London ON N6A 1G7
To Committee Members:

Re: 1927 Richmond St, London

Further to the application for the removal of this listed property from the Register of Cultural Heritage Resources, we urge the Committee to recognize the urgent need for a new high school in this rapidly developing area of north London for the following reasons:

- There is an extreme shortage of school space in this area.
- Existing facilities are at maximum capacity with no room for expansion or additional portables.
- This location is ideally suited for our proposed facility as it is centrally located.
- The property has a suitable size with few, if any, alternatives that are readily available, and
- It is on a public transit route, proximate to the Masonville Transit Hub.

Your favourable support would be greatly appreciated.

Sincerely,

Debbie Jordan, MBA, CPA, CGA
Executive Superintendent of Business and Corporate Services
