Re: Parking Regulations – Corinth Court

I have received further aggressive complaints from residents, about the parking situation on Corinth Court. The latest survey by City staff showed an overall 75% response, with 50% for and 50% against a 'no parking zone'.

I respectfully request staff consider a follow up survey, to further contemplate the implementation of a **NO PARKING ANYTIME ZONE**, on the east side of Corinth Court, from Barker Street to the north end of the cul-de-sac.

Sincerely,

Stephen Orser
Councillor, Ward 4
