Subject: Rent Free Day  
Importance: High

Hi Cathy,

Please find attached the request for our 2nd Annual Signatures Event.

This event is a lunchtime food sampling connecting London's Business community with popular London food vendors all under one roof in the downtown core. This event raises awareness in the community about Parkinson's Disease and aids in raising much needed funds to meet the needs of those living with Parkinson's through programs and support services.

Last years' event was sponsored in partnerships with Lexus of London and Corus Entertainment and was a huge success.

I look forward to hearing from you with regards to your support once again this year. If you could let me know an approximate time in which a decision would be made, that would be fantastic. I know this seems quite a ways away, but we are in the planning stages right now for all of our logistics and it would be a great help to know as soon as it is possible.

Thank you in advance for your continued support of Parkinson Society Southwestern Ontario.
