**Subject:** [EXTERNAL] Four Storey townhouses

I would like to have my letter added to the agenda regarding Item 3 Scheduled Item 3.6 c on page 412 of the agenda from September 10th 2024: Permit stacked townhouses up to four storeys in height along all streets classified as Neighbourhood Connectors.

Hello Mayor and Councillors,

I want to express my concern about the lack of public consultation in regard to the zoning changes that would allow four storey townhomes on all neighbourhood connectors. I request that there is a public consultation meeting before final decisions are made especially due to our concern that this might significantly impact a primarily residential Singh family home Neighbourhood which is Northridge.

Thank you for the consideration of this request. I will be attending the meeting scheduled for September 24th and more information would be appreciated in order to make an informed decision.

*Sincerely,*
