for special events or circumstances that require funding and resource adjustments for the remaining years of the Multi-Year Budget cycle.

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

The budget is presented on a modified accrual basis of accounting which is a combination of the cash basis accounting and the accrual basis of accounting. This approach balances the projected outflow of cash with the inflow of cash. For consolidated financial statement purposes, in accordance with standards set out by the Public Sector Accounting Board, the financial statements are prepared on a full accrual basis.

Further, the budget is presented as a service-based budget which currently categorizes the organization into ten service programs: Culture Services; Economic Prosperity; Environmental Services; Parks, Recreation & Neighbourhood Services; Planning and Development Services; Protective Services; Social and Health Services; Transportation Services; Corporate, Operational & Council Services; and Financial Management.

The budget process incorporates input from Elected Officials, Civic Administration, as well as the public. The process begins with the Council approved Strategic Plan, followed by the setting of overall budget targets, taking into consideration the economic climate within the area. Staff will then make recommendations to revise expenditure levels or revenues to meet the targets along with inclusion of additional investment or reduction business cases. Prior to final deliberations on the budget, the public is informed of, and engaged on, the budget and public input is solicited to aid the decision-making process. Provincial legislation requires revenues to be raised to meet all budgeted expenditures. Municipalities may not budget for surpluses or deficits and any that occur must be fully accounted for in the next year's budget. The City's Municipal Council-approved Surplus/Deficit Policy provides framework for the allocation of surpluses and funding of deficits.

The City of London adopted and approved its 2023 Annual Budget Update in February 2023. The 2023 budget update also included the updated 10-year capital forecast to 2032.

During 2023, the City of London began development of its third Multi-Year Budget. On June 16, 2023, the Province of Ontario announced that it was extending "Strong Mayor" powers to 26 additional Ontario municipalities, including London, effective July 1, 2023. Section 284.16 of the Municipal Act describes the powers and duties of the Mayor with respect to the municipal budget process. Under the new "Strong Mayor" process, the power to propose and adopt the budget defaults to the Mayor and cannot be delegated. In addition, the powers are mandatory rather than permissive under section 284.16(2) and there is no 'opt-out' provision. O. Reg. 530/22 outlines prescriptive timelines and

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

requirements for the passing of a budget. Under O. Reg. 530/22, the proposed budget must be prepared, presented to council and made public by the Mayor before February 1st each year. O. Reg. 530/22 further outlines the following timelines for the budget process:

- Within 30 days after receiving the proposed budget from the head of council, the council may pass a resolution making an amendment to the proposed budget (noting that the council may pass a resolution to shorten the 30-day period);
- If a council does not pass a resolution to amend the budget within the prescribed time period, the proposed budget shall be deemed to be adopted by the municipality;
- Within 10 days after the expiry of the time period for council to pass a resolution to amend the proposed budget, the head of council may veto a resolution passed by council (noting that the head of council may, in writing, shorten the 10-day period);
- If the head of council does not veto a resolution to amend the budget, the proposed budget shall be deemed to be adopted by the municipality with the council amendment;
- Within 15 days after the expiry of the time period for the head of council to veto a resolution to amend the budget, council may override the head of council's veto if two-thirds of the members of council vote to override the veto (noting that the council may pass a resolution to shorten the 15-day period);
- If council overrides the veto, the veto does not apply and the proposed budget is deemed to be adopted by the municipality with the council amendment.

Subsequent to 2023 fiscal year end, on March 1, 2024, the City of London's 2024-2027 Multi-Year Budget was deemed adopted as amended utilizing the Strong Mayor's process.

# **Financial Management**

## Strategic Financial Framework

In 2023, Council approved the Strategic Financial Framework that links existing financial policies, financial reports and plans, and ongoing financial practices together and outlines the general principles that Civic Administration utilizes in financial planning and decision making for the City. It is intended to be a supplement to, rather than a replacement for, the City's various existing financial policies and documents. The City of London is currently governed by a robust set of Council-approved financial policies (a few of which are highlighted in the following section), while the City's tactical financial plans are outlined in the City's Multi-Year Budget (covering a period of 4 years) and the associated Annual Budget Updates. The City's financial results are reported in this Annual Financial Report which includes the audited financial statements. The City also produces, maintains and updates a variety of related plans, such as the Corporate Asset Management Plan and Development Charges Background Study, that inform the financial management of the municipality. The principles in the Strategic Financial Framework underpin these various financial policies, reports, and plans, as well as the City's ongoing financial practices and activities. The relationship between these various components is best illustrated by the following graphic:

## Capital Financing Policies

The City uses a balanced approach to finance capital projects, consistent with the Council approved Capital Budget and Financing Policy, Reserve and Reserve Fund Policy and Debt Management Policy. Sources of capital financing include: tax and rate supported capital levy (“pay as you go”), reserves and reserve funds, debt, non-tax/rate supported development charges and other third-party contributions like senior government funding. Capital projects are classified as lifecycle, growth, or service improvement. Lifecycle projects are primarily funded by capital levy and reserve funds. Growth projects are primarily funded by development charges and debt. Service improvements are commonly funded by all three tax and rate supported sources (capital levy, reserve fund and debt). Third-party contributions are generally applied per the parameters of funding programs, contribution agreement etc. The City currently has no further debt projected as a source of financing on future lifecycle capital projects, limiting the debt burden on future generations while providing intergenerational equity. Furthermore, consistent with the Debt Management Policy, the capital financing strategy ensures that debt is at a level that will not impair the financial position or the credit rating of the City.

## Investment Policy

The City invests public funds in a manner that conforms to the applicable legislation under the *Municipal Act, 2001* and associated regulations. The City’s investment portfolio remains sufficiently liquid to meet daily operating cash flow requirements and limits the requirement for temporary borrowing. The portfolio aims to be structured to maintain appropriate maturities to meet the funding requirements of the City.

The City’s objectives to investing, in priority order, are to adhere to statutory requirements, preserve capital, maintain liquidity and achieve an adequate rate of return to maintain the purchasing power of invested funds. One of the key strategies utilized to meet these objectives is diversification. The City’s investment diversification is guided by limiting investments in securities to those with higher credit ratings, purchasing securities with varying maturities and investing in marketable securities that have an active secondary market. Another key strategy used by the City for internally managed investments is the “buy and hold” strategy. By purchasing investments at varying

maturity dates and holding the investments to term, the interest rate risk is minimized and capital is preserved. Along with the diversification and buy and hold strategies, during 2023, the City maintained portfolios managed by external investment managers.

These strategies facilitate the City working towards achieving its investment return goals while managing risk to capital.

## **Property Taxation Policy**

Property tax policy in the City is guided by four (4) principles as follows:

- Equity
- Economic Development
- Transparency and Public Acceptance
- Administrative Efficiency

Every year as part of its tax policy review, the City reviews its tax ratios and compares them to other municipalities in the Province to ensure they are equitable, competitive and conducive to economic development.

A major component of property tax policy in Ontario is the annual setting of tax ratios for property classes by Municipal Councils. Tax ratios determine the relative tax level for the various property classes within a municipality. In September 2011 in a report on future tax policy, an objective was identified to lower and equalize the tax ratios for multi-residential and industrial properties to a level equal to the commercial property class. The objective was to gradually lower the ratios subject to Council's approval each year.

The first step of this process began in 2013 with a decrease in the multi-residential tax ratio only.

In 2014, the multi-residential was reduced to a level equal to the commercial tax ratio and the industrial tax ratios was also reduced.

In 2015 the industrial tax ratio was adjusted to a level equal to the commercial and multi-residential property classes and the objective identified in 2011 was achieved.

The purpose of these changes has been to promote economic development in the industrial and multi-residential property classes and enhance equity in these property classes relative to the commercial class.

In 2020, the City further adopted a policy of equalizing municipal tax increases in the multi-residential and the residential classes. This was accomplished by adjusting the tax

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

ratio in the multi-residential class resulting in a slightly reduced multi-residential tax ratio.

In a response to the pandemic, the Provincial government delayed the property assessment update scheduled for 2020. As reassessment remains delayed, the result is no assessment-based shifts between classes in 2023. As the schedule for future assessments has not been determined, and future impacts including tax shifts between property classes are unknown, the only change to tax ratios in 2023 was to slightly lower the multi-residential ratio to equalize the property tax increase in the multi-residential and residential classes.

The Province reduced Business Education Tax rates for Commercial and Industrial classes in 2021. The result is that London will no longer be at a disadvantage based on provincial education property tax policy for business properties. The positive impact is a reduction in the education portion of property tax for Commercial and Industrial property owners which continued in 2023.

## **Future Tax Policy**

As part of its annual tax policy review, the City will continue to monitor its tax ratios in all classes and all its other policies related to taxation to ensure that property taxation in the City is equitable, conducive to economic development, transparent to the public and administratively efficient.

The Province of Ontario is conducting a review of the assessment and property tax system. It is expected that reassessment will resume once this review is completed and any legislative changes arising from the review will further impact future tax policy.

**Credit Rating** provided by  
**Moody's Investors Service**

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

Moody's Investors Service (Moody's) typically reviews the credit worthiness of the City of London annually and then assigns the City a credit rating. Moody's is a leading provider of credit ratings, research and risk analysis.

The rating process involves a review of the City's annual audited Consolidated Financial Statements, the Financial Information Return (FIR) that is filed annually with the Ministry of Municipal Affairs and Housing, the approved Multi-Year Budget, associated Annual Budget Updates and forecasts. Moody's also utilizes independent research from a variety of sources such as Statistics Canada, comparisons with other municipalities and local media. Along with reviewing and analyzing the materials noted above, Moody's arranges an annual meeting with the City to interview senior management and the head of Council.

As published in Moody's credit rating opinion on September 6, 2023, the City has maintained its Aaa credit rating with a stable outlook.

The City has proudly held the Aaa rating since 1977, making 2023 the 47th consecutive year of the Aaa rating and reaffirming that the City's debt has the highest rating possible.

The City's achievement of being Aaa rated for 47 consecutive years is a testament to the success of the City's prudent, conservative approach to fiscal planning.

**DRAFT**

# **2023 Financial Results**

## Financial Results Summary

Highlights from the City’s consolidated financial position, based on a full accrual basis of accounting, for the year ending December 31, 2023 include the following:

- The City’s net financial assets position improved to \$1,056 million in 2023, representing an increase of \$79 million (8.1%) over 2022. When the City’s financial assets are greater than its financial liabilities, it would indicate that the City is in a stronger financial position to provide for future expenses and liability repayments.
- The City’s net book value of tangible capital assets increased to \$4,576 million, a 4.3% increase over 2022. Major contributing factors to this increase were the result of major investments in wastewater infrastructure, roads infrastructure, and water infrastructure.
- The City realized an annual surplus of \$279.5 million. As this is based on Public Sector Accounting Standards, this surplus includes transfers to reserves and reserve funds which were identified as an expense under the modified cash basis budget, but includes contributions of tangible capital assets from developers, and capital funding earned in the year.

## Consolidated Statement of Operations

2023 (\$ millions)	Budget	Actual	Variance
Revenues	1,634.7	1,682.6	47.9
Expenses	1,415.7	1,403.1	(12.6)
Surplus	219.0	279.5	60.5

*Table 1: Financial Results Summary*

## Statement of Operations – Total Revenue

In 2023, revenue realized on a full accrual basis was \$1,682.6 million which was \$47.9 million greater than budget. Contributing factors to this variance were:

- Greater than anticipated investment income. The Bank of Canada has raised its overnight target rate from 0.25% in March 2022 to 5.0% in July 2023, leading to 2023 rates being significantly higher than was originally budgeted as part of the 2020 to 2023 Multi-Year Budget.
- Higher than budgeted transfer payments from the Province which was related to the Canada-wide Early Learning and Child Care (CWELCC) program.
- User charges (fees) greater than anticipated in; Transportation Services (London Transit), water and wastewater usage charges due in increased consumption along with growth in the city, and higher tipping fee revenue at W12A experienced.

### 2023 Revenues

Figure 1 2023 Revenues

## Statement of Operations - Total Expenses

In 2023, expenses incurred on a full accrual basis were \$1,403.1 million which was \$12.6 million lower than budget.

Major contributing factors to this favourable variance was from operational savings realized from;

- Lower than anticipated expenses recognized in Environmental Services attributable to a delay in the implementation of the Green Bin program because of supplier delays in the delivery of required equipment.
- Savings realized in General Government due to the delay in property reassessment, resulting in a significant decrease in assessment at risk and abnormal loss provisions due to appeals.
- These favourable variances were offset by higher than anticipated costs incurred in Protection to Persons and Property predominantly attributable to personnel costs, and expenses realized in Social and Family Services for the Canada-wide Early Learning and Child Care (CWELCC) program.

### 2023 Expenses

Figure 2 2023 Expenses

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

Expenses can also be illustrated by account object, grouping similar accounts together by expense category. The table below provides a view of the expenses from this perspective.

Figure 3 Expenses by Object

## City Budget Versus Consolidated Financial Statements Budget

The Consolidated Financial Statements of the Corporation of the City of London are presented on a full accrual accounting basis (PSAS) incorporating entities that are consolidated on a modified equity basis and on a proportionate basis. The Multi-Year Budget, however, excludes those entities that are proportionately consolidated, entities that are government business entities (such as London Hydro Inc.), and Business Improvement Areas. Further, the Multi-Year Budget is prepared on a modified cash basis. Table 2 provides a comparison of the Multi-Year Budget prepared on a modified cash basis in comparison to the full accrual basis.

2023 (\$ 000's)	Modified Cash Basis Budget Unconsolidated	Financial Statement Adjustments	Full Accrual Basis Budget Consolidated
Revenue	1,328,520	306,217	1,634,737
Expenses	1,328,520	87,201	1,415,721
Surplus (Deficit)	0	<b>219,016</b>	<b>219,016</b>

*Table 2: Adjustments to Revenue and Expenses from a Modified Cash Basis to Full Accrual Basis*

Other key differences between the Consolidated Financial Statements and the Multi-Year Budget document are:

- Amortization is recorded as an expense on the Consolidated Statement of Operations,
- Debt Principal repayments are not expensed,
- Contributions to capital and to reserve funds are also not expensed,
- Revenue recognition for tangible capital assets,
- Gains and Losses on disposal of tangible capital assets,
- Accounting for liabilities such as employee benefits payable, and asset retirement obligation, such as landfill closure, and
- Recognition of developer contributions of assumed tangible capital assets.

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

Outlined in the table below is a reconciliation of what was reported to the Corporate Services Committee in the 2023 Year-End Operating Budget Monitoring Report on April 15, 2024, highlighting Financial Statement adjustments. Note 20 of the Consolidated Financial Statements provides a similar reconciliation based on the approved budgets.

**2023 Operating Budget Surplus per the 2023 Year-End Operating Budget**

Monitoring Report to Corporate Services Committee on April 15, 2024	\$ millions
Property Tax Supported Budget Surplus	28.0
Water Rate Supported Budget Surplus	3.0
Wastewater & Treatment Rate Supported Budget Surplus	0.0
2023 Operating Budget Surplus	31.0
Transfers to Reserve and Reserve Funds and reductions to authorized but unissued debt in accordance with the Council approved Surplus/Deficit Policy and Council Resolution	(31.0)
<b>Operating Fund Surplus per 2023 Approved Budget (Cash) Format</b>	<b>0.0</b>
Plus: Transfers to (from) Capital, Reserves, and Reserve Funds	302.6
Plus: Debt Principal Repayments (unconsolidated)	27.5
Plus: Capital program funding earned in year	52.3
Less: Capital expenses not capitalized (Non-Tangible Capital Assets)	(33.5)
Less: Amortization of Tangible Capital Assets	(166.8)
Plus: Developer contributions of assumed Tangible Capital Assets	44.1
Less: Loss on disposal of Tangible Capital Assets	(8.8)
Plus: Reserves and reserve fund net revenues earned in year	80.3

## Financing Sources for Municipal Operations

This graph illustrates the relative amount of the different sources of financing for all City operations, over the past 5 years.

Figure 4 Five (5) Year Overview of Financing Services

## Property Tax Rates and Assessment Growth

City Council approved a tax levy of \$736.5 million, representing an increase over 2022 of 3.1%. When assessment growth, tax policy and education taxes are taken into consideration, the property tax increase translated into a 2.73% increase in the total tax bill for the typical residential property owner. The table below reflects the taxes on a residential property with an assessed value of \$247,000 in 2023 and no average value increase from 2022, due to an assessment freeze.

For 2023, assessment weighted with applicable tax ratios and using consistent valuation dates increased by 1.82%.

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**Comparative Property Taxes**

	2023	2022
Municipal	\$3,231	\$3,135
Education	378	378
Total	\$3,609	\$3,513

Table 4: Municipal & Education Comparative Property Taxes

This next chart reflects property taxes collected, including payments-in-lieu, for the past five (5) years showing the distribution between municipal and education. Education taxes are collected by the City and remitted to the various school boards on a quarterly basis.

Figure 11 Five (5) year Overview of Property Taxes (\$000's)  
Source: 2023 Financial Information Return, Schedule 26A

## Capital Additions and Disposals

During 2023, additions to our completed capital assets were \$277.2 million versus \$336.2 million in 2022, excluding works in progress. The City also disposed of capital assets of \$121 million compared to \$75 million in 2022. There was also a net increase in assets still under construction of \$129.6 million in 2023. The following table reflects where the largest net additions in 2023 were, excluding assets still under construction:

### NET CAPITAL ASSET INCREASES RANKED BY 2023 SPENDING (\$000's)

1. Water and Wastewater Infrastructure	33,065
2. Roads Infrastructure	20,535
3. Land, Landfill and Land Improvements	11,881

*Table 5: Largest Net Additions, 2023 (\$000's)*

In 2023, amortization expense recorded was \$193 million and accumulated amortization of \$98 million was removed upon disposal of the assets.

This resulted in a 2023 net book value of \$4,576 million for the City's tangible capital assets, compared to \$4,385 million for 2022.

## Annual Surplus and Accumulated Surplus

The annual surplus for the consolidated entity for 2023 was \$279.5 million (2022 - \$365.4 million). Further, in 2023 in accordance with Public Sector Accounting Standard changes, an accumulated remeasurement loss of \$3.1 million due to the unrealized loss was included in the accumulated surplus. This results in an increase to the City's Accumulated Surplus for 2023 to \$5,670 million (2022 - \$5,394). Note 15 of the Consolidated Financial Statements provides a breakdown of the City's Accumulated Surplus. The majority of the accumulated surplus relates to the City's investment in tangible capital assets which are used to provide services to the public now and in the future.

## **Analysis of Debenture Issuance and Net Long-term Debt (\$000's)**

In 2023, the City issued debt of \$23,624, which is an increase from 2022 when \$21,713 was issued. The 2023 debenture issuance consisted of \$21,500 debt through public debentures (2022 - \$23,000) and \$2,124 (2022 - \$713) to the Canada Mortgage and Housing Corporation (CMHC).

The amounts issued financed the following major activities:

<b>Debenture Issuance (\$000's)</b>	<b>Public Debentures</b>	<b>CMHC</b>	<b>Total Issuance</b>
General Municipal Activities	8,314	2,124	10,438
Wastewater Infrastructure	13,186	0	13,186
<b>Total</b>	<b>21,500</b>	<b>2,124</b>	<b>23,624</b>

*Table 6: Debenture Amounts Issued*

The City issued public debentures at an average cost of 3.881% over a 10-year term. In addition, debentures were issued to CMHC at 3.010% for a 10-year term.

During the year, funding transferred to the debt substitution reserve funds totaled \$17,029 (2022 - \$4,030) to be utilized to reduce future authorized but unissued debt or to manage fluctuations in debt servicing costs as per the Council-approved Reserve Fund By-Laws. This funding is the result of allocations from operating budget surplus and assessment growth funding in accordance with the Council-approved Surplus/Deficit, Assessment Growth Policies and Debt Management Policies.

## Total Municipal Debt Per Household

*Figure 5 Five (5) Year Overview of Municipal Debt per Household*

As a result of the Strategic Financial Planning Process, the City has limited the amount of new debt authorized each year.

<b>Percentage Remaining</b>	<b>100%</b>	<b>80%</b>	<b>62%</b>	<b>47%</b>	<b>33%</b>	<b>21%</b>

Table 8: Principal Balances Remaining on Outstanding Debentures as at December 31, 2023 (\$000's)

## Reserves and Reserve Funds

At December 31, 2023, the City of London had combined Reserves, and Discretionary and Obligatory Reserve Funds of \$1,905 million (\$165 million and \$1,740 million respectively). These balances reflect a net increase of \$128 million from December 2022, created by increased contributions to reserves and reserve funds to allow,

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

predominantly, for future purchases of tangible capital assets and coverage of unfunded liabilities.

Figure 14 below shows the ten-year trend in year-end equity balances. It should be noted that this does not include the effect of budgeted commitments, which significantly reduces the available balance of reserves and reserve funds. Reserves and reserve funds are governed by the City of London’s long-term strategic financial plan, including Council approved financial policies and applicable reserve fund by-laws.

Figure 14 Ten Year Overview of Reserves and Reserve Funds (\$000's)

In 2023, Reserve Funds grew by \$132 million, reaching \$1,740 million by year end. The majority of funds grew due to increased contributions to fund future capital work requirements which were informed by the City’s Corporate Asset Management Plan, infrastructure master plans, the Multi-Year Budget, and the Development Charges Background Study; others were drawn down to fund operations as well as fund capital projects leading to the creation of capital assets.

Reserves decreased by \$4 million over 2022 balances.

The City has continued its “conservative fiscal practices” (Moody’s credit rating opinion) by providing increased contributions to the reserve funds year-over-year, despite significant purchases of tangible capital assets.

*Table 9: General Statistics and Indicators*

# **Definitions & Endnotes**

## Definitions

**Amortization** – the systematic allocation of the historical cost of a tangible capital asset over its useful life.

**Accretion expense** - is the increase in the carrying amount of a liability for asset retirement obligations due to the passage of time. <sup>xi</sup>

**Accumulated Amortization** – the total amortization pertaining to a tangible capital asset from the time the asset was placed into service until the date of the financial statement.

**Asset Retirement Obligation** - is a legal obligation associated with the retirement of a tangible capital asset. <sup>xi</sup>

**Assets under Construction** – tangible capital assets under construction at the end of the fiscal year that have not been put into service (e.g., engineered structures, buildings, land improvements). <sup>ix</sup>

**Consolidated Financial Statements** – statements containing financial information for the municipality and its owned or controlled organizations (e.g., fire, library). <sup>ix</sup>

**Contributed Assets** – assets that have been transferred or donated to the municipality and that will provide a future economic benefit. <sup>ix</sup>

**Deferred Revenue** – income received that will not be recorded as revenue until certain transactions or events take place. <sup>ix</sup>

**Development Charges** - an optional revenue tool designed to help municipalities pay for a portion of the capital costs of infrastructure to support new growth. The charges help ensure that a municipality's existing taxpayers are not required to pay the full capital costs of infrastructure or services required to serve new residents and businesses. The charges do not pay for operating costs or for the future repair of infrastructure.

To ensure they have the resources to support growth, municipalities can use development charges to fully recover the eligible costs of services listed under the

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

Development Charges Act, 1997 (DCA). Some of the services include roads, water and wastewater, police and fire services and transit.

**Effective Interest Method** - is a method of calculating the amortized cost of a financial instrument asset or financial instrument liability (or a group of financial instrument assets or financial instrument liabilities) and of allocating the interest income or interest expense over the relevant period. <sup>xii</sup>

**Equity in Tangible Capital Assets** – the net book value of recorded tangible capital assets less capital debt. <sup>ix</sup>

**Expenditure** – an outlay of cash, payment or disbursement. <sup>ix</sup>

**Expense** – the cost to the municipality of an activity and can be cash or non-cash cost (e.g., wages, materials, amortization). <sup>ix</sup>

**Fair Value** - is the amount of the consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. <sup>xii</sup>

**Financial Assets** – current cash resources plus any items or holdings that are expected to be converted into cash in the future. <sup>ix</sup>

**Financial Instruments** - are any contracts that give rise to financial instrument assets of one entity and financial instrument liabilities or equity instruments of another entity. <sup>xii</sup>

**Financial Instrument Assets** - are any assets that are:

- (a) cash;
- (b) an equity instrument of another entity;
- (c) a contractual right:
  - (i) to receive cash or another financial instrument asset from another entity; or
  - (ii) to exchange financial instruments with another entity under conditions that are potentially favourable to the reporting entity. <sup>xii</sup>

**Financial Instrument Liabilities** are any financial liabilities that are contractual obligations:

- (a) to deliver cash or another financial instrument asset to another entity; or
- (b) to exchange financial instruments with another entity under conditions that are potentially unfavourable to the reporting entity. <sup>xii</sup>

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**Government Transfers** – entitlements, transfers under cost-share agreements, and/or grants from other levels of government.<sup>ix</sup>

**Net Book Value** – the total cost of a tangible capital asset minus the accumulated amortization and any write-down of the asset.<sup>ix</sup>

**Net Financial Assets (Net Debt)** – an amount equal to the total financial assets less the total liabilities.<sup>ix</sup>

**Portfolio investments** - are investments in organizations that do not form part of the government reporting entity. Such investments are normally in equity instruments or debt instruments issued by the investee.<sup>xiii</sup>

**Reserves and reserve funds** - are included in the accumulated surplus of the municipality. They are both used, among other things, to account for transactions which, for legal or policy reasons, require that amounts specifically earmarked for a project or purpose be identified and spent on that project or activity.

Usually, the purpose is specified when the reserve or reserve fund is established. Reserve fund uses generally are not converted to other uses without council's approval.<sup>x</sup>

**Statement of financial position** - provides information about the municipality's financial position in terms of its assets (what the municipality owns or controls) and liabilities (what the municipality owes) at the end of the fiscal year or accounting period. It reports the municipality's net debt, and its accumulated surplus or deficit, because these figures are indicators that can be used to assess a municipality's financial position.

Net debt shows the amount of future revenues that will have to be raised to pay for past transactions and events. The accumulated surplus/deficit is the primary indicator of the resources (financial and physical) the municipality has available to provide future services.<sup>x</sup>

**Statement of operations** - reports the revenues, expenses, results, and surplus or deficit from operations in the fiscal year or accounting period. The statement shows the cost of municipal services provided in the period, the revenues recognized in the period and the difference between them. It summarizes cost-of-service information at a functional level – for example, social services, recreation, general government, transportation and protection, to name a few.<sup>x</sup>

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**Statement of change in net financial assets (debt)** - explains the difference between the annual surplus or deficit and the change in net financial assets (debt). It tracks what the municipality has spent to acquire tangible capital assets and inventories of supplies. It reports on the disposal of tangible capital assets and the use of inventory.<sup>x</sup>

**Statement of cash flow** - identifies where cash came from, shows how cash was used and provides details on changes in cash and cash equivalents since the previous reporting period. Sources and uses of cash are reported by major activity: operations, capital transactions (acquisitions and disposals), investments (purchases and disposals), and financing (debt proceeds and payments).<sup>x</sup>

**Statement of remeasurement gains and losses** – reports: (a) the accumulated remeasurement gains and losses at the beginning of the period; (b) remeasurement gains and losses during the period, distinguishing between: (i) amounts arising during the period; and (ii) amounts reclassified during the period to the statement of operations; (c) any other comprehensive income that arises when a government includes the results of government business enterprises and business partnerships in its financial statements; and (d) the accumulated remeasurement gains and losses at the end of the period. <sup>xiv</sup>

**Tangible Capital Assets** – non-financial assets having a physical substance that are held for use in the supply of goods and services, have economic lives beyond the accounting period, are used on a continuing basis and are not for sale in the ordinary course of operations (e.g., bridge, snowplow).<sup>ix</sup>

## **INTRODUCTION**

The accompanying Consolidated Financial Statements, and all other financial information included within this financial report, are the responsibility of the management of the City of London. The City's Financial Statements contained in this report have been prepared in accordance with the accounting principles and disclosure requirements of the Chartered Professional Accountants (CPA) of Canada Public Sector Accounting Handbook.

The City Treasurer is responsible for submitting annually, to the Audit Committee and Council, audited financial statements. These financial statements include the consolidated results of the City of London for the fiscal year ending December 31, 2023.

Finance staff are responsible for the coordination and completion of the annual financial statements in a timely, accurate and efficient manner as well as providing support and related financial information to external auditors during the year-end audit.

The Consolidated Financial Statements of the City of London provide important information about the overall financial condition of the City. The purpose of the consolidated financial statements is to present the results of transactions of the City, taking into consideration the accounting for all City Funds and associated city business enterprises.

The audited Consolidated Financial Statements for City operations include:

- Independent Auditors' Report
- Consolidated Statement of Financial Position
- Consolidated Statement of Operations
- Consolidated Statement of Change in Net Financial Assets
- Consolidated Statement of Cash Flows
- Consolidated Statement of Remeasurement Gains and Losses
- Notes to the Consolidated Financial Statements
- Consolidated Schedule of Segment Disclosure – Operating Revenues
- Consolidated Schedule of Segment Disclosure – Operating Expenses

## **INDEPENDENT AUDITOR'S REPORT**

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the City of London

### ***Opinion***

We have audited the consolidated financial statements of the Corporation of the City of London (the "Entity"), which comprise:

- the consolidated statement of financial position as at December 31, 2023
- the consolidated statement of operations for the year then ended
- the consolidated statement of remeasurement gains and losses for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2023, and its consolidated results of operations, its remeasurement gains and losses, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditor's Responsibilities for the Audit of the Financial Statements**" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter – Prospective Change in Accounting Policy**

We draw attention to Note 2 to the financial statements which indicates that the Entity has changed its accounting policy for financial instruments and has applied that change prospectively.

Our opinion is not modified in respect of this matter.

### **Emphasis of Matter – Comparative Information**

We draw attention to Note 2 to the financial statements, which explains that certain comparative information presented for the year ended December 31, 2022 has been restated.

Note 2 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter.

### **Other Matter – Comparative Information**

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion, such adjustments are appropriate and have been properly applied.

### ***Other Information***

Management is responsible for the other information. Other information comprises:

- the information, other than the financial statements and the auditors' report thereon, included in the "Financial Report".

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information, other than the financial statements and the auditor's report thereon, included in the "Financial Report" as at the date of this auditor's report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using

the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## **DRAFT**

- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

The Corporation of the City of London (the “Corporation”) is a municipality in the Province of Ontario incorporated in 1855 and operates under the provisions of the *Municipal Act, 2001*.

**1. Significant Accounting Policies**

The consolidated financial statements of the Corporation are prepared by management, in accordance with Canadian public sector accounting standards as defined in the CPA of Canada Public Sector Handbook – Accounting. Significant accounting policies are as follows:

**(a) Basis of Consolidation**

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the Corporation and include all organizations that are accountable to the Corporation for the administration of their financial affairs and resources and are owned or controlled by the Corporation except for the Corporation’s government business enterprises or partnerships which are accounted for on the modified equity basis of accounting.

**(i) Consolidated Entities**

The following local Boards or Commissions are consolidated:

Argyle Business Improvement Association Board of Management  
Covent Garden Market Corporation  
Eldon House Corporation  
Hamilton Road Business Improvement Area Board of Management  
Housing Development Corporation, London  
Hyde Park Business Improvement Association Board of Management  
London & Middlesex Community Housing Inc.  
London Convention Centre Corporation  
London Downtown Business Association  
London Police Services Board  
London Public Library Board  
London Transit Commission  
Museum London  
Old East Village Business Improvement Area Board of Management

The transactions and balances between the Corporation and the related boards or commissions have been eliminated.

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(a) Basis of Consolidation (continued)**

(ii) Equity Accounting

Government business enterprises are accounted for by the modified equity method. Under the modified equity method, the accounting principles of government business enterprises are not adjusted to conform to the Corporation's accounting principles and inter-organizational transactions and balances are not eliminated. However, inter-organizational gains and losses are eliminated on assets remaining with the government reporting entities at the reporting date. The Corporation recognizes its equity interest of the government business enterprises' income or loss in its consolidated statement of operations with a corresponding increase or decrease in its investment account. All dividends received will be reflected as reductions in the investment account.

The government business enterprises and partnerships during the year were:

London Hydro Inc.  
Fair-City Joint Venture  
City-YMCA Joint Venture

(iii) Proportionate Consolidation

The Lake Huron and Elgin Area Water Boards have been consolidated on a proportionate basis, based upon the water flow used by the Corporation in proportion to the entire flows provided by the joint water boards.

Middlesex-London Health Unit is consolidated on a proportionate basis based upon a percentage of grant money provided by the Corporation in comparison to grant money provided by the Province of Ontario and the County of Middlesex.

(iv) Accounting for School Board Transactions

Although the Corporation collects taxation on behalf of the School Boards, the assets, liabilities, revenues and expenses, relating to the operations of the school boards are not reflected in these consolidated financial statements.

During the year, **\$128,023** of taxation was collected on behalf of school boards (2022 - \$126,844) and remitted to the school boards during the year.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(a) Basis of Consolidation (continued)**

(v) Trust Funds

Trust funds and their related operations administered by the Corporation are not included in these consolidated financial statements, as they are reported on separately in the Trust Fund Statement of Continuity and Balance Sheet.

Total net assets of Trust Funds administered by the Corporation amounted to **\$4,784** (2022 - \$4,661).

**(b) Basis of Accounting**

(i) Accrual Accounting

Revenues and expenses are reported on the accrual basis of accounting. Revenues are recognized as they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(ii) Deferred Revenue

The Corporation receives contributions pursuant to legislation, regulations or agreements that may only be used for certain programs or in the completion of specific work. In addition, certain user charges and fees are collected for which the related services have yet to be performed. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed.

(iii) Land Held for Resale

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(b) Basis of Accounting (continued)**

(iv) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(a) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

*Table 1: Tangible Capital Asset Useful Life*

<b>Asset</b>	<b>Useful Life - Years</b>
Landfill and land improvements	5 - 60
Buildings and building improvements	10 - 40
Leasehold improvements	Lease term
Machinery, equipment and furniture	5 - 20
Vehicles	5 - 7
Water and wastewater infrastructure	10 - 100
Roads infrastructure	10 - 80
Computers	3, 4 & 8
Computers under capital lease	3

Amortization is charged using the half year rule in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

(b) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions related to water, wastewater infrastructure, roads infrastructure and land are recorded at their estimated fair value at the date they are assumed by the Corporation, and are also recorded as revenue.

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(b) Basis of Accounting (continued)**

(iv) Non-Financial Assets (continued)

(c) Works of Art and Cultural and Historic Assets

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

(d) Interest Capitalization

The Corporation does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(e) Leased Tangible Capital Assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(f) Inventories of Supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(v) Budget Figures

London City Council completes separate budget reviews for tax supported operating and capital, as well as water and wastewater budgets each year. Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by the Public Sector Accounting Board (PSAB), certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

**(b) Basis of Accounting (continued)**

(vi) Use of Estimates

The preparation of these consolidated financial statements, in accordance with Canadian Public Sector Accounting standards, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the reporting date and the reported amounts of revenues and expenses during the year. These estimates and assumptions, including employee benefits payable, taxation assessment appeals, legal claims provisions, the valuation of tangible capital assets and their related useful lives and amortization and liabilities for contaminated sites, are based on management's best information and judgment and may differ significantly from future actual results.

The Corporation's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the expected retirement costs, as well as the timing and duration of these retirement costs.

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(c) Government Transfers**

(i) Revenues

Government transfer revenue is recorded once it is authorized by the transferring government. The Corporation is eligible to receive the transfer and the amount can be reasonably estimated. Any amount received but restricted is recorded as deferred revenue in accordance with Section 3100 of the Canadian Public Sector Accounting handbook and recognized as revenue in the period in which the resources are used for the purpose specified.

Government transfers include amounts received for the social assistance program. Funding ratios can vary from 80% to 100% of program costs depending on the social service program. Social service administration funding covers 50% of certain administration costs. The Social Housing program funding is approximately 20% of costs of the program.

In addition, the Corporation periodically receives senior government capital funding in the form of infrastructure grants and receives ongoing funding from Provincial and Federal senior levels of government as a result of an allocation of gas tax funds.

(ii) Expenses

External transfers from the Corporation are recorded as expenses when eligibility criteria have been met by the recipient and the amount can be reasonably estimated. This includes payments issued to individuals eligible under the *Ontario Works Act* and *Day Nurseries Act* as well as funding to contracted local social services agencies, Child Care providers and Housing Providers that deliver services in accordance with legislation and local program policies.

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(d) Tax Revenues**

In 2023 the Corporation received **\$762,554** (2022 - \$728,757) in property tax revenues for municipal purposes. The authority to levy and collect property taxes is established under the *Municipal Act, 2001*, the *Assessment Act*, the *Education Act*, and other legislation.

The amount of the total annual property tax levy is determined each year through Council's approval of the annual operating budget. Municipal tax rates are set annually by Council for each class or type of property, in accordance with legislation and Council-approved policies, in order to raise the revenues required to meet operating budget requirements. Education tax rates are established by the Province each year in order to fund the costs of education on a Province-wide basis.

Taxation revenues are recorded at the time tax billings are issued. Additional property tax revenue can be added throughout the year, related to new properties that become occupied, or that become subject to property tax, after the return of the annual assessment roll used for billing purposes. The Corporation may receive supplementary assessment rolls over the course of the year from the Municipal Property Assessment Corporation that identify new or omitted assessments. Property taxes for these supplementary/omitted amounts are then billed according to the approved tax rate for the property class.

Taxation revenues in any year may also be reduced as a result of reductions in assessment values arising from assessment and/or tax appeals. Each year, an amount is identified to cover the estimated amount of revenue loss attributable to assessment appeals, tax appeals or other deficiencies in tax revenues (e.g., uncollectible amounts, write-offs, etc.).

**(e) User Charges**

User charges relate to various programs and fees imposed based on specific activities, such as transit fees, park and recreation services, water, wastewater and solid waste. Revenue is recognized when the activity is performed or when the services are rendered.

**(f) Development Charges and Other Revenues**

Revenues are recognized in the year that the events giving rise to the revenues occur and the revenues are earned. Amounts received which relate to revenues that will be earned in a subsequent year are deferred and reported as liabilities.

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**1. Significant Accounting Policies (continued)**

**(g) Financial Instruments**

Financial instruments are classified in one of the following categories: (i) fair value; (ii) cost or amortized cost. The Corporation determines the classification of its financial instruments at initial recognition.

Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, derivative instruments, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Unsecured debentures and other long-term debt are initially recorded at fair value and subsequently measured at amortized cost using the effective interest rate method. Transaction costs related to the issuance of long-term debt are capitalized and amortized over the term of the debt.

Other financial instruments, including cash and cash equivalents, investments in guaranteed investment certificates, accounts receivable, loans receivable, accounts payable and accrued liabilities, long-term liabilities and city services payable are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

The following table provides the carrying amount information of the Corporation's financial instrument by category.

*Table 2: Financial Instruments with Associated Measurement Method*

<b>Financial Instruments</b>	<b>Measurement Method</b>
Cash and cash equivalents	Cost
Other receivables	Cost
Portfolio investments	Cost and Fair Value
Loans and long-term receivables	Amortized Cost
Demand loan	Amortized Cost
Accounts payable and accrued liabilities	Cost
Accrued interest on long-term debt	Cost
Long-term liabilities	Cost
Long-term debt	Amortized Cost
City services payable	Cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

**DRAFT**

**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(g) Financial Instruments (continued)**

Fair value category: The Corporation manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the consolidated statement of remeasurement gains and losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the consolidated statement of operations and related balances reverses from the consolidated statement of remeasurement gains and losses.

The fair value of a financial instrument is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. The fair value of a financial instrument on initial recognition is the transaction price at the trade date, which is the fair value of the consideration given or received. After initial recognition, the fair values of financial instruments that are quoted in active markets are based on bid prices for financial assets held and offer prices for financial liabilities. When independent prices are not available, fair values are determined by using valuation techniques that refer to observable market data. These include comparisons with similar instruments where market observable prices exist, discounted cash flow analysis, option pricing models and other valuation techniques commonly used by market participants.

Amortized cost category: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the consolidated statement of operations and any unrealized gain is adjusted through the consolidated statement of remeasurement gains and losses.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(g) Financial Instruments (continued)**

When the asset is sold, the unrealized gains and losses previously recognized in the consolidated statement of remeasurement gains and losses are reversed and recognized in the consolidated statement of operations.

**(h) Portfolio Investments**

Portfolio investments predominantly consist of authorized investments pursuant to provisions of the *Municipal Act, 2001* and are comprised of fixed income securities such as government and corporate bonds, structured notes, equities, pooled equity funds, and guaranteed investment certificates. Portfolio investments in guaranteed investment certificates are recorded at cost. Portfolio investments in equities, pooled equity funds, and all other fixed income securities are recorded at fair value. Any cash or investments with short maturity dates held within investment accounts are for the purposes of investing and are classified as portfolio investments in the consolidated statement of financial position.

Realized investment income earned on available current funds, reserves, and reserve funds (other than obligatory funds) are reported as revenue in the period earned and recognized in the consolidated statement of operations. Unrealized changes in fair value are recognized in the consolidated statement of remeasurement gains and losses until they are realized, when they are reclassified to the consolidated statement of operations.

Realized and unrealized investment income earned on obligatory reserve funds forms part of the deferred revenue balances.

**(i) Loans Receivable**

Loans receivable are recorded at the lower of amortized cost or the net recoverable value when the risk of loss exists. Recoverability is reviewed annually, and a valuation allowance is recorded when recoverability is impaired. A loan receivable is written off when it is no longer recoverable. Recoveries of loans receivable previously written off are recognized in the year received. Changes in the valuation of loans receivables are recognized in the consolidated statement of operations and accumulated surplus. Interest is accrued on loans receivable to the extent it is deemed collectable.

When the terms associated with a loan are considered concessionary such that all or a part of the loan is a grant, the Corporation will expense the grant portion of the transaction in the consolidated statement of operations and accumulated surplus at the time the loan is made.

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(j) Foreign Currency Translations**

Foreign currency translations are recorded at the exchange rate at the time of the transaction.

**(k) Contaminated Sites**

Contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard.

A liability for remediation of contaminated sites is recognized, net of any expected recoveries, when all of the following criteria are met:

- an environmental standard exists,
- contamination exceeds the environmental standard,
- the organization is directly responsible or accepts responsibility for the liability,
- future economic benefits will be given up, and
- a reasonable estimate of the liability can be made.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(l) Employee Benefits Payable**

The Corporation provides employee benefits including sick leave, benefits under the *Workplace Safety and Insurance Board (“WSIB”) Act*, life insurance and extended health and dental benefits for early retirees which will require funding in future periods.

There are also contributions to a multi-employer, defined benefit pension plan, OMERS, which are expensed when contributions are made.

The costs of termination benefits and compensated absences are recognized when the event that obligates the Corporation occurs. Costs include projected future income payments, healthcare continuation costs and fees paid to independent administrators of these plans, calculated on a present value basis.

The costs of other employee benefits are actuarially determined using the projected benefits method pro-rated on service and management's best estimate of retirement ages of employees, salary escalation and expected health costs.

Past service costs from plan amendments related to prior period employee services are accounted for in the period of the plan amendment. The effects of a gain or loss from settlements or curtailments are expensed in the period they occur. Net actuarial gains and losses related to the employee benefits are amortized over the average remaining service life of the related employee group. Employee future benefit liabilities are discounted at the Corporation's cost of borrowing using estimated rates for debt with maturities similar to expected benefit payments in the future. The costs of workplace safety and insurance obligations are actuarially determined and are expensed immediately in the period the events occur.

**(m) Loan Guarantees**

Periodically the Corporation provides loan guarantees on specific debt held by related authorities not consolidated in the Corporation's financial statements. Loan guarantees are accounted for as contingent liabilities and no amounts are accrued in the consolidated financial statements of the Corporation until the Corporation considers it likely that the borrower will default on the specified loan obligation. Should a default occur the Corporation's resulting liability would be recorded in the consolidated financial statements.

**(n) Environmental Provisions**

The Corporation has a formal environmental assessment and reclamation program in place to ensure that it complies with environmental legislation. The Corporation provides for the cost of compliance with environmental legislation when costs are identified and can be reasonably measured.

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(o) Asset Retirement Obligations**

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

The following liabilities have been recognized based on estimated future expenses:

- Closure of operational landfill sites and post-closure care relating to current and previous landfill sites. The Ontario Environmental Protection Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of landfill sites. This requirement is being funded through tipping fees.
- Removal of asbestos in various buildings owned by the Corporation. The Occupational Health and Safety Act states the demolition of a building, all or in part, can be done only when asbestos-containing material that may be disturbed during the work, has been removed.
- Removal of underground fuel and oil storage tanks and related piping. The Technical Standards and Safety Authority (TSSA) states in both its Liquid Fuels Handling Code and the Fuel and Oil Code that an underground storage tank and its piping must be removed when it has been out of service for 2 years or more.
- Removal of leasehold improvements where requested by the landlord. A lease may have a Base Building clause that states that leasehold improvements are to be removed at the end of a lease at the request of the landlord and at the expense of the Corporation.

**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(o) Asset Retirement Obligations (continued)**

The liabilities are discounted using a present value calculation, where appropriate, and adjusted yearly for changes in circumstances. The recognition of a liability results in an accompanying increase to the respective tangible capital assets or an adjustment to the annual surplus when an asset was fully amortized. The increase to the tangible capital assets is being amortized in accordance with the accounting policies. At each financial reporting date, the Corporation reviews the carrying amount of the liability. The Corporation recognizes period-to-period changes to the liability due to the passage of time as accretion expense. Changes to the liability arising from revisions to either the timing, the amount of the original estimate of undiscounted cash flows or the discount rate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset. The Corporation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

**(p) Accumulated Surplus**

Accumulated surplus represents the Corporation's net economic resources. It is an amount by which all assets (financial and non-financial) exceed liabilities. An accumulated surplus indicates that the Corporation has net resources (financial and physical) that can be used to provide future services. An accumulated deficit means that liabilities are greater than assets.

**(q) Related Party Disclosures**

Related parties exist when one party has the ability to control or has shared control over another party. Individuals that are key management personnel or close family members may also be related parties.

Disclosure is made when the transactions or events between related parties occur at a value different from what would have been recorded if they were not related and the transactions could have a material financial impact on the consolidated financial statements.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**1. Significant Accounting Policies (continued)**

**(r) Inter-entity Transactions**

Transactions between related parties are recorded at carrying amounts with the exception of the following:

- Transactions in the normal course of business are recorded at exchange amount.
- Transactions with fair value consideration are recorded at exchange amount.
- Transfer of an asset or liability at nominal or no consideration is recorded by the provider at carrying amount and the recipient has the choice of either carrying amount or fair value.
- Cost allocations are reported using the exchange amount and revenues and expenses are reported on a gross basis.
- Unallocated costs for the provision of goods or services may be recorded by the provider at cost, fair value or another amount dictated by policy, accountability structure or budget practice.

**(s) Future Accounting Pronouncements**

These standards and amendments were not yet effective for the year ended December 31, 2023, and have therefore not been applied in preparing these consolidated financial statements. Management is currently assessing the impact of the following accounting standards updates on the future consolidated financial statements.

**(i) Revenue**

PS 3400, Revenue, establishes a single framework to categorize revenues to enhance the consistency of revenue recognition and its measurement. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Corporation's December 31, 2024 year-end).

**(ii) Public Sector Guideline 8 Purchased Intangible**

Public Sector Guideline 8 Purchased Intangible, allows public sector entities to recognize intangibles purchased through an exchange transaction. This guideline is effective for fiscal years beginning on or after April 1, 2023 (the Corporation's December 31, 2024 year-end).

**(iii) Public Private Partnerships**

PS 3160, Public Private Partnerships (P3s), provides specific guidance on the accounting and reporting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Corporation's December 31, 2024 year-end).

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**2. Change in Accounting Policies - Adoption of New Accounting Standards**

The Corporation adopted the following standards concurrently beginning January 1, 2023:

**(a) PS 1201, Financial Statement Presentation**

PS 1201, Financial Statement Presentation replaces PS 1200, Financial Statement presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the consolidated statement of remeasurement gains and losses separate from the consolidated statement of operations. Requirements in PS 2601, Foreign Currency Translation, PS 3450, Financial Instruments, and PS 304,1 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

**(b) PS 3041, Portfolio Investments**

PS 3041, Portfolio Investments replaces PS 3040, Portfolio Investments. The standard provides guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450, Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030, Temporary Investments no longer applies.

These above standards were adopted prospectively. There was no impact to the Corporation as a result of the adoption of the above two standards.

**(c) PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation**

On January 1, 2023, the Corporation adopted PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation. The standards were adopted prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450, all financial instruments, including derivatives, are included on the consolidated statement of financial position, and are measured at either fair value or amortized cost based on the characteristics of the instrument and the Corporation's accounting policy choices (see Note 1, Significant accounting policies). Unrealized gains and losses arising from changes in fair value are presented in the consolidated statement of remeasurement gains and losses.

In accordance with the provisions of this new standard, the Corporation reflected an adjustment on January 1, 2023, of a decrease to portfolio investments of **\$38,429**, and to accumulated remeasurement gains/(losses) due to the unrealized loss of the Corporation's investments that were previously recorded at amortized cost.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**2. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(d) PS 3280, Asset Retirement Obligations**

On January 1, 2023, the Corporation adopted PS 3280, Asset Retirement Obligations (ARO). The new accounting standard addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets by public sector entities. The new accounting standard has resulted in a withdrawal of the existing Section PS 3270, Solid Waste Landfill Closure and Post-Closure Liability. The standard was adopted on the modified retrospective basis at the date of adoption, and the discount rate and assumptions used on initial recognition are those as of the date of adoption of the standard.

In accordance with the provisions of this new standard, the Corporation removed the landfill liability that had been recognized to date and recognized an asset retirement obligation on January 1, 2022. The new liability represents 100% of the estimated required closure and post-closure care for the landfill sites owned by the Corporation. The liability was assumed and measured as of the date the landfill sites began accepting waste and was discounted at 3.50%, which was the discount rate as of the date of adoption of the standard. Each cell has an expected useful life of 5 years, which has not been revised.

On January 1, 2022, the Corporation recognized an asset retirement obligation relating to the removal of asbestos in buildings owned by the Corporation. The liability was measured as of the date of purchase of the buildings, when the liability was assumed. The accompanying increase to the respective tangible capital assets was amortized over 40 years, which has not been revised.

On January 1, 2022, the Corporation recognized an asset retirement obligation relating to underground fuel and oil storage tanks owned by the Corporation that must be removed up to 2 years after the end of their useful lives. The liability was measured as of the date the tanks were installed, when the liability was assumed. The accompanying increase to tangible capital assets was amortized over 10 years, which has not been revised.

On January 1, 2022, the Corporation recognized an asset retirement obligation relating to the potential of a landlord requesting removal of leasehold improvements at the end of a lease. The liability was measured as of the date the leasehold improvements were installed or when the lease began, which is when the liability was assumed. The accompany increase to tangible capital assets was amortized over 7 years, which has not been revised.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**2. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(d) PS 3280, Asset Retirement Obligations (continued)**

In accordance with the modified retrospective provisions of this new standard, the Corporation reflected the following adjustments at January 1, 2022:

*Table 3: Asset Retirement Obligations Restatement*

	<b>Balance as previously reported December 31, 2022</b>	<b>Adjustments</b>	<b>Balance restated December 31, 2022</b>
<b>Consolidated Statement of Financial Position</b>			
Asset retirement obligations	\$ -	\$ 111,747	\$ 111,747
Land held for resale	37,121	45	37,166
Landfill closure and post-closure liability	54,166	(54,166)	-

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**3. Cash and Cash Equivalents***Table 4: Cash and Cash Equivalents*

	<b>2023</b>	<b>2022</b>
Cash on deposit	\$ 433,112	\$ 323,668
Cash equivalents	103,040	103,368
	<b>\$ 536,152</b>	<b>\$ 427,036</b>

Cash equivalents are comprised mainly of term deposits with original maturities of 90 days or less and are recorded at cost.

**4. Taxes Receivable**

Taxes receivable are reported net of allowance for doubtful accounts. As at December 31, the balances are as follows:

*Table 5: Taxes Receivable*

	<b>2023</b>	<b>2022</b>
Taxes receivable	\$ 39,122	\$ 32,259
Penalties and interest	2,642	2,027
Allowance for doubtful accounts	(9,509)	(15,629)
	<b>\$ 32,255</b>	<b>\$ 18,657</b>

**DRAFT**  
**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**5. Portfolio Investments**

The composition of portfolio investments is as follows:

*Table 6: Portfolio Investments*

	<b>2023</b>	<b>2022<sup>(1)</sup></b>
Measured at fair value		
Fixed income securities	\$ <b>963,745</b>	\$ 873,363
Equity	<b>6,282</b>	4,725
Pooled equity funds	<b>184,559</b>	134,755
	<b>1,154,586</b>	1,012,843
Measured at cost		
Guaranteed investment certificates	<b>231,140</b>	385,300
	<b>\$ 1,385,726</b>	\$ 1,398,143

(1) 2022 Amounts presented at cost

Financial instruments measured at fair value are classified according to a fair value hierarchy that reflects the reliability of the data used to determine fair value, which includes three levels of information that may be used to measure fair value:

- Level 1 – Unadjusted quoted market prices in active markets for identical assets or liabilities;
- Level 2 – Observable or corroborated inputs, other than level 1, such as quoted prices for similar assets or liabilities, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities.

The fair value hierarchy requires the use of observable data from the market each time such data exists. A financial instrument is classified at the lowest level of hierarchy for which significant inputs have been considered in measuring fair value.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**5. Portfolio Investments (continued)**

The composition of portfolio investments measured at fair value is as follows

*Table 7: Portfolio Investments measured at fair value*

	<b>2023</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Fixed income securities	\$ 5,158	\$ 958,587	\$ -	\$ <b>963,745</b>

The Corporation previously transferred a capital asset to the City of London Arena Trust, in return for a subordinate loan. This investment is secured by a mortgage charge and assignment of the borrower's interest in the Ground Lease of the Budweiser Gardens building, an assignment of the borrower's interest in the Participatory Occupancy Lease, a general assignment of all present and future subleases, a security interest in the Capital Repair Fund, and a security interest in the trust fund. Repayments vary and are based on an available cash flow calculation within the 50 year agreement. During the year, **\$198** (2022 - \$198) was received as a payment on the loan.

(i) Regulated Business Operations and Distribution Rates

London Hydro Inc. (“the Company”) is a wholly-owned subsidiary company of the Corporation and delivers regulated electricity and related energy services to the inhabitants of the City of London.

The Company is regulated by the Ontario Energy Board (“OEB”), under the authority granted by the *Ontario Energy Board Act, 1998*. The OEB has responsibility to set just and reasonable distribution rates and thereby approves all of the Company’s distribution and ancillary rates. The Company’s distribution revenue is determined by applying those regulated rates to customers and their consumption of electricity in the Company’s distribution territory, as established by its distribution license granted by the OEB.

(ii) Regulatory Balances

The Ontario Energy Board allows distribution companies to recover amounts incurred for certain transitional costs as well as certain costs associated with the discretionary metering activities under the Provincial Smart Meter Program which have been authorized to be recovered through the rates. Net regulatory debit balances for 2023 totalled **\$36,008** (2022 - \$35,015). Net regulatory credit balances for 2023 totalled **\$1,437** (2022 - \$1,240).

---

**7. Investment in Government Business Enterprises and Partnerships (continued)**

**(a) Investment in London Hydro Inc. (continued)**

(iii) Commitments

The Company has provided **\$4,300** (2022 - \$4,300) in bank standby letters of credit to the Independent Electricity System Operator (IESO), as required by regulation.

The Company has vendor commitments in connection with projects of **\$13,000** (2022 - \$13,200).

The Company has committed to operating lease agreements with future minimum non-cancellable annual lease payments of **\$739** (2022 - \$824).

(iv) Credit Facilities

The Company has an uncommitted operating revolving line of credit facility of \$20,000. As at December 31, 2023 the amount drawn under this line of credit was **\$9,500** (2022 - \$1,700). The line of credit is unsecured and interest options consist of the bank prime rate minus 0.5%, or at Bankers' Acceptances ("B/A") rates, plus a 0.75% stamping fee on B/A based borrowings.

At December 31, 2023, the Company had a committed loan facility of \$40,000 and the amount drawn by the Company under this loan facility was \$20,000 (2022 - \$nil). Under the terms of this agreement, the loan has a maturity date of March 31, 2026. Interest options consist of the bank prime rate minus 0.6% or Bankers' Acceptances ("B/A") rates plus 0.6%. A standby fee of 0.2% is charged for any unused amounts.

The Company has an interest rate swap agreement for an unsecured loan in the amount of \$125,000. Interest only payments are due monthly and commenced July 2022. The principal is due at maturity, June 30, 2032. The swap agreement is a fixed rate swap which effectively converts variable interest rates on unsecured Bankers' Acceptances to an effective interest rate of 1.69%, plus a stamping fee of 0.44%, for an all-in-rate of 2.13%.

The Company has an interest rate swap agreement for an unsecured loan in the amount of \$75,000. Interest only payments are due monthly and commenced December 2020. The principal is due at maturity, June 30, 2032. The swap agreement is a fixed rate swap which effectively converts variable interest rates on unsecured Bankers' Acceptances to an effective interest rate of 1.53%, plus a stamping fee of 0.44%, for an all-in-rate of 1.97%.

**(a) Investment in London Hydro Inc. (continued)**

At December 31, 2023, the Company would be entitled to collect **\$25,600** (2022 - \$33,000) if it decided to cancel the swap agreements.

During the year ended December 31, 2023, interest on long-term debt was incurred in the amount of **\$5,000** (2022 - \$4,600).

**(v) Related Party Transactions**

The Corporation has contracted with London Hydro Inc. to provide billing and collection services for water and wastewater charges on a cost recovery basis. Expenses for the year were **\$5,724** (2022 - \$5,103) and are included on the consolidated statement of operations. At December 31, 2023, the Corporation has a receivable of **\$16,283** (2022 - \$17,508) for water and wastewater charges collected by London Hydro Inc. Miscellaneous receivables of **\$810** (2022 - \$1,091) are also outstanding at year end.

The Corporation charged London Hydro Inc. rent, totalling **\$100** (2022 - \$100).

The Corporation received **\$5,000** (2022 - \$5,000) in dividend payments, which were recorded as a reduction in the investment in government business enterprises.

**(vi) International Financial Reporting Standards ("IFRS")**

The Company's financial statements have been prepared on a going-concern basis in accordance with IFRS, Accounting Standards.

**(b) Fair-City Joint Venture Partnership (continued)**

**(i) Contributions to Joint Venture**

On September 1, 2000, the Corporation entered into a joint venture with the Western Fair Association, to construct and operate a four-pad arena complex.

The joint venture is in the form of a partnership, referred to as the Fair-City Joint Venture and the investment is held in the Civic Investment Reserve Fund.

In return for a contribution of \$5,000 and a twenty-year loan of \$12,000, the Corporation received an initial equity interest of 50% of the partnership. However, once the partnership prepaid \$5,000 of the above-noted loan, and for every \$1,000 repayment thereafter, the Corporation's equity interest will decrease by 2.857% until the loan is completely repaid and the equity interest has decreased to 30%. During the first five years of operation, 100% of profits from the joint venture were paid to the Western Fair Association.

The Corporation's equity interest as at June 30, 2023 was 30.000% (2022 - 30.000%). The Venturers agreed to apply any change in the equity interest, prospectively, to the first day in the year that the threshold is met and to each year thereafter that subsequent repayment thresholds are met. In the current year, **\$nil** (2022 - \$69) was available and distributed to the Corporation.

**(ii) Related Party Transactions**

The Corporation has an Ice Rental Agreement with the Fair-City Joint Venture Partnership for 240 hours per year. **\$1,983** was paid for ice rental in 2023 (2022 - \$1,948), which was recorded as an expense in the consolidated statement of operations.

<b>Net assets, end of year</b>	<b>17,645</b>	18,324
Corporation's portion of net assets	<b>12,957</b>	13,456
<b>Investment in City-YMCA Joint Venture Partnership</b>	<b>\$ 12,957</b>	<b>\$ 13,456</b>

The Corporation entered into a joint venture agreement with the YMCA of Western Ontario (YMCA) in April 2009 to construct and operate the Stoney Creek Community Centre.

The Corporation was responsible for contributing the land, contributing costs related to construction of the building and running the construction project. The YMCA was responsible for contributing costs related to construction of the building. The Corporation's contributed share of the project was \$19,929 or 73.432%.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**7. Investment in Government Business Enterprises and Partnerships (continued)**

**(c) City-YMCA Joint Venture Partnership (continued)**

Construction of this facility was completed in October 2010.

The Joint Venture Partnership has entered into a 40 year lease with the YMCA. The basic annual rent to be paid to the Joint Venture Partnership by the YMCA is nominal. The Joint Venture Partnership does not earn any other type of revenue. In accordance with the lease agreement, the Joint Venture Partnership is not responsible for any costs, expenses or outlays relating to the premises. All capital and operating costs are the responsibility of the tenant, the YMCA.

At the end of the 40 year lease term, the Joint Venture Partnership will transfer the land and building representing the facility to the YMCA for consideration of nil. The transfer of the land and building will result in the dissolution of the Joint Venture Partnership in 2049.

(all dollar amounts in thousands of dollars)

**10. Long-term Debt**

Provincial legislation restricts the use of long-term debt to financing only capital expenses. Provincial legislation allows the Corporation to issue debt on behalf of school boards, other local boards, municipal enterprises and utilities. The responsibility of raising amounts to service these liabilities lies with the respective organization. The debt is a joint and several obligation of the Corporation and the respective organization.

Long-term debt is as follows:

*Table 18: Long-term Debt*

	<b>2023</b>	<b>2022</b>
Long-term debt issued by the Corporation at various rates of interest ranging from 0.8% to 5.67% (2022 - 0.45% to 5.67%) with maturity dates ranging from May, 2024 to May, 2033.	<b>\$ 185,191</b>	<b>\$ 204,365</b>

**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**11. City Services Payable**

The Corporation operates a system of funding developer claims for construction of infrastructure works. The claimable works generally provide regional benefit beyond the boundaries of the subdivision or development which triggers the requirement for the works. The cost of these works are shared through development charge collections administered by the Corporation through the City Services Reserve Funds.

Claims are subject to approval by the Corporation in accordance with the Development Charges By-law. Payment of claims are ultimately subject to budget availability within the reserve funds.

As at December 31 of each year, the value of all work classified as substantially complete and not paid is recognized as a liability in the consolidated statement of financial position. Repayment of this liability remains subject to all of the rules of the City Services Reserve Funds and Development Charges By-law, including a reliance on development charges received as the source for repayment. At December 31, there is **\$407,062** (2022 - \$399,530) in the City Services Reserve Funds to fund this liability.

**DRAFT**

**12. Employee Benefits Payable**

Employee future benefits are liabilities of the Corporation to its employees and early retirees for benefits earned but not taken as at December 31. Details are as follows:

*Table 22: Employee Benefit Payable*

	<b>2023</b>	<b>2022</b>
Post-employment and post-retirement benefits (note 12(a))	\$ 113,285	\$ 110,663
Workplace Safety and Insurance Board Obligation (note 12(b))	80,874	70,026
Vacation credits (note 12(c))	25,158	24,856
Vested sick leave benefits (note 12(d))	367	926
	<b>\$ 219,684</b>	<b>\$ 206,471</b>

Reserve funds and reserves have been established to partially provide for these employee benefit liabilities. The reserve fund balances at the end of the year are **\$203,653** (2022 - \$188,586), to fund these obligations.

**(a) Post-Employment and Post-Retirement Benefits**

The Corporation provides benefits, such as health, dental and life insurance to qualified retirees until they reach 65 years of age and provides certain benefits to employees on long-term disability. The liabilities reported in these consolidated financial statements are based on the most recent actuarial valuation prepared at of December 31, 2021.

The significant assumptions used in the actuarial valuations are as follows:

*Table 23: Post-Employment and Post-Retirement Benefits – Assumptions*

<b>Assumptions</b>	<b>2023</b>	<b>2022</b>
	<b>%</b>	<b>%</b>

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**12. Employee Benefits Payable (continued)**

The benefit obligation continuity is as follows:

*Table 24: Employee Benefits Payable - Benefit Obligation Continuity*

<b>Liability for post-employment and post-retirement benefits</b>	<b>2023</b>	<b>2022</b>
<b>Accrued benefit obligation, January 1</b>	<b>\$ 109,733</b>	<b>\$ 106,738</b>
Current period benefit cost	<b>5,491</b>	5,376
Retirement interest expense	<b>3,272</b>	3,188
Actuarial gain	<b>(6,383)</b>	-
Benefits paid	<b>(5,804)</b>	(5,569)
<b>Accrued benefit obligation, December 31</b>	<b>106,309</b>	109,733
Unamortized actuarial gain	<b>6,976</b>	930
	<b>\$ 113,285</b>	<b>\$ 110,663</b>

<b>Post-employment and post-retirement benefits expense</b>	<b>2023</b>	<b>2022</b>
Current period benefit cost	<b>\$ 5,491</b>	\$ 5,376
Retirement interest expense	<b>3,272</b>	3,188
Amortization of actuarial (gain) loss	<b>(337)</b>	284
<b>Total post-employment and post-retirement benefit expense</b>	<b>\$ 8,426</b>	<b>\$ 8,848</b>

The actuarial loss is amortized over the expected average remaining service life of the related employee group of - years (2022 - 14 years).

**(b) Workplace Safety and Insurance Board Obligation**

The Corporation is a Schedule 2 employer under the *Workplace Safety and Insurance Board ("WSIB") Act*, and as such assumes responsibility for financing its workplace safety insurance costs. The actuarial valuation as at December 31, 2023, estimated the accrued benefit obligation for workplace safety and insurance existing claims and future pension awards at **\$80,874** (2022 - \$70,026).

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**12. Employee Benefits Payable (continued)****(b) Workplace Safety and Insurance Board Obligation (continued)**

The benefit expense for the fiscal year ending December 31, 2023 includes a charge due to special events. In 2023, the Workplace Safety and Insurance Board of Ontario ("WSIB") expanded the list of presumptive cancers for firefighters and fire investigators to include thyroid and pancreatic cancers retroactively to January 1, 1960. This resulted in a plan amendment of \$4,744, determined as at December 31, 2023, which was recognized in the benefit expense recorded in the consolidated statement of operations for the fiscal year ending December 31, 2023.

*Table 25: Self-Insured (Schedule II) Workers Compensation Actuarial - Assumptions*

	<b>December 31, 2023</b>
Discount rate	3.50% per annum
Rate of compensation increase	4.40% per annum
Healthcare cost increases	6.50% per annum

**(c) Liability for Vacation Credits**

Under the provisions of certain employee vacation plans, some vacation credits are earned as at December 31 but are generally unavailable for use until a later date. In addition, the provisions of certain plans allow the accumulation of vacation credits for use in future periods. The approximate value of these credits as at December 31, 2023 is **\$25,158** (2022 - \$24,856).

**(d) Liability for Vested Sick Leave Benefits**

Under the sick leave benefit plan, certain unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the Corporation's employment. The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on termination, amounted to **\$367** (2022 - \$926) at December 31, 2023. During the year **\$528** (2022 - \$69) was paid to employees who left the Corporation's employment.

Reserve funds and reserves have been established to provide for this past service liability. The reserve funds balance at December 31, 2023 is **\$213** (2022 - \$735). An amount of **\$6** (2022 - \$13) has been contributed in the current year.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**12. Employee Benefits Payable (continued)****(d) Liability for Vested Sick Leave Benefits (continued)**

Only employees of the Corporation which commenced their employment prior to February 1, 1985, Police employees starting before January 1, 1982 and Fire employees starting before January 1, 1991 and Library employees starting before May 1, 1985 are entitled to be paid out their balance of accumulated sick time at retirement, which is the balance that makes up this liability.

Anticipated future payments for vested sick leave to employees who are eligible to retire are as follows:

*Table 26: Employee Benefits Payable - Anticipated Future Payments*

2024	\$	353
2025		14
<b>Total</b>	<b>\$</b>	<b>367</b>

**(e) Pension Agreements**

The Corporation makes contributions to the Ontario Municipal Employees' Retirement System Pension Fund (OMERS), which is a multi-employer plan, on behalf of **5,249** (2022 - 5,040) members. The plan is a contributory defined benefit plan which specifies the amount of the retirement benefit to be received by employees based on length of service and rates of pay. Employers and employees contribute jointly to the plan.

The last available report for the OMERS plan was on December 31, 2023. At that time, the plan reported a **\$4.20** billion actuarial deficit (2022 - \$6.68 billion), based on actuarial liabilities for **\$136.19** billion (2022 - \$130.31 billion) and actuarial assets for **\$131.98** billion (2022 - \$123.64) billion. If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions will be required in the future.

Since any surpluses or deficits are a joint responsibility of all Ontario municipalities and their employees, the Corporation does not recognize any share of the OMERS pension surplus or deficit in these consolidated financial statements.

The amount contributed to OMERS for 2023 was **\$33,185** (2022 - \$36,336) for current service. Employer's contributions for current service are included as an expense in the consolidated statement of operations.

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**13. Asset Retirement Obligations**

The Corporation's asset retirement obligations consist of the following:

**(a) Landfill closure and post-closure care**

The Corporation owns and operates the W12A landfill site and owns various closed landfill sites. The landfill site assets at W12A are broken down into different cells and each cell became active when the cell started accepting waste. Each cell has an estimated useful life of 5 years and at January 1, 2023 there were two assets that had not been fully depreciated. The liability for the closure of operational sites and post-closure care for closed landfill sites has been recognized under PS 3280, Asset Retirement Obligations. The costs were based upon the presently known obligations that will exist at the estimated year of closure of the W12A site including final cover and vegetation, completing facilities for drainage control features, leachate monitoring, water quality monitoring, and monitoring and recovery of gas. Post-closure care activities include all activities related to monitoring the site once it can no longer accept waste, including acquisition of any additional land for buffer zones, treatment and monitoring of leachate, monitoring ground water and surface water, gas monitoring and recovery, and ongoing maintenance of various control systems, drainage systems, and final cover. The estimated liability for the care of landfill sites is the present value of future cash flows associated with closure and post-closure costs.

Key assumptions in determining the liability at December 31, 2023 for landfills are as follows:

- Timing of settlement - the active (W12A) landfill is expected to reach capacity in 2026, which is when the closing costs will be incurred and when the monitoring period will begin. The monitoring costs for the closed landfill sites are presently being incurred.
- Undiscounted liability for W12A - \$75,590
- Undiscounted liability for closed landfill sites - \$10,691
- Inflation rate - 2.00%
- Discount rate - 3.50%
- Estimated time required for post-closure care; active landfill - 75 years
- Estimated remaining time required for post-closure care; closed landfills - 27 years

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**13. Asset Retirement Obligations (continued)**

**(b) Asbestos removal**

The Corporation owns and operates various buildings that are known or are assumed to contain asbestos, which represents a health hazard upon demolition of the building. There is a legal obligation to remove the asbestos before these buildings are demolished. Following the adoption of PS 3280, Asset Retirement Obligations, the Corporation recognized an obligation relating to 240 buildings that contain or are suspected to contain asbestos material, of which 128 buildings were not fully amortized at January 1, 2023. Each building has an estimated useful life of 40 years.

Key assumptions in determining the liability at December 31, 2023 for asbestos removal and disposal are as follows:

- Timing of settlement - it is unknown when the buildings will be demolished or abatement will occur
- Undiscounted liability for asbestos removal - \$15,827
- Discount rate - due to the unknown timing of retirement, no discount rate was used when estimating the costs
- Estimated time required for retirement activities - at time of demolition only

**(c) Removal of underground fuel and oil storage tanks**

The Corporation owns various underground fuel and oil storage tanks that have to be removed at the end of their lives. The tanks became a part of the pooled equipment asset for the year in which they were installed. Following the adoption of PS 3280, Asset Retirement Obligations, the Corporation recognized an obligation relating to 27 underground tanks, of which, 17 were not fully amortized at January 1, 2023. Each tank has an estimated useful life of 10 years.

Key assumptions in determining the liability at December 31, 2023 for tank removal are as follows:

- Timing of settlement - it is unknown when the tanks will be removed
- Undiscounted liability for tank removals - \$950
- Discount rate - due to the unknown timing of retirement, no discount rate was used when estimating the costs
- Estimated time required for retirement activities - at time of removal only

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**13. Asset Retirement Obligations (continued)**

**(d) Removal of leasehold improvements when requested by landlord at the end of a lease**

The Corporation has entered into leases with various landlords. Ten of these leases contain a Base Building clause that states that the landlord has the right, at the Corporation's expense, to request the removal of leasehold improvements at the end of the lease. Following the adoption of PS 3280, Asset Retirement Obligations, the Corporation recognized an obligation relating to these 10 leases, of which 5 have associated leasehold improvement assets that were fully amortized, January 1, 2023. Leasehold improvements have an estimated useful life of 7 years. Costs were estimated for the end of each lease and discounted to December 31, 2023 under the assumption that the entire space be stripped and brought back to base building.

Key assumptions in determining the liability at December 31, 2023 for leasehold improvement removals are as follows:

- Timing of settlement - the lease end date ranging from 2026 to 2032
- Undiscounted liability for leasehold improvement removals - \$125
- Inflation rate - 2.00%
- Discount rate - 3.50%
- Estimated time required for retirement activities - at time of removal only

All assets, including their increased costs from asset retirement obligations, are amortized using the straight-line amortization method.

The transition and recognition of asset retirement obligations involved an accompanying increase to the related landfill cells, buildings, equipment (tanks) and leasehold improvement capital assets and the restatement of comparative figures.

---

**14. Tangible Capital Assets (continued)**

**(a) Assets Under Construction**

Assets under construction having a value of **\$326,711** (2022 - \$197,114) have not been amortized. Amortization of these assets will commence when the asset is available for productive use.

In the year that an asset is placed into service, the total cost of the developed asset is transferred to each respective asset category as an addition and removed from assets under construction as a disposal.

**(b) Contributed Tangible Capital Assets**

Contributed capital assets have been recognized at estimated fair value at the date of contribution. The value of contributed assets received during the year is **\$44,086** (2022 - \$102,716) comprised predominantly of roads infrastructure in the amount of **\$15,878** (2022 - \$9,426 and water and wastewater infrastructure in the amount of **\$24,979** (2022 - \$88,737).

**(c) Tangible Capital Assets Disclosed at Nominal Values**

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned.

**(d) Works of Art and Historical Treasures**

The Corporation manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at Corporation sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized in the consolidated financial statements.

**(e) Write-down of Tangible Capital Assets**

There were write-downs of tangible capital assets during the year in the amount of **\$2,930**. (2022 - \$nil).

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**14. Tangible Capital Assets (continued)**

**(f) Assets under Shared Control**

During 2016, the Corporation entered into a joint arrangement with the YMCA of Southwestern Ontario (YMCA) and the London Public Library Board (Library). The agreement to construct and operate a multipurpose complex, The Southwest Community Centre, with a total project budget of \$55,366, includes a community centre, recreation centre and public library branch and features an indoor pool, double pad arena, gymnasium and community centre space in the southwest area of the City.

Each partner proposed to invest in the project as follows:

- The City proposed to provide \$40,616 (75.13%) including land, plus \$300 for furniture and equipment,
- The YMCA proposed to provide \$9,200 (16.61%), plus \$1,200 for furniture and equipment, and
- The Library proposed to provide \$4,050 (8.26%).

The Library had a portion of the facility built and designed as a public library. The Library has exclusive use of its space. The City and Library will pay the YMCA a portion of the common area maintenance costs subject to the terms of the joint arrangement.

The YMCA has assumed all operational and lifecycle maintenance capital costs for the facility with the exception of the dedicated arena and library components through a lease agreement with a term of 40 years.

Title of the land and building remains with the Corporation. At the end of the term or any mutually agreed upon extension, the Corporation will agree to pay the YMCA and Library an amount equal to their respective partnership interest multiplied by the then fair market value of the partnership.

Total project costs of \$54,129 have been offset by contributions from the YMCA of \$9,200 and Library of \$4,556. The net project costs of \$40,373 have been accounted for in the Corporation and capitalized in the consolidated statement of financial position or expensed in the consolidated statement of operations.

The YMCA and the Library have recorded additions of leasehold improvements in their respective accounting records equal to their contributions. This facility opened to the public in the fall of 2018.

**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**15. Accumulated Surplus (continued)**

The Corporation has chosen to reflect items on a gross rather than a net basis. As such the Corporation has reserve funds and reserves to satisfy certain obligations listed as unfunded in Table 28: Accumulated Surplus.

**(a) Special Purpose**

The Corporation holds \$70 million principal in a reserve fund for a special purpose. The reserve fund is held by the Corporation for the following purposes:

- The investigation, remediation and restoration of the affected lands,
- Any related legal proceedings, including proceedings before any court or administrative tribunal, and
- The Corporation's actual and reasonable administrative and incidentals costs related thereto.

The Corporation will maintain the principal amount of the \$70 million in a properly managed portfolio in compliance with the Corporation's Investment Policy and the *Municipal Act, 2001*. The Corporation will be entitled to use the interest on the funds for its own purposes.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**16. Contingent Liabilities**

**(a) Legal Actions**

As at December 31, 2023, certain legal actions and other contingent liabilities are pending against the Corporation. The final outcome of the outstanding claims cannot be determined at this time. However management believes that ultimate disposition of these matters will not materially exceed the amounts recorded in these consolidated financial statements.

Estimated costs to settle claims are based on available information and projections of estimated future expenses developed based on the Corporation's historical experience. Claims are reported as an operating expense in the year of the loss, where the costs are deemed to be likely and can be reasonably determined. Claims provisions are reported as a liability in the consolidated statement of financial position.

**(b) Public Liability and Property Loss Self Insurance**

The Corporation and its various Boards and Commissions are jointly self-insured for liability, property and casualty claims for varying amounts ranging up to \$500 for any individual claim.

Insurance is also purchased for claims in excess of these limits to a maximum of \$50,000 for liability claims. The insured and self-insured Boards and Commissions are: Museum London, London Convention Centre Corporation, Covent Garden Market Corporation, London Police Services Board, and London & Middlesex Community Housing Inc., and Housing Development Corporation, London.

The Corporation has made a provision for a reserve fund for self-insurance which as at December 31, 2023 amounted to **\$19,238** (2022 - \$19,161) and is reported in note 15 of the consolidated financial statements. The contribution for the year of **\$6,297** (2022 - \$5,310) has been reported in the individual revenues on the consolidated statement of operations.

Claims expensed during the year amounting to **\$6,221** (2022 - \$4,673) have been reported with individual expenses on the consolidated statement of operations. The payment of these expenses was funded through the self-insurance reserve fund.

There were unsettled liability claims against the Corporation as at December 31, 2023 to be paid from the self-insurance reserve fund. The probable outcome of these claims cannot be determined at this time.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**16. Contingent Liabilities (continued)**

**(c) Environmental Remediation**

The Corporation is liable for the environmental remediation of certain land. The coal tar material present in land held by the Corporation was attributable to coal gasification works existing at this location between approximately 1850 and 1930 and identified in a 1987 inventory of coal gasification sites in Ontario by the provincial Ministry of the Environment (MOE).

The Corporation is engaged in an ongoing environmental remediation program and related risk management strategy that addresses the presence of historic coal tar in a section of the bed and bank of the south branch of the Thames River and in two adjacent parcels of Corporation-owned land. In this context:

- A collection system was completed in November 2000 to intercept coal tar-impacted ground water for treatment by an on-site facility which is situated on the smaller parcel.
- A hard-surfaced parking lot was constructed on the larger of the two parcels and is being operated as a municipal parking lot
- Coal tar removal and river bed rehabilitation has been satisfactorily completed and a monitoring program which started in 2004 is in place.

The Corporation is responsible for the ongoing environmental remediation program and management strategy.

Future costs for the remediation include operations of the coal tar treatment system, which will carry an ongoing monthly cost for an indeterminate time.

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**17. Loan Guarantees**

The Corporation has entered into an agreement which, under certain conditions, guarantees to assume the purchase and payment of block power from the Ontario Electricity Market on behalf of the Lake Huron Primary Water Supply System (Market Participant). The Corporation, in its capacity as Administering Municipality for the Joint Water Board, has guaranteed payment to the Independent Electricity System Operator (IESO) on behalf of the Market Participant. This guarantee is limited to **\$764**. There is no amount outstanding and no anticipated loss from this guarantee.

The Corporation has entered into an agreement which, under certain conditions, guarantees a ten-year credit agreement with Canada Mortgage and Housing Corporation (CMHC) on behalf of London & Middlesex Community Housing Inc. (Borrower). Under the agreement, the Borrower will make quarterly drawdowns up to a maximum of **\$40,136**. The outstanding principal of this loan at December 31, 2023 is **\$2,895** (2022 - \$771).

The maximum exposure to credit risk is the loan guarantee being called, which is **\$3,659**.

No amounts have been accrued in the consolidated financial statements of the Corporation with respect to these guarantees, as it is not anticipated at December 31, 2023 that the Corporation will need to make any payments as a result of providing the guarantees.

**DRAFT**

**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**18. Commitments****(a) London Middlesex Suburban Roads Commission**

Section 474.18 of the *Municipal Act, 2001*, requires that the Corporation make annual payments to the County of Middlesex for an indefinite period as compensation for the reduction of income due to the dissolution of the London-Middlesex Suburban Roads Commission. The amount paid in 2023 was **\$1,261** (2022 - \$1,224). Payments are based on the base year of 1997 at \$1,000 and are calculated contingent on annual assessment and tax rate increases.

**(b) Rehabilitation and Redevelopment Tax Grant Programs**

The Corporation has future commitments on the various Rehabilitation and Redevelopment Programs, which are programs that allow for future reductions in property taxes. The future commitments are as follows:

*Table 29: Future Grant Program Commitments*

2024	\$	5,958
2025		3,396
2026		6,205
2027		2,686
2028		1,135
Beyond		1,533
<b>Total</b>	<b>\$</b>	<b>20,913</b>

**(c) Fleet, Equipment and Premises Commitments**

The Corporation is committed to the following fleet and equipment purchases and minimum annual operating lease payments for premises and equipment as follows:

*Table 30: Fleet, Equipment and Premises Commitments*

2024	\$	17,448
2025		7,823
2026		5,368
2027		2,946
2028		2,964
Beyond		2,170
<b>Total</b>	<b>\$</b>	<b>38,719</b>

**DRAFT**

Cultural Facilities	542	402
Environmental Services	71	86
Police	-	8
	<b>\$ 228,644</b>	<b>\$ 251,718</b>

These amounts represent uncompleted portions of contracts, as at December 31, 2023, on major projects. The majority of payments on these outstanding commitments will be made in the next three (3) to five (5) years.

**(e) Affordable Housing Programs**

The Corporation is responsible for the delivery and administration of affordable housing programs in the City of London and the County of Middlesex. The Corporation has entered into various Municipal Contribution Agreements related to Affordable Housing Programs.

As at December 31, 2023, the Corporation has outstanding commitments remaining on these agreements of **\$7,185** (2022 - \$3,165).

---

**18. Commitments (continued)**

**(f) Derivatives**

The Corporation has the following derivative contracts as at December 31, 2023:

- Contract, expiring October 31, 2024, for the transportation daily natural gas purchases of 145 gigajoules, with a remaining contract value of **\$142** (2022 -\$170).
- Contract, expiring October 31, 2024, for the transportation daily natural gas purchases of 73 gigajoules, with a remaining contract value of **\$135** (2022 - \$162).
- Contract, expiring October 31, 2024, for the transportation daily natural gas purchases of 59 gigajoules, with a remaining contract value of **\$66** (2022 - \$nil).
- Contract, expiring October 31, 2025, for the transportation daily natural gas purchases of 109 gigajoules, with a remaining contract value of **\$238** (2022 - \$238).
- Contract, fulfilled October 31, 2025, for the transportation daily natural gas purchases of 76 gigajoules, with a remaining contract value of **\$130** (2022 - \$nil).
- Contract, fulfilled October 31, 2026, for the transportation daily natural gas purchases of 111 gigajoules, with a remaining contract value of **\$210** (2022 - \$nil).
- Contract, fulfilled October 31, 2027, for the transportation daily natural gas purchases of 111 gigajoules, with a remaining contract value of **\$219** (2022 - \$nil).

These derivative contracts were purchased to provide price certainty for the cost of natural gas based on the Corporation's expected usage of natural gas, and as such are excluded from the scope of PS 3450, Financial Instruments and are not reflected as an asset or liability in these consolidated financial statements.

(all dollar amounts in thousands of dollars)

**19. Provincial Offences Court Administration and Prosecution**

On March 26, 2001, pursuant to Bill 108, the Corporation assumed responsibility for Provincial Offences Court Administration and Prosecution. The Province of Ontario transferred the responsibility for the administration and prosecution of provincial offences in London-Middlesex to the Corporation. This transfer was part of the Province's strategy to realign provincial and municipal roles in the delivery of public services. As a result, the Corporation was required to establish its own administration, prosecution office and courtrooms to deal with charges laid under the *Provincial Offences Act*.

*Table 32: Charges Laid Under the Provincial Offences Act*

	<b>2023</b>	<b>2022</b>
<b>Revenues</b>		
Fines	\$ 4,193	\$ 3,681
<b>Total revenues</b>	<b>4,193</b>	<b>3,681</b>
<b>Expenses</b>		
Salary, wages and fringe benefits	1,583	1,536
County share of net revenues	96	11
Occupancy costs	99	82
Provincial government cost recovery	455	425
Administration costs	1,301	1,335
Equipment and maintenance	250	252
<b>Total expenses</b>	<b>3,784</b>	<b>3,641</b>
<b>Excess of revenues over expenses</b>	<b>\$ 409</b>	<b>\$ 40</b>

These results comprise part of the other revenue and protection to persons and property expenses that are included in the consolidated statement of operations.

(all dollar amounts in thousands of dollars)

**20. Budget Data**

Budget data presented in these consolidated financial statements is based upon the 2023 operating budget approved by Council. Adjustments were required to convert the budget from a cash basis to a full accrual basis. These adjustments include revenues and expenses which were budgeted in the capital budget, contributed assets recognized as revenues and amortization expense as well as Board and Commissions budget figures. The adjustments have been reduced for capital assets budgeted in operations. Given that certain budget information is not available in full accrual format, the assumption of using budget adjustments that equal the actual full accrual adjustments was used. These full accrual budget estimates are for financial statement presentation only.

The chart below reconciles the approved budget with the budget figures as presented in these consolidated financial statements.

**22. Expenses by Object**

The consolidated statement of operations represents the Corporation's expenses by function. The following classifies those same expenses by object.

*Table 35: Expenses by Object*

	<b>2023</b>	<b>2022</b>
		(Restated - note 2)
Salaries, wages and fringe benefits	\$ 562,083	\$ 525,630
Long-term debt interest charges	5,820	6,302
Materials and supplies	155,257	151,730
Contracted services	229,170	174,788
Rents and financial expenses	35,263	35,689
External transfers	222,479	207,382
Amortization of tangible capital assets	193,064	192,391
<b>Total expenses by object</b>	<b>\$ 1,403,136</b>	<b>\$ 1,293,912</b>

**23. Liability for Contaminated Sites**

Under Public Sector Accounting Board Standard PS 3260 *Liability for Contaminated Sites*, the Corporation has identified one site that had contamination and was not in productive use, as follows:

With respect to the first site, reports indicate that remediation for this site will be required and has been estimated at **\$595** (2022 - \$595).

With respect to the second site, reports indicate that remediation for this site will be required and has been estimated at **\$8,247** (2022 - \$8,247).

These amounts have been recorded as a liability at year end and have been included in accounts payable and accrued liabilities in the consolidated statement of financial position.

**DRAFT**

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**24. Demand Loan**

In 2020, the Middlesex-London Health Unit entered a loan agreement for a demand instalment loan with an amortization period of 20 years to finance the fit-up and relocation costs related to the move to Citi Plaza. The loan was subsequently converted into two non-revolving amortizing instalment loans, one with a fixed rate instalment loan and one as a floating rate instalment loan. The fixed rate of interest on the first loan is 1.915% per annum over a term of 5 years and shall be repaid by monthly blended payments of principal and interest. The interest rate on the second loan is calculated at prime less 0.75% per annum and shall be repaid by monthly principal payments.

All amounts under the demand loans are repayable immediately on demand by the bank.

**25. Financial instruments and risk management**

The Corporation's activities expose it to a range of financial risks. These risks include market risk, (including foreign currency risk, interest rate risk, and other price risk), credit risk and liquidity risk.

**(a) Market Risk**

Market price risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to an individual instrument, its issuer or general market factors. Market price risk is composed of currency risk, interest rate risk and other price risk.

The Corporation's portfolio investments are exposed to market risk, both within its fixed income and equity holdings predominantly through interest rate risk and price risk. Portfolio investments are predominantly held in Canadian denominated currency.

Within portfolio investments, exposure to interest rate risk; the risk future cashflows or fair values will fluctuate due to volatility in market interest rate risks, exists due to its interest-bearing holdings. Bond valuations are inversely related to interest rates. Management monitors this exposure regularly and estimates that if interest rates increased by 1% and all other variables are held constant, the potential change in unrealized loss on its fair valued fixed income holdings would be \$30,222.

Price risk within portfolio investments is predominantly driven by holdings in diversified Canadian equities and management estimates that a decrease of 1% in the overall equity markets as measured by changes in the S&P/TSX Composite, the potential change in unrealized loss on its fair valued equity holdings would be \$1,846.

Management aims to reduce market risk through diversification of portfolio investments in terms of asset mix, sectors, issuers, and securities.

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**25. Financial instruments and risk management (continued)****(b) Credit Risk**

Credit risk is the risk of financial loss if a counterparty fails to honour its contractual obligation. The Corporation is exposed to credit risk on portfolio investments. The Corporation manages this risk through its established credit quality requirements of securities, as outlined in its investment policy and through diversification of its holdings. The Corporation only invests in investment grade securities or issuances and as such, management has assessed the impact of credit risk to portfolio investments as low, with no change year over year.

The credit rating profile for the Corporation's fixed income holdings is as follows:

<b>Credit Rating</b>	<b>2023</b>
AAA	16.6 %
AA	47.2 %
A	33.6 %
BBB	2.6 %
<b>Total</b>	<b>100.0 %</b>

The Corporation is also subject to credit risk with respect to loans and accounts receivables. The Corporation manages credit risk by engaging with recognized, credit worthy third parties. The Corporation has no significant concentration of credit risk with any one individual customer. There were no changes in exposures to credit risk during the year. The outstanding amounts related to financial instruments are presented in the table below.

	<b>Current</b>	<b>31-60 days</b>	<b>61-90 days</b>	<b>91-120 days</b>	<b>Over 120 days</b>	<b>Total</b>
Government receivables	\$ 69,340	\$ -	\$ 1,220	\$ -	\$ -	\$ <b>70,560</b>
Other account receivables	46,962	1,960	228	245	1,060	<b>50,455</b>
<b>Total</b>	<b>116,302</b>	<b>1,960</b>	<b>1,448</b>	<b>245</b>	<b>1,060</b>	<b>121,015</b>
Less allowance	-	-	-	157	868	<b>1,025</b>
<b>Net receivable</b>	<b>\$116,302</b>	<b>\$ 1,960</b>	<b>\$ 1,448</b>	<b>\$ 88</b>	<b>\$ 192</b>	<b>\$119,990</b>

**DRAFT**

**THE CORPORATION OF THE CITY OF LONDON**  
**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

**25. Financial instruments and risk management (continued)****(b) Credit Risk (continued)**

The net receivables total amount differs from the amount reported on the consolidated statement of financial position, for items excluded from financial instruments as per PS 3450, Financial Instruments, primarily receivables from government for goods and services tax recoveries, and property taxes.

	<b>Within 1 year</b>	<b>1 to 2 years</b>	<b>2 to 5 years</b>	<b>Over 5 years</b>	<b>Total</b>
Loans and long-term receivables	\$ 994	\$ 2,197	\$ 3,873	\$ 39,745	<b>\$ 46,809</b>
<b>Total</b>	<b>\$ 994</b>	<b>\$ 2,197</b>	<b>\$ 3,873</b>	<b>\$ 39,745</b>	<b>\$ 46,809</b>

**(c) Liquidity Risk**

Liquidity risk is the risk the Corporation will be unable to fulfill its obligations associated with its financial liabilities. The Corporation maintains an unsecured line of credit of \$100,000 (2022 - \$100,000) to ensure funds are available to meet current requirements. As at December 31, 2023, no amount has been drawn on the facility. In addition, the Corporation has \$2,000 of available commercial card credit that can be accessed. Management believes based on its assessment of cash flows it will have access to sufficient capital through internally generated cash, external sources, the undrawn line of credit, as well as commercial card credit, to meet current forecasted expenditures.

The Corporation is also exposed to liquidity risk with respect to accounts payable and accrued liabilities. The majority of accounts payable and accrued liabilities are expected to be settled in thirty days. The maturities of other financial liabilities are provided in the notes to financial statements related to those liabilities.

	<b>Within 1 year</b>	<b>1 to 2 years</b>	<b>2 to 5 years</b>	<b>Over 5 years</b>	<b>Total</b>
Accounts payable and accrued liabilities	\$ 194,385	\$ 571	\$ 238	\$ 590	<b>\$ 195,784</b>
<b>Total</b>	<b>\$ 194,385</b>	<b>\$ 571</b>	<b>\$ 238</b>	<b>\$ 590</b>	<b>\$ 195,784</b>

The accounts payable and accrued liabilities total amount differs from the amount reported on the consolidated statement of financial position, for items excluded from financial instruments as per PS 3450, Financial Instruments, primarily payables to government for goods and services tax, employment benefits, and insurance contracts.

**26. Segmented Information**

The Corporation is a diversified municipal government institution that provides a wide range of services to its citizens, including police, fire, roadways, public transit, water, wastewater, solid waste and recycling, social and community services. For management reporting purposes the Corporation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. The Operating Fund reports on municipal services that are funded primarily by property taxation. Taxation and payments-in-lieu of taxes are apportioned to General Revenue Fund Services based on the Fund's net surplus. User charges, Government transfers, transfer from other funds and other revenues have been taken from the allocations on schedule 12 of the Financial Information Return.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1. The segmented information reports total revenues and expenses by segment.

The Corporation's services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

**(a) Protection Services**

Protection is comprised predominantly of the Police Services and Fire departments. The mandate of the Police Services department is to ensure the safety and security of the lives and property of citizens through law enforcement, victims' assistance, public order maintenance, crime prevention and emergency response. The Fire department is responsible for providing proactive fire and injury prevention education programs, comprehensive inspection programs and fire code enforcement. In addition, the department responds to emergency calls for assistance related to fires, rescues, motor vehicle accidents and cardiac medical events as well as calls related to hazardous material incidents, swift water and ice rescue and limited types of technical rescue calls.

**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**26. Segmented Information (continued)**

**(b) Transportation Services**

Transportation Services are comprised of year-round road maintenance, parking, traffic signals and street lighting. Activities include the maintenance of roadsides defined as sidewalks, walkways, boulevards and the urban forest. This service is responsible for the operational integrity of the roadway system through year-round surface maintenance and winter maintenance, including snow and ice control. Parking supports the controlled movement of vehicles to benefit London businesses and residents through policy and operational efforts. Traffic signal services provide the planning, design, operation and maintenance of the Corporation's street lights and traffic signal network including a computerized traffic signal control system.

The London Transit Commission serves as an agent for the Corporation responsible for the delivery of public transit services for the residents of the City of London as provided under the *City of London Act*.

Public transit services include conventional and specialized transit services. Service design, development and delivery for the respective services take their direction from the Corporation's Official Plan, Transportation Plan and London Transit's Long Term Growth Strategy, Ridership Growth Plan, Business Plan and Accessibility Plan.

---

**26. Segmented Information (continued)**

**(c) Environmental Services**

**(i) Water and Wastewater Utilities**

The Water Utility provides the planning, engineering, operation and maintenance for the Corporation's water infrastructure. Wholesale potable water is purchased from both the Lake Huron and the Elgin Area Primary Water Supply Systems. Services include the planning and engineering to support the delivery of safe, clean, high quality drinking water of sufficient flow and pressure to enhance the quality of life and support economic development for the residents and businesses of London. Operation and maintenance services ensure the reliable delivery of water to all customers and sustainability of a high quality water infrastructure.

The Wastewater Utility provides the planning, engineering, operation and maintenance for the Corporation's wastewater and drainage infrastructure. Services include the operation of pollution control plants and sewage pumping stations for the treatment of sanitary sewage, year-round maintenance of sanitary and storm sewer systems and planning and implementation of capital works to provide new services and improve existing systems. All services are delivered in an environmentally and fiscally responsible manner while maintaining sustainability of the infrastructure.

**(ii) Solid Waste and Recycling**

Solid Waste and Recycling provides solid waste collection services managing the safe and permanent disposal of non-hazardous wastes collected in an environmentally safe process including the management and operation of a landfill site. It also provides a variety of services and projects relating to the Management of Solid Waste for its customers and the citizens and businesses of London. Such services include daily recyclable and waste drop-off, on-site composting, residential/industrial/commercial and city facilities recycling.

**(d) Health Services**

The Middlesex-London Health Unit provides a wide range of public health services in London and Middlesex County. The programs and services are designed to help citizens live a healthy life, free from disease and injury through health promotion and prevention activities. The Health Unit also monitors the air, food and water supply in the community to make sure it is safe and provides services to individuals and communities and advocates for public policies that make the City of London healthier.

Ambulance Services provide medical emergency medical services to the City of London and Middlesex County.

**Notes to Consolidated Financial Statements (continued)**  
**Year ended December 31, 2023**  
(all dollar amounts in thousands of dollars)

---

**26. Segmented Information (continued)**

**(e) Social and Family Services**

As the Consolidated Municipal Service Manager, the Community Services Department is legislated to deliver the Province's Ontario Works program to qualified residents within the City of London; homelessness funding to local emergency shelters and administers the distribution of child care fee subsidies to families in need and wage subsidies to local child care agencies.

The Department also delivers Council-directed social services, including the London CARES initiative and the Child and Youth Agenda in partnership with community agencies and groups. The Department operates the Dearness Home long term care facility; an Adult Day Program and Home Help Services.

**(f) Social Housing**

The Housing Division is responsible for establishing and maintaining a system for administering mortgage and rent subsidies for social housing providers; receiving and evaluating financial reports of housing providers; assessing extraordinary financial requests from housing providers; responding to requests for technical support from housing providers and reviewing housing providers operations to ensure compliance with the *Housing Services Act* and any rules allocated by the Service Manager. The Division also fulfills the application intake function for social housing providers (the Housing Access Centre) and delivers federal, provincial and municipal affordable housing programs.

**(g) Parks and Recreation**

The Department works collaboratively with their colleagues and partners to improve the quality of life for all Londoners by creating opportunities for individuals to lead healthy, socially-active lives through the direct delivery of recreation programs; strengthening neighbourhoods; leading the integration of community wide initiatives; managing and operating parks and recreation facilities such as Storybook Gardens, municipal golf courses; providing aquatic opportunities; and supporting local sport and special event initiatives.

**(h) Cultural Services**

The Culture Office provides the infrastructure necessary to place a greater focus on culture by acting as the central access point for the cultural functions and responsibilities of the City of London. The Culture Office promotes collaboration, communication and the sharing of knowledge and resources for the purpose of generating economic prosperity through cultural vitality.

**26. Segmented Information (continued)**

**(i) Planning, Development and Compliance**

(i) Planning Services

Planning Services provides a wide range of planning and associated services to guide long-term land use and development activity in the City. The Division is organized under four sections – Policy Planning and Programs, Environmental and Parks Planning, Community Planning and Design and Urban Forestry. The Division employs professional resources consisting of Planners, Parks Planning Co-ordinators, Landscape Architects, a Community Projects Co-ordinator, Urban Designers, Ecologists, a Research Analyst and a Heritage Planner as well as support technical and support staff. A wide range of services are provided by the Division including Official Plan and Zoning By-law approvals, policy development, secondary plans, Community Improvement Plans, economic revitalization programs, brownfield revitalization incentives, heritage preservation incentives, urban design, environmental and ecological evaluations, parks planning, urban forestry, commemorative programs and heritage planning.

(ii) Development Services

Development Services is a multi-disciplinary team providing a single point of administration for development approvals under the *Planning Act*. The Division includes Planners, Engineers, Landscape Planners, Site Plan Officers, Inspectors, a Subdivision Co-ordinator, Integrated Land Planning Technologists and technical support staff that function as geographic teams (east and west) to provide an integrated processing framework to provide quality development approvals in a timely manner. Planning Act applications processed by Development Services include Plans of subdivision including associated Official Plan and Zoning By-law amendments, site plan approvals, condominium approvals and consents. The Division also administers subdivision and development agreement servicing standards and compliance through inspection, assumption and security management.

(iii) Building Services

Building Services, by administering the provisions of the *Ontario Building Act* and the *Building Code*, ensures high quality building construction in addition to keeping paramount the health and safety of the citizens of London. These directives are established through the enforcement of various municipal By-laws such as the Property Standards By-law, the Sign and Canopy By-law and the Pool Fence By-law to name a few.

**26. Segmented Information (continued)**

**(i) Planning, Development and Compliance (continued)**

(iv) Licensing and Municipal Law Enforcement Services

The Licensing and Municipal Law Enforcement Services area is divided into three interrelated areas. The Community By-laws section is responsible for seeking compliance with community based City by-laws which focus on health and safety, consumer protection, nuisance control and quality of life issues. The Licensing and Parking Enforcement areas are responsible for addressing compliance issues with business licensing by-laws and parking infractions. This section also manages a number of parking lots providing parking services to citizens and visitors alike. The Animal Care and Control service area is responsible for administration, planning, co-ordination and direction of animal care and control in an effort to ensure that policies, practices, directives, by-laws and regulations are in place and adhered to for the protection of the public and the welfare of domestic animals in the community.

Consolidated Financial Statements of

**THE TRUST FUNDS  
OF THE CITY OF LONDON**

And Independent Auditor's Report thereon

Year ended December 31, 2023

KPMG LLP  
140 Fullarton Street Suite 1400  
London ON N6A 5P2  
Canada  
Tel 519 672-4800  
Fax 519 672-5684

## **INDEPENDENT AUDITOR'S REPORT**

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the City of London

### ***Qualified Opinion***

We have audited the consolidated financial statements of The Trust Funds of the City of London (the "Entity"), which comprise:

- the consolidated statement of financial position as at December 31, 2023
- the consolidated statement of earnings and fund equity for the year then ended
- and notes and schedules to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the ***Basis for Qualified Opinion***, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2023, and its consolidated results of operations and changes in fund equity for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Qualified Opinion***

In common with many charitable organizations, the Entity derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of the Entity.

Therefore, we were not able to determine whether any adjustments might be necessary to:

- assets reported in the statement of financial position as at December 31, 2023 and December 31, 2022
- capital receipts and fund equity reported in the statement of earnings and fund equity for the years ended December 31, 2023 and December 31, 2022

Our opinion on the financial statements for the year ended December 31, 2022 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the ***"Auditor's Responsibilities for the Audit of the Financial Statements"*** section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Consolidated Financial Statements

Year ended December 31, 2023

---

## **1. Significant accounting policies:**

The consolidated financial statements of the Trust Funds of the City of London have been prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the CPA Canada Public Sector Accounting Handbook, including the 4200 standards for government not-for-profit organizations. The significant accounting policies are summarized below:

### a) Basis of consolidation:

The assets, liabilities, revenues, and expenditures of the trust funds of the London Public Library Board are consolidated in these financial statements.

### b) Basis of accounting:

Revenues and expenditures are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of legal obligation to pay.

### c) Contributions:

Contributions received with direction by the donor that the capital of the gift is to be held for a period of not less than ten years are included in the capital portion of each Fund.

Contributions received for library use and investment income are included in the income portion of each fund.

# THE TRUST FUNDS OF THE CITY OF LONDON

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2023

---

**1. Significant accounting policies (continued):**

d) Financial Instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. The following chart shows the measurement method for each type of financial instrument.

Financial instrument	Measurement method
Cash	Cost
Investments	Amortized cost
Accounts receivable	Cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The trust funds have not elected to reflect any financial instruments at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses. A statement of Remeasurement Gains and Losses has not been included as there are no matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

## **THE TRUST FUNDS OF THE CITY OF LONDON**

Consolidated Statement of Financial Position (continued)

Year ended December 31, 2023

---

### **2. Investments:**

Investments are recorded at cost less any amounts written off to reflect a permanent decline in value. Investments consist of term deposits with short-term maturities and interest rates ranging from 2.5% to 5.65% (2022 – 2.5% to 4.8%)

### **3. Financial risks and concentration of risk:**

The assets of the trust funds are exposed to a variety of financial risks, including credit risks and liquidity risk. Their overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the trust funds' financial performance. The trust funds are subject to interest rate risk in their investments that have variable interest rates. It is the trust funds' opinion that they are not subject to significant currency or other risks.

## INDEPENDENT AUDITOR'S REPORT

To the Chair and Members of Covent Garden Market Corporation

### ***Opinion***

We have audited the financial statements of Covent Garden Market Corporation (the Entity), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of changes in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023 and its results of operations, its remeasurement gains and losses, its changes in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Page 3

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements

Year ended December 31, 2023

---

Covent Garden Market Corporation (the "Corporation") was incorporated without share capital under The Corporations Act, 1953 and pursuant to private legislation remains a local board of The City of London (the "City"). The Corporation has erected and operates a public market and parking facilities on land leased from the City.

## 1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards, including the 4200 standards for government not-for-profit organizations.

### (a) Basis of presentation:

The Corporation follows the deferral method of accounting for contributions.

Contributions received by the Corporation without restriction are used for operational expenditures.

Contributions that are restricted in nature are used for capital expenditures or expenses determined by the Board of Directors and approved by the City.

### (b) Revenue recognition:

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions other than endowment contributions are recognized as revenue in the year in which the related expenses are recognized.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a straight line basis, at a rate corresponding with the amortization rate for the related capital assets.

Government transfer payments from the City are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expense have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (c) Property, plant and equipment:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Assets acquired under capital leases are amortized over the estimated life of the assets or over the lease term, as appropriate. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Corporation's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized on the following basis at the following annual rates:

Asset	Basis	Rate
Buildings	Straight-line	40 years
Equipment and fixtures	Declining balance	20%
Computer equipment	Declining balance	33.3%
Renovations, parking upgrade	Straight-line	10 years
Central chilling program	Straight-line	15 years

---

An asset retirement obligation is recognized when, at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (d) Deferred capital contributions:

Capital contributions are deferred and amortized over the same term and on the same basis as the related capital assets.

### (e) Financial instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, derivative instruments, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Other financial instruments, including cash and cash equivalents, investments in guaranteed investment certificates, accounts receivable, loans receivable, accounts payable and accrued liabilities, and long-term debt are initially recorded at their fair value and are subsequently measured at cost or amortized cost, net of any provisions for impairment.

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The Corporation manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no material matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (f) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to such estimates and assumptions include the carrying amount of capital assets and valuation allowances for accounts receivable. Actual results could differ from those estimates.

### (g) Government funding:

Government funding is recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the funding occur, performance criteria are met, and a reasonable estimate of the amount can be made. Government funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenditures are incurred or services performed.

## 2. Change in accounting policy - adoption of new accounting standards:

The Corporation adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

- (a) PS 1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and nonmonetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.
- (d) PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

(d) (continued)

Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

- (e) PS 3280 Asset Retirement Obligations ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023.

In the past, the Corporation has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

(e) (continued)

There was no impact to the Corporation as a result of the adoption of this standard.

## 3. Investments:

The Corporation has elected to record its investments at fair market value. Investments consist of fixed income mutual funds, bond funds and alternative funds, as well as principal at risk notes.

## 4. Accounts receivable:

	2023	2022
Trade	\$ 660,080	\$ 588,505
Provision for doubtful accounts	(312,561)	(270,492)
	<u>\$ 347,519</u>	<u>\$ 318,013</u>

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 5. Capital assets:

			2023	2022
	Cost	Accumulated amortization	Net book value	Net book value
Buildings	\$ 7,580,595	\$ 4,765,207	\$ 2,815,388	\$ 2,852,467
Equipment and fixtures	2,433,415	2,005,481	427,934	471,591
Computer equipment	58,059	53,023	5,036	4,527
Renovations, parking upgrade	165,724	121,664	44,060	48,955
Central chilling program	612,077	602,655	9,422	10,095
	<u>\$ 10,849,870</u>	<u>\$ 7,548,030</u>	<u>\$ 3,301,840</u>	<u>\$ 3,387,635</u>

Ownership of capital assets is vested with the City. The Corporation operates the facilities on behalf of the City. These fixed assets and the related amortization have been included in the financial statements of the Corporation in order to reflect the assets over which it has stewardship and the amortization costs related to those assets.

Year ended December 31, 2023

## 6. Long-term receivables:

	2023	2022
Tenant asset purchase loan, fixed interest rate of 5%, repayable in blended monthly payments of \$755, due 2027	\$ 32,161	\$ 39,245
Tenant asset purchase loan, fixed interest rate of 7.41%, repayable in blended monthly payments of \$936, due 2025	18,547	30,137
	50,708	69,382
Less current portion	8,445	16,711
	\$ 42,263	\$ 52,671

Principal repayments are due as follows:

2024	\$ 8,445
2025	17,099
2026	8,458
2027	7,344
Thereafter	9,362
	\$ 50,708

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 7. Long-term debt:

	2023	2022
Note payable to the City for construction of the mezzanine, fixed interest rate of 6.5%, unsecured, repayable in blended monthly payments of \$6,028, due 2025	\$ 135,451	\$ 196,947
Note payable to the City for purchase of Tenant A Space, fixed interest rate of 6.34%, unsecured, repayable in blended yearly payments of \$90,000, due 2024	80,573	156,229
	216,024	353,176
Less current portion long-term debt	146,132	137,152
	\$ 69,892	\$ 216,024

Future principal payments required on all long-term debt for the next 2 years are as follows:

2024	\$ 146,132
2025	69,892
	\$ 216,024

Interest paid on the notes payable to the City, a related party, amounted to \$25,189 (2022 - \$33,617).

Lease costs associated with the central refrigeration system are charged by the Corporation to the tenants who use the system. These revenues and related costs are included in the statement of operations.

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 8. Deferred capital contributions:

Deferred capital contributions represent contributions received from the City to fund construction for which the Corporation is responsible. These unamortized contributions will be recognized as revenue over the life of the assets for which they were received.

	2023	2022
Balance, beginning of year	\$ 1,609,834	\$ 1,697,021
Additional contributions received	-	3,000
Amortization of contributions	(89,526)	(90,187)
Balance, end of year	\$ 1,520,308	\$ 1,609,834

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 9. Invested in capital assets:

Invested in capital assets is calculated as follows:

	2023	2022
Capital assets	\$ 3,301,840	\$ 3,387,635
Amounts financed by:		
Deferred capital contributions	1,520,308	1,609,834
Long-term debt	216,024	353,176
	1,736,332	1,963,010
	\$ 1,565,508	\$ 1,424,625

Change in net assets invested in capital assets is calculated as follows:

	2023	2022
Deficiency of revenues over expenses:		
Amortization of capital assets	\$ (262,849)	\$ (264,985)
Amortization of deferred capital contributions	89,526	90,187
	\$ (173,323)	\$ (174,798)
Net change in investment in capital assets:		
Purchase of capital assets	\$ 177,054	\$ 84,673
Repayment of long-term debt	137,152	128,723
Deferred capital contributions received	-	(3,000)
	\$ 314,206	\$ 210,396

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 10. Changes in non-cash operating working capital:

	2023	2022
Accounts receivable	\$ (29,506)	\$ (111,551)
Prepaid expenses	(3,971)	(36,589)
Current portion of long-term receivable	(1,096)	(16,711)
Accounts payable and accrued liabilities	(28,004)	154,005
Long-term receivable	19,770	(52,671)
	<u>\$ (42,807)</u>	<u>\$ (63,517)</u>

## 11. Financial and other risks:

As the valuation of all financial instruments held by the Corporation at fair value are derived from quoted process in active markets, all would be in Level 1 of the fair value hierarchy.

### Risks arising from financial instruments and risk management

The Corporation is exposed to a variety of financial risks including credit risks, liquidity risk and market risk. The Corporation's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Corporation's financial performance.

(a) Credit risk:

The Corporation's principal financial assets that are subject to credit risk are cash and accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Corporation's maximum credit exposure as at the Statement of Financial Position date.

(b) Liquidity risk:

The Corporation mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current and the terms of long-term financing are disclosed in Note 7. There have been no significant changes from the previous year in the Corporation's exposure to liquidity risk or policies, procedures and methods used to measure the risk. Contractual maturities associated with long-term financing are described in Note 7. All accounts payable and accrued liabilities will be paid within six (6) months.

# COVENT GARDEN MARKET CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 11. Financial and other risks (continued):

### (c) Market risk:

The Corporation is exposed to interest rate risk and price risk with regard to its short and long-term investments, all of which are regularly monitored.

The Corporation's financial instruments consist of cash, bank indebtedness, accounts receivable, long-term receivables, investments, accounts payable and accrued liabilities, and long-term debt. It is the Corporation's opinion that the Corporation is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## 12. Government funding:

In 2022, the Corporation applied for and received \$1,800,000 of unrestricted funding from the City of London. Amounts received were recorded as government funding in the Statement of Operations.

Canada  
Telephone 519 672 4880  
Fax 519 672 5684

## INDEPENDENT AUDITOR'S REPORT

To the Chair and Members of Eldon House Corporation

### **Opinion**

We have audited the financial statements of Eldon House Corporation (the Corporation), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations and changes in accumulated surplus (deficit) for the year then ended
- the statement of changes in net financial debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies (Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2023 and its results of operations, its changes in net financial liabilities and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditor's Responsibilities for the Audit of the Financial Statements**" section of our auditor's report.

We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.

Page 3

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# ELDON HOUSE CORPORATION

Notes to Financial Statements

Year ended December 31, 2023

---

Eldon House Corporation (the "Corporation") was incorporated by Municipal Bylaw on January 1, 2013. The Corporation's primary activity is the management of the operations of Eldon House, a historic home and museum in London, Ontario.

## 1. Significant accounting policies:

The financial statements of the Corporation are prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants of Canada's Public Sector Handbook - Accounting ("PSAB").

### (a) Basis of accounting:

Sources of financing and expenditures are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

### (b) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Rate
Furniture and fixtures	5-7 years
Computer hardware	4 years
Website	5 years
Office equipment	5 years
CCTV security system	5 years
Audio visual equipment	4 years

---

Works of art and material cultural and historical assets are not recorded as assets in these financial statements.

### (c) Government transfers:

Government transfer payments from The Corporation of the City of London are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

# ELDON HOUSE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

(d) Deferred revenue:

Contributions received for expenses of future periods are recorded as deferred revenue and recognized as revenue in the fiscal period the expenses are incurred.

(e) Contributed services:

Volunteers contribute a significant amount of time each year to assist the Corporation in carrying out its operations. Because of the difficulty in determining the fair value, contributed services are not recognized in the financial statements.

(f) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

(g) Revenue recognition:

The Corporation follows the deferral method of accounting for contributions which include donations and grants.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions other than endowment contributions are recognized as revenue in the year in which the related expenses are recognized. Contributions restricted for the purchase of equipment and leaseholds are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related equipment and leaseholds.

Revenue from other income is recognized when the services are provided or the goods sold.

(h) Budget figures:

Budget figures have been provided for comparison purposes.

## 1. Significant accounting policies (continued):

### (i) Financial instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, derivative instruments, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Other financial instruments, including cash and cash equivalents, investments in guaranteed investment certificates, accounts receivable, loans receivable, accounts payable and accrued liabilities, and long-term debt are initially recorded at their fair value and are subsequently measured at cost or amortized cost, net of any provisions for impairment.

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The Corporation manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no material matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

## 2. Change in accounting policy - adoption of new accounting standards:

The Corporation adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

- (a) PS 1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

# ELDON HOUSE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

(d) PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses. Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

## 2. Change in accounting policy - adoption of new accounting standards (continued):

- (e) PS 3280 Asset Retirement Obligations ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023.

In the past, the Corporation has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

There was no impact to the Corporation as a result of the adoption of this standard.

## 3. Investments and marketable securities:

Investments are made up of guaranteed investment certificates which are recorded at amortized cost, have maturity dates of December 31, 2024 with an interest rate of 5%.

## 7. Comparative information:

Certain comparative information have been reclassified from those previously presented to conform to the presentation of the 2023 financial statements.

## 8. Financial risks and other risks:

### Risks arising from financial instruments and risk management

The Corporation is exposed to a variety of financial risks including credit risks, liquidity risk and market risk. The Corporation's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Corporation's financial performance.

#### (a) Credit risk:

The Corporation's principal financial assets that are subject to credit risk are cash and accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Corporation's maximum credit exposure as at the Statement of Financial Position date.

#### (b) Liquidity risk:

The Corporation mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current. There have been no significant changes from the previous year in the Corporation's exposure to liquidity risk or policies, procedures and methods used to measure the risk. All accounts payable and accrued liabilities will be paid within six (6) months.

#### (c) Market risk:

The Corporation is exposed to interest rate risk and price risk with regard to its short-term investments, all of which are regularly monitored.

The Corporation's financial instruments consist of cash, accounts receivable, investments and marketable securities, and accounts payable and accrued liabilities. It is the Corporation's opinion that the Corporation is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## INDEPENDENT AUDITOR'S REPORT

To the Venture Partners of Fair-City Joint Venture

### ***Opinion***

We have audited the financial statements of Fair-City Joint Venture (the Entity), which comprise:

- the statement of financial position as at June 30, 2023
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at June 30, 2023 and its results of operations, its changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Page 3

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A handwritten signature in black ink that reads 'KPMG LLP'. The signature is written in a cursive, slightly slanted style. Below the signature is a long, horizontal, slightly curved line that serves as a decorative underline.

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements

Year ended June 30, 2023

---

Fair-City Joint Venture (the "Joint Venture") is a partnership between the Western Fair Association (the "Association") and The City of London (the "City") entered into on September 1, 2000. The partners jointly control the Joint Venture. The purpose of the Joint Venture is to construct and operate a four pad arena to provide facilities for the betterment of the community, and is to be used by the community as a whole. The Joint Venture is registered under the Ontario Partnerships Act.

## 1. Significant accounting policies:

The financial statements have been prepared in accordance with Canadian Accounting Standards for not-for-profit organizations in Part III of the CPA Canada Handbook - Accounting. The Joint Venture's significant accounting policies are as follows:

### (a) Revenue recognition:

The Joint Venture recognizes revenue when the service has been rendered and persuasive evidence of an arrangement exists, the price to the buyer is fixed or determinable and collection is reasonably assured. Deposits received for future rentals are included in deferred revenue until the rental is provided and the sale is recognized.

Contributions restricted for the purpose of capital assets are deferred, and when expended, are amortized into revenue at a rate corresponding with the amortization for the related capital asset.

### (b) Capital assets:

Capital assets are stated at cost, less accumulated amortization. Amortization is provided using the straight-line method over the following estimated useful lives of the assets:

Asset	Useful life
Building	40 years
Machinery and equipment	5 years
Special alterations	10-25 years
Solar array under capital lease	20 years

---

When assets become fully amortized, the cost of the asset and the related accumulated amortization are removed from the respective amounts. Costs related to capital projects in progress are accumulated and no amortization is recorded until the capital project is substantially complete and the assets are ready for use. When completed, the costs of capital projects in progress are transferred to the appropriate asset category and amortized in accordance with the category's useful life.

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

---

## 1. Significant accounting policies (continued):

### (c) Employee future benefits:

#### (i) Pension plan:

The Joint Venture participates in the defined contribution pension plan sponsored by the Association.

#### (ii) Post-employment benefits other than pension:

The Joint Venture also participates in the post-employment benefits plan provided by the Association that provides its current and retired employees with extended health and dental benefits, post retirement insurance coverage and sick leave benefits. The cost of these benefits is actuarially determined using the projected benefit method prorated on service using management's best estimates of salary escalation, retirement ages of employees and expected health care costs. Remeasurement differences arising from plan amendments, changes in assumptions and actuarial gains and losses are immediately recognized in net assets.

The Joint Venture accrues its obligations under employee post-employment benefits other than pension as the employees render the services necessary to earn them based on the latest valuation for accounting purposes. The actuarial valuation is performed at least every three years. In the years between valuations, plan results are prepared based on extrapolations of the latest available valuation results.

### (d) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

---

## 1. Significant accounting policies (continued):

### (d) Financial instruments (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Joint Venture determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flow, the amount that could be realized from selling the financial asset or the amount the Joint Venture expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

### (e) Use of estimates:

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to such estimates and assumptions include the carrying amount of capital assets and employee future benefits. Actual amounts could differ from those estimates.

### (f) Government funding:

Government funding is recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the funding occur, performance criteria are met, and a reasonable estimate of the amount can be made. Government funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenditures are incurred or services performed.

At June 30, 2023, machinery and equipment includes assets under capital lease with a cost of \$134,115 (2022 - \$134,115) and accumulated amortization of \$97,538 (2022 - \$73,154).

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

## 4. Capital lease obligation:

The Joint Venture has entered into one capital lease for certain ice surfacing equipment expiring April 21, 2024 and one capital lease for a solar array expiring June 28, 2033.

2024	\$	166,603
2025		146,037
2026		146,037
2027		146,037
2028		146,037
Thereafter		657,167
Total minimum lease payments		1,407,918
Less amount representing interest at between 3.43% and 8.21%		442,645
Present value of net minimum capital lease payments		965,273
Less current portion of obligations under capital lease		89,070
		\$ 876,203

## 5. Employee future benefits:

### (a) Pension plan:

The Joint Venture contributed and expensed \$21,563 (2022 - \$21,905) to the defined contribution pension plan during the year.

### (b) Post-employment benefits other than pension:

The Joint Venture provides its current and retired employees with extended health and dental benefits and post retirement insurance coverage. The Joint Venture's post employment benefits also include sick leave benefits comprised of a non-vested and vested portion. The non-vested program allows for employees to accumulate at most 85 unused sick days and the vested program provides for 50% of sick days accumulated prior to March 2012 to be paid to the employee on retirement. All benefits are provided upon retirement and provide coverage equal to one year for every five years of employment. These benefits are not payable on death or termination.

Notes to Financial Statements (continued)

Year ended June 30, 2023

## 5. Employee future benefits: (continued):

(b) Post-employment benefits other than pension (continued):

The most recent actuarial valuation of the health plan was performed as of June 30, 2021 and the results are extrapolated to June 30, 2023. The most recent actuarial valuation of the sick leave plans was performed as of May 31, 2023 and the results are extrapolated to June 30, 2023.

The discount rate used in the actuarial measurement of the employee future benefit liability was 4.86% (2022 - 5.00%). The employee future benefit liability relating to post-employment benefits other than pension is \$116,970 (2022 - \$111,494). This liability has been recorded in the financial statements.

Benefit expenses included in salaries and benefits expenditures consist of the following:

	2023	2022
Current service cost	\$ 6,274	\$ 9,098
Interest cost	5,490	4,046
	\$ 11,764	\$ 13,144

Details of annual contributions and benefits paid are as follows:

	2023	2022
Employer contributions	\$ 9,673	\$ 3,363
Benefit payments	(9,673)	(3,363)

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

## 6. Deferred capital contributions:

Deferred capital contributions represent both the unamortized amounts of grants already spent, and the unspent amount of grants received for the future purchase of capital assets.

The change in deferred capital contributions consist of the following:

	2023	2022
Balance, beginning of year	\$ 2,949,000	\$ 2,627,000
Amortization of deferred capital contributions	(153,900)	(127,000)
Contributions received	69,800	449,000
Balance, end of year	\$ 2,864,900	\$ 2,949,000

## 7. Investments in capital assets:

Investments in capital assets consists of the following:

	2023	2022
Capital assets	\$ 10,290,269	\$ 9,785,012
Less amounts financed by:		
Obligation under capital leases	965,273	1,055,004
Deferred capital contributions:		
Deferred capital contributions	2,864,900	2,949,000
Less: amounts financed by Ontario Trillium Fund	-	(449,000)
	3,830,173	3,555,004
	\$ 6,460,096	\$ 6,230,008

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

## 7. Elected taxation amounts (continued):

The change in investment in capital assets is calculated as follows:

	2023	2022
Amortization of deferred capital contributions	\$ 153,900	\$ 127,000
Amortization of capital assets	(642,746)	(593,837)
	(488,846)	(466,837)
Purchase of capital assets	629,203	206,325
Repayment of related party debt	-	347,505
Repayment of obligations under capital leases	89,731	83,875
	\$ 230,088	\$ 170,868

## 8. Contributions to Joint Venture:

In return for their interests in the Joint Venture, both the City and the Association made contributions to the Joint Venture. The City contributed a \$5,000,000 non-refundable capital grant which is recorded as a deferred capital contribution. The Association contributed the lease of the land for the arena at below market values and ongoing project management. Under the terms of the joint venture agreement, the partners agree annually to a contribution to internally restricted net assets for future capital purchases. For the year ended June 30, 2023, both partners agreed to a total contribution of \$1,307,943 (2022 - \$636,739).

## 9. Internally restricted net assets:

	2023	2022
Balance, beginning of year	\$ 430,414	\$ -
Current year allocation to internally restricted net assets	1,307,943	636,739
Capital expenditures	(629,203)	(206,325)
Balance, end of year	\$ 1,109,154	\$ 430,414

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

## 10. Allocation of excess of revenues over expenditures to partners:

The excess of revenues over expenditures of the Joint Venture have been allocated to the partners in accordance with the Joint Venture agreement. The agreement states that the excess of revenues over expenditures will be allocated to the Association for the first five years and will be allocated equally to the partners after this time until certain related party debt repayment thresholds are met. Once the Joint Venture has repaid \$5 million of principal on the related party debt, for every \$1 million repayment thereafter, the Association's equity interest will increase by 2.857%, to a maximum of 70%, and the City's equity interest will decrease by 2.857%, to a minimum of 30%. Any deficiency of revenue over expenditures incurred by the Joint Venture accrues to the Association.

The Association's equity interest as at June 30, 2023 was 70.00% (2022 - 70.00%) and the City's equity interest was 30.00% (2022 - 30.00%). As per the partnership agreement, change in the equity interest is applied to the first day in the year that the threshold is met and to each year thereafter when subsequent repayment thresholds are met.

The terms of the Joint Venture Agreement stipulate that the excess of revenues over expenditures available for distribution to the partners annually is determined as follows:

	2023	2022
Excess of revenues over expenditures	\$ 912,213	\$ 806,384
Amortization of capital assets	642,746	593,837
Amortization of deferred capital contributions	(153,900)	(127,000)
Repayment of related party debt	-	(347,505)
Repayment of obligations under capital leases	(89,731)	(83,875)
Excess (deficiency) of revenues over expenditures	1,311,328	841,841
Allocation to internally restricted net assets	(1,307,943)	(636,739)
Employee future benefit remeasurements	(3,385)	28,058
Amounts available for distribution to (contributions required by) partners	\$ -	\$ 233,160

# FAIR-CITY JOINT VENTURE

Notes to Financial Statements (continued)

Year ended June 30, 2023

---

## 11. Related party transactions:

During the year, the Joint Venture entered into the following transactions, which are recorded at the exchange amount, with related parties:

- (a) During the year, the City, a related party, rented ice time from the Joint Venture in the amount of \$2,258,509 (2022 - \$1,928,641). Additionally, included in accounts receivable is \$nil (2022 - \$nil) due from the City.
- (b) The Joint Venture also paid interest of \$nil (2022 - \$4,568) to the City on account of the related party debt.
- (c) Partner distributions of \$nil were declared during the year and paid or payable to the Association and the City (2022 - \$233,160).
- (d) During the year, the Joint Venture paid management fees to the Association in the amount of \$245,335 (2022 - \$214,981).
- (e) The amount due to Western Fair Association of \$119,880 (2022 - \$20,278) is unsecured and non-interest bearing with no specific repayment terms. Additionally, included in accounts receivable is \$nil (2022 - \$355,162) due from the Association.

## 12. Financial risks and concentration of risk:

- (a) Liquidity risk:

Liquidity risk is the risk that the Joint Venture will be unable to fulfil its obligations in a timely basis or at a reasonable cost. The Joint Venture manages its liquidity risk by monitoring its operating requirements. There have been no changes to the risk exposures from 2022.

- (b) Credit risk:

Credit risk is the risk of financial loss to the Joint Venture if a counterparty to a financial instrument fails to meet its obligation. The Joint Venture is exposed to credit risks with respect to accounts receivable. The Joint Venture has established policies for extending credit to various businesses, groups and individuals who purchase goods and services from the Joint Venture in order to reduce incidents of non-payment. Management believes that the credit risk is minimized by dealing with creditworthy counterparties.

**DRAFT** Financial Statements of

**HAMILTON ROAD BUSINESS  
IMPROVEMENT AREA  
BOARD OF MANAGEMENT**

And Independent Auditor's Report thereon

Year ended December 31, 2023

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the Hamilton Road Business Improvement Area Board of Management

### ***Opinion***

We have audited the financial statements of the Hamilton Road Business Improvement Area Board of Management (the "Board"), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies.

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Board as at December 31, 2023, and its results of operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# HAMILTON ROAD BUSINESS IMPROVEMENT AREA BOARD OF MANAGEMENT

## DRAFT Notes to Financial Statements

Year ended December 31, 2023

---

Subsection 204(1) of the Municipal Act, 2001 provides that a local municipality may designate an area as an improvement area and may establish a board of management. Hamilton Road Business Improvement Area Board of Management (the "Board") was incorporated on October 2, 2018, in the Province of Ontario. The Board was established as a local board of the Corporation of the City of London to manage the Hamilton Road Business Improvement Area.

The Board was established to oversee the improvement, beautification and maintenance of municipally-owned land, buildings and structures in the area beyond that provided at the expense of the municipality generally and to promote the area as a business or shopping area.

Prior to incorporation, the Board operated as Hamilton Road Business Association and incurred revenue and expenses in the normal course of business.

The financial statements of the Board are prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants of Canada Public Sector Handbook - Accounting.

### 1. Significant accounting policies:

The financial statements of the Board are prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants of Canada Public Sector Accounting Handbook. The Board's significant accounting policies are as follows:

#### (a) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Computer equipment	4

# HAMILTON ROAD BUSINESS IMPROVEMENT AREA BOARD OF MANAGEMENT

DRAFT Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (b) Government transfers:

Government transfer payments from The Corporation of the City of London are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

### (c) Deferred revenue:

Contributions received for expenses of future periods are recorded as deferred revenue and recognized as revenue in the fiscal period the expenses are incurred.

### (d) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

### (e) Budget figures:

Budget figures have been provided for comparison purposes.

### (f) Donations in kind:

The Old East Village Business Improvement Area recognizes revenues and expenses for services which are donated which can be reasonably valued and are services which otherwise would have been purchased.

# HAMILTON ROAD BUSINESS IMPROVEMENT AREA BOARD OF MANAGEMENT

DRAFT Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (g) Related party transactions:

Monetary related party transactions and non-monetary related party transactions that have commercial substance are measured at the exchange amount when they are in the normal course of business, except when the transaction is an exchange of a product or property held for sale in the normal course of operations. Where the transaction is not in the normal course of operations, it is measured at the exchange amount when there is a substantive change in the ownership of the item transferred and there is independent evidence of the exchange amount. All other related party transactions are measured at the carrying amount.

### (h) Financial instruments:

Financial instruments are classified into three categories: fair value, amortized cost or cost. The following chart shows the measurement method for each type of financial instrument.

Financial Instrument	Measurement Method
Cash	Cost
Accounts receivable	Cost
Accounts payable and accrued liabilities	Cost

---

Fair value category: The Board manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

# HAMILTON ROAD BUSINESS IMPROVEMENT AREA BOARD OF MANAGEMENT

DRAFT Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (i) Financial instruments (continued):

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

## 2. Change in accounting policy - adoption of new accounting standards:

The Board adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

PS1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and nonmonetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.

PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

# HAMILTON ROAD BUSINESS IMPROVEMENT AREA BOARD OF MANAGEMENT

DRAFT Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and nonmonetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.

PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

### Fair value hierarchy

The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and

Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

# HAMILTON ROAD BUSINESS IMPROVEMENT AREA BOARD OF MANAGEMENT

DRAFT Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

PS 3280 Asset Retirement Obligations ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023. There was no impact to the financial statements as a result of the adoption of this standard.

## 3. Investments:

Investments are made up of guaranteed investment certificates which are recorded at amortized cost, have maturity dates of December 31, 2024 with an interest rate of 5%.

## 4. Accumulated surplus:

The balance of accumulated surplus is comprised of the following:

	2023	2022
Invested in tangible capital assets	\$ 861	\$ 1,086
Operating fund	224,060	45,803
	<u>\$ 224,921</u>	<u>\$ 46,889</u>

Year ended December 31, 2023

## 5. Tangible capital assets:

Cost	December 31, 2022	Additions	Disposals	December 31, 2023
Computer equipment	\$ 2,548	\$ 550	\$ (560)	\$ 2,538
<b>Total</b>	<b>\$ 2,548</b>	<b>\$ 550</b>	<b>\$ (560)</b>	<b>\$ 2,538</b>

Accumulated amortization	December 31, 2022	Amortization Expense	Disposals	December 31, 2023
Computer equipment	\$ 1,462	\$ 636	\$ 421	\$ 1,677
<b>Total</b>	<b>\$ 1,462</b>	<b>\$ 636</b>	<b>\$ 421</b>	<b>\$ 1,677</b>

	Net book value December 31, 2022	Net book value December 31, 2023
Computer equipment	\$ 1,086	\$ 861
<b>Total</b>	<b>\$ 1,086</b>	<b>\$ 861</b>

## 6. Related party transactions:

At year end, the amount due from Hyde Park BIA relating to the shared Digital Main Street grant was \$1,392 (2022 - \$9,817) .

Included in government grant revenue is \$10,389 (2022 - \$346) received from the City of London.

## 7. Financial risks and concentration of risk:

### Risks arising from financial instruments and risk management

The Board is exposed to a variety of financial risks including credit risk, liquidity risk and market risk. The Board's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Board's financial performance.

(a) Credit risk:

The Board's principal financial assets are cash and accounts receivable, which are subject to credit risk. The carrying amounts of financial assets on the Statement of Financial Position represent the Board's maximum credit exposure as at the Statement of Financial Position date.

(b) Liquidity risk:

The Board mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all payable within six months. There have been no significant changes from the previous year in the Board's exposure to liquidity risk or policies, procedures and methods used to measure the risk.

The Board's financial instruments consist of cash, other investments, accounts receivable and accounts payable and accrued liabilities. It is the Board's opinion that the Board is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## **INDEPENDENT AUDITOR'S REPORT**

To the Shareholder of Housing Development Corporation, London

### ***Opinion***

We have audited the financial statements of Housing Development Corporation, London (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

Page 2

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Page 3

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Page 4

- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**HOUSING DEVELOPMENT CORPORATION, LONDON**  
**Notes to the Financial Statements**  
**Year ended December 31, 2023**

---

**1. Nature of Reporting Entity**

Housing Development Corporation, London (the “Corporation”) is a municipal services corporation with share capital incorporated under the *Business Corporations Act*, R.S.O. 1990, c.B.16 on October 26, 2015.

The Corporation is a wholly owned subsidiary company of The Corporation of the City of London (the “City”) and is managed by a Board of Directors appointed by the City, as the sole shareholder.

**2. Significant Accounting Policies**

The financial statements of the Corporation are prepared by management, in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants (CPA) of Canada Public Sector Handbook – Accounting.

Significant accounting policies are as follows:

**(a) Basis of Accounting**

Sources of financing and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**(b) Asset Retirement Obligation**

An asset retirement obligation is recognized when, as the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

**(c) Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

**HOUSING DEVELOPMENT CORPORATION, LONDON**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(c) Tangible Capital Assets (continued)**

<b>Asset</b>	<b>Useful Life - Years</b>
Leasehold improvements	Lease term
Building	40
Equipment and furniture	5-10

Annual amortization is charged in the year of acquisition and in the year of disposal using the following rules:

- Leasehold improvements - prorated by month, based on in-service date.
- Building, equipment and furniture - half year rule.

Assets under construction are not amortized until the asset is available for productive use.

**(d) Government Transfers**

Government transfer payments from the City are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

**(e) Financial Instruments**

Financial instruments are classified in one of the following categories: (i) fair value; (ii) cost or amortized cost. The Corporation determines the classification of its financial instruments at initial recognition.

Unsecured debentures and other long-term debt are initially recorded at fair value and subsequently measured at amortized cost using the effective interest rate method. Transaction costs related to the issuance of long-term debt are capitalized and amortized over the term of the debt.

Other financial instruments, including due to and from the Corporation of the City of London, trade accounts receivable, loans receivable, accounts payable and accrued liabilities, are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

**HOUSING DEVELOPMENT CORPORATION, LONDON**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**2. Significant Accounting Policies (continued)**

**(e) Financial Instruments (continued)**

The following table provides the carrying amount information of the Corporation's financial instruments by category.

<b>Financial Instruments</b>	<b>Measurement Method</b>
Due to and from the Corporation of the City of London	Cost
Trade and other receivables	Cost
Other loans receivable	Amortized Cost
Accounts payable and accrued liabilities	Cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The Corporation manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reverses from the Statement of Remeasurement Gains and Losses. A statement of Remeasurement Gains and Losses has not been included as there are no material matters to report therein.

The fair value of a financial instrument is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. The fair value of a financial instrument on initial recognition is the transaction price at the trade date, which is the fair value of the consideration given or received. After initial recognition, the fair values of financial instruments that are quoted in active markets are based on bid prices for financial assets held and offer prices for financial liabilities. When independent prices are not available, fair values are determined by using valuation techniques that refer to observable market data. These include comparisons with similar instruments where market observable prices exist, discounted cash flow analysis, option pricing models and other valuation techniques commonly used by market participants.

**2. Significant Accounting Policies (continued)**

**(e) Financial Instruments (continued)**

Amortized cost category: Amounts are measured using the effective interest rate method. The effective interest rate method is a method of calculating the amortized cost of a financial asset or financial liability (or group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations and any unrealized gain is adjusted through the statement of remeasurement gains and losses.

When the asset is sold, the unrealized gains and losses previously recognized in the statement of remeasurement gains and losses are reversed and recognized in the statement of operations.

**2. Significant Accounting Policies (continued)**

**(f) Loans Receivable**

Loans receivable are recorded at the lower of amortized cost and the net recoverable value when the risk of loss exists. Recoverability is reviewed annually, and a valuation allowance is recorded when recoverability is impaired. A loan receivable is written off when it is no longer recoverable. Recoveries of loans receivable previously written off are recognized in the year received. Changes in the valuation of loans receivables are recognized in the statement of operations and accumulated surplus. Interest is accrued on loans receivable to the extent it is deemed collectable.

When the terms associated with a loan are considered concessionary such that all or a part of the loan is a grant, the Corporation will expense the grant portion of the transaction in the statement of operations and accumulated surplus at the time the loan is made.

**(g) Foreign Currency Translation**

Monetary assets and liabilities denominated in foreign currencies are translated at the prevailing rates of exchange at the year-end date. Revenue and expenses are translated at the exchange rate prevailing on the transaction date. Realized and unrealized exchange gains and losses are included in the statement of operations.

**(h) Use of Estimates**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include the valuation allowances for receivables and useful lives assigned to tangible capital assets.

Actual results could differ from those estimates.

**(i) Budget Figures**

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by the Public Sector Accounting Board ("PSAB"), certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

**2. Significant Accounting Policies (continued)**

**(j) Liability for Contaminated Sites**

Under PS 3260, liability for contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. This Standard relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination.

**(k) Related Party Disclosures**

Related parties exist when one party has the ability to control or has shared control over another party. Individuals that are key management personnel or close family members may also be related parties.

Disclosure is made when the transactions or events between related parties occur at a value different from what would have been recorded if they were not related and the transactions could have a material financial impact on the financial statements.

**(l) Inter-entity Transactions**

Transactions between related parties are recorded at carrying amounts with the exception of the following:

- Transactions in the normal course of business are recorded at exchange amount.
- Transactions with fair value consideration are recorded at exchange amount.
- Transfer of an asset or liability at nominal or no consideration is recorded by the provider at carrying amount and the recipient has the choice of either carrying amount or fair value.
- Cost allocations are reported using the exchange amount and revenues and expenses are reported on a gross basis.
- Unallocated costs for the provision of goods or services maybe recorded by the provider at cost, fair value or another amount dictated by policy, accountability structure or budget practice.

**2. Significant Accounting Policies (continued)**

**(m) Future Accounting Pronouncements**

These standards and amendments were not yet effective for the year ended December 31, 2023, and have therefore not been applied in preparing these consolidated financial statements. Management is currently assessing the impact of the following accounting standards updates on the future consolidated financial statements.

(i) Revenue

PS 3400, Revenue, establishes a single framework to categorize revenues to enhance the consistency of revenue recognition and its measurement. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Corporation's December 31, 2024 year-end).

(ii) Public Sector Guideline 8 Purchased Intangible

Public Sector Guideline 8 Purchased Intangible, allows public sector entities to recognize intangible purchased through an exchange transaction. This guideline is effective for fiscal years beginning on or after April 1, 2023 (the Corporation's December 31, 2024 year-end).

(iii) Public Private Partnerships

PS 3160, Public Private Partnerships (P3s), provides specific guidance on the accounting and reporting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Corporation's December 31, 2024 year-end).

**3. Change in Accounting Policies - Adoption of New Accounting Standards**

The Corporation adopted the following standards concurrently, beginning January 1, 2023:

**(a) PS 1201, Financial Statement Presentation**

PS 1201, Financial Statement Presentation replaces PS 1200, Financial Statement presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601, Foreign Currency Translation, PS 3450, Financial Instruments, and PS 3041, Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

**(b) PS 3041, Portfolio Investments**

PS 3041, Portfolio Investments replaces PS 3040, Portfolio Investments. The standard provides guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450, Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030, Temporary Investments no longer applies.

**(c) PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation**

The Corporation adopted PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation standards prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450, all financial instruments, including derivatives, are included on the statement of financial position, and are measured at either fair value or amortized cost based on characteristics of the instrument and the Corporation's accounting policy choices. (see note 2, Significant accounting policies). Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

These above standards were adopted prospectively. There was no impact to the Corporation as a result of the adoption of the above standards.

**3. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(d) PS 3280, Asset Retirement Obligations**

The Corporation adopted PS 3280, Asset Retirement Obligations (ARO). The new accounting standard addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets by public sector entities. The standard was adopted on the modified retrospective basis at the date of adoption. Under the modified retrospective method, the discount rate and assumptions used on initial recognition are those as of the date of adoption of the standard.

There was no impact to the Corporation as a result of the adoption of PS 3280, Asset Retirement Obligations.

**4. Related Party Transactions**

The City maintains a separate general ledger on behalf of the Corporation. All funds are paid and received through the City's bank account and are held for use by the Corporation.

In accordance with the City of London Council's direction of September 2, 2014, the Corporation has been extended shared services support from the City. The City's support services include information technology, risk management, facility, finance, payroll, purchasing, legal and other administrative services to ensure operational efficiency. The Corporation incurred charges of **\$51,198** (2022 - \$37,967) for these services and this expense has been included in the Statement of Operations.

In 2023, the Corporation transferred land to the City with a carrying value of **\$404,581**, for nominal consideration. This loss on disposal has been recorded in the Statement of Operations in external transfers.

During the year, the Corporation received municipal revenues from the shareholder, as follows:

- Operating appropriation revenue of **\$57,371** (2022 - \$174,169)
- Annual contribution to the affordable housing reserve fund of **\$3,300,000** (2022 - \$3,080,000)
- Municipal funding contribution of **\$2,122,351** (2022 - \$10,699,246) towards building construction and rental property operations.
- Municipal revenue for insurance claims of **\$199,000**.

As at December 31, 2023, the Corporation owed the City **\$2,834,835** (2022 - \$26,800), along with **\$28,998** (2022 - \$27,357), owing to other Boards of the City. Included in trades and other receivables is **\$274,985** (2022 - \$117,458) due from other Boards of the City.

**HOUSING DEVELOPMENT CORPORATION, LONDON**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**9. Budget Data**

Budget data presented in these financial statements are based upon the 2023 operating budget approved by the Board. Adjustments to budgeted values were required to provide comparative budget values based on the full accrual basis of accounting. These adjustments include revenues and expenses which were budgeted in the capital budget and amortization. Given that certain budget information is not available in full accrual format, the assumption of using budget adjustments that equal the actual full accrual adjustments was used. These full accrual budget estimates are for financial statement presentation only.

The chart below reconciles the approved budget with the budget figures as presented in these financial statements.

	<b>Budget</b>
<b>Revenues</b>	
Municipal revenue – The Corporation of the City of London	\$ 4,176,797
Municipal revenue – Transfers from capital and reserve fund	48,000
Government grants	2,000
<b>Total Revenues</b>	<b>4,226,797</b>
<b>Expenses</b>	
Personnel costs	556,390
Administrative expenses	47,500
Financial expenses - Transfers to reserve fund	3,300,000
Purchased services	110,197
Materials and supplies	12,080
Furniture and equipment	15,000
Recovered expenses	185,630
<b>Total expenses</b>	<b>4,226,797</b>
<b>Net surplus as per approved budget</b>	<b>-</b>
<b>PSAB reporting requirements and Budget adjustments:</b>	
Capital program funding earned in year	1,473,269
Decrease in transfers to (from) capital and reserve fund	3,252,000
Increase in amortization	(689,000)
Increase in interest income - reserve fund	217,000
<b>Net PSAB budget surplus as per financial statements</b>	<b>\$ 4,253,269</b>

**HOUSING DEVELOPMENT CORPORATION, LONDON**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**10. Commitments**

- (a) The City is responsible for the delivery and administration of affordable housing programs in the City of London and the County of Middlesex. The City has delegated responsibilities for the administration and development activities for capital development within the Rental Housing Component to the Corporation. Under this delegated authority, the Corporation has entered into various Municipal Contribution Agreements related to Affordable Housing Programs. The agreements are between the Corporation, the City and the successful proponent, who is selected through a procurement process. The agreements establish the proponent's obligations with respect to the program and the Corporation's and City's obligation to provide funding to the proponent.

As at December 31, 2023, the Corporation has outstanding commitments remaining on these agreements of **\$557,745** (2022 - \$618,625).

- (b) The Corporation also has outstanding commitments remaining on construction contracts as at December 31, 2023, of **\$141,513** (2022 - \$nil).

**11. Financial Instruments and Risk Management**

The Corporation's activities expose it to credit risk and liquidity risk.

**HOUSING DEVELOPMENT CORPORATION, LONDON**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**11. Financial Instruments and Risk Management (continued)**

**(a) Credit Risk**

Credit risk is the risk of financial loss if a counterparty fails to honour its contractual obligation.

The Corporation is also subject to credit risk with respect to loans and trade accounts receivables. The Corporation manages credit risk by engaging with recognized, credit worthy third parties. The Corporation has no significant concentration of credit risk with any one individual customer. There were no changes in exposures to credit risk during the year. The outstanding amounts related to financial instruments are presented in the table below.

	Current	31-60 days	61-90 days	91-120 days	Over 120 days	Total
Other account receivables	\$941,809	\$ -	\$ -	\$ -	\$ -	\$941,809
<b>Net receivable</b>	<b>\$941,809</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$941,809</b>

	Within 1 year	1 to 2 years	2 to 5 years	Over 5 years	Total
Loans and long-term receivables	\$ -	\$ -	\$ -	\$289,260	\$289,260
<b>Total</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$289,260</b>	<b>\$289,260</b>

**(b) Liquidity Risk**

The Corporation is also exposed to liquidity risk with respect to accounts payable and accrued liabilities. Most accounts payable and accrued liabilities are expected to be settled in thirty days. The maturities of other financial liabilities are provided in the notes to financial statements related to those liabilities. There have been no significant changes in the exposure to risk or policies, procedures, or methods to measure risk. The outstanding amounts related to financial instruments at year-end are presented in the table below.

	Within 1 year	1 to 2 years	2 to 5 years	Over 5 years	Total
Accounts payable and accrued liabilities	\$315,559	\$ -	\$ -	\$ -	\$315,559
<b>Total</b>	<b>\$315,559</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$315,559</b>

**12. Other matters**

The Corporation of the City of London (City), the sole shareholder of the Corporation, has undertaken resolutions to direct the transition of the affordable housing portfolio of the Housing Development Corporation, London into the City's corporate structure, including the Corporation's staff and business operations. At its Municipal Council meeting on March 23, 2021, the City resolved to have Civic Administration undertake all actions required to support the dissolution of the Corporation and report back when it has been confirmed that all commitments and functions of the Corporation have been assumed by the City.

**DRAFT** Financial Statements of

**THE HYDE PARK BUSINESS  
IMPROVEMENT ASSOCIATION  
BOARD OF MANAGEMENT**

And Independent Auditor's Report thereon

Year ended December 31, 2023

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The Hyde Park Business Improvement Association Board of Management

### ***Opinion***

We have audited the financial statements of The Hyde Park Business Improvement Association Board of Management (the Board), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations and accumulated surplus for the year then ended
- the statement of changes in net financial assets (debt) for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Board as at December 31, 2023 and its results of operations, its changes in net financial assets (debt) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# THE HYDE PARK BUSINESS IMPROVEMENT ASSOCIATION BOARD OF MANAGEMENT

Notes to Financial Statements

**DRAFT**

Year ended December 31, 2023

---

Subsection 204(1) of the Municipal Act, 2001 provides that a local municipality may designate an area as an improvement area and may establish a board of management. The Hyde Park Business Improvement Association Board of Management (the "Board") was incorporated on October 3, 2017, in the Province of Ontario. The Board was established as a local board of the Corporation of the City of London to manage the Hyde Park Business Improvement Area.

The Board was established to oversee the improvement, beautification and maintenance of municipally-owned land, buildings and structures in the area beyond that provided at the expense of the municipality generally and to promote the area as a business or shopping area.

Prior to incorporation, the Board operated as Hyde Park Business Association and incurred revenue and expenses in the normal course of business.

## 1. Significant accounting policies:

The financial statements of the Board are prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants of Canada Public Sector Accounting Handbook. The Board's significant accounting policies are as follows:

(a) Basis of accounting:

Sources of financing and expenditures are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(b) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Rate
Furniture and fixtures	10 years
Computer hardware	4 years
Leasehold improvements	Lease-term

---

# THE HYDE PARK BUSINESS IMPROVEMENT ASSOCIATION BOARD OF MANAGEMENT

Notes to Financial Statements (continued)

**DRAFT**

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

(c) Government transfers:

Government transfer payments from The Corporation of the City of London are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

(d) Deferred revenue:

Contributions received for expenses of future periods are recorded as deferred revenue and recognized as revenue in the fiscal period the expenses are incurred.

(e) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

(f) Financial instruments:

Financial instruments are classified into three categories: fair value, amortized cost or cost. The following chart shows the measurement method for each type of financial instrument.

Financial Instrument	Measurement Method
Cash	Cost
Accounts receivable	Cost
Accounts payable and accrued liabilities	Cost

---

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

# THE HYDE PARK BUSINESS IMPROVEMENT ASSOCIATION BOARD OF MANAGEMENT

Notes to Financial Statements (continued)

**DRAFT**

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (f) Financial instruments (continued):

Fair value category: The Board manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

### (g) Budget figures:

Budget figures have been provided for comparison purposes.

## 2. Change in Accounting policy – adoption of new accounting standards:

The Board adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

PS1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

# THE HYDE PARK BUSINESS IMPROVEMENT ASSOCIATION BOARD OF MANAGEMENT

Notes to Financial Statements (continued)

**DRAFT**

Year ended December 31, 2023

---

## 2. Change in Accounting policy – adoption of new accounting standards (continued):

PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.

PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

### Fair value hierarchy

The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and

Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

Notes to Financial Statements (continued)

**DRAFT**

Year ended December 31, 2023

---

## 2. Change in Accounting policy – adoption of new accounting standards (continued):

PS 3280 Asset Retirement Obligations ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023. There was no impact to the financial statements as a result of the adoption of this standard.

## 3. Accumulated surplus (deficit):

The balance of accumulated surplus (deficit) is comprised of the following:

	2023	2022
Invested in tangible capital assets	\$ 79,277	\$ 40,728
Operating fund	(90,806)	252,646
	\$ (11,529)	\$ 293,374

## 5. Related party transactions:

At December 31, 2023, there was an amount payable from the Board to the Corporation of the City of London of \$155,423 (2022 - \$3,004) which has been included in accounts payable and accrued liabilities. Also included in accounts payable and accrued liabilities is \$9,928 (2022 - \$43,629) owing to certain other Boards of the City of London.

## 6. Commitments:

The Board has entered into a five-year lease agreement for their premises. Future minimum lease payments under the lease as of December 31, 2023 are as follows:

Year ending December 31:

---

2024	\$	24,984
2025		25,734
2026		26,506
2027		22,637
	\$	99,861

---

## 7. Financial risks and concentration of risk:

Risks arising from financial instruments and risk management.

The Board is exposed to a variety of financial risks including credit risk, liquidity risk and market risk. The Board's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Board's financial performance.

### (a) Credit risk:

The Board's principal financial assets are cash and accounts receivable, which are subject to credit risk. The carrying amounts of financial assets on the Statement of Financial Position represent the Board's maximum credit exposure as at the Statement of Financial Position date.

# THE HYDE PARK BUSINESS IMPROVEMENT ASSOCIATION BOARD OF MANAGEMENT

Notes to Financial Statements (continued)

***DRAFT***

Year ended December 31, 2023

---

## 7. Financial risks and concentration of risk (continued):

### (b) Liquidity risk:

The Board mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all payable within six months. There have been no significant changes from the previous year in the Board's exposure to liquidity risk or policies, procedures and methods used to measure the risk.

The Board's financial instruments consist of cash, other investments, accounts receivable and accounts payable and accrued liabilities. It is the Board's opinion that the Board is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of The London Convention Centre Corporation

***Opinion***

We have audited the financial statements of The London Convention Centre Corporation (the Entity), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023 and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Page 3

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements

Year ended December 31, 2023

---

## 1. Significant accounting policies:

The financial statements of The London Convention Centre Corporation (the "Corporation") are prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants Canada Public Sector Accounting Handbook.

### (a) Basis of accounting:

Sources of financing and expenditures are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

### (b) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Rate
Buildings and building improvements	5-40 years
Furniture and equipment	5-20 years
Infrastructure	3-10 years
Vehicles	10-20 years

---

The estimated useful lives of assets are reviewed by management and adjusted if necessary.

An asset retirement obligation is recognized when, at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (c) Revenue recognition:

Revenue from events is recorded in the statement of operations in the year in which the event is held, and the related receivable is considered collectible.

Government transfer payments are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

### (d) Inventory:

Inventory is valued at the lower of cost, being laid down cost, and net realizable value, using the specific item costing method.

### (e) Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions about future events. These estimates and the underlying assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Such estimates include valuation of accounts receivable, inventory, and tangible capital assets. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors, including the current economic environment, and makes adjustments in the financial statements on a prospective basis. As future events and their effects cannot be determined with precision, actual results could differ significantly from these estimates.

### (f) Budget figures:

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and public sector accounting standards ("PSAS"), certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAS.

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (g) Financial instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, derivative instruments, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Other financial instruments, including cash and cash equivalents, investments in guaranteed investment certificates, accounts receivable, loans receivable, accounts payable and accrued liabilities, and long-term debt are initially recorded at their fair value and are subsequently measured at cost or amortized cost, net of any provisions for impairment.

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The Corporation manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no material matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards:

The Corporation adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

- (a) PS 1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and nonmonetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

- (d) PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 2. Change in accounting policy - adoption of new accounting standards (continued):

- (e) PS 3280 Asset Retirement Obligations ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023 on a modified retroactive basis with prior period restatement.

In the past, the Corporation has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

## 3. Accounts receivable:

Included in accounts receivable is \$148,007 (2022 - \$25,815) owing from the City of London.

## 4. Inventory:

At December 31, inventory consists of:

	2023	2022
Food	\$ 25,097	\$ 28,386
Beverages	41,869	57,813
	\$ 66,966	\$ 86,199

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 5. Capital reserve:

A capital reserve is managed by The City of London to finance future capital expenditures. The reserve has not been recognized in these financial statements and will be accounted for as the funds are received and expended.

	2023	2022
Opening balance	\$ 2,405,852	\$ 2,174,386
Interest	51,151	38,310

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 6. Tangible capital assets (continued):

Ownership of capital assets is vested with the City of London. The Centre Corporation operates the facilities on behalf of the City of London. The fixed assets and the related amortization have been included in the financial statements of The London Convention Centre Corporation in order to reflect the assets over which it has stewardship.

## 7. Pension agreement:

The London Convention Centre Corporation contributes to the Ontario Municipal Employees Retirement Fund ("OMERS") which is a multi-employer plan, on behalf of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to OMERS for 2023 was \$233,015 (2022 - \$188,199) for current service and is expensed in the statement of operations.

The last available report for the OMERS plan was on December 31, 2023. At that time, the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.7 billion), based on actuarial liabilities for \$136.1 million (2022 - \$130.3 million) and actuarial assets for \$131.9 million (2022 - \$123.6 million). If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions will be required in the future.

## 8. Accumulated surplus:

Accumulated surplus consists of individual fund surplus and reserves funds as follows:

	2023	2022
Surplus:		
Invested in tangible capital assets	\$ 16,874,878	\$ 16,725,652
Other	411,085	259,379
	<u>\$ 17,285,963</u>	<u>\$ 16,985,031</u>

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 9. Income from operations:

In order to assess the operations of the Corporation, management removes the impact of capital items from the operating results included in the statement of operations. Accordingly, management defines income from operations as follows:

	2023	2022
Annual surplus (deficit)	\$ 300,932	\$ (161,831)
Add back:		
Amortization	1,398,083	1,343,444
City appropriation	1,030,329	699,983
	2,428,412	2,043,427
Deduct:		
City capital funding	(1,855,114)	(1,174,348)
	\$ 874,230	\$ 707,248

## 10. Budget data:

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by the PSAB, certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

Revenues	\$ 5,845,335
Cost of goods sold	(1,124,576)
Expenses	(5,534,456)
Annual deficit, as budgeted	(813,697)
City capital appropriation	677,604
Capital reserve drawdown	460,000
Amortization of capital assets	(1,343,444)
City appropriation	(677,604)
Annual deficit, revised	\$ (1,697,141)

# THE LONDON CONVENTION CENTRE CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 11. Contingencies:

The Corporation is subject to certain actual and potential legal claims, which have arisen in the normal course of operations. It has been determined by management that the outcome of these claims are not determinable at this point and as such, no amounts have been included in these financial statement.

## 12. Financial and other risks:

As the valuation of all financial instruments held by the Corporation at fair value are derived from quoted process in active markets, all would be in Level 1 of the fair value hierarchy.

### Risks arising from financial instruments and risk management

The Corporation is exposed to a variety of financial risks including credit risks, liquidity risk and market risk. The Corporation's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Corporation's financial performance.

#### (a) Credit risk:

The Corporation's principal financial assets that are subject to credit risk are cash and accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Corporation's maximum credit exposure as at the Statement of Financial Position date.

#### (b) Liquidity risk:

The Corporation mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current. There have been no significant changes from the previous year in the Corporation's exposure to liquidity risk or policies, procedures and methods used to measure the risk. All accounts payable and accrued liabilities will be paid within six (6) months.

The Corporation's financial instruments consist of cash, bank indebtedness, accounts receivable, long-term receivables, and accounts payable and accrued liabilities. It is the Corporation's opinion that the Corporation is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of London Downtown Business Association

### ***Opinion***

We have audited the combined financial statements of London Downtown Business Association (the Entity), which comprise:

- the combined statement of financial position as at December 31, 2023
- the combined statement of operations for the year then ended
- the combined statement of change in net financial assets for the year then ended
- the combined statement of cash flows for the year then ended
- and notes to the combined financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the financial statements present fairly, in all material respects, the combined financial position of the Entity as at December 31, 2023, and its combined results of operations, its combined change in net financial assets and its combined cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Combined Financial Statements

Year ended December 31, 2023

---

### 1. Significant accounting policies:

The combined financial statements of the London Downtown Business Association (the "Association") are prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants Canada Public Sector Handbook - Accounting.

(a) Basis of accounting:

Sources of financing and expenditures are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(b) Cash equivalents:

Cash equivalents consist of guaranteed investment certificates due on demand.

(c) Investments:

Investments consist of guaranteed investment certificates. Interest income is recognized as it is earned.

(d) Government transfers:

Government transfer payments from the City of London are recognized in the combined financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

(e) Deferred revenue:

Funds received for expenses of future periods are deferred and recognized as income when the costs for which the revenue is received are incurred.

# LONDON DOWNTOWN BUSINESS ASSOCIATION

Notes to Combined Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

(f) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Rate
Furniture	5 years
Computer equipment	4 years
Leasehold improvements	Lease term

(g) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Such estimates include valuation of accounts receivable, tenant improvement loans and other long-lived assets. Actual results could differ from those estimates.

(h) Budget amounts:

Budget figures have been provided for comparison purposes.

(i) Related party transactions:

Monetary related party transactions and non-monetary related party transactions that have commercial substance are measured at the exchange amount when they are in the normal course of business, except when the transaction is an exchange of a product or property held for sale in the normal course of operations. Where the transaction is not in the normal course of operations, it is measured at the exchange amount when there is a substantive change in the ownership of the item transferred and there is independent evidence of the exchange amount. All other related party transactions are measured at the carrying amount.

# LONDON DOWNTOWN BUSINESS ASSOCIATION

Notes to Combined Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (j) Financial instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Other financial instruments, including cash and cash equivalents, accounts receivable, loans receivable, and accounts payable and accrued liabilities are initially recorded at their fair value and are subsequently measured at cost or amortized cost, net of any provisions for impairment.

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no matters to report therein.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

# LONDON DOWNTOWN BUSINESS ASSOCIATION

Notes to Combined Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards:

The Association adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 *Financial Statement Presentation*, PS 2601 *Foreign Currency Translation*, PS 3041 *Portfolio Investments* and PS 3450 *Financial Instruments*.

- (a) PS 1201 *Financial Statement Presentation* replaces PS 1200 *Financial Statement Presentation*. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 *Foreign Currency Translation*, PS 3450 *Financial Instruments*, and PS 3041 *Portfolio Investments*, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 *Foreign Currency Translation* replaces PS 2600 *Foreign Currency Translation*. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 *Portfolio Investments* replaces PS 3040 *Portfolio Investments*. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 *Financial Instruments*. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 *Temporary Investments* no longer applies.
- (d) PS 3450 *Financial Instruments* establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

# LONDON DOWNTOWN BUSINESS ASSOCIATION

Notes to Combined Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

(d) PS 3450 *Financial Instruments* (continued):

- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

(e) PS 3280 *Asset Retirement Obligations* ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard had no impact on the Association.

# LONDON DOWNTOWN BUSINESS ASSOCIATION

Notes to Combined Financial Statements (continued)

Year ended December 31, 2023

## 4. Related party transactions:

At year end, amounts owing to the Corporation of the City of London (the "City"), an organization that has control over the Association, were \$220,009 (2022 - \$204,686). This has been included in accounts payable and accrued liabilities on the Combined Statement of Financial Position. During the year, \$1,160,000 (2022 - \$101,371) was received from the City and recorded within grant income (2022 - miscellaneous income) on the Combined Statement of Operations. Included in accounts receivable is \$12,047 owing from the City (2022 - nil).

The Hyde Park Business Improvement Association Board of Management ("HPBIA") is an organization under common control. Through the shared Digital Main Street grant, HPBIA incurred expenses of \$17,765 (2022 - \$12,936) on behalf of the Association. This has been included in miscellaneous income and member services on the Combined Statement of Operations.

## 5. Accumulated surplus:

Accumulated surplus consists of individual fund surplus and reserve funds as follows:

	2023	2022
Surplus:		
Invested in tangible capital assets	\$ 13,867	\$ 18,780
Operating surplus	1,860,361	670,440
	1,874,228	689,220
Restricted cash for Downtown Dollars	144,517	144,705
	\$ 2,018,745	\$ 833,925

## 6. Commitments:

The Association is committed to payments under operating leases for their premises as well as furniture and equipment as follows:

2024	\$ 86,520
2025	31,825
	\$ 118,345

# LONDON DOWNTOWN BUSINESS ASSOCIATION

Notes to Combined Financial Statements (continued)

Year ended December 31, 2023

---

## 7. Financial risks and concentration of risk:

As the valuation of all financial instruments held by the Association at fair value are derived from quoted prices in active markets, all would be in Level 1 of the fair value hierarchy.

### Risks arising from financial instruments and risk management

The Association is exposed to a variety of financial risks including credit risks, liquidity risk and market risk. The Association's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Association's financial performance.

(a) Credit risk:

The Association's principal financial assets that are subject to credit risk are cash and accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Association's maximum credit exposure as at the Statement of Financial Position date.

(b) Liquidity risk:

The Association mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current. There have been no significant changes from the previous year in the Association's exposure to liquidity risk or policies, procedures and methods used to measure the risk. All accounts payable and accrued liabilities will be paid within six (6) months.

(c) Market risk:

The Association is exposed to interest rate risk and price risk with regard to its short and long-term investments, all of which are regularly monitored.

The Association's financial instruments consist of cash, accounts receivable, and accounts payable and accrued liabilities. It is the Association's opinion that the Association is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## INDEPENDENT AUDITOR'S REPORT

To the Shareholder of London Hydro Inc.

### *Opinion*

We have audited the financial statements of London Hydro Inc. (the Entity), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of profit or loss and other comprehensive income for the year then ended
- the statement of changes in equity for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of material accounting policy information

(Hereinafter referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023, and its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditor’s Responsibilities for the Audit of the Financial Statements**” section of our auditor’s report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

### ***Other Information***

Management is responsible for the other information. Other information comprises:

- the information included in Management's Discussion and Analysis.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information, other than the financial statements and the auditor's report thereon, included in Management's Discussion and Analysis as at the date of this auditor's report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

Page 3

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**1. Reporting entity**

London Hydro Inc. ("the Company") is a rate regulated, municipally-owned hydro distribution company located in the City of London. The Company is a wholly-owned subsidiary company of the Corporation of the City of London and was incorporated on April 26, 2000 under the laws of the Province of Ontario, Canada.

The Company delivers electricity and related energy services to inhabitants of the City of London. The address of the Company's registered office is 111 Horton Street, London, Ontario, Canada.

**2. Basis of presentation**

a) Statement of compliance

The Company's financial statements have been prepared on a going-concern basis in accordance with IFRS Accounting Standards ("IFRS").

b) Approval of financial statements

These financial statements were approved by the Board of Directors on March 28, 2024.

c) Basis of measurement

These financial statements have been prepared on the historical cost basis, unless otherwise stated.

d) Functional and presentation currency

These financial statements are presented in Canadian dollars, which is the Company's functional currency.

e) Use of estimates and judgments

The preparation of financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and disclosure of contingent assets and liabilities. Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and in any future years affected.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**2. Basis of presentation (continued)**

e) Use of estimates and judgments (continued)

Information about judgements and estimation uncertainties made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- (i) 3(b) – measurement of unbilled revenue
- (ii) 3(b) – determination of the performance obligation for contributions from customers and the related amortization period
- (iii) 3(d), 3(e), 6, 7 – estimation of useful lives of its property, plant and equipment and intangible assets
- (iv) 3(e), 3(l), 7 – capitalization of configuration and customization costs in Software-as-a-Service (“SaaS”) arrangements and determining whether services are distinct from the SaaS access
- (v) 5 – estimation for allowance for doubtful accounts
- (vi) 6, 15 – leases: whether an arrangement contains a lease
- (vii) 9 – recognition and measurement of regulatory balances
- (viii) 14 – measurement of defined benefit obligations: key actuarial assumptions
- (ix) 22 – recognition and measurement of provisions and contingencies

Critical accounting estimates and judgments for leases

*Judgments made in relation to accounting policies applied* - Management exercises judgment in determining the appropriate lease term on a lease by lease basis. Management considers the facts and circumstances that create an economic incentive to exercise a renewal option or to not exercise a termination option. The periods covered by renewal options are only included in the lease term if management is reasonably certain to renew. Changes in the economic environment or changes in the industry may impact management’s assessment of the lease term. Any changes in management’s estimate of lease terms may have a material impact on the Company’s balance sheet and statement of earnings.

*Key sources of estimation* - In determining the carrying amount of right-of-use assets and lease liabilities, the Company is required to estimate the incremental borrowing rate specific to each leased asset if the interest rate implicit in the lease is not readily determined. Management determines the incremental borrowing rate of each leased asset by incorporating the Company’s creditworthiness, the security, term and value of the underlying leased asset, and the economic environment in which the leased asset operates in. The incremental borrowing rates are subject to change mainly due to macroeconomic changes in the environment.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**  
(in thousands of dollars)

**2. Basis of presentation (continued)**

e) Use of estimates and judgments (continued)

Critical accounting estimates and judgments for SaaS arrangements

*Capitalization of configuration and customization costs in SaaS arrangements* - Part of the customization and configuration activities undertaken in implementing SaaS arrangements may entail the development of software code that enhances, modifies, or creates additional capability to the existing on-premise software to enable it to connect with the cloud-based software applications. This is referred to as bridging modules or application programming interfaces (APIs). Judgement was applied in determining whether the additional code meets the definition of and recognition criteria for an intangible asset in IAS 38, *Intangible Assets*.

*Determination whether configuration and customization services are distinct from the SaaS access* - Costs incurred to configure or customize the cloud provider's application software are recognised as operating expenses when the services are received. In a contract where the cloud provider provides both the SaaS configuration and customization, as well as the SaaS access over the contract term, the Company applied judgement to determine whether these services are distinct from each other or not, and therefore, whether the configuration and customization costs incurred are expensed as the software is configured or customized (i.e. upfront), or over the SaaS contract term.

Specifically, where the configuration and customization activities significantly modify or customize the cloud-based software, these activities will not be distinct from the access to the cloud software over the contract term. Judgement has been applied in determining whether the degree of customization and modification of the cloud-based software that would be deemed significant.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**2. Basis of presentation (continued)**

f) Rate regulation

The Company is regulated by the Ontario Energy Board (“OEB”), under the authority granted by the *Ontario Energy Board Act, 1998*. Among other things, the OEB has the power and responsibility to approve or set rates for the distribution of electricity, providing continued rate protection for electricity consumers in Ontario, and ensuring that distribution companies fulfill obligations to connect and service customers. The OEB may also prescribe license requirements and conditions of service to local distribution companies (“LDCs”), such as the Company, which may include, among other things, record keeping, regulatory accounting principles, separation of accounts for distinct businesses, and filing and process requirements for rate setting purposes.

Rate setting

Distribution revenue

For the distribution revenue, the Company files a “Cost of Service” (“COS”) rate application with the OEB where rates are determined through a review of the forecasted annual amount of operating and capital expenditures, debt and shareholder’s equity required to support the Company’s business. The COS is usually filed every five years. The Company estimates electricity usage and the costs to service each customer class to determine the appropriate rates to be charged to each customer class. The COS application is reviewed by the OEB and interveners and rates are ultimately approved by the OEB after the review and revisions have been completed.

In the intervening years, an Incentive Regulation Mechanism (“IRM”) rate application is filed. An IRM application results in a formulaic adjustment to distribution rates that were set under the last COS application. The previous year’s rates are adjusted for the annual change in the Gross Domestic Product Implicit Price Inflation for Final Domestic Demand (“GDP IPI-FDD”) net of a productivity factor and a “stretch factor” determined by the relative efficiency of an electricity distributor.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**2. Basis of presentation (continued)**

f) Rate regulation (continued)

Rate setting – Distribution revenue (continued)

The Company previously filed a COS application in August 2016 for rates effective May 1, 2017 to April 30, 2022. The GDP IPI-FDD for 2021 was 2.2%, the OEB applied productivity factor was 0.0% and the OEB determined stretch factor was (0.3)%, resulting in a net adjustment of 1.9% to the previous year's rates effective May 1, 2021.

In August 2021, the Company filed a Cost of Service application which was approved by the OEB on February 24, 2022 for rates effective May 1, 2022. The monthly total bill impact of the new rates for a typical residential customer was an increase of approximately \$1.41 or 1.17% before taxes.

The GDP IPI-FDD for 2023 was 3.7%, the OEB applied productivity factor was 0.0% and the OEB determined stretch factor was (0.3)%, resulting in a net adjustment of 3.4% to the previous year's rates effective May 1, 2023.

As a licensed distributor, the Company is responsible for billing customers for electricity generated by third parties and the related costs of providing electricity service, such as transmission services and other services provided by third parties. The Company is required, pursuant to regulation, to remit such amounts to these third parties, irrespective of whether the Company ultimately collects these amounts from customers.

Electricity rates

The OEB sets electricity prices for residential and small commercial consumers once each year based on an estimate of how much it will cost to supply the province with electricity for the next year. All remaining consumers, other than consumers with retail contracts who pay a contracted rate plus a global adjustment rate adder, pay the market price for electricity. The Company is billed for the cost of the electricity that its customers use and passes this cost on to the customer at cost without a mark-up.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies**

The accounting policies set out below have been applied consistently in all years presented in these financial statements.

a) Financial instruments

Non-derivative

All financial assets are classified as loans and receivables and all financial liabilities are classified as other liabilities. These financial instruments are recognized initially at fair value plus any directly attributable transaction costs. Subsequently, they are measured at amortized cost using the effective interest method less any impairment for the financial assets as described in note 3(f).

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Trade receivables without a significant financing component are initially measured at the transaction price. All other financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issuance of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss ("FVTPL")) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Financial assets - Recognition and de-recognition

All financial assets are recognized and de-recognized on trade date. The Company determines the classification of its financial assets on the basis of both the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset. Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets. A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold assets to collect contractual cash flows, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets are classified as follows:

<b>Financial assets</b>	<b>Classification under IFRS 9</b>
Accounts receivable	Amortized cost

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

a) Financial instruments (continued) - Non-derivative (continued)

Financial assets - Subsequent measurement

Financial assets at amortized cost are measured using the effective interest method, less any impairment. Interest income is recognized by applying the effective interest rate except for short-term receivables where the interest revenue would be immaterial. Interest income, foreign exchange gains and losses, impairment, and any gain or loss on de-recognition are recognized in profit or loss. Financial assets at FVTPL are measured at fair value. Net changes in the fair value are recognized in profit or loss. Financial assets at fair value through other comprehensive income ("FVOCI") are measured at fair value. Net changes in the fair value are recognized in other comprehensive income.

Financial assets - Impairment

The Company applies the expected credit loss model to financial assets at amortized cost, contract assets and debt instruments measured at FVOCI. The Company measures loss allowances at an amount equal to the lifetime expected credit losses ("ECLs") in accordance with the 'simplified approach' available under the standard. Under this approach, loss allowances on trade accounts receivable are always measured at lifetime ECLs. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and includes forward-looking information.

Financial liabilities - Recognition and de-recognition

The Company determines the classification of its financial liabilities at initial recognition. The Company's financial liabilities are classified as follows:

<b>Financial liabilities</b>	<b>Classification under IFRS 9</b>
Bank indebtedness	Amortized cost
Accounts payable and accrued liabilities	Amortized cost
Due to shareholder	Amortized cost
Lease liability	Amortized cost
Customer and other deposits	Amortized cost
Deferred revenue	Amortized cost
Long-term debt	Amortized cost

The Company de-recognizes financial liabilities when the Company's obligations are discharged, cancelled or they expire.

Financial liabilities - Subsequent measurement

Financial liabilities at amortized cost are measured using the effective interest rate method.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

a) Financial instruments (continued)

Derivative

Derivatives are initially measured at fair value and any attributable transaction costs are recognized in profit or loss as incurred. Subsequent to initial recognition, derivatives are measured at fair value and changes therein are recognized in profit or loss. Embedded derivatives are separated from the host contract upon initial recognition and accounted for separately at FVTPL when the host contract is not a financial asset and certain conditions are met. The Company does not use derivative instruments for speculative purposes.

The Company holds derivative financial instruments to manage its interest rate risk exposures. Derivatives are initially recognized at fair value; any directly attributable transaction costs are recognized in the Statement of Comprehensive Income as incurred as a change in interest rate swap. Subsequent to initial recognition, derivatives are measured at fair value, and changes therein are recognized in the Statement of Comprehensive Income.

Hedge accounting has not been used in the preparation of these financial statements.

Fair value measurements

Financial instruments recorded on the statements of financial position are categorized based on the fair value hierarchy of inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1: unadjusted quoted prices in active markets for identical assets or liabilities. The Company does not use Level 1 inputs for its fair value measurements.
- Level 2: inputs, other than quoted prices in active markets, that are observable for the asset or liability either directly or indirectly. The Company's Level 2 inputs include quoted market prices for interest rates and credit risk premiums. The Company obtains information from sources including the Bank of Canada and market exchanges. The Company uses Level 2 inputs for all of its financial instrument fair value measurements.
- Level 3: inputs that are not based on observable market data. The Company does not use Level 3 inputs for any of its fair value measurements.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

b) Revenue recognition

Sale and distribution of electricity

The performance obligations for the sale and distribution of electricity are recognized over time using an output method to measure the satisfaction of the performance obligation. The value of the electricity services transferred to the customer is determined on the basis of cyclical meter readings plus estimated customer usage since the last meter reading date to the end of the year and represents the amount that the Company has the right to bill. Revenue includes rates for electricity supplied, distribution, and any other regulatory charges. The related cost of power is recorded on the basis of power used.

For customer billings related to electricity generated by third parties and the related costs of providing electricity service, such as transmission services and other services provided by third parties, the Company has determined that it is acting as a principal for these electricity charges and, therefore, has presented electricity revenue on a gross basis.

Capital contributions

Developers are required to contribute towards the capital cost of construction of distribution assets in order to provide ongoing service. The developer is not a customer and therefore the contributions are scoped out of IFRS 15 Revenue from Contracts with Customers. Cash contributions received from developers are recorded as deferred revenue and amortized to income on a straight-line basis over the useful life of the related asset.

Certain customers are also required to contribute towards the capital cost of construction of distribution assets in order to provide ongoing service. These contributions fall within the scope of IFRS 15 Revenue from Contracts with Customers. The contributions are received to obtain a connection to the distribution system in order receive ongoing access to electricity. The Company has concluded that the performance obligation is the supply of electricity over the life of the relationship with the customer which is satisfied over time as the customer receives and consumes the electricity. Revenue is recognized on a straight-line basis over the useful life of the related asset.

Other revenue

Revenue earned from the provision of services is recognized as the service is rendered.

Government grants are recognized as revenue in the year when there is reasonable assurance that the program conditions have been satisfied and the payment will be received.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**  
(in thousands of dollars)

**3. Material accounting policies (continued)**

c) Materials and supplies

Materials and supplies, the majority of which are consumed by the Company in the provision of its services, are valued at the lower of cost and net realizable value, with cost being determined on a weighted average basis, and includes expenditures incurred in acquiring the materials and supplies and other costs incurred in bringing them to their existing location and condition.

d) Property, plant and equipment

Items of property, plant and equipment ("PP&E") used in rate-regulated activities and acquired prior to January 1, 2014 are measured at deemed cost, less accumulated depreciation. All other items of PP&E are measured at cost, or, where the item is contributed by customers, its fair value, less accumulated depreciation.

Cost includes expenditures that are directly attributable to the acquisition of the asset. The cost of self-constructed assets includes contracted services, materials and transportation costs, direct labour, overhead costs, borrowing costs and any other costs directly attributable to bringing the asset to a working condition for its intended use.

Borrowing costs on qualifying assets are capitalized as part of the cost of the asset based upon the lower of OEB prescribed rates and the incremental cost of debt incurred on the Company's borrowings. Qualifying assets are considered to be those that take in excess of 12 months to construct.

When parts of an item of PP&E have different useful lives, they are accounted for as separate items (major components) of PP&E.

When items of PP&E are retired or otherwise disposed of, a gain or loss on disposal is determined by comparing the proceeds from disposal, if any, with the carrying amount of the item and is included in profit or loss.

Major spare parts and standby equipment are recognized as items of PP&E.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

d) Property, plant and equipment (continued)

The cost of replacing a part of an item of PP&E is recognized in the net book value of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. In this event, the replaced part of PP&E is written off, and the related gain or loss is included in the Statement of Comprehensive Income. The costs of the day-to-day servicing of PP&E are recognized in the Statement of Comprehensive Income as incurred.

The need to estimate the decommissioning costs at the end of the useful lives of certain assets is reviewed periodically. The Company has concluded it does not have any legal or constructive obligation to remove PP&E.

Depreciation is calculated to write off the cost of items of PP&E using the straight-line method over their estimated useful lives, and is generally recognized in the Statement of Comprehensive Income. Depreciation methods, useful lives, and residual values are reviewed at each reporting date and adjusted prospectively if appropriate. Land is not depreciated. Construction-in-progress assets are not depreciated until the project is complete and the asset is available for use.

The estimated useful lives are as follows:

	Years
Building structures and components	12 - 75
Distribution system and equipment	25 - 60
Substation equipment	15 - 45
Right-of-use land asset	40
System supervisory equipment	8 - 35
Metering devices	15 - 30
Renewable generation assets	20
Automotive equipment	8 - 12
Equipment, tools and furniture	5 - 8
Computer hardware	3 - 5

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

e) Intangible assets

Intangible assets are measured at cost, less accumulated amortization. Cost includes expenditures that are directly attributable to the acquisition of the asset. The cost of intangible assets includes contracted services, direct labour, overhead costs, borrowing costs and any other costs directly attributable to bringing the asset to a working condition for its intended use.

Borrowing costs on qualifying assets are capitalized as part of the cost of the asset based upon the lower of OEB prescribed rates and the incremental cost of debt incurred on the Company's borrowings. Qualifying assets are considered to be those that take in excess of 12 months to complete.

Payments to obtain rights to access land ("land rights") are classified as intangible assets. These include payments made for easements, right of access and right of use over land for which the Company does not hold title. Land rights are measured at cost less accumulated amortization.

Computer software that is acquired or developed by the Company, including software that is not integral to the functionality of equipment purchased which has finite useful lives, is measured at cost less accumulated amortization.

Capital contributions represent costs incurred and associated with assets that are not owned by the Company. These contributions are incurred where the Company is charged with the responsibility of upgrading assets that the Company does not hold title to. Capital contributions include costs towards the refurbishment and upgrade of a transformer station and wholesale meters. These assets are measured at cost less accumulated amortization.

Intangible assets in progress consist of application software under development at December 31, 2023.

Amortization is recognized in the Statement of Comprehensive Income on a straight-line basis over the estimated useful lives of intangible assets, from the date that they are available for use. Amortization methods and useful lives of all intangible assets are reviewed at each reporting date and adjusted prospectively if appropriate.

The estimated useful lives are:

	Years
Capital contributions	30 - 45
Land rights	25
Computer software	3 - 5

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

f) Impairment

*Financial assets measured at amortized cost*

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows from that asset.

An impairment loss is calculated as the difference between an asset's carrying amount and the present value of the estimated future cash flows discounted at the original effective interest rate. Interest on the impaired assets continues to be recognized through the unwinding of the discount. Losses are recognized in the Statement of Comprehensive Income. An impairment loss is reversed through the Statement of Comprehensive Income if the reversal can be related objectively to an event occurring after the impairment loss was recognized.

A loss allowance for expected credit losses on financial assets measured at amortized cost is recognized at the reporting date. The loss allowance is measured at an amount equal to the lifetime expected credit losses for the asset.

*Non-financial assets*

The carrying amounts of the Company's non-financial assets, other than materials and supplies and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit" or "CGU"). The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognized if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the Statement of Comprehensive Income.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

g) Customer and other deposits

Customer and other deposits include cash deposits from electricity distribution customers and retailers to guarantee the payment of energy bills. Interest is paid on customer deposits at the rate of prime less 2% per annum. Deposits from electricity distribution customers are refundable to customers who demonstrate an acceptable level of credit risk as determined by the Company in accordance with policies set out by the OEB, or upon termination of their electricity distribution service.

h) Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

i) Regulatory balances

Regulatory deferral account debit balances represent costs incurred in excess of amounts billed to the customer at OEB approved rates. Regulatory deferral account credit balances represent amounts billed to the customer at OEB approved rates in excess of costs incurred by the Company.

Regulatory deferral account debit balances are recognized if it is probable that future billings in an amount at least equal to the deferred cost will result from inclusion of that cost in allowable costs for rate-making purposes. The offsetting amount is recognized in net movement in regulatory balances in the Statement of Comprehensive Income or Other Comprehensive Income ("OCI"). When the customer is billed at rates approved by the OEB for the recovery of the deferred costs, the customer billings are recognized in revenue. The regulatory debit balance is reduced by the amount of these customer billings with the offset to net movement in regulatory balances in the Statement of Comprehensive Income or OCI.

The probability of recovery of the regulatory deferral account debit balances is assessed annually based upon the likelihood that the OEB will approve the change in rates to recover the balance. The assessment of likelihood of recovery is based upon previous decisions made by the OEB for similar circumstances, policies or guidelines issued by the OEB, etc. Any resulting impairment loss is recognized in the Statement of Comprehensive Income in the year incurred.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

i) Regulatory balances (continued)

When the Company expects to refund amounts to ratepayers in the future, the Company recognizes a regulatory deferral account credit balance. The offsetting amount is recognized in net movement in regulatory balances in the Statement of Comprehensive Income or OCI. The amounts returned to the customers are recognized as a reduction of revenue. The credit balance is reduced by the amount of these customer repayments with the offset to net movement in regulatory balances in the Statement of Comprehensive Income or OCI.

j) Post-employment benefits

*Pension plan*

The Company provides a pension plan for all its full-time employees through Ontario Municipal Employees Retirement System (“OMERS”). OMERS is a multi-employer pension plan which operates as the Ontario Municipal Employees Retirement Fund (“the Fund”), and provides pensions for employees of Ontario municipalities, local boards and public utilities. The Fund is a contributory defined benefit pension plan, which is financed by equal contributions from participating employers and employees, and by the investment earnings of the Fund. To the extent that the Fund finds itself in an under-funded position, additional contribution rates may be assessed to participating employers and members.

OMERS is a defined benefit plan. However, as OMERS does not segregate its pension asset and liability information by individual employers, there is insufficient information available to enable the Company to directly account for the plan. Consequently, the plan has been accounted for as a defined contribution plan. The Company is not responsible for any other contractual obligations other than the contributions. Obligations for contributions to defined contribution pension plans are recognized as an employee benefit expense in the Statement of Comprehensive Income when they are due.

*Post-employment benefits, other than pension*

The Company provides some of its retired employees with life insurance and medical benefits beyond those provided by government sponsored plans. The obligations for these post-employment benefit plans are actuarially determined by applying the projected unit credit method and reflect management’s best estimate of certain underlying assumptions. Remeasurements of the net defined benefit obligations, including actuarial gains and losses and the return on plan assets (excluding interest), are recognized immediately in OCI. When the benefits of a plan are improved, the portion of the increased benefit relating to past service by employees is recognized immediately in the Statement of Comprehensive Income.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

k) Leases

The Company's accounting policy for leases is as follows:

At inception of a contract, the Company assesses whether a contract is, or contains, a lease based on whether the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company has elected to apply the practical expedient to account for each lease component and any non-lease components as a single lease component.

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured based on the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The assets are depreciated to the earlier of the end of the useful life of the right-of-use asset or the lease term using the straight-line method as this most closely reflects the expected pattern of consumption of the future economic benefits. The lease term includes periods covered by an option to extend if the Company is reasonably certain to exercise that option. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is measured at amortized cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected to apply the practical expedient not to recognize right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The lease payments associated with these leases is recognized as an expense on a straight-line basis over the lease term.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**  
(in thousands of dollars)

**3. Material accounting policies (continued)**

l) Software-as-a-Service arrangements

SaaS arrangements are service contracts providing the Company with the right to access the cloud provider's application software over the contract period. Costs incurred to configure or customize, and the ongoing fees to obtain access to the cloud provider's application software, are recognized as operating expenses when the services are received.

Some of these costs incurred are for the development of software code that enhances, modifies, or creates additional capability to existing on-premise systems and meets the definition of and recognition criteria for an intangible asset. These costs are recognized as intangible software assets and amortized over the useful life of the software on a straight-line basis. The useful lives of these assets are reviewed at least at the end of each financial year, and any changes are accounted for prospectively as a change in accounting estimate.

m) Finance income and finance expenses

Finance income is recognized as it accrues in the Statement of Comprehensive Income. Finance income comprises interest earned on cash.

Finance expenses comprise interest expense on borrowings and customer deposits, as well as the change in the unrealized gain/loss on the swap agreements. Finance expenses are recognized in the Statement of Comprehensive Income unless they are capitalized as part of the cost of qualifying assets.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**3. Material accounting policies (continued)**

n) Income taxes

The income tax expense comprises current and deferred tax. Income tax expense is recognized in the Statement of Comprehensive Income except to the extent that it relates to items recognized directly in equity, in which case, it is recognized in equity.

The Company is currently exempt from taxes under the Income Tax Act (Canada) and the Ontario Corporations Tax Act (collectively the "Tax Acts"). Under the Electricity Act, 1998, the Company makes payments in lieu of corporate taxes to the Ontario Electricity Financial Corporation ("OEFC"). These payments are calculated in accordance with the rules for computing taxable income and taxable capital and other relevant amounts contained in the Tax Acts as modified by the Electricity Act, 1998, and related regulations. Prior to October 1, 2001, the Company was not subject to income or capital taxes. Payments in lieu of taxes ("PILs") are referred to as income taxes.

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognized in respect of temporary differences between the tax basis of assets and liabilities and their carrying amounts for accounting purposes. Deferred tax assets and liabilities are recognized for unused tax losses, unused tax credits and temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted, at the reporting date.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**4. Standards issued not yet adopted**

There is a new standard, amendments to the standard and interpretations which have not been applied in preparing these financial statements. This standard and amendments are described below:

Classification of Liabilities as Current or Non-current (Amendments to IAS 1):

On January 23, 2020, the International Accounting Standards Board (IASB) issued amendments to IAS 1 Presentation of Financial Statements (the 2020 amendments), to clarify the classification of liabilities as current or non-current. On October 31, 2022, the IASB issued Non-current Liabilities with Covenants (Amendments to IAS 1) (the 2022 amendments), to improve the information a company provides about long-term debt with covenants.

The 2020 amendments and the 2022 amendments (collectively “the Amendments”) are effective for annual periods beginning on or after January 1, 2024. Early adoption is permitted. A company that applies the 2020 amendments early is required to also apply the 2022 amendments. For the purposes of non-current classification, the Amendments removed the requirement for a right to defer settlement or roll over of a liability for at least twelve months to be unconditional. Instead, such a right must exist at the end of the reporting period and have substance.

The Amendments reconfirmed that only covenants with which a company must comply on or before the reporting date affect the classification of a liability as current or non-current. Covenants with which a company must comply after the reporting date do not affect a liability’s classification at that date. The Company intends to adopt this standard in its financial statements for the annual period beginning January 1, 2024. The extent of the impact of adoption of the standard has not yet been determined.

**5. Accounts receivable**

	2023	2022
Trade receivables	\$ 51,497	\$ 43,727
Unbilled revenue	41,717	37,221
Other	3,904	4,992
Allowance for doubtful accounts	(6,724)	(5,884)
	\$ 90,394	\$ 80,056

Included in accounts receivable is approximately \$17.1 million (December 31, 2022 – \$13.3 million) of customer receivables for water consumption that the Company bills and collects on behalf of the Corporation of the City of London. As the Company does not assume liability for collection of these amounts, any amount relating to water consumption that is determined to be uncollectible is charged to the Corporation of the City of London.

Also, included in the accounts receivable is \$1.2 million (December 31, 2022 – \$1.4 million) of energy, water, and sundry receivables due from the Corporation of the City of London.

**London Hydro Inc.**  
**Notes to the Financial Statements**

(in thousands of dollars)

**9. Regulatory balances (continued)**

The regulatory balances are recovered or settled through fixed and/or volumetric rate riders approved by the OEB. The volumetric rate riders are determined using estimates of future consumption of electricity by its customers. Future consumption is impacted by various factors including the economy and weather. The Company has received approval from the OEB to establish its regulatory balances. Regulatory balances attract interest at OEB prescribed rates, which are based on Bankers' Acceptances three-month rate plus a spread of 25 basis points. The rate was set at 4.73% in the first quarter, 4.98% in the second and third quarters and 5.49% in the fourth quarter of 2023 (March 31, 2022 – 0.57%, June 30, 2022 – 1.02%, September 30, 2022 – 2.20% and December 31, 2022 – 3.87%).

Regulatory developments in Ontario's electricity industry and other governmental policy changes may affect the electricity distribution rates charged by the Company and the costs Company is permitted to recover. There is a risk that the OEB may disallow the recovery of a portion of certain costs incurred in the current period through future rates or disagree with the proposed recovery period. In the event that the disposition of these balances is assessed to no longer be probable based on management's judgment, any impairment will be recorded in the period when the assessment is made. There was no impairment recorded for the year ended December 31, 2023.

a) Group 1 deferral accounts

The Group 1 deferral accounts consist of energy related cost variances including Smart Metering Entity, Wholesale Market and Retail Transmission Charge Variances. As a regulated distributor of electricity, the Company is obligated to provide energy supply to all consumers at regulated or spot rates unless they elect to purchase their energy from an energy retailer. The regulatory framework requires that all energy commodity and non-commodity costs be billed at regulated rates to consumers who are on the Regulated Price Plan.

Variances between purchase costs and amounts billed for electricity are required to be captured in the Retail Settlement Variance Accounts ("RSVA") for disposition through future rate riders. The variance accounts have been further defined by the regulator into commodity and non-commodity accounts. Those accounts defined as commodity accounts are eligible for regulatory review on a quarterly basis. All other accounts are defined as non-commodity and are currently eligible for review on an annual basis.

b) Regulatory settlement account

During 2020, the Company filed its 2021 IRM rate application in which it proposed the disposition of its Group 1 account balances as at December 31, 2019 via rate riders. These accounts included amounts accumulated between January 1, 2017 and December 31, 2019, with the exception of the Capacity Based Recovery Amount Variances, which accumulated between January 1, 2016 and December 31, 2019. The Company also proposed the recovery of the Lost Revenue Adjustment Mechanism Variance ("LRAMVA") balance accumulated between January 1, 2017 and December 31, 2017 via rate riders. The OEB authorized the refund/recovery of these balances over a one-year period commencing May 1, 2021.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**9. Regulatory balances (continued)**

b) Regulatory settlement account (continued)

In February of 2022, the OEB approved the Company's 2022 Cost of Service rate application which included the disposition of its Group 1 account balances as at December 31, 2020 via rate riders. These accounts included amounts accumulated between January 1, 2020 and December 31, 2020. The OEB authorized the refund/recovery of these balances over a one-year period commencing May 1, 2022.

The 2022 Cost of Service rate application also included a request for the disposition of the other regulatory account balances as at December 31, 2020 via rate riders. The LRAMVA balance proposed for recovery accumulated between January 1, 2018 and December 31, 2019. The OEB authorized the refund/recovery of the true-up of the funding of capital projects under the Advanced Capital Module, non-cash OPEB adjustments, Retail Cost Variances, Pole Attachment Revenue variances, tax savings as a result of changes to CCA rates and the LRAMVA balances over a one-year period commencing May 1, 2022.

During 2022, the Company filed its 2023 IRM rate application in which it proposed the disposition of Group 1 account balances as at December 31, 2021 via rate riders. The disposition request included the balances of Smart Metering Entity Charge Variance, RSVA – Retail Transmission Network Charge, RSVA – Retail Transmission Connection Charge and the remainder balance of Disposition and Recovery/Refund of Regulatory Balances (2018). These accounts included amounts accumulated between January 1, 2021 and December 31, 2021. The Company also proposed the recovery of the LRAMVA balance accumulated between January 1, 2020 and December 31, 2021 via rate riders. The OEB authorized the refund/recovery of these balances over a one-year period commencing May 1, 2023.

c) Other regulatory accounts

The other regulatory account debit balance includes deferred costs for incremental locate services as a result of the implementation of the Getting Ontario Connected Act, 2022 and various deferred costs in connection with Impacts Arising from the COVID-19 Emergency. The other regulatory account credit balance includes the carrying charges on Pension & OPEB Forecast Accrual versus Actual Cash Payment Differential amount. Distribution revenue repayable to customers as a result of tax savings due to increased capital cost allowance provided for through the Accelerated Investment Incentive introduced in Bill C-97 effective November 2018, and the \$1.5 million Immediate Expense incentive effective April 2021, are also included in other regulatory account credit balances.

d) Income tax

The Company has recognized a regulatory deferral account for the amount of deferred taxes that will ultimately be recovered from/paid back to its customers. This balance will fluctuate as the Company's deferred tax balance fluctuates.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**10. Short-term borrowings**

Bank indebtedness includes short-term advances on the Company's revolving line of credit and includes outstanding cheques and cash. Advances are drawn from an uncommitted operating revolving line of credit facility of \$20 million with the Toronto Dominion Bank. At December 31, 2023 the amount drawn by the Company under this line of credit was \$9.5 million (December 31, 2022 — \$1.7 million). The line of credit is unsecured and interest is at bank prime rate on prime based borrowings minus 0.5%, or at Bankers' Acceptances ("B/A") rates plus a 0.75% stamping fee on B/A based borrowings.

**11. Accounts payable and accrued liabilities**

		2023		2022
Due to Independent Electricity System Operator	\$	28,312	\$	28,682
Harmonized sales tax		213		962
Payroll and benefits payable		3,683		4,102
Other		11,922		13,185
	\$	44,130	\$	46,931

**12. Deferred revenue**

		2023		2022
Capital contributions for completed projects	\$	41,548	\$	36,013
Deposits held		10,367		11,330
		51,915		47,343
Less: Current portion		3,520		3,058
	\$	48,395	\$	44,285

Capital contributions for completed projects are recognized as revenue on a straight-line basis over the life of the asset for which the contribution was received.

Included in deposits held is \$0.4 million (December 31, 2022 – \$nil) received from the Corporation of the City of London as contributions for the construction of capital assets.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**13. Long-term debt**

	2023	2022
Unsecured, committed extendible revolving loan bearing interest at prime, minus 0.6%, interest only payments due March 2026	\$ 20,000	\$ -
Unsecured, non-revolving term instalment loan with an effective 10 year interest rate of 1.69%, utilizing a fixed rate swap converting variable interest rates on unsecured Bankers' Acceptances, plus a stamping fee of 0.44%, interest only payments, due June 2032	125,000	125,000
Unsecured, non-revolving term instalment loan with an effective 11.6 year interest rate of 1.53%, utilizing a fixed rate swap converting variable interest rates on unsecured Bankers' Acceptances, plus a stamping fee of 0.44%, interest only payments, due June 2032	75,000	75,000
	\$ 220,000	\$ 200,000

At December 31, 2023, the Company had a committed loan facility of \$40 million with the Toronto Dominion Bank and the amount drawn by the Company under this loan facility was \$20 million (December 31, 2022 — \$nil). Under the terms of this agreement, the loan has a maturity date of March 31, 2026. Interest options consist of the bank prime rate minus 0.6% or Bankers' Acceptances ("B/A") rates plus 0.6%. A standby fee of 0.2% is charged for any unused amounts.

The Company has an interest rate swap agreement with the Toronto Dominion Bank for an unsecured loan in the amount of \$125 million. Interest only payments are due monthly and commenced July 2022. The principal is due at maturity June 30, 2032. The swap agreement is a fixed rate swap which effectively converts variable interest rates on unsecured Bankers' Acceptances to an effective interest rate of 1.69%, plus a stamping fee of 0.44%, for an all-in rate of 2.13%.

The Company has an interest rate swap agreement with the Toronto Dominion Bank for an unsecured loan in the amount of \$75 million. Interest only payments are due monthly and commenced December 2020. The principal is due at maturity June 30, 2032. The swap agreement is a fixed rate swap which effectively converts variable interest rates on unsecured Bankers' Acceptances to an effective interest rate of 1.53%, plus a stamping fee of 0.44%, for an all-in rate of 1.97%.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**13. Long-term debt (continued)**

The derivative swap agreements entered into with the Toronto Dominion Bank do not meet the standard to apply hedge accounting. Accordingly, the interest rate swap contracts are recorded at their fair value at the end of the period with the unrealized gain or loss recorded in the Statements of Comprehensive Income as finance expenses. The unrealized loss for the year ended December 31, 2023 was \$7.5 million (December 31, 2022 — unrealized gain \$27.4 million).

At December 31, 2023, the Company would be entitled to collect \$25.6 million (December 31, 2022 — \$33.0 million) if it decided to cancel the swap agreements with the Toronto Dominion Bank.

During the year ended December 31, 2023, interest on long-term debt was incurred in the amount of \$5.0 million (December 31, 2022 — \$4.6 million) of which \$0.4 million (December 31, 2022 — \$nil) was capitalized as part of the cost of intangible assets.

Reconciliation of opening and closing balances for liabilities from financing activities:

	2023	2022
Balance, beginning of year	\$ 200,000	\$ 200,000
Add: Advances	20,000	125,000
Less: Repayments	-	125,000
	\$ 220,000	\$ 200,000

**14. Post-employment benefits**

a) Multi-employer pension plan

The Company provides a pension plan for its employees through OMERS. The plan is a multi-employer, contributory defined pension plan with equal contributions by the employer and its employees. During the year ended December 31, 2023, the Company made employer contributions of \$3.5 million to OMERS (December 31, 2022 — \$3.3 million), of which \$0.9 million (December 31, 2022 — \$0.8 million) has been capitalized as part of PP&E and the remaining amount of \$2.6 million (December 31, 2022 — \$2.5 million) has been recognized in the Statement of Comprehensive Income. The Company estimates that a contribution of \$4.0 million to OMERS will be made during the next fiscal year.

As at December 31, 2023, OMERS had approximately 612,500 members, of whom 356 are employees of the Company. The most recently available OMERS annual report is for the year ended December 31, 2023, which reported that the plan was 97% funded, with an unfunded liability of \$4.2 billion. This unfunded liability is likely to result in future payments by participating employers and members.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**14. Post-employment benefits (continued)**

b) Post-employment benefits other than pension

The Company pays certain medical and life insurance benefits on behalf of some of its retired employees. The Company recognizes these post-employment benefits in the year in which employees' services were rendered. The Company is recovering its post-employment benefits in rates based on the expense and remeasurements recognized for post-employment benefit plans.

Reconciliation of the obligation:

	<b>2023</b>	<b>2022</b>
Defined benefit obligation, beginning of year	\$ 9,855	\$ 15,008
Included in profit or loss:		
Current service costs	285	517
Interest cost	475	432
Other benefits	2	(33)
	762	916
Benefits paid	(972)	(881)
	(210)	35
Actuarial (gains) / losses included in OCI:		
Changes in demographic assumptions	(1,021)	(1,582)
Changes in financial assumptions	268	(3,676)
Effect of experience adjustments	296	70
	(457)	(5,188)
Defined benefit obligation, end of year	\$ 9,188	\$ 9,855

Actuarial assumptions:

	<b>2023</b>	<b>2022</b>
Discount (interest) rate	4.6%	5.1%
Salary levels	4.0%	4.0%
Immediate medical costs	5.0%	4.9%
Ultimate medical costs	4.0%	4.0%
Dental cost rate	4.0%	4.0%
Year ultimate rate reached	2040	2040

A 1% increase in the assumed discount rate would result in the defined benefit obligation decreasing by \$0.9 million. A 1% decrease in the assumed discount rate would result in the defined benefits obligation increasing by \$0.9 million.

	<b>2023</b>	<b>2022</b>
Water consumption	\$ 6,033	\$ 5,307
Non-interest bearing trade balance due to shareholder, without stated repayment terms	412	388
	<u>\$ 6,445</u>	<u>\$ 5,695</u>

The Company delivers electricity to the City of London throughout the year for the electricity needs of the City of London and its related organizations. Electricity delivery charges are at prices and under terms approved by the OEB. The Company also provides additional services to the City of London, including water and waste water billing, customer care services and water meter data management services.

During the year ended December 31, 2023, the Company billed customers for water related services on behalf of the shareholder and remitted funds to the shareholder in the amount of \$209.0 million (December 31, 2022 – \$200.5 million). The shareholder paid \$3.9 million (December 31, 2022 – \$3.9 million) for this service.

During the year ended December 31, 2023, the Company performed water meter data management services on behalf of the shareholder. The shareholder paid \$0.1 million (December 31, 2022 – \$0.1 million) for this service.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**22. Commitments and contingencies**

*General*

From time to time, the Company is involved in various litigation matters arising in the ordinary course of its business. The Company has no reason to believe that the outcome of any of these matters could reasonably be expected to have a materially adverse impact on the Company's financial position, results of operations or its ability to carry on any of its business activities.

*General Liability Insurance*

The Company is a member of the Municipal Electric Association Reciprocal Insurance Exchange ("MEARIE"). MEARIE is a pooling of public liability insurance risks of many of the LDCs in Ontario. All members of the pool are subjected to assessment for losses experienced by the pool for the years in which they were members, on a pro-rata basis based on the total of their respective service revenues. As at December 31, 2023, no assessments have been made.

*Letters of credit*

At December 31, 2023, the Company had provided \$4.3 million (December 31, 2022 – \$4.3 million) in bank standby letters of credit to the IESO.

*Vendor commitments*

The Company has commitments in connection with Infrastructure projects of \$1.4 million (2022 – \$0.2 million), Information Systems projects of \$8.8 million (2022 – \$12.0 million) and new vehicle acquisitions of \$2.8 million (2022 – \$1.0 million).

*Operating leases*

The Company is committed to lease agreements for various vehicles, equipment and property rights. The future minimum non-cancellable annual lease payments are as follows:

	<b>2023</b>	<b>2022</b>
Less than one year	\$ 229	\$ 221
Between one and five years	439	486
More than five years	71	117
	<b>\$ 739</b>	<b>\$ 824</b>

The Company does not recognize right-of-use assets and lease liabilities for leases of low-value assets or leases with lease terms that are less than 12 months. Lease payments associated with these arrangements are instead recognized as an expense over the term on either a straight-line basis, or another systematic basis if more representative of the pattern of benefit. Operating leases expensed during the year ended December 31, 2023 were \$0.3 million (December 31, 2022 – \$0.3 million).

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**23. Financial instruments and risk management**

**Fair value disclosure**

The carrying values of cash/bank indebtedness, accounts receivable, due to shareholder and accounts payable and accrued liabilities approximate fair value because of the short maturity of these instruments. The carrying value of the customer deposits approximates fair value because the amounts are payable on demand. The carrying value of long-term debt and interest rate swap approximates fair value because of the nature of the instruments.

At December 31, 2023, the Company would be required to pay \$194 million (2022 - \$168 million) if it decided to payout its long-term debt obligations.

**Financial risks**

The Company understands the risks inherent in its business and defines them broadly as anything that could impact its ability to achieve its strategic objectives. The Company's exposure to a variety of risks such as credit risk, interest rate risk, and liquidity risk, as well as related mitigation strategies are discussed below.

a) Credit risk

Financial assets carry credit risk that a counter-party will fail to discharge an obligation which would result in a financial loss. Financial assets held by the Company, such as accounts receivable, expose it to credit risk. The Company primarily assesses credit risk exposure by customer segment. Concentrations of consumption by segment or individual customer, may impact risk due to varying energy consumption patterns and allowable security deposit requirements associated with each segment. The Company is not exposed to a significant concentration of credit risk within any customer segment or individual customer. No single customer accounts for revenue in excess of 10% of total revenue.

The carrying amount of accounts receivable relating to energy sales is reduced through the use of an allowance for impairment and the amount of the related impairment loss is recognized in the Statement of Comprehensive Income within operating expenses. Subsequent recoveries of receivables previously provisioned are credited to operating expenses. The balance of the allowance for impairment loss at December 31, 2023 is \$6.7 million (December 31, 2022 - \$5.9 million). During the year ended December 31, 2023, bad debt expense was \$1.8 million (December 31, 2022 - \$1.6 million).

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**23. Financial instruments and risk management (continued)**

a) Credit risk (continued)

At December 31, 2023, approximately \$3.1 million (December 31, 2022 — \$2.4 million) is included in the allowance for doubtful accounts for uncollectible amounts relating to water consumption. No uncollectible accounts in connection with water consumption are realized in the Statement of Comprehensive Income since amounts are fully recovered from the City of London.

The Company's credit risk associated with accounts receivable is primarily related to payments from distribution customers. At December 31, 2023, approximately \$6.4 million (December 31, 2022 — \$5.2 million) is considered 60 days past due. The Company has approximately 167 thousand customers, the majority of whom are residential.

By regulation, the Company is responsible for collecting both the distribution and energy portions of the electricity bill. On average, the Company earns 25% of amounts billed to customers with the remaining 75% being collected for other parties. The Company is therefore exposed to a credit risk substantially greater than the income that it regularly earns. Credit risk is managed through collection of security deposits from customers in accordance with directions provided by the OEB. At December 31, 2023, the Company held deposits in the amount of \$1.4 million (December 31, 2022 — \$1.3 million). If presented with substantial credit losses, the Company has the ability to make an application to the regulator for recovery of those losses through distribution rate adjustments in future years.

b) Market risk

Market risks primarily refer to the risk of loss that result from changes in commodity prices, foreign exchange rates, and interest rates. The Company currently does not have significant commodity or foreign exchange risk. The Company is exposed to fluctuations in interest rates as the regulated rate of return for the Company's distribution business is derived using a complex formulaic approach which is in part based on the forecast for long-term Government of Canada bond yields. This rate of return is approved by the OEB as part of the approval of distribution rates. A 1% increase in the interest rate at December 31, 2023 would have increased interest expense on the long-term debt by \$0.2 million (December 31, 2022 — \$nil), assuming all other variables remain constant. A 1% decrease in the interest rate would have an equal but opposite effect.

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**23. Financial instruments and risk management (continued)**

c) Liquidity risk

The Company monitors its liquidity risk to ensure access to sufficient funds to meet operational and investing requirements. The Company's objective is to ensure that sufficient liquidity is on hand to meet obligations as they fall due while minimizing interest exposure. The Company monitors cash balances to ensure that sufficient levels of liquidity are on hand to meet financial commitments as they come due. The majority of accounts payable, as reported on the Statement of Financial Position, are due within 30 days.

The Company has an uncommitted operating revolving line of credit facility of \$20 million with the Toronto Dominion Bank. At December 31, 2023 the amount drawn by the Company under this line of credit was \$9.5 million (December 31, 2022 — \$1.7 million). The line of credit is unsecured and interest options consist of the bank prime rate minus 0.5%, or B/A rates, plus a 0.75% stamping fee on B/A based borrowings.

At December 31, 2023, the Company had a committed loan facility of \$40 million with the Toronto Dominion Bank and the amount drawn by the Company under this loan facility was \$20 million (December 31, 2022 — \$nil). Under the terms of this agreement, the loan has a maturity date of March 31, 2026. Interest options consist of the bank prime rate minus 0.6% or B/A rates plus 0.6%. A standby fee of 0.2% is charged for any unused amounts.

The Company also has a bilateral facility for \$4.3 million for the purpose of issuing a letter of credit to support the prudential requirements of the IESO, of which \$nil has been drawn and posted with the IESO (December 31, 2022 — \$nil).

**London Hydro Inc.**  
**Notes to the Financial Statements**  
**For the year ended December 31, 2023**

(in thousands of dollars)

**23. Financial instruments and risk management (continued)**

c) Liquidity risk (continued)

Liquidity risk associated with financial commitments are as follows:

As at December 31, 2023	Total	Due within one year	Due in one to five years	Due in over five years
Bank indebtedness	\$ 9,429	\$ 9,429	\$ -	\$ -
Accounts payable and accrued liabilities	44,130	44,130	-	-
Lease liability	3,400	100	400	2,900
Long-term debt	220,000	-	20,000	200,000
Interest to be paid on long-term debt	38,176	5,460	18,209	14,507
	\$ 315,135	\$ 59,119	\$ 38,609	\$ 217,407

As at December 31, 2022	Total	Due within one year	Due in one to five years	Due in over five years
Bank indebtedness	\$ 2,162	\$ 2,162	\$ -	\$ -
Accounts payable and accrued liabilities	46,931	46,931	-	-
Lease liability	3,500	100	400	3,000
Long-term debt	200,000	-	-	200,000
Interest to be paid on long-term debt	39,347	4,140	16,560	18,647
	\$ 291,940	\$ 53,333	\$ 16,960	\$ 221,647

d) Capital disclosures

The main objectives of the Company, when managing capital, are to ensure ongoing access to funding to maintain and improve the electricity distribution system, compliance with covenants related to its credit facilities, prudent management of its capital structure with regard for recoveries of financing charges permitted by the OEB on its regulated electricity distribution business, and to deliver the appropriate financial returns.

The Company's definition of capital includes shareholder's equity and long-term debt.

	2023	2022
Long-term debt	\$ 220,000	\$ 200,000
Shareholder's equity	224,982	223,160
	\$ 444,982	\$ 423,160

**24. Subsequent event**

On March 28, 2024, the Board of Directors declared a \$5.0 million dividend payable to the sole shareholder, the Corporation of the City of London, to be paid by the end of 2024.

## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of London & Middlesex Community Housing Inc.

### ***Opinion***

We have audited the financial statements of London & Middlesex Community Housing Inc. (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of change in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023, and its results of operations, its change in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter - Comparative Information***

We draw attention to Note 3 to the financial statements, which explains that certain comparative information presented for the year ended December 31, 2022 has been restated.

Note 3 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter.

***Other Matter - Comparative Information***

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion such adjustments are appropriate and have been properly applied.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Page 3

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# LONDON & MIDDLESEX COMMUNITY HOUSING INC.

Notes to Financial Statements

Year ended December 31, 2023

---

## 1. Incorporation:

London & Middlesex Community Housing Inc. (formerly London & Middlesex Housing Corporation) (the "Corporation") operates housing accommodation primarily for persons of low and moderate income. The Corporation operates 3,282 units throughout The City of London and the County of Middlesex and is 100% owned by The Corporation of the City of London.

## 2. Significant accounting policies:

The financial statements of the Corporation are prepared by management in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the Corporation are as follows:

(a) Tangible capital assets:

- (i) Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

<b>Asset</b>	<b>Useful Life - Years</b>
Site improvements	25 - 30
Buildings and improvements	25 - 40
Technology and communications	3
Vehicles	10
Furniture and fixtures	10
Machinery and equipment	25
Appliances	10

One half-year's amortization is charged in the year of acquisition.

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

An asset retirement obligation is recognized when, at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

# LONDON & MIDDLESEX COMMUNITY HOUSING INC.

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Significant accounting policies (continued):

### (a) Tangible capital assets (continued):

#### (i) (continued):

A liability for the removal of asbestos and other hazardous materials in the building owned by the Corporation has been recognized based on estimated future expenses.

The recognition of a liability resulted in an accompanying increase to the respective tangible capital assets. The increase to the tangible capital assets is being amortized in accordance with the accounting policies outlined in this note.

In addition, the Corporation's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets and the expected retirement costs, as well as the timing and duration of these retirement costs.

#### (ii) Contributions of capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt.

### (b) Revenue recognition:

Rental revenue is recognized at the time the service is provided. Other revenues are recognized when the services are earned.

Government transfer payments are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

### (c) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include the carrying value of tangible capital assets and the valuation allowances for receivables. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

## 2. Significant accounting policies (continued):

(d) Budget data:

Budget Figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by PSAB, certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

(e) Pension contributions:

The Corporation has a pension agreement with the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer defined contribution benefit plan. The Corporation's costs are the contributions due to the plan in the period.

(f) Contaminated sites:

Under PS 3260, contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic or radioactive material or live organisms that exceeds the environmental standard. This standard relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination.

(g) Financial instruments:

PS 3450, *Financial Instruments*, establishes the standards on accounting for and reporting all types of financial instruments including derivatives. The effective date of this standard has been deferred and is now effective for fiscal periods beginning on or after April 1, 2022 (the Corporation's December 31, 2023 year-end).

Financial instruments are classified into three categories: fair value, amortized cost or cost. Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Other financial instruments, including cash, accounts receivable, CMHC loan, and accounts payable and accrued liabilities are initially recorded at their fair value and are subsequently measured at cost or amortized cost, net of any provisions for impairment.

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

### 3. Change in accounting policy – adoption of new accounting standards:

The Corporation adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 *Financial Statement Presentation*, PS 2601 *Foreign Currency Translation*, PS 3041 *Portfolio Investments* and PS 3450 *Financial Instruments*.

- (a) PS 1201 *Financial Statement Presentation* replaces PS 1200 *Financial Statement Presentation*. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 *Foreign Currency Translation*, PS 3450 *Financial Instruments*, and PS 3041 *Portfolio Investments*, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 *Foreign Currency Translation* replaces PS 2600 *Foreign Currency Translation*. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 *Portfolio Investments* replaces PS 3040 *Portfolio Investments*. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 *Financial Instruments*. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 *Temporary Investments* no longer applies.
- (d) PS 3450 *Financial Instruments* establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and

# LONDON & MIDDLESEX COMMUNITY HOUSING INC.

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

### 3. Change in accounting policy – adoption of new accounting standards (continued):

(d) (continued):

- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist.

A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

- (e) PS 3280 *Asset Retirement Obligations* ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023 using the modified retrospective approach.

In the past, the Corporation has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

As a result of applying this accounting standard, an asset retirement obligation of \$36,316,420 (2022 - \$36,316,420) was recognized as a liability in the Statement of Financial Position. These obligations represent estimated retirement costs for the Corporation owned buildings.

Year ended December 31, 2023

### 3. Change in accounting policy – adoption of new accounting standards (continued):

(e) (continued):

The adoption of PS 3280 ARO was applied to the comparative period and balances were restated as follows:

2022	As previously stated	Adjustments	As restated
Statement of Financial Position			
Asset retirement obligation liability	–	36,316,420	36,316,420
Accumulated surplus	64,314,601	(36,316,420)	27,998,181
Statement of Changes in Net Debt			
Adjustment for asset retirement	–	(36,316,420)	(36,316,420)
Net debt, beginning of year	(1,288,097)	(36,316,420)	(37,604,517)

### 4. Accounts receivable:

Accounts receivable recorded on the statement of financial position are composed of the following:

	2023	2022
Rent	\$ 1,747,410	\$ 1,811,198
Allowance for doubtful accounts	(782,979)	(1,014,699)
Harmonized Sales Tax	845,416	620,213
LMHC Accounts Receivable	2,274,066	615,615
Sundry	162,187	318,452
	\$ 4,246,100	\$ 2,350,779

### 5. Income producing properties:

The income producing properties held by London & Middlesex Housing Authority and passed through to the Corporation were originally financed by the Province of Ontario through general obligation provincial debentures. At the time of the transfer of ownership the Province did not transfer the responsibility for repayment of these debentures. Accordingly, the value of the provincial debentures associated with them have not been recorded on the Corporation's financial statements.

## 6. Commitments:

### (a) Contractual obligations:

The Corporation is committed to the following minimum annual operating lease payments for premises and equipment

---

2024	\$	601,754
2025		593,427
2026		153,881

---

## 7. Pension agreement:

The Corporation makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), a multi-employer plan, on behalf of its employees. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. In 2023 contribution rates are 9.0% for employee earnings below the year's maximum pensionable earnings and 14.6% thereafter. Employee contributions match these rates.

Contributions to OMERS by the Corporation are recognized as an expense in the period they are incurred. A total of \$564,779 was incurred as pension expense in 2023 (2022 - \$467,983).

The last available report for the OMERS plan was on December 31, 2023. At that time, the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.7 billion), based on actuarial liabilities for \$136.2 billion (2022 - \$130.3 billion) and actuarial assets for \$131.9 billion (2022 - \$123.6 billion). If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions will be required in the future.

## 9. CMHC credit agreement:

On November 25, 2021, together with the City of London as a guarantor, LMCH entered into a ten-year credit agreement with Canada Mortgage and Housing Corporation (CMHC) to finance repairs and renewal of designated housing units at thirteen sites owned and operated by LMCH. Under the agreement, LMCH will make quarterly drawdowns up to a maximum of \$40,136,090. LMCH plans to draw the full amount by the end of 2027, 39% of the loan will be forgivable. LMCH will be receiving funds in seven tranches each with its specific interest rate. The first Loan Facility was received on December 9, 2021 with the applicable interest rate for a Repayable Loan of 1.84% for the first tranche, second tranche was received in 2022 bear interest of 3.01%. CMHC received funding is allocated to three areas: Energy efficiency, Accessibility and Property Repairs & Renewals. LMCH has an option to extend the term of any of the repayable loans for an additional ten years. At this time the intention is to pay each tranche back to CMHC after the first ten years and waive the option to extend.

	2023	2022
Repayable Loan Tranche 1	\$ 57,305	\$ 58,336
Repayable Loan Tranche 2	2,837,297	712,664
	\$ 2,894,602	\$ 771,000

Forgivable loans in the amount of \$1,359,403 (2022 - \$456,568) were received during the year and were reflected as CMHC revenue on the statement of operations. Should the Corporation not meet certain requirements throughout the term of the loans they may be required to repay these amounts.

## 10. Capital allotment:

An approved capital allotment is managed by the City of London to finance future capital expenditures. The allotment has not been recognized in these financial statements and will be accounted for as the funds are received and expensed.

	2023	2022
Opening balance	\$ 9,407,277	\$ 6,308,910
Contributions during the year	8,350,000	6,525,000
Capital expenditures	(7,264,032)	(3,426,633)
	\$ 10,493,245	\$ 9,407,277

# LONDON & MIDDLESEX COMMUNITY HOUSING INC.

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 11. Accumulated surplus:

	2023	2022
Surplus:		
Business Case 18 Co-investment Funding	\$ 449,442	\$ 449,440
CHMC loan	(2,894,602)	(771,000)
Invested in tangible capital assets	73,611,712	64,636,161
Asset retirement obligation (note 13)	(36,316,420)	(36,316,420)
	\$ 34,850,132	\$ 27,998,181

## 12. Contingencies:

The Corporation is subject to certain actual and potential legal claims, which have arisen in the normal course of operations. It has been determined by management that the outcome of these claims is not determinable at this point and as such no amount has been included in these financial statements.

## 13. Asset retirement obligations:

The Corporation has recorded an asset retirement obligation as of the January 1, 2023 implementation date on a modified retroactive basis, with a restatement of prior year amounts.

As at December 31, 2023, all liabilities for asset retirement obligations are reported at current costs in nominal dollars without discounting.

A reconciliation of the beginning and ending aggregate carrying amount of the asset retirement obligation liability is below:

	2023	2022
Liabilities for asset retirement obligations, beginning of year	\$ 36,316,420	\$ —
Opening adjustments	—	36,316,420
Liabilities for asset retirement obligations, end of year	\$ 36,316,420	\$ 36,316,420

# LONDON & MIDDLESEX COMMUNITY HOUSING INC.

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 14. Financial risks and concentration risk:

### Risks arising from financial instruments and risk management:

The Corporation is exposed to a variety of financial risks including credit risks, liquidity risk and market risk. The Corporation's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Corporation's financial performance.

#### (a) Credit risk:

The Corporation's principal financial assets that are subject to credit risk are cash and accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Corporation's maximum credit exposure as at the Statement of Financial Position date.

#### (b) Liquidity risk:

The Corporation mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current. There have been no significant changes from the previous year in the Corporation's exposure to liquidity risk or policies, procedures and methods used to measure the risk. All accounts payable and accrued liabilities will be paid within twelve (12) months.

#### (c) Market risk:

The Corporation's financial instruments consist of cash, accounts receivable, loans payable and accounts payable and accrued liabilities. It is Corporation's opinion that it is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The London Public Library Board

### *Opinion*

We have audited the accompanying financial statements of The London Public Library Board (the Board), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net financial assets (debt) for the year then ended
- the statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Board as at December 31, 2023, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditor’s Responsibilities for the Audit of the Financial Statements**” section of our auditor’s report.

We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A handwritten signature in black ink that reads 'KPMG LLP'. The signature is written in a cursive, slightly slanted style. Below the signature is a horizontal line that starts under the 'K' and ends under the 'P'.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies:

The financial statements of The London Public Library Board (the "Board"), a registered charity and a local board of the Corporation of the City of London (the "City"), are prepared in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants Canada. Significant accounting policies adopted by the Board are as follows:

(a) Basis of accounting:

The Board follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(b) Municipal funding:

The City provides funding to the Board for both operating and capital expenditures such as refurbishment, replacement and major repairs and maintenance to the Library buildings. Government transfer payments from the City are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

(c) Deferred revenue:

Deferred revenues represent grants and other designated funding which has been received but for which the service has yet to be performed. These amounts will be recognized as revenues in the fiscal year in which the services are performed.

(d) Financial instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. The following chart shows the measurement method for each type of financial instrument.

<b>Financial instrument</b>	<b>Measurement Method</b>
Cash	Cost
Accounts receivable	Cost
Accounts payable and accrued liabilities	Cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (d) Financial instruments (continued):

Fair value category – The Board has not elected to reflect any financial instruments at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no matters to report therein.

Amortized cost – Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category – Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

### (e) Employee future benefits:

The Board provides certain employee benefits which will require funding in future periods. These benefits include life insurance, extended health and dental benefits for early retirees.

The costs of life insurance, extended health and dental benefits are actuarially determined using management's best estimate of salary escalation, insurance and health care cost trends, long term inflation rates and discount rates.

### (f) Pension contributions:

The Board has a pension agreement with the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer defined contribution benefit plan. The Board's costs are the contributions due to the plan in the period.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 1. Significant accounting policies (continued):

### (g) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

#### i) Tangible capital assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the assets. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

<b>Asset</b>	<b>Useful Life - Years</b>
Buildings	15 - 60
Leasehold improvements	40
Shelving	40
Furniture and equipment	7
Collections	7
Computers	3

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

An asset retirement obligation is recognized when, at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

A liability for the removal of asbestos and other hazardous materials in the buildings owned by the Board has been recognized based on estimated future expenses.

The recognition of a liability resulted in an accompanying increase to the respective tangible capital assets. The increase to the tangible capital assets is being amortized in accordance with the accounting policies outlined in this note. In addition, the Board's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets and the expected retirement costs, as well as the timing and duration of these retirement costs.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (g) Non-financial assets (continued):

#### ii) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

#### iii) Leased tangible capital assets:

Leases which transfer substantially all the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

### (h) Budget data:

Budget information has been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by PSAB, certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

### (i) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities and in preparing actuarial valuations for employee future benefits.

In addition, the Board's implementation of the Public Sector Accounting Handbook PS3150 has required management to make estimates of historical cost and useful lives of tangible capital assets.

Actual results could differ from those estimates.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (j) Contaminated sites:

Contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. This Standard relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination.

## 2. Change in accounting policy – adoption of new accounting standards:

The Board adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

- (a) PS 1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.
- (d) PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy – adoption of new accounting standards (continued):

Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

- (e) PS 3280 Asset Retirement Obligations (ARO) establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023 on a modified retroactive basis. Prior period restatement was not done as the liability was not significant.

In the past, the Board has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

A significant part of asset retirement obligations results from the removal and disposal of designated substances such as asbestos from buildings. The Board reports liabilities related to the legal obligations where the Board is obligated to incur costs to retire a tangible capital asset.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 2. Change in accounting policy – adoption of new accounting standards (continued):

As a result of applying this accounting standard, an asset retirement obligation of \$49,540 was recognized as a liability in the Statement of Financial Position. These obligations represent estimated retirement costs for the Board owned buildings.

## 3. Employee future benefits and other liabilities:

Employee future benefits and other liabilities are comprised of the following:

	2023	2022
Liability for vested sick leave benefits (a)	\$ 14,053	\$ 29,665
Vacation pay liability	188,536	183,815
Employee future benefits obligation (b)	1,990,000	1,994,000
	<u>\$ 2,192,589</u>	<u>\$ 2,207,480</u>

### (a) Liability for vested sick leave benefits

Under the sick leave benefit plan, employees hired prior to May 1, 1985 can accumulate unused sick leave and may become entitled to a cash payment when they leave the employment of the Board.

The liability of these accumulated days, to the extent that they have vested and could be taken in cash by an employee upon ceasing employment with the Board as at December 31, 2023, amounts to \$15,612 (2022 - \$29,665). This amount is fully funded by a reserve held by the City in the amount of \$29,841 (2022 - \$44,565).

### (b) Retiree benefits

The Board provides certain post-employment and post-retirement employee benefits which will require funding in future periods.

The Board pays certain life insurance benefits on behalf of the retired employees as well as extended health and dental benefits for early retirees to age sixty-five. The Board recognizes these post-retirement costs in the period in which the employees rendered the services. The most recent actuarial valuation was performed as at December 31, 2021.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

### 3. Employee future benefits and other liabilities (continued):

#### (b) Retiree benefits (continued)

Detailed information about retiree benefits is as follows:

	2023	2022
Accrued employee future benefit obligation:		
Balance, beginning of year	\$ 2,005,000	\$ 1,990,000
Current year benefit cost	82,000	79,000
Interest cost	59,000	59,000
Benefits paid	(131,000)	(123,000)
Actuarial loss	(94,000)	–
Balance at the end of the year	1,921,000	2,005,000
Unamortized actuarial gain (loss)	69,000	(11,000)
Employee future benefits obligation	\$ 1,990,000	\$ 1,994,000

Post-employment and post-retirement benefit expenses included in total expenditures consist of the following:

	2023	2022
Current year benefit cost	\$ 82,000	\$ 79,000
Interest on accrued benefit obligation	59,000	59,000
Amortization of net actuarial gain	(14,000)	(9,000)
Total expenses	\$ 127,000	\$ 129,000

Significant assumptions used in the actuarial valuation are as follows:

Discount rate	3.50%
Rate of compensation increase	2.00%
Healthcare cost increases	4.00%

The actuarial gain is amortized over the expected average remaining service life of the related employee group of fourteen years.

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

#### 4. Trust funds:

Trust funds administered by the Board amounting to \$4,576,829 (2022 - \$4,071,340) have not been included in the statement of financial position nor have their operations been included in the statement of operations. They are reported separately on The London Public Library Board Trust Fund Financial Statements ("Trust Funds").

During the year, the Trust Funds transferred \$441,382 (2022 - \$407,313) to the Board for capital and operating expenses. This amount and the related expenditures have been included in the statement of operations.

#### 5. Commitments:

The Board is committed under operating leases for the rental of premises and equipment. The minimum annual payments under these leases are as follows:

---

2024	\$	910,734
2025		747,188
2026		682,408
2027		648,151
2028 and beyond		1,346,024
	\$	4,334,505

---

#### 6. Pension agreement:

The Board has a pension agreement with OMERS, which is a multi-employer plan, on behalf of its full and part-time staff. The plan is a contributory defined benefit plan which specifies the amount of retirement benefit to be received by the employees based on the length of service and rates of pay. The amount contributed to OMERS for 2023 is \$1,129,326 (2022 - \$1,036,431) for current service and is included as an expenditure in the statement of operations.

The last available report for the OMERS plan was on December 31, 2023. At that time, the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.7 billion), based on actuarial liabilities for \$136.1 billion (2022 - \$130.3 billion) and actuarial value of net assets for \$131.9 billion (2022 - \$123.6 billion). If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions will be required in the future.

	\$ 21,695,995	\$ 22,711,312

## 9. Budget data:

Budget information has been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by PSAB, certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

	Budget amount
Revenues	
Operating budget	\$ 25,120,190
Expenses	
Operating budget	25,120,190
Annual surplus, as per approved budget	\$ -

# THE LONDON PUBLIC LIBRARY BOARD

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 9. Budget data (continued):

	Budget amount
Capital funding from the City	\$ 789,813
Major repairs and maintenance	(789,813)
Drawdown from Stabilization fund	(1,572,192)
Drawdown from Collections encumbrance fund	(180,000)
Annual (deficit), revised	\$ (1,752,192)

## 10. Asset retirement obligation :

The Board has recorded an asset retirement obligation of \$49,540 as of January 1, 2023. As at December 31, 2023, all liabilities for asset retirement obligations are reported at current costs in nominal dollars without discounting.

## 11. Financial risks and concentration of risk:

The Board is exposed to a variety of financial risks, including credit risks and liquidity risk. The Board's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Board's financial performance.

### (a) Credit risk:

The Board's principal financial assets that are subject to credit risk are accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Board's maximum credit exposure as at the Statement of Financial Position date.

### (b) Liquidity risk:

The Board mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. There have been no significant changes from the previous year in the Board's exposure to liquidity risk or policies, procedures and methods used to measure the risk. All accounts payable and accrued liabilities will be paid within six months.

The Board's financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities. It is the Board's opinion that they are not exposed to significant interest rate or currency risks arising from these financial instruments.

## INDEPENDENT AUDITOR'S REPORT

To the Commissioners, Members of Council, Inhabitants and Ratepayers of the Corporation of the City of London

### ***Opinion***

We have audited the accompanying financial statements of the London Transit Commission ("the Entity"), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023, and its results of operations, its changes in net assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter – Comparative Information***

We draw attention to Note 2 to the financial statements, which explains that certain comparative information presented for the year ending December 31, 2022 has been restated.

Note 2 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter.

***Other Matter – Comparative Information***

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion, such adjustments are appropriate and have been properly applied.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Page 3

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

See accompanying notes to financial statements.

# LONDON TRANSIT COMMISSION

Notes to Financial Statements

Year ended December 31, 2023

---

## 1. Significant accounting policies:

The financial statements of the London Transit Commission (the "Commission"), a local commission of the Corporation of the City of London (the "City of London"), are the representation of management prepared in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants Canada Public Sector Accounting Handbook.

### (a) Basis of accounting:

The Commission follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

### (b) Cash and cash equivalents:

The balances reported for cash and cash equivalents in these financial statements include both funds for current purposes and balances held for reserve funds.

Cash and cash equivalents include amounts held in banks and highly liquid investments with maturities at time of purchase of three months or less.

### (c) Deferred fare media and revenue:

The Commission receives contributions pursuant to legislation, regulations or agreement that may only be used for certain programs or in the completion of specific work. In addition, certain user charges and fees are collected for which the related services have yet to be performed. These amounts are recognized as revenue in the fiscal year the related expenditures are incurred or the services performed.

Government transfer payments from the City of London and the Province of Ontario are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If the funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as deferred revenue at year end.

### (d) Post-employment benefits liability:

The Commission provides defined retirement and other future benefits to specified employee groups. These benefits include pension, health, dental, life insurance, compensated absences, and workers' compensation benefits. The Commission has adopted the following policies with respect to accounting for:

- (i) The cost of employee future benefit plans are actuarially determined using management's best estimate of salary escalation, insurance and health care cost trends, long-term inflation rates and discount rates.
- (ii) The cost of multi-employer defined benefit pension plan, such as the Ontario Municipal Employees Retirement System ("OMERS") pensions, are the employer's contributions to the plan in the period. OMERS provides benefits for employees of Ontario municipalities, local boards, public utilities and school boards. As this is a multi employer plan, no liability is recorded on the Commission's books.

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 1. Significant accounting policies (continued):

### (e) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful life - years
Site work	25
Buildings	5 - 60
Shelters, pads, and terminals	10
Rolling stock	12
Fare and data collection equipment	15
Radio/communication equipment	15
Bike racks on buses	5
Service fleet	3
Shop equipment	5
Small tools	3
Computer hardware	3
Computer software	3

Tangible capital assets which are under construction are not amortized until the tangible capital assets are available for productive use.

### (f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

### (g) Financial instruments

Financial Instruments are classified into three categories: fair value, amortized cost or cost. The following chart shows the measurement method for each type of financial instrument.

Financial Instrument	Measurement method
Cash and cash equivalents	Cost
Accounts receivable	Cost
Accounts payable and accrued liabilities	Cost
Due to / from The City of London	Amortized cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

**Fair value category:** The Commission manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses. A Statement of Remeasurement Gains and Losses has not been included as there are no matters to report therein.

**Amortized cost:** Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

**Cost category:** Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

### (h) **Asset retirement obligations**

An asset retirement obligation is recognized when, at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

A liability for the removal of asbestos, fuel tanks and other hazardous materials in several of the buildings owned by the Commission has been recognized based on estimated future expenses.

The recognition of a liability resulted in an accompanying increase to the respective tangible capital assets. The increase to the tangible capital assets is being amortized in accordance with the accounting policies outlined in this note, 1.(e).

In addition, the Commission's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets and the expected retirement costs, as well as the timing and duration of these retirement costs.

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in Accounting policy - adoption of new accounting standards:

The Commission adopted the following standards concurrently beginning January 1, 2023 prospectively: *PS 1201 Financial Statement Presentation*, *PS 2601 Foreign Currency Translation*, *PS 3041 Portfolio Investments* and *PS 3450 Financial Instruments*.

*PS1201 Financial Statement Presentation* replaces *PS 1200 Financial Statement Presentation*. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in *PS 2601 Foreign Currency Translation*, *PS 3450 Financial Instruments*, and *PS 3041 Portfolio Investments*, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

*PS 2601 Foreign Currency Translation* replaces *PS 2600 Foreign Currency Translation*. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.

*PS 3041 Portfolio Investments* replaces *PS 3040 Portfolio Investments*. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to *PS 3450 Financial Instruments*. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, *PS 3030 Temporary Investments* no longer applies.

*PS 3450 Financial Instruments* establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

### *Fair value hierarchy*

The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and

Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

*PS 3280 Asset Retirement Obligations (ARO)* establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023 on a modified retroactive basis with prior period restatement.

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 2. Change in Accounting policy - adoption of new accounting standards (continued):

In the past, the Commission has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

As a result of applying this accounting standard, an asset retirement obligation of \$1,691,000 (2022 – \$1,691,000) was recognized as a liability in the Statement of Financial Position. These obligations represent estimated retirement costs for the Commission owned buildings and equipment, including tanks. The adoption of *PS 3280 ARO* was applied to the comparative period and balances were restated as follows:

2022

	As previously reported	Adjustments	As restated
<b>Statement of Financial Position</b>			
Tangible Capital Assets	\$ 97,857,077	\$ 658,085	\$ 98,515,162
Asset retirement obligation liability	-	1,691,000	1,691,000
Accumulated Surplus (deficit)	112,932,627	(1,032,915)	111,899,712
<b>Statement of Change in Net Debt</b>			
Adjustment for asset retirement obligation	-	(1,691,000)	(1,691,000)
Net debt, beginning of year	9,709,078	(1,691,000)	8,018,078

## 3. Inventories:

	2023	2022
Spare parts	\$ 3,951,503	\$ 3,677,451

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 4. Accumulated surplus:

Accumulated surplus consists of individual fund surpluses, reserves and reserve funds as follows:

	2023	2022 (restated - note 2)
Surplus:		
Invested in tangible capital assets	\$ 88,032,913	\$ 98,515,162
To be recovered from public liability insurance reserve fund	(1,330,926)	(1,363,724)
Unfunded:		
Employee future benefits liability	(4,169,000)	(4,276,000)
Vacation pay earned and accrued payroll	(3,213,900)	(2,947,600)
Asset retirement obligation liability	(1,691,000)	(1,691,000)
Total surplus	77,628,087	88,236,838
Reserves set aside for specific purposes of the Commission (note 11):		
Energy management reserve	1,665,750	1,665,750
General operating reserve	3,416,765	3,661,087
Health care management reserve	4,586,499	4,854,965
Total reserves	9,669,014	10,181,802
Reserve funds set aside for specific purposes by the Commission (note 11):		
Capital program reserve fund	7,637,923	7,872,568
Public liability insurance reserve fund	5,148,949	5,608,504
Total reserve funds	12,786,872	13,481,072
	\$ 100,083,973	\$ 111,899,712

## 5. Grants:

(a) The City of London:

Grants from The City of London for current and capital operations for conventional transit and specialized transit are as follows:

	2023	2022
Operating grants:		
Specialized transit	\$ 9,793,620	\$ 9,401,300
Conventional transit	36,042,920	33,878,400
	45,836,540	43,279,700
Capital grants:		
Capital levy and debentures	1,214,803	9,350,892
Development	-	386,207
	1,214,803	9,737,099
Total grants received from The City of London	\$ 47,051,343	\$ 53,016,799

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 5. Grants (continued):

In addition, The City of London sponsors certain groups using both conventional and specialized public transit. These groups receive reduced fares or free fares. The Commission receives grants, on behalf of the respective groups, as fare offsets and are shown as such on the Statement of Operations as part of the ticket and pass fares. Particulars of the grants are as follows:

	2023	2022
Equalization grant, seniors (reduced fares)	\$ 276,848	\$ 239,806
Equalization grant, income related (reduced fares)	201,620	154,428
Equalization grant, youth (reduced fares)	360,808	258,604
Free transportation, blind	161,984	131,969
Free transportation, children	261,083	181,314
	<u>\$ 1,262,343</u>	<u>\$ 966,121</u>

### (b) Province of Ontario:

Provincial grants recognized as revenue during the year ended December 31, for capital and operating programs are as follows:

	2023	2022
Capital grants:		
Gas tax program	\$ 41,608	\$ 3,856,251
Investing in Canada infrastructure program	117,924	1,357,182
Safe restart program	-	225,289
	<u>159,532</u>	<u>5,438,722</u>
Operating grants:		
Gas tax program	10,183,272	8,237,300
Safe restart program	-	4,048,330
	<u>10,183,272</u>	<u>12,285,630</u>
Total Province of Ontario grants	<u>\$ 10,342,804</u>	<u>\$ 17,724,352</u>

### (c) Government of Canada:

	2023	2022
Capital grants:		
Investing in Canada infrastructure program	\$ 141,650	\$ 1,630,248
Total Government of Canada grants	<u>\$ 141,650</u>	<u>\$ 1,630,248</u>

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 6. Pension agreement:

Effective February 1, 1989, the London Transit Commission commenced participation in the Ontario Municipal Employees Retirement System (OMERS) which is a multi employer plan, for all active employees at that date as well as for all new employees. As of December 31, 2023 there were 682 (2022 - 655) active employees. The plan is a contributory defined benefit plan which specifies the amount of retirement benefit to be received by the employees based on their length of service and rates of pay. Changes by OMERS to the plan, since February 1, 1989, apply to service after February 1, 1989. For pre-February 1, 1989 service, the Commission provides pension benefits, as determined by the pension plan document.

The amount contributed to OMERS for 2023 was \$3,673,923 (2022 - \$3,219,070) for current service and is expensed in the statement of operations.

The last available report for the OMERS plan was on December 31, 2023. At that time, the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.7 billion), based on actuarial liabilities for \$136.1 million (2022 - \$130.3 million) and actuarial assets for \$131.9 million (2022 - \$123.6 million). If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions will be required in the future.

The London Transit Commission continues to sponsor a pre-February 1, 1989, contributory defined benefit pension plan for employees on long term disability at February 1, 1989 that are not likely to return to active employment.

## 7. Employee future benefits:

The Commission provides benefits to retirees until they reach sixty-five years of age and provides certain benefits to employees on long-term disability. The employee future benefit liability has been estimated based on an actuarial valuation which was completed at December 31, 2021.

	2023	2022
Employee future benefits liability as of December 31	\$ 4,169,000	\$ 4,276,000

Retirement and other future benefit expenses included in total expenditures consist of the following:

	2023	2022
Current year benefit cost	\$ 277,000	\$ 267,000
Interest on accrued benefit obligation	102,000	100,000
Amortized gain	(174,000)	(116,000)
Benefits paid	(312,000)	(283,000)
	\$ (107,000)	\$ (32,000)

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 7. Employee future benefits (continued):

Significant assumptions are as follows:

	2023	2022
Discount rate	3.50%	3.00%
Rate of compensation increase	2.00%	2.00%
Healthcare cost current	5.47%	5.50%
Healthcare cost ultimate	4.00%	4.00%

---

## 8. Public liability insurance:

At December 31, 2023, there were 101 liability claims (2022- 122) and 5 accident benefits claims (2022- 11) outstanding that may result in payment under the insurance deductible provisions. The estimated cost to the Commission is \$1,292,537 and \$38,389 (2022 - \$1,219,530 and \$144,195) respectively for a total of \$1,330,926 (2022 - \$1,363,724) to be funded from the public liability reserve fund.

## 9. Commitments:

(a) Bus procurement:

The Commission has approved the awarding of contracts with New Flyer Industries for the purchase of fifteen buses for \$12,427,200 in 2022. These buses were not received until January & February 2024. In 2023 the commission approved the purchase of ten buses from New Flyer Industries for \$8,010,280. It is anticipated these buses will arrive by the end of April 2024.

## 12. Reconciliation of annual surplus to Commission approved operating surplus:

The Commission's annual operating and capital budget programs are fully funded with actual to budget performance expected to be in a balanced position, that is the Commission does not budget for a surplus or deficit.

PSAB requirements impact how and where revenue and expenditure items are reported and on what financial statement. This results in the reporting of a 2023 budget surplus, a 2023 actual deficit and a 2022 actual surplus.

These reported surplus and deficits, budgeted and actual, are reconciled to the balanced position in the following table:

	Budget (note 12)	2023	2022
Annual surplus (deficit)	\$ 13,266,500	\$ (11,815,739)	\$ 3,569,563
Capital expenditures	(22,574,500)	(2,172,535)	(17,545,982)
Transfers from reserves and reserve funds	10,856,100	2,053,797	2,166,716
Contributions to reserves and reserve funds	(1,548,100)	(846,809)	(1,556,684)
Amortization of tangible capital assets	-	12,654,784	13,230,331
Increase (decrease) in employee future benefits	-	(107,000)	(31,999)
Increase (decrease) in liability for insurance claims	-	(32,798)	131,256
Increase (decrease) in liability for vacation pay	-	266,300	36,800
Other	-	-	(66,072)
<b>Commission approved surplus (deficit)</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ (66,071)</b>

## 13. Asset retirement obligations:

The Commission has recorded an asset retirement obligation as of the January 1, 2023 implementation date on a modified retroactive basis, with a restatement of prior year amounts.

As at December 31, 2023, all liabilities for asset retirement obligations are reported at current costs in nominal dollars without discounting.

A reconciliation of the beginning and ending aggregate carrying amount of the asset retirement obligation liability is below:

As at December 31	2023	2022
<b>Liabilities for Asset Retirement Obligations at Beginning of Year</b>	\$ 1,691,000	\$ -
Opening adjustments	-	1,691,000
<b>Liabilities for Asset Retirement Obligations at of Year</b>	<b>\$ 1,691,000</b>	<b>\$ 1,691,000</b>

# LONDON TRANSIT COMMISSION

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 14. Financial instruments:

- (a) Risks arising from financial instruments and risk management.

The Commission is exposed to a variety of financial risks including credit risk, liquidity risk and market risk. The Commission's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Commission's financial performance.

- (b) Credit risk

The Commission's principal financial assets are cash and accounts receivable, which are subject to credit risk. The carrying amounts of financial assets on the Statement of Financial Position represent the Commission's maximum credit exposure as at the Statement of Financial Position date.

- (c) Liquidity risk

The Commission mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current. There have been no significant changes from the previous year in the Commission's exposure to liquidity risk or policies, procedures and methods used to measure the risk. The following table sets out the contractual maturities (representing undiscounted contractual cash flows) of financial liabilities:

As at December 31, 2023	Within 6 months	6-12 months	1-4 years	4+ years
Accounts payable and accrued liabilities	\$ 9,100,457	\$ 1,801,044	\$ 419,092	\$ 589,697

As at December 31, 2022	Within 6 months	6-12 months	1-4 years	4+ years
Accounts payable and accrued liabilities	\$ 8,669,623	\$ 156,923	\$ 341,055	\$ 481,949

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of Museum London

***Opinion***

We have audited the financial statements of Museum London (the Entity), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations and accumulated surplus for the year then ended
- the statement of change in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- the statement of accumulated remeasurement gains for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023 and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter - Comparative Information***

We draw attention to Note 2 to the financial statements, which explains that certain comparative information presented for the year ended December 31, 2022 has been restated.

Note 2 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter

### ***Other Matter - Comparative Information***

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion such adjustments are appropriate and have been properly applied.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

Page 3

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Portfolio investments recorded at fair market value	1,337,324	-
Accumulated remeasurement gains, end of year	\$ 1,337,324	\$ -

# MUSEUM LONDON

Notes to Financial Statements

Year ended December 31, 2023

---

## 1. Significant accounting policies:

The financial statements of Museum London, a registered charity, are prepared by management in accordance with Canadian generally accepted accounting principles as defined in the Chartered Professional Accountants Canada Public Sector Accounting Handbook ("PSAB").

The statement of operations combines financial transactions of the operating, tangible capital asset, and reserve and restricted funds.

- (a) Operating funds are available for financing expenditures for the day to day operations of Museum London;
- (b) Tangible capital asset funds are available for financing expansion, replacement and major repairs and maintenance of Museum London facilities; and
- (c) Reserves and restricted funds are designated for specific purposes and are either not available for day to day operations or require special approval in accordance with Museum London Board policy.

Note 10 provides a summary of the financial activities of each fund. Transfers between the funds are made as approved by the Board.

- (a) Basis of accounting:

Museum London follows the accrual method of accounting for revenues and expenses. Revenues are recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

- (b) Government transfers:

Government transfer payments are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expense have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

- (c) Deferred revenue:

Deferred revenue represent grants, sponsorships and other designated funding which has been received but for which the related exhibitions, programs or other services have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed.

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

### (d) Investment income:

Investment income is reported as revenue in the period earned. Income earned on restricted and unrestricted investment funds becomes part of the investment funds and are not available for operating purposes.

### (e) Financial instruments:

Financial Instruments are classified into three categories: fair value, amortized cost or cost. Portfolio investments reported at fair value consist of equity instruments, certain fixed income securities, and any other investments where the investments are managed and evaluated on a fair value basis and the fair value option is elected.

Other financial instruments, including cash and cash equivalents, accounts receivable, loans receivable, and accounts payable and accrued liabilities are initially recorded at their fair value and are subsequently measured at cost or amortized cost, net of any provisions for impairment.

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: Museum London manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reversed from the Statement of Remeasurement Gains and Losses.

Amortized cost: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

# MUSEUM LONDON

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

(f) Employee future benefits:

The Museum London provides certain employee benefits which will require funding in future periods. These benefits include amounts for vacation for current employees. These future liabilities are recognized at current cost.

(g) Pension contributions:

The costs of defined contribution pension plan benefits to the Ontario Municipal Employees Retirement Fund ("OMERS") are the employer's contributions due to the plan in the period.

(h) Capital assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost of the tangible capital assets, excluding land, is amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful life
Building and building improvements:	
Building structure and initial site-works	60 years
Building shell (cladding, roofing, windows)	20 years
Building services (heating, electrical, mechanical)	5-15 years
Site-work betterments and interior refurbishing	5-7 years
Furniture and equipment:	
Heavy equipment	10 years
Furniture and small equipment	5 years

---

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

# MUSEUM LONDON

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

(h) Capital assets (continued):

(i) Tangible capital assets (continued):

An asset retirement obligation is recognized when, at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

A liability for the removal of asbestos and other hazardous materials in the building owned by the Museum London has been recognized based on estimated future expenses.

The recognition of a liability resulted in an accompanying increase to the respective tangible capital assets. The increase to the tangible capital assets is being amortized in accordance with the accounting policies outlined in this note.

In addition, the Museum London's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets and the expected retirement costs, as well as the timing and duration of these retirement costs.

(ii) Works of art and cultural and historic assets:

Works of art and material cultural and historic assets are not recorded as assets in these financial statements.

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

# MUSEUM LONDON

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 1. Significant accounting policies (continued):

(i) Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles, as defined in the Chartered Professional Accountants Canada Public Sector Accounting Handbook, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

(j) Budget figures:

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by PSAB, certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

## 2. Change in accounting policy - adoption of new accounting standards:

Museum London adopted the following standards concurrently beginning January 1, 2023 prospectively: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 3450 Financial Instruments.

- (a) PS 1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.
- (b) PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard requires monetary assets and liabilities denominated in a foreign currency and non-monetary items denominated in a foreign currency that are reported as fair value, to be adjusted to reflect the exchange rates in effect at the financial statement date. Unrealized gains and losses arising from foreign currency changes are presented in the new Statement of Remeasurement Gains and Losses.
- (c) PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

# MUSEUM LONDON

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 2. Change in accounting policy - adoption of new accounting standards (continued):

- (d) PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. The standard requires fair value measurement of derivatives and portfolio investments in equity instruments that are quoted in an active market. All other financial instruments will generally be measured at cost or amortized cost. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

Fair value hierarchy: The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- (i) Level 1 – fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2 – fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 – fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

- (e) PS 3280 Asset Retirement Obligations ("ARO") establishes the accounting and reporting requirements for legal obligations associated with the retirement of tangible capital assets controlled by a government or government organization. A liability for a retirement obligation can apply to tangible capital assets either in productive use or no longer in productive use. This standard was adopted on January 1, 2023 using the modified retrospective approach.

# MUSEUM LONDON

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 2. Change in accounting policy - adoption of new accounting standards (continued):

(e) (continued):

In the past, Museum London has reported its obligations related to the retirement of tangible capital assets in the period when the asset was retired directly as an expense. The new standard requires the recognition of a liability for legal obligations that exist as a result of the acquisition, construction or development of a tangible capital asset, or that result from the normal use of the asset when the asset is recorded. Such obligation justifies recognition of a liability and can result from existing legislation, regulation, agreement, contract, or that is based on a promise and an expectation of performance. The estimate of the liability includes costs directly attributable to asset retirement activities. Costs include post-retirement operation, maintenance, and monitoring that are an integral part of the retirement of the tangible capital asset (if applicable). When recording an asset retirement obligation, the estimated retirement costs are capitalized to the carrying value of the associated assets and amortized over the asset's estimated useful life. The amortization of the asset retirement costs follows the same method of amortization as the associated tangible capital asset.

As a result of applying this accounting standard, an asset retirement obligation of \$292,290 (2022 - \$292,290) was recognized as a liability in the Statement of Financial Position. These obligations represent estimated retirement costs for the Museum London owned buildings and equipment. The adoption of PS 3280 ARO was applied to the comparative period and balances were restated as follows:

2022	As previously reported	Adjustments	As restated
Statement of Financial Position			
Tangible capital assets	\$ 7,625,998	\$ 87,687	\$ 7,713,685

Notes to Financial Statements (continued)

Year ended December 31, 2023

## 5. Employee future benefits:

Employee future benefits, reported on the statement of financial position, are comprised of the following:

	2023	2022
Vacation pay earned but not taken	\$ 72,994	\$ 58,761

Under the provision of certain employee vacation plans, some vacation credits are earned as at December 31, but are generally unavailable for use until a later date.

## 6. Accumulated surplus:

The accumulated surplus consists of the following:

	2023	2022
		(Restated - note 2)
Surplus (deficit):		
Operating fund	\$ (1,172,254)	\$ (890,644)
Investment in tangible capital assets	6,932,835	7,713,685
Unfunded employee benefits	(72,994)	(58,761)
Accumulated unrealized remeasurement gains	1,337,324	-
Total surplus	7,024,911	6,764,280
Reserve funds set aside for specific purposes by Museum London:		
Operating endowment	4,813,194	4,704,932
Restricted funds held by Museum London include the following:		
Moore acquisitions fund	3,233,972	3,196,915
Moore collection management fund	375,317	364,363
Nancy Geddes Poole fund	137,802	133,788
Volunteer committee acquisitions fund	254,892	247,546
Townsend and Mavers fund	56,662	-
	\$ 15,896,750	\$ 15,411,824

# MUSEUM LONDON

Notes to Financial Statements (continued)

Year ended December 31, 2023

---

## 7. Insurance:

Museum London has accumulated works of art with an insured value. These works of art are not recorded as tangible capital assets in the financial statements.

## 8. Pension plan:

Museum London makes contributions to the Ontario Municipal Employees Retirement Fund ("OMERS") on behalf of twenty members of its staff. The plan is a contributory defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on length of service and rates of pay.

Contributions for employees with a normal retirement age of sixty five were made at the rate of 9.0% for earnings up to the yearly maximum pensionable earnings of \$66,600 and at a rate of 14.60% for earnings greater than the yearly maximum pensionable earnings.

The amount contributed to OMERS for 2023 was \$136,264 (2022 - \$116,829) and is included as an expense in the statement of operations and accumulated surplus. Employees' contributions to OMERS in 2023 were \$136,264 (2022 - \$116,829).

The last available report for the OMERS plan was on December 31, 2023. At that time, the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.7 billion), based on actuarial liabilities for \$136.1 billion (2022 - \$130.3 billion) and actuarial assets for \$131.9 billion (2022 - \$123.6 billion). If actuarial surpluses are not available to offset the existing deficit and subsidize future contributions, increases in contributions will be required in the future.

## 9. Related party transactions and balances:

	2023	2022
Due from the Corporation of the City of London	\$ -	\$ 33,422
Due to the Corporation of the City of London	(39,515)	(32,692)
	<u>\$ (39,515)</u>	<u>\$ 730</u>

Amounts due to and from the Corporation of the City of London, an organization that has significant influence over Museum London are non interest bearing and have no specific terms.

Transactions are entered into with related parties in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties, unless otherwise noted.

## 10. Annual surplus (deficit):

The annual surplus (deficit) in the statement of operations and accumulated surplus includes the net change of the balance of each of the three funds: operating, investment in tangible capital asset, and reserve and restricted funds along with the change in unfunded employee future benefits as follows:

---

	2023	2022
Operating fund	\$ (281,610)	\$ (289,873)
Investment in tangible capital assets	(780,851)	(818,353)
Reserves and restricted funds	224,296	308,700
Change in unfunded employee benefits	(14,233)	(1,414)
Deficit	\$ (852,398)	\$ (800,940)

---

## 11. Budget data:

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by PSAB, certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

	Budget amount
Revenue:	
Operating budget	\$ 3,359,292
Expense:	
Operating budget	3,766,945
Annual operating surplus, as budgeted	(407,653)
Amortization of tangible capital assets	(1,000,000)
Annual deficit, revised	\$ (1,407,653)

## 12. Asset retirement obligations:

The Museum London has recorded an asset retirement obligation as of the January 1, 2023 implementation date on a modified retroactive basis, with a restatement of prior year amounts.

As at December 31, 2023, all liabilities for asset retirement obligations are reported at current costs in nominal dollars without discounting.

A reconciliation of the beginning and ending aggregate carrying amount of the asset retirement obligation liability is below:

As at December 31	2023	2022
Liabilities for asset retirement obligations, beginning of year	\$ 292,290	\$ -
Opening adjustments	-	292,290
Liabilities for asset retirement obligations, end of year	\$ 292,290	\$ 292,290

## 13. Financial risks and concentration of risk:

As the valuation of all financial instruments held by Museum London at fair value are derived from quoted prices in active markets, all would be in Level 1 of the fair value hierarchy.

### Risks arising from financial instruments and risk management

Museum London is exposed to a variety of financial risks including credit risks, liquidity risk and market risk. Museum London's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on Museum London's financial performance.

(a) Credit risk:

Museum London's principal financial assets that are subject to credit risk are cash and accounts receivable. The carrying amounts of financial assets on the Statement of Financial Position represent the Museum London's maximum credit exposure as at the Statement of Financial Position date.

(b) Liquidity risk:

Museum London mitigates liquidity risk by monitoring cash activities and expected outflows through extensive budgeting. Accounts payable and accrued liabilities are all current. There have been no significant changes from the previous year in Museum London's exposure to liquidity risk or policies, procedures and methods used to measure the risk. All accounts payable and accrued liabilities will be paid within six (6) months.

(c) Market risk:

Museum London is exposed to interest rate risk and price risk with regard to its short and long-term investments, all of which are regularly monitored.

Museum London's financial instruments consist of cash, accounts receivable, investments, and accounts payable and accrued liabilities. It is Museum London's opinion that Museum London is not exposed to significant interest rate or currency risks arising from these financial instruments except as otherwise disclosed.

## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of Elgin Area Primary Water Supply System

### ***Opinion***

We have audited the financial statements of Elgin Area Primary Water Supply System (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations and accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Emphasis of Matter – Comparative Information***

We draw attention to Note 3 to the financial statements, which explains that certain comparative information presented for the year ending December 31, 2022 has been restated.

Note 3 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter.

### ***Other Matter – Comparative Information***

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion, such adjustments are appropriate and have been properly applied.

## ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

## **DRAFT**

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**DRAFT**

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**

**Notes to Financial Statements**

**Year ended December 31, 2023**

---

**1. Nature of Reporting Entity**

The Ontario Water Resources Commission (the “Commission”) of the Province of Ontario constructed, owned and operated a water treatment plant on Lake Erie and pipeline to the City of St. Thomas and the Ford Talbotville Assembly Plant on or about 1967. The Ministry of the Environment (the “Ministry”) was created in about 1973 and assumed all operations and activities of the Commission. In or about 1991, operational related activities (water and wastewater systems) of the Ministry were transferred to the Ontario Clean Water Agency, a Crown corporation of the Province of Ontario. In accordance with agreements with the associated municipalities, the Ministry extended pipelines to the present communities of Port Burwell, Port Stanley, and Southwold, and in 1996 to the City of London and the Town of Aylmer.

In accordance with the *Municipal Water and Sewage Systems Transfer Act*, 1997, the final Transfer Order for Elgin Area Primary Water Supply System (the “Entity”) was effective on November 29, 2000.

Under the transfer order, the works, properties and all assets, liabilities, rights and obligations of the system were transferred jointly to The Corporation of the City of London, The Corporation of the Town of Aylmer, The Corporation of the Municipality of Bayham, The Corporation of the Municipality of Central Elgin, The Corporation of the Township of Malahide, The Corporation of the Township of Southwold and The Corporation of the City of St. Thomas. The Corporation of the City of London (the “Corporation”) was named as the administering municipality. The Corporation of the Municipality of Dutton Dunwich joined the joint board of management in 2018. The appointment and voting structure was approved in the December 2019 board meeting.

The transfer order established a joint board of management to govern the management of the water supply system. The joint board of management is comprised of seven members appointed by the respective councils of participating municipalities. The Board composition is as follows:

<b>Municipality</b>	<b>Members</b>	<b>Votes</b>
The Corporation of the City of London	3	3
The Corporation of the City of St. Thomas	2	2
The Corporations of the Township of Southwold and the Municipality of Central Elgin and the Municipality of Dutton Dunwich (acting jointly)	1	1
The Corporations of the Municipality of Bayham, Township of Malahide and Town of Aylmer (acting jointly)	1	1

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies**

The financial statements of the Entity are prepared by management in accordance with Canadian generally accepted accounting principles as defined in the CPA Canada Public Sector Handbook - Accounting. Significant accounting policies are as follows:

**(a) Accrual Accounting**

Sources of financing and expenses are reported on the accrual basis of accounting.

**(b) Asset Retirement Obligation**

An asset retirement obligation (ARO) is recognized when, at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

The following liabilities have been recognized based on estimated future expenses:

- Removal of asbestos in various buildings owned by the Entity. The Occupational Health and Safety Act states the demolition of a building, all or in part, can be done only when asbestos-containing material that may be disturbed during the work, has been removed.
- Removal of underground fuel and oil storage tanks and related piping. The Technical Standards and Safety Authority (TSSA) states in both its Liquid Fuels Handling Code and the Fuel and Oil Code that an underground storage tank and its piping must be removed when it has been out of service for 2 years or more.
- Removal of leasehold improvements where requested by the landlord. A lease may have a Base-Building clause that states that leasehold improvements are to be removed at the end of a lease at the request of the landlord and at the expense of the Entity.

**(c) Non-financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(c) Non-financial Assets (continued)**

**(i) Tangible capital assets**

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

<b>Asset</b>	<b>Useful Life - Years</b>
Buildings and building improvements	15 – 40
Vehicles	5 – 15
Machinery and equipment	7 – 20
Water infrastructure	10 – 60
Computers	3

Annual amortization is charged in the year of acquisition and in the year of disposal using the half year rule. Assets under construction are not amortized until the asset is available for productive use.

**(ii) Interest Capitalization**

The interest costs associated with the acquisition or construction of a tangible capital asset are not capitalized.

**(d) Revenue Recognition**

The Entity recognizes revenue when water is drawn by each customer, collection of the relevant receivable is probable, persuasive evidence of an arrangement exists and the sales price is fixed or determinable.

**(e) Government Transfers**

Government transfer payments to the Entity are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performance. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(f) Financial Instruments**

Financial instruments are classified in one of the following categories: (i) fair value; (ii) cost or amortized cost. The Entity determines the classification of its financial instruments at initial recognition.

Unsecured debentures and other long-term debt are initially recorded at fair value and subsequently measured at amortized cost using the effective interest rate method. Transaction costs related to the issuance of long-term debt are capitalized and amortized over the term of the debt.

Other financial instruments, including cash and cash equivalents, trade accounts receivable, loans receivable, accounts payable and accrued liabilities, are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

The following table provides the carrying amount information of the Entity's financial instruments by category.

<b>Financial Instruments</b>	<b>Measurement Method</b>
Due from the Corporation of the City of London	Cost
Trade and other receivables	Cost
Other loans receivable	Amortized Cost
Accounts payable and accrued liabilities	Cost
Accrued interest on long-term debt	Cost
Long-term debt	Amortized Cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The Entity manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reverses from the Statement of Remeasurement Gains and Losses. A statement of Remeasurement Gains and Losses has not been included as there are no material matters to report therein.

**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(f) Financial Instruments (continued)**

The fair value of a financial instrument is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. The fair value of a financial instrument on initial recognition is the transaction price at the trade date, which is the fair value of the consideration given or received. After initial recognition, the fair values of financial instruments that are quoted in active markets are based on bid prices for financial assets held and offer prices for financial liabilities. When independent prices are not available, fair values are determined by using valuation techniques that refer to observable market data. These include comparisons with similar instruments where market observable prices exist, discounted cash flow analysis, option pricing models and other valuation techniques commonly used by market participants.

Amortized cost category: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations and any unrealized gain is adjusted through the statement of remeasurement gains and losses.

When the asset is sold, the unrealized gains and losses previously recognized in the statement of remeasurement gains and losses are reversed and recognized in the statement of operations.

A statement of remeasurement gains and losses has not been included as there are no matters to report therein.

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(g) Loans Receivable**

Loans receivable are recorded at the lower of amortized cost and the net recoverable value when the risk of loss exists. Recoverability is reviewed annually, and a valuation allowance is recorded when recoverability is impaired. A loan receivable is written off when it is no longer recoverable. Recoveries of loans receivable previously written off are recognized in the year received. Changes in the valuation of loans receivables are recognized in the statement of operations and accumulated surplus. Interest is accrued on loans receivable to the extent it is deemed collectable.

When the terms associated with a loan are considered concessionary such that all or a part of the loan is a grant, the Entity will expense the grant portion of the transaction in the statement of operations and accumulated surplus at the time the loan is made.

**(h) Foreign Currency Translation**

Monetary assets and liabilities denominated in foreign currencies are translated at the prevailing rates of exchange at the year-end date. Revenue and expenses are translated at the exchange rate prevailing on the transaction date. Realized and unrealized exchange gains and losses are included in the statement of operations.

**(i) Use of Estimates**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include the valuation allowances for receivables and useful lives assigned to tangible capital assets.

Actual results could differ from those estimates.

The Entity's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the expected retirement costs, as well as the timing and duration of these retirement costs.

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(j) Budget Figures**

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by the Public Sector Accounting Board (“PSAB”), certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

**(k) Liability for Contaminated Sites**

Under PS 3260, liability for contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. This Standard relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination.

**(l) Related Party Disclosures**

Related parties exist when one party has the ability to control or has shared control over another party. Individuals that are key management personnel or close family members may also be related parties.

Disclosure is made when the transactions or events between related parties occur at a value different from what would have been recorded if they were not related and the transactions could have a material financial impact on the consolidated financial statements.

**(m) Inter-entity Transactions**

Transactions between related parties are recorded at carrying amounts with the exception of the following:

- Transactions in the normal course of business are recorded at exchange amount.
- Transactions with fair value consideration are recorded at exchange amount.
- Transfer of an asset or liability at nominal or no consideration is recorded by the provider at carrying amount and the recipient has the choice of either carrying amount or fair value.
- Cost allocations are reported using the exchange amount and revenues and expenses are reported on a gross basis.
- Unallocated costs for the provision of goods or services maybe recorded by the provider at cost, fair value or another amount dictated by policy, accountability structure or budget practice.

**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(n) Future Accounting Pronouncements**

These standards and amendments were not yet effective for the year ended December 31, 2023, and have therefore not been applied in preparing these financial statements. Management is currently assessing the impact of the following accounting standards updates on the future financial statements.

**(i) Revenue**

PS 3400, Revenue, establishes a single framework to categorize revenues to enhance the consistency of revenue recognition and its measurement. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Entity's December 31, 2024 year-end).

**(ii) Public Sector Guideline 8 Purchased Intangible**

Public Sector Guideline 8 Purchased Intangible, allows public sector entities to recognize intangible purchased through an exchange transaction. This guideline is effective for fiscal years beginning on or after April 1, 2023 (the Entity's December 31, 2024 year-end).

**(iii) Public Private Partnerships**

PS 3160, Public Private Partnerships (P3s), provides specific guidance on the accounting and reporting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Entity's December 31, 2024 year-end).

**3. Change in Accounting Policies - Adoption of New Accounting Standards**

The Entity adopted the following standards concurrently, beginning January 1, 2023:

**(a) PS 1201, Financial Statement Presentation**

PS 1201, Financial Statement Presentation replaces PS 1200 Financial Statement presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**3. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(b) PS 3041, Portfolio Investments**

PS 3041, Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

**(c) PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation**

The Entity adopted PS 3450 Financial Instruments and PS 2601 Foreign Currency Translation standards prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450, all financial instruments, including derivatives, are included on the statement of financial position, and are measured at either fair value or amortized cost based on characteristics of the instrument and the Entity's accounting policy choices. (see note 2, Significant accounting policies). Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

These above standards were adopted prospectively. There was no impact to the Entity as a result of the adoption of the above standards.

**(d) PS 3280, Asset Retirement Obligations**

The Entity adopted PS 3280 Asset Retirement Obligations (ARO). The new accounting standard addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets by public sector entities. The standard was adopted on the modified retrospective basis at the date of adoption, with the restatement of comparative information. Under the modified retrospective method, the discount rate and assumptions used on initial recognition are those as of the date of adoption of the standard.

On January 1, 2023:

The Entity recognized an asset retirement obligation relating to various buildings owned by the Entity that contain asbestos. The liability was measured as of the date of purchase of the buildings, when the liability was assumed. The buildings have an expected useful life of 40 years, which has not been revised.

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

**3. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(d) PS 3280, Asset Retirement Obligations (continued)**

The Entity recognized an asset retirement obligation relating to underground fuel and oil storage tanks owned by the Entity that must be removed up to 2 years after the end of their useful lives. The liability was measured as of the date of the tanks were installed, when the liability was assumed. The tanks have an expected useful life of 10 years, which has not been revised.

The Entity recognized an asset retirement obligation relating to the potential of a landlord requesting removal of leasehold improvements at the end of a lease. The liability was measured as of the date the leasehold improvements were installed or when the lease began, which is when the liability was assumed. Leasehold improvement assets have an expected useful life of 7 years, which has not been revised.

As a result of applying this accounting standard, an asset retirement obligation of \$664,058 (2022 - \$629,041) was recognized as a liability in the Statement of Financial Position. These obligations represent estimated retirement costs for the Entity owned buildings and building improvements and machinery and equipment. The adoption of this standard was applied to the comparative period as follows:

2022	As previously reported	Adjustments	As restated
<b>Statement of Financial Position</b>			
Tangible capital assets	\$ 62,453,643	\$ 260,161	\$ <b>62,713,804</b>
Asset retirement obligation	-	629,041	<b>629,041</b>
Accumulated surplus	72,974,905	(368,880)	<b>72,606,025</b>
<b>Statement of Change in Net Financial Assets</b>			
Adjustment for asset retirement obligation	-	(629,010)	<b>(629,010)</b>
Adjustment for asset retirement obligation - accretion	-	(31)	<b>(31)</b>
<b>Statement of Operations</b>			
Rents and financial expenses	81,289	31	<b>81,320</b>
Amortization of tangible capital assets	3,570,463	18,889	<b>3,589,352</b>
Surplus for the year	\$ 2,698,640	\$ (18,920)	<b>\$ 2,679,720</b>

**DRAFT**

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**4. Due from the Corporation of the City of London**

As the Administering Municipality, the Corporation manages the daily operations of the Entity. The Corporation maintains a separate general ledger on behalf of the Entity. All funds are paid and received through the Corporation's bank account and held for use by the Entity.

**5. Loan Receivable**

---

	<b>2023</b>	<b>2022</b>
Buy-in Charge Loan - Municipality of Dutton Dunwich	\$ <b>108,902</b>	\$ 130,271
Interest Earned on Loan at prime rate less 1.53%	\$ <b>6,631</b>	\$ 3,683

---

Effective January 1, 2018, the Municipality of Dutton Dunwich entered into a four-party water supply agreement with the Township of Southwold, the St. Thomas Secondary Water Supply System, and the Elgin Area Water Primary Supply System resulting in a buy-in charge of \$252,000. Dutton Dunwich has requested and the Entity has consented to payment of this buy-in charge over a 10 year term bearing interest on the outstanding amount. During the year, \$21,369 was received as payment on the loan. This loan is paid quarterly and will mature in December 2027.

**DRAFT**

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

**6. Long-term Debt**

Long-term debt is stated as follows:

	<b>2023</b>	<b>2022</b>
Long-term debt assumed by the Corporation of the City of London, as Administering Municipality, on behalf of the Elgin Area Primary Water Supply System, with semi-annual interest payments:		
at rates ranging from 2.20% to 2.70% (2022 - 1.95% to 2.70%), maturing March 2026.	<b>\$ 2,251,149</b>	\$ 2,971,630
at rates ranging from 2.20% to 2.85% (2022 - 2.00% to 2.85%), maturing March 2027.	<b>1,936,288</b>	2,391,931
<b>Total long-term debt</b>	<b>4,187,437</b>	5,363,561
Less: Unamortized debenture discount	<b>(22,549)</b>	(30,359)
<b>Net long-term debt</b>	<b>\$ 4,164,888</b>	\$ 5,333,202

The long-term debt repayment schedule is as follows:

2024	\$ 1,201,240
2025	1,227,616
2026	1,255,362
2027	503,219
<b>Total</b>	<b>\$ 4,187,437</b>

Total interest charges for the year for long-term debt, which are included in the statement of operations, are as follows:

	<b>2023</b>	<b>2022</b>
Interest on long-term debt	<b>\$ 112,899</b>	\$ 165,699
Amortization of debenture discount	<b>7,810</b>	15,178
	<b>\$ 120,709</b>	\$ 180,877

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**7. Asset Retirement Obligation**

The Entity's Asset retirement obligation consists of several obligations as follows:

**(a) Asbestos removal:**

The Entity owns and operates various buildings that are known or are assumed to contain asbestos, which represents a health hazard upon demolition of the building. There is a legal obligation to remove the asbestos before these buildings are demolished. Following the adoption of PS3280, the Entity recognized an obligation relating to 6 buildings that contain or are suspected to contain asbestos material, of which, none have been fully amortized at January 1, 2023. Each building has an estimated useful life of 40 years.

Key assumptions in determining the liability at December 31, 2023 for asbestos removal and disposal are as follows:

- Timing of settlement - it is unknown when the buildings will be demolished
- Undiscounted liability for asbestos removal - \$534,881
- Discount rate - Due to the unknown timing of retirement, no discount rate was used when estimating the costs
- Estimated time required for retirement activities - at time of demolition only

**(b) Removal of underground fuel and oil storage tanks:**

The Entity owns various underground fuel and oil storage tanks that have to be removed at the end of their lives. The tanks became a part of the pooled equipment asset for the year in which they were installed. Following the adoption of PS3280, the Entity recognized an obligation relating to 1 underground tank, which has been fully amortized at January 1, 2023. Each tank has an estimated useful life of 20 years.

Key assumptions in determining the liability at December 31, 2023 for tank removal are as follows:

- Timing of settlement - it is unknown when the tanks will be removed
- Undiscounted liability for tank removals - \$125,000
- Discount rate - Due to the unknown timing of retirement, no discount rate was used when estimating the costs
- Estimated time required for retirement activities - at time of removal only

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**7. Asset Retirement Obligation (continued)**

**(c) Removal of leasehold improvements when requested by landlord at the end of a lease:**

The Entity has entered into leases with these that contains a Base Building clause that states that the landlord has the right, at the Entity's expense, to request the removal of leasehold improvements at the end of the lease. Following the adoption of PS3280, the Entity recognized an obligation relating to 1 lease, which has associated leasehold improvement assets that were not fully amortized at January 1, 2023. Leasehold improvements have an estimated useful life of 7 years.

Key assumptions in determining the liability at December 31, 2023 for leasehold improvement removals are as follows:

- Timing of settlement - the lease end date of 2034
- Undiscounted liability for leasehold improvement removals - \$3,566
- Inflation rate - 2.00%
- Discount rate - 3.50%
- Estimated time required for retirement activities - at time of removal only

All assets, including their increased costs from asset retirement obligation, are depreciated using the straight-line amortization method.

The transition and recognition of asset retirement obligations involved an accompanying increase to the related buildings, equipment (tanks) and leasehold improvement capital assets and the restatement of comparative figures.

**8. Tangible Capital Assets (continued)**

**(a) Assets Under Construction**

Assets under construction with a cost of **\$991,548** (2022 - \$1,141,234) have not been amortized. Amortization of these assets will commence when the asset is available for productive use.

**(b) Tangible Capital Assets Disclosed at Nominal Values**

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned.

**(c) Write-down of Tangible Capital Assets**

There were no write-downs in tangible capital assets during the year (2022 - \$nil).

**9. Accumulated Surplus**

Accumulated surplus consists of individual fund surplus and reserve funds as follows:

---

	<b>2023</b>	<b>2022</b>
		(Restated - note 2)
<b>Surplus</b>		
Invested in tangible capital assets	<b>\$ 56,819,307</b>	\$ 56,843,619
<b>Reserve funds set aside for specific purpose by the Entity</b>		
Infrastructure renewal - water operations	<b>18,867,583</b>	15,762,406

---

**DRAFT**

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

**10. Financial Instruments and Risk Management**

The Entity's activities expose it to credit risk and liquidity risk.

**(a) Credit Risk**

Credit risk is the risk of financial loss if a counterparty fails to honour its contractual obligation.

The Entity is also subject to credit risk with respect to loans and trade accounts receivables. The Entity manages credit risk by engaging with recognized, credit worthy third parties. The Entity has no significant concentration of credit risk with any one individual customer. There were no changes in exposures to credit risk during the year. The outstanding amounts related to financial instruments are presented in the table below.

	<b>Current</b>	<b>31-60 days</b>	<b>61-90 days</b>	<b>91-120 days</b>	<b>Over 120 days</b>	<b>Total</b>
Government receivables	\$614,072	\$ -	\$ -	\$ -	\$ -	\$614,072
Other account receivables	3,790	-	-	-	-	3,790
<b>Total</b>	<b>617,862</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>617,862</b>
<b>Net receivable</b>	<b>\$617,862</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$617,862</b>

	<b>Within 1 year</b>	<b>1 to 2 years</b>	<b>2 to 5 years</b>	<b>Over 5 years</b>	<b>Total</b>
Loans and long-term receivables	\$ 22,266	\$ 48,495	\$ 38,141	\$ -	\$ 108,902
<b>Total</b>	<b>\$ 22,266</b>	<b>\$ 48,495</b>	<b>\$ 38,141</b>	<b>\$ -</b>	<b>\$ 108,902</b>

**ELGIN AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**10. Financial Instruments and Risk Management (continued)****(b) Liquidity Risk**

The Entity is also exposed to liquidity risk with respect to accounts payable and accrued liabilities. Most accounts payable and accrued liabilities are expected to be settled in thirty days. The maturities of other financial liabilities are provided in the notes to financial statements related to those liabilities. There have been no significant changes in the exposure to risk or policies, procedures, or methods to measure risk. The outstanding amounts related to financial instruments at year-end are presented in the table below.

	<b>Within 1 year</b>	<b>1 to 2 years</b>	<b>2 to 5 years</b>	<b>Over 5 years</b>	<b>Total</b>
Accounts payable and accrued liabilities	\$ 1,786,695	\$ -	\$ -	\$ -	<b>\$ 1,786,695</b>
<b>Total</b>	<b>\$ 1,786,695</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 1,786,695</b>

**11. Commitments**

The Entity has \$2,492,590 (2022 - \$2,044,329) in outstanding commitments remaining on facilities and infrastructure contracts as at December 31, 2023.

These amounts represent uncompleted portions of contracts, as at December 31, 2023, on major projects. The majority of payments on these outstanding commitments will be made in the next three (3) to five (5) years.

**DRAFT****ELGIN AREA PRIMARY WATER SUPPLY SYSTEM  
Notes to Financial Statements (continued)  
Year ended December 31, 2023****12. Budget Data**

Budget data presented in these financial statements are based upon the 2023 operating budget approved by the joint board of management. Adjustments to budgeted values were required to provide comparative budget values based on the full accrual basis of accounting. The chart below reconciles the approved budget with the budget figures as presented in these financial statements.

	<b>Budget</b>
<b>Revenues</b>	
User charges	\$ 15,647,811
Municipal revenue - other	31,189
<b>Total revenues</b>	<b>15,679,000</b>

Amortization	(3,540,674)
Reserve fund interest earned	196,000
<b>Net PSAB budget surplus as per financial statements</b>	<b>\$ 2,356,861</b>

**DRAFT**

Financial Statements of

**LAKE HURON AREA PRIMARY WATER  
SUPPLY SYSTEM**

And Independent Auditors' Report thereon

December 31, 2023

## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of Lake Huron Area Primary Water Supply System

### ***Opinion***

We have audited the financial statements of Lake Huron Area Primary Water Supply System (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations and accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2023, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Emphasis of Matter – Comparative Information***

We draw attention to Note 3 to the financial statements, which explains that certain comparative information presented for the year ending December 31, 2022 has been restated.

Note 3 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter.

### ***Other Matter – Comparative Information***

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion, such adjustments are appropriate and have been properly applied.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements**  
**Year ended December 31, 2023**

---

**1. Nature of Reporting Entity**

The final transfer order for Lake Huron Area Primary Water Supply System (the "Entity") was effective September 15, 2000, transferring assets along with any other real property to The Corporation of the City of London (the "Corporation") in trust to act as the Administering Municipality on behalf of the participating municipalities.

Under the transfer order, the works, properties and all assets, liabilities, rights and obligations of the system are conveyed, assigned and transferred to the Corporation as Trustee. Each of the benefitting municipalities, for so long as the municipality is serviced by the works has an undivided beneficial ownership interest in the works as tenant in common with all other municipalities jointly. The proportion that each municipality's interest bears to the total of all municipalities' interests shall be in the same ratio that the quantity of water supplied from the works to the municipalities at any time and from time to time bears to the total quantity of water supplied to all municipalities at such time. At present, the benefitting municipalities are The Corporation of the City of London, the Municipalities of Bluewater, South Huron, Lambton Shores, North Middlesex, Lucan-Biddulph, Middlesex Centre and Strathroy-Caradoc.

The transfer order established a joint board of management to govern the management of the water supply system. The joint board of management is comprised of eleven members appointed by the respective councils of participating municipalities. The Board composition is as follows:

<b>Municipality</b>	<b>Members</b>	<b>Votes</b>
The Corporation of the City of London	4	16
The Corporation of the Municipality of Bluewater	1	1
The Corporation of the Municipality of South Huron	1	1
The Township of Lucan-Biddulph	1	1
The Corporation of the Municipality of Lambton Shores	1	1
The Municipality of North Middlesex	1	3
The Municipality of Middlesex Centre	1	1
The Corporation of the Municipality of Strathroy-Caradoc	1	3

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies**

The financial statements of the Entity are prepared by management, in accordance with Canadian generally accepted accounting principles as defined in the CPA Canada Public Sector Handbook – Accounting. Significant accounting policies are as follows:

**(a) Accrual Accounting**

Sources of financing and expenses are reported on the accrual basis of accounting.

**(b) Asset Retirement Obligation**

An asset retirement obligation (ARO) is recognized when, at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

The following liabilities have been recognized based on estimated future expenses:

- Removal of asbestos in several of the buildings owned by the Entity. The Occupational Health and Safety Act states the demolition of a building, all or in part, can be done only when asbestos-containing material that may be disturbed during the work, has been removed.
- Removal of underground fuel and oil storage tanks and related piping. The Technical Standards and Safety Authority (TSSA) states in both its Liquid Fuels Handling Code and the Fuel and Oil Code that an underground storage tank and its piping must be removed when it has been out of service for 2 years or more.
- Removal of leasehold improvements where requested by the landlord. A lease may have a Base-Building clause that states that leasehold improvements are to be removed at the end of a lease at the request of the landlord and at the expense of the Entity.

**(c) Non-financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)****(c) Non-financial Assets (continued)****(i) Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

<b>Asset</b>	<b>Useful Life - Years</b>
Buildings and building improvements	15 – 40
Vehicles	5 – 15
Machinery and equipment	7 – 20
Water infrastructure	10 – 60
Computers	3

Annual amortization is charged in the year of acquisition and in the year of disposal using the half year rule. Assets under construction are not amortized until the asset is available for productive use.

**(ii) Interest Capitalization**

The interest costs associated with the acquisition or construction of a tangible capital asset are not capitalized.

**(d) Revenue Recognition**

The Entity recognizes revenue when water is drawn by each customer, collection of the relevant receivable is probable, persuasive evidence of an arrangement exists and the sales price is fixed or determinable.

**(e) Government Transfers**

Government transfer payments to the Entity are recognized in the financial statements in the year in which the payment is authorized and the events giving rise to the transfer occur, performance criteria are met, and a reasonable estimate of the amount can be made. Funding that is stipulated to be used for specific purposes is only recognized as revenue in the fiscal year that the related expenses are incurred or services performed. If funding is received for which the related expenses have not yet been incurred or services performed, these amounts are recorded as a liability at year end.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(f) Financial Instruments**

Financial instruments are classified in one of the following categories: (i) fair value; (ii) cost or amortized cost. The Entity determines the classification of its financial instruments at initial recognition.

Unsecured debentures and other long-term debt are initially recorded at fair value and subsequently measured at amortized cost using the effective interest rate method. Transaction costs related to the issuance of long-term debt are capitalized and amortized over the term of the debt.

Other financial instruments, including cash and cash equivalents, trade accounts receivable, loans receivable, accounts payable and accrued liabilities, are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

The following table provides the carrying amount information of the Entity's financial instruments by category.

<b>Financial Instruments</b>	<b>Measurement Method</b>
Due from the Corporation of the City of London	Cost
Trade and other receivables	Cost
Other loans receivable	Amortized Cost
Accounts payable and accrued liabilities	Cost
Accrued interest on long-term debt	Cost
Long-term debt	Amortized Cost

Upon standard implementation, amortized cost will be measured using the effective interest rate method, as opposed to the straight-line method.

Fair value category: The Entity manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and related balances reverses from the Statement of Remeasurement Gains and Losses. A statement of Remeasurement Gains and Losses has not been included as there are no material matters to report therein.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(f) Financial Instruments (continued)**

The fair value of a financial instrument is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. The fair value of a financial instrument on initial recognition is the transaction price at the trade date, which is the fair value of the consideration given or received. After initial recognition, the fair values of financial instruments that are quoted in active markets are based on bid prices for financial assets held and offer prices for financial liabilities. When independent prices are not available, fair values are determined by using valuation techniques that refer to observable market data. These include comparisons with similar instruments where market observable prices exist, discounted cash flow analysis, option pricing models and other valuation techniques commonly used by market participants.

Amortized cost category: Amounts are measured using the effective interest rate method. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, based on the effective interest rate. It is applied to financial assets or financial liabilities that are not in the fair value category.

Cost category: Amounts are measured at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations and any unrealized gain is adjusted through the statement of remeasurement gains and losses.

When the asset is sold, the unrealized gains and losses previously recognized in the statement of remeasurement gains and losses are reversed and recognized in the statement of operations.

A statement of remeasurement gains and losses has not been included as there are no matters to report therein.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(g) Loans Receivable**

Loans receivable are recorded at the lower of amortized cost and the net recoverable value when the risk of loss exists. Recoverability is reviewed annually, and a valuation allowance is recorded when recoverability is impaired. A loan receivable is written off when it is no longer recoverable. Recoveries of loans receivable previously written off are recognized in the year received. Changes in the valuation of loans receivables are recognized in the statement of operations and accumulated surplus. Interest is accrued on loans receivable to the extent it is deemed collectable.

When the terms associated with a loan are considered concessionary such that all or a part of the loan is a grant, the Entity will expense the grant portion of the transaction in the statement of operations and accumulated surplus at the time the loan is made.

**(h) Foreign Currency Translation**

Monetary assets and liabilities denominated in foreign currencies are translated at the prevailing rates of exchange at the year-end date. Revenue and expenses are translated at the exchange rate prevailing on the transaction date. Realized and unrealized exchange gains and losses are included in the statement of operations.

**(i) Use of Estimates**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include the valuation allowances for receivables and useful lives assigned to tangible capital assets.

Actual results could differ from those estimates.

The Entity's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the expected retirement costs, as well as the timing and duration of these retirement costs.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(j) Budget Figures**

Budget figures have been provided for comparison purposes. Given differences between the budgeting model and generally accepted accounting principles established by the Public Sector Accounting Board ("PSAB"), certain budgeted amounts have been reclassified to reflect the presentation adopted under PSAB.

**(k) Liability for Contaminated Sites**

Under PS 3260, liability for contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. This Standard relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination.

**(l) Related Party Disclosures**

Related parties exist when one party has the ability to control or has shared control over another party. Individuals that are key management personnel or close family members may also be related parties.

Disclosure is made when the transactions or events between related parties occur at a value different from what would have been recorded if they were not related and the transactions could have a material financial impact on the consolidated financial statements.

**(m) Inter-entity Transactions**

Transactions between related parties are recorded at carrying amounts with the exception of the following:

- Transactions in the normal course of business are recorded at exchange amount.
- Transactions with fair value consideration are recorded at exchange amount.
- Transfer of an asset or liability at nominal or no consideration is recorded by the provider at carrying amount and the recipient has the choice of either carrying amount or fair value.
- Cost allocations are reported using the exchange amount and revenues and expenses are reported on a gross basis.
- Unallocated costs for the provision of goods or services maybe recorded by the provider at cost, fair value or another amount dictated by policy, accountability structure or budget practice.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**2. Significant Accounting Policies (continued)**

**(n) Future Accounting Pronouncements**

These standards and amendments were not yet effective for the year ended December 31, 2023, and have therefore not been applied in preparing these financial statements. Management is currently assessing the impact of the following accounting standards updates on the future financial statements.

(i) Revenue

PS 3400, Revenue, establishes a single framework to categorize revenues to enhance the consistency of revenue recognition and its measurement. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Entity's December 31, 2024 year-end).

(ii) Public Sector Guideline 8 Purchased Intangible

Public Sector Guideline 8 Purchased Intangible, allows public sector entities to recognize intangible purchased through an exchange transaction. This guideline is effective for fiscal years beginning on or after April 1, 2023 (the Entity's December 31, 2024 year-end).

(iii) Public Private Partnerships

PS 3160, Public Private Partnerships (P3s), provides specific guidance on the accounting and reporting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner. This standard is effective for fiscal years beginning on or after April 1, 2023 (the Entity's December 31, 2024 year-end).

**3. Change in Accounting Policies - Adoption of New Accounting Standards**

The Entity adopted the following standards concurrently, beginning January 1, 2023:

**(a) PS 1201, Financial Statement Presentation**

PS 1201, Financial Statement Presentation replaces PS 1200 Financial Statement presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**3. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(b) PS 3041, Portfolio Investments**

PS 3041, Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 Temporary Investments no longer applies.

**(c) PS 3450, Financial Instruments and PS 2601, Foreign Currency Translation**

The Entity adopted PS 3450 Financial Instruments and PS 2601 Foreign Currency Translation standards prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450, all financial instruments, including derivatives, are included on the statement of financial position, and are measured at either fair value or amortized cost based on characteristics of the instrument and the Entity's accounting policy choices. (see note 2, Significant accounting policies). Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

These above standards were adopted prospectively. There was no impact to the Entity as a result of the adoption of the above standards.

**(d) PS 3280, Asset Retirement Obligations**

The Entity adopted PS 3280 Asset Retirement Obligations (ARO). The new accounting standard addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets by public sector entities. The standard was adopted on the modified retrospective basis at the date of adoption, with the restatement of comparative information. Under the modified retrospective method, the discount rate and assumptions used on initial recognition are those as of the date of adoption of the standard.

On January 1, 2023:

The Entity recognized an asset retirement obligation relating to various buildings owned by the Entity that contain asbestos. The liability was measured as of the date of purchase of the buildings, when the liability was assumed. The buildings have an expected useful life of 40 years, which has not been revised.

**DRAFT**

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**3. Change in Accounting Policies - Adoption of New Accounting Standards (continued)**

**(d) PS 3280, Asset Retirement Obligations (continued)**

The Entity recognized an asset retirement obligation relating to underground fuel and oil storage tanks owned by the Entity that must be removed up to 2 years after the end of their useful lives. The liability was measured as of the date of the tanks were installed, when the liability was assumed. The tanks have an expected useful life of 10 years, which has not been revised.

The Entity recognized an asset retirement obligation relating to the potential of a landlord requesting removal of leasehold improvements at the end of a lease. The liability was measured as of the date the leasehold improvements were installed or when the lease began, which is when the liability was assumed. Leasehold improvement assets have an expected useful life of 7 years, which has not been revised.

As a result of applying this accounting standard, an asset retirement obligation of \$901,138 (2022 - \$931,713) was recognized as a liability in the Statement of Financial Position. These obligations represent estimated retirement costs for the Entity owned buildings and building improvements. The adoption of this standard was applied to the comparative period and balances were reated as follows:

<b>2022</b>	<b>As previously reported</b>	<b>Adjustments</b>	<b>As restated</b>
<b>Statement of Financial Position</b>			
Tangible capital assets	\$ 144,215,499	\$ 308,199	<b>\$ 144,523,698</b>
Asset retirement obligation	-	931,713	<b>931,713</b>
Accumulated surplus	191,000,545	(623,514)	<b>190,377,031</b>
<b>Statement of Change in Net Financial Assets</b>			
Adjustment for asset retirement obligation	-	(931,682)	<b>(931,682)</b>
Adjustment for asset retirement obligation - accretion	-	(31)	<b>(31)</b>

---

**4. Due from the Corporation of the City of London**

As the Administering Municipality, the Corporation manages the daily operations of the Entity. The Corporation maintains a separate general ledger on behalf of the Entity. All funds are paid and received through the Corporation's bank account and are held for use by the Entity.

**5. Loan Receivable**

---

	<b>2023</b>	<b>2022</b>
Repayment Loan - Municipality of North Middlesex	<b>\$ 1,420,466</b>	<b>\$ 1,474,565</b>

---

Effective July 1, 2022, a repayment loan was established between the Lake Huron Area Primary Water Supply System and the Municipality of North Middlesex where the Municipality of North Middlesex will pay the Lake Huron Area Primary Water Supply System \$1,639,331 over 10 years with a fixed rate of 2.69% paid semi-annually. This loan will mature in January 2032.

**DRAFT**

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**6. Long-term Debt**

Long-term debt is stated as follows:

	<b>2023</b>	<b>2022</b>
Long-term debt assumed by the Corporation of the City of London, as Administering Municipality, on behalf of the Lake Huron Area Primary Water Supply System, with semi-annual interest payments:		
at rate of 3.80% (2022 - rates ranging from 3.65% to 3.80%), maturing September 2023.	\$ -	\$ 168,240
at rates ranging from 1.95% to 2.25% (2022 - 1.75% to 2.25%), maturing March 2025.	<b>1,833,343</b>	2,730,652
at rates ranging from 2.20% to 2.85% (2022 - 2.00% to 2.85%), maturing March 2027.	<b>172,886</b>	213,569
<b>Total long-term debt</b>	<b>2,006,229</b>	3,112,461
Less: Unamortized debenture discount	<b>(9,455)</b>	(16,428)
<b>Net long-term debt</b>	<b>\$ 1,996,774</b>	<b>\$ 3,096,033</b>

The long-term debt repayment schedule is as follows:

2025	\$ 951,752
2026	965,816
2027	43,730
2028	44,931
<b>Total</b>	<b>\$ 2,006,229</b>

Total interest charges for the year for long-term debt, which are included in the statement of operations, are as follows:

	<b>2023</b>	<b>2022</b>
Interest on long-term debt	\$ 52,439	\$ 81,138
Amortization of debenture discount	<b>6,973</b>	8,201
	<b>\$ 59,412</b>	<b>\$ 89,339</b>

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**7. Asset Retirement Obligation**

The Entity's Asset retirement obligation consists of several obligations as follows:

**(a) Asbestos removal:**

The Entity owns and operates various buildings that are known or are assumed to contain asbestos, which represents a health hazard upon demolition of the building. There is a legal obligation to remove the asbestos before these buildings are demolished. Following the adoption of PS3280, the Entity recognized an obligation relating to 7 buildings that contain or are suspected to contain asbestos material, of which, none have been fully amortized at January 1, 2023. Each building has an estimated useful life of 40 years.

Key assumptions in determining the liability at December 31, 2023 for asbestos removal and disposal are as follows:

- Timing of settlement - it is unknown when the buildings will be demolished
- Undiscounted liability for asbestos removal - \$704,036
- Discount rate - Due to the unknown timing of retirement, no discount rate was used when estimating the costs
- Estimated time required for retirement activities - at time of demolition only

**(b) Removal of underground fuel and oil storage tanks:**

The Entity owns various underground fuel and oil storage tanks that have to be removed at the end of their lives. The tanks became a part of the pooled equipment asset for the year in which they were installed. Following the adoption of PS3280, the Entity recognized an obligation relating to 3 underground tanks, which have been fully amortized at January 1, 2023. Each tank has an estimated useful life of 10 years.

Key assumptions in determining the liability at December 31, 2023 for tank removal are as follows:

- Timing of settlement - it is unknown when the tanks will be removed
- Undiscounted liability for tank removals - \$225,000
- Discount rate - Due to the unknown timing of retirement, no discount rate was used when estimating the costs
- Estimated time required for retirement activities - at time of removal only

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**7. Asset Retirement Obligation (continued)**

**(c) Removal of leasehold improvements when requested by landlord at the end of a lease:**

The Entity has entered into a leases with these leases contain a Base Building clause that states that the landlord has the right, at the Entity's expense, to request the removal of leasehold improvements at the end of the lease. Following the adoption of PS3280, the Entity recognized an obligation relating to 1 lease, which has associated leasehold improvement assets that were not fully amortized at January 1, 2023. Leasehold improvements have an estimated useful life of 7 years.

Key assumptions in determining the liability at December 31, 2023 for leasehold improvement removals are as follows:

- Timing of settlement - the lease end date of 2034.
- Undiscounted liability for leasehold improvement removals - \$3,566
- Inflation rate - 2.00%
- Discount rate - 3.50%
- Estimated time required for retirement activities - at time of removal only

All assets, including their increased costs from asset retirement obligation, are depreciated using the straight-line amortization method.

The transition and recognition of asset retirement obligations involved an accompanying increase to the related buildings, equipment (tanks) and leasehold improvement capital assets and the restatement of comparative figures.

**8. Tangible Capital Assets (continued)**

**(a) Assets Under Construction**

Assets under construction with a cost of **\$8,486,923** (2022 - \$2,007,858) have not been amortized. Amortization of these assets will commence when the asset is available for productive use.

**(b) Tangible Capital Assets Disclosed at Nominal Values**

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned.

**(c) Write-down of Tangible Capital Assets**

There were no write-downs in tangible capital assets during the year (2022 - \$nil).

**9. Accumulated Surplus**

Accumulated surplus consists of individual fund surplus and reserve funds as follows:

---

	<b>2023</b>	<b>2022</b>
		(Restated - note 2)
<b>Surplus</b>		
Invested in tangible capital assets	<b>\$ 144,565,748</b>	\$ 141,005,100
<b>Reserve funds set aside for specific purpose by the Entity:</b>		
Infrastructure renewal - water operations	<b>49,461,527</b>	49,371,931
	<b>\$ 194,027,275</b>	\$ 190,377,031

---

**DRAFT**

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**10. Financial Instruments and Risk Management**

The Entity's activities expose it and its financial instruments to credit risk and liquidity risk.

**(a) Credit Risk**

Credit risk is the risk of financial loss if a counterparty fails to honour its contractual obligation.

The Entity is also subject to credit risk with respect to loans and trade accounts receivables. The Entity manages credit risk by engaging with recognized, credit worthy third parties. The Entity has no significant concentration of credit risk with any one individual customer. There were no changes in exposures to credit risk during the year. The outstanding amounts related to financial instruments are presented in the table below.

	<b>Current</b>	<b>31-60 days</b>	<b>61-90 days</b>	<b>91-120 days</b>	<b>Over 120 days</b>	<b>Total</b>

**DRAFT**

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

---

**10. Financial Instruments and Risk Management (continued)**

**(b) Liquidity Risk**

The Entity is also exposed to liquidity risk with respect to accounts payable and accrued liabilities. Most accounts payable and accrued liabilities are expected to be settled in thirty days. The maturities of other financial liabilities are provided in the notes to financial statements related to those liabilities. There have been no significant changes in the exposure to risk or policies, procedures, or methods to measure risk. The outstanding amounts related to financial instruments at year-end are presented in the table below.

	<b>Within 1 year</b>	<b>1 to 2 years</b>	<b>2 to 5 years</b>	<b>Over 5 years</b>	<b>Total</b>
Accounts payable and accrued liabilities	\$ 5,540,339	\$ -	\$ -	\$ -	\$ 5,540,339
<b>Total</b>	<b>\$ 5,540,339</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 5,540,339</b>

**11. Commitments**

The Entity has \$9,512,745 (2022 - \$14,449,950) in outstanding commitments remaining on facilities and infrastructure contracts as at December 31, 2023.

These amounts represent uncompleted portions of contracts, as at December 31, 2023, on major projects. The majority of payments on these outstanding commitments will be made in the next three (3) to five (5) years.

**DRAFT**

**LAKE HURON AREA PRIMARY WATER SUPPLY SYSTEM**  
**Notes to the Financial Statements (continued)**  
**Year ended December 31, 2023**

**12. Budget Data**

Budget data presented in these financial statements are based upon the 2023 operating budget approved by the joint board of management. Adjustments to budgeted values were required to provide comparative budget values based on the full accrual basis of accounting. The chart below reconciles the approved budget with the budget figures as presented in these financial statements.

	<b>Budget</b>
<b>Revenues</b>	
User charges	\$ 24,474,000
Municipal revenues - other	25,000
<b>Total revenues</b>	<b>24,499,000</b>
<b>Expenses</b>	
Personnel costs	1,151,973
Administrative expenses	60,250
