Dear Ms. Hopkins,

My name is Stephanie Roch and I'm a constituent of yours in Lambeth. It has been brought to my attention that on September 24th, 2024, there will be a meeting to push through a proposal to allow 4-storey stacked townhouses on connector streets throughout London, which could impact the area in my neighborhood.

Myself and many other Lambeth residents are very concerned about this as we do not want any more crazy congestion or multi-level, 4-storey townhomes in our neighborhood, especially on connector streets.

Please let me know what we can do about this and how to get my letter included as part of the meeting minutes on the 24th.

Best regards,

Stephanie Roch
