Subject: [EXTERNAL] Oppose high school building

Dear city councilers,

I am writing to express my concern about the proposed demolition of the house at 1927 Richmond st to build a school across from my house. I believe this location is unsuitable due to the potential for increased traffic, noise, and disruption to our neighborhood's character. There's no room and lots of wildlife that live near the house. There already a grade school behind [REDACTED] it's overfilled with lack of parking.

I kindly ask the city to reconsider this plan and explore alternative locations that would better balance community needs with neighborhood impact. Please let me know if there will be a public consultation on

Sincerely,

Duncan thompson
