

Committee: **University of Western Ontario Board of Governors**

Name: **Jeffrey McKillop PhD**

Address:

**1095 The Parkway
London ON
N6A 2W8**

Occupation: **Clinical Psychologist**

Work experience: **I completed my PhD in clinical psychology at Queen's University. In 1995, I moved to London Ontario for my residency at University Hospital. Following residency, I joined the practice of Dr. Michael MacDonald. In 1999, I began my own practice with my wife, Dr. Karen Scarth. Locally, I have worked for the St. Thomas-Elgin Association of Community Living, St. Joseph's Health Centre, and the Homeless Outreach Clinic at the London InterCommunity Health Centre. I have served on the Board at Changing Ways, the London InterCommunity Health Centre, and the London Regional Psychological Association.**

Education: **I hold a BA in psychology from the University of Western Ontario and a MA and PhD in Clinical Psychology from Queen's University in Kingston ON. I am a clinical psychologist and registered to practice in the Province of Ontario.**

Skills: **I have considerable background and training in group processes, communication skills, and consensus building. I am aware of the needs and unique pressures placed on educational institutions currently.**

Interest reason: **At this point in my career and as a long-time resident of London, I believe it is time for me to offer something back to my community.**

Contributions: **I believe my education, training, and professional skills as a clinical psychologist might assist the Board in terms of building group consensus as well as helping the Board develop and implement their vision of Western's future.**

Past contributions: **I have served on the Board at Changing Ways, the London InterCommunity Health Centre, and the London Regional Psychological Association.**

Interpersonal: **In essence, this is the crux of my employment as a clinical psychologist and the focus of my occupation. Without respect for those skills, abilities, and knowledge of others, no movement or positive change is possible.**

Interview interest: **Yes**
