Subject: [EXTERNAL] 1927 Richmond Street

To whom it may concern:

I have recently been made aware that a proposal has been put forward to remove the heritage listing of 1927 Richmond Street. I am saddened that a structure dating to the 1870s will be demolished and would ask the members of the Planning and Environment Committee to deny this motion. It is clear to me that this home meets at least two or more of the criteria required for a heritage designation.

Sincerely,

Jill
