3. Applicability

3.1 This policy applies to any Community Advisory Committee of the Municipal Council.

4. The Policy

4.1 Role of Community Advisory Committees

The role of a Community Advisory Committee is to provide recommendations, advice, and information to the Municipal Council on matters which relate to the purpose and mandate of the Community Advisory Committee. Community Advisory Committees are one way to facilitate public input to Municipal Council on programs and ideas and to assist in enhancing the quality of life of the community, in keeping with the Municipal Council's Strategic Plan.

4.2 Authority of Community Advisory Committees

Community Advisory Committees shall not give direction to the Civic Administration or to any local board, commission or agency, nor shall Community Advisory Committees request, without the approval of the Municipal Council, the preparation of any administrative reports, research or work assignments. This does not preclude Community Advisory Committees from directly asking the Civic Administration for information and data when, in the opinion of the Civic Administration, such requests can be reasonably accommodated within existing workloads and priorities, and do not place an unreasonable demand on available resources.

4.3 Membership

Individuals who would like to be considered for an appointment to a Community Advisory Committee shall apply using the application form available on the official City of London website. All Community Advisory Committee appointments (beginning of term or mid-term) shall be considered by the Strategic Priorities and Policy Committee.

Community Advisory Committee members wishing to resign their appointment mid-term shall submit their resignation in writing, without delay, to the City Clerk and state the date of resignation. The City Clerk shall consider the need to advertise to fill the resulting vacancy, having regard to the remaining composition of the Community Advisory Committee, the current workload of the Community Advisory Committee, and the length of time remaining in the Municipal Council term.

4.4 Eligibility for Appointment

Municipal Council Members, individuals from the Civic Administration, or individuals running for or seeking appointment to any elected office shall not be appointed as voting members to Community Advisory Committees.

4.5 Appointment Term

Appointments to Community Advisory Committees shall be for a four-year term, commencing March 1 of the first year of a Municipal Council term and ending on the last day of February of the first year of the following Municipal Council term.

4.6 Leave of Absence

Community Advisory Committee members may take a leave of absence from their position. Municipal Council may fill the vacancy on a temporary basis depending on the duration of the leave and other relevant requirements or considerations. In order to take a leave of absence, the member shall notify the City Clerk in writing of their intended leave, the duration of the leave, and last day of service on the Community Advisory Committee.

Any Community Advisory Committee member that wishes to run for or seek appointment to any elected office is required to take a leave of absence. The leave of absence must begin on or before the date of application or the date of nomination for the elected office.

4.7 Maximum Length of Service

Community Advisory Committee members shall serve on the same Community Advisory Committee no longer than two consecutive full four-year terms plus, if applicable, one preceding partial term in those cases where Community Advisory Committee members were initially appointed mid-term to fill a vacancy.

4.8 Remuneration

Community Advisory Committee members shall serve without remuneration.

4.9 Orientation Sessions

Following the Community Advisory Committee appointment process at the beginning of each Municipal Council term, the City Clerk's Office, in consultation with other Service Area leads as required, shall conduct an orientation session for Community Advisory Committee members. The City Clerk's Office shall also conduct orientation sessions for new members appointed mid-term.

4.10 Bus Tickets and Parking at City Hall

Community Advisory Committee members may be provided with either free parking in the Civic Square Parking Garage or with two free London Transit Commission tickets when attending Community Advisory Committee meetings in person at City Hall.

4.11 Staff Support

The administrative support of Community Advisory Committees (such as the coordination of meeting schedules, the preparation of Community Advisory Committee agendas and reports and the communication of Community Advisory Committee actions) shall be provided by the City Clerk's Office. The City Clerk's office does not provide administrative support to sub-committees or working groups that the Community Advisory Committee form or participate in.

Civic Administration from other divisions may attend meetings when there are matters on an agenda applicable to their Service Area. The affected Deputy City Manager shall determine the representative from their Service Area who may attend particular Community Advisory Committee meetings.

4.12 Expenditures by Community Advisory Committees

- a) Any annual budget allocation to a Community Advisory Committee shall be at the sole discretion of the Municipal Council and subject to the Municipal Council's budget deliberations, taking into consideration the requests of the Community Advisory Committees.
- b) All expenditures by a Community Advisory Committee must relate to

matters directly within its mandate.

- c) Each Community Advisory Committee shall provide updates to the Municipal Council, through the appropriate Standing Committee, detailing all expenses incurred against its annual budget allocation and in a format established by the City Clerk.
- d) All Community Advisory Committee expense information is considered to be public information and shall be made available upon request to the City Clerk.
- e) Authorization for expenditures shall be as follows:
 - i) the City Clerk, or their designate, shall have the authority to process all payments for standard items within the Community Advisory Committee's mandate, subject to budget availability, such as costs associated with Municipal Council-approved events (e.g. speaker's gifts, mailing costs, room rentals, refreshments, etc. for open houses and workshops), costs associated with workshops and conferences attended by members of a Community Advisory Committee which are relevant to that Community Advisory Committee's mandate, plaques issued by the Community Advisory Committee on Planning, communication supports for persons with disabilities, and purchase of publications to assist in carrying out the Community Advisory Committee's mandate;
 - ii) expenses associated with communication and/or promotional efforts being undertaken by a Community Advisory Committee, within its mandate, are to be approved by Strategic Communications for consistency in messaging and proper branding, via the Committee Clerk, prior to those expenses being incurred. If Strategic Communications approves the content of those items, then the City Clerk, or their designate, shall have the authority to process those expenses, subject to budget availability. Expenses associated with communication and/or promotional efforts that are not to the satisfaction of Strategic Communications, shall require the approval of the Municipal Council, via the appropriate Standing Committee.

4.13 Election of Chair and Vice Chair

Meetings shall be facilitated by a Community Advisory Committee Chair. Community Advisory Committees shall elect, from among their voting members, a Chair and a Vice Chair. A Community Advisory Committee member shall not serve as a Chair or as a Vice Chair for more than two consecutive years unless approved, on an exception basis, by the Municipal Council.

4.14 Sub-Committees/Working Groups

Community Advisory Committees may form sub-committees or working groups as may be necessary. Meetings of working groups that have been formed by the Community Advisory Committee may meet at any time and at any location but shall meet on different dates than the Community Advisory Committee. Staff support, including a Committee Clerk from the City Clerk's Office, shall not be provided to such sub-committees or working groups.

4.15 Schedule and Location of Meetings

Community Advisory Committees shall meet at a frequency determined by the Municipal Council as set out in each Community Advisory Committee's Terms of Reference. However, if there is a time-sensitive matter that must be attended to in the opinion of the Chair and the Committee Clerk, a special meeting of the Community Advisory Committee may be called to deal with the time-sensitive matter. Community Advisory Committee meetings shall be held at City Hall and shall be open to the public, except during closed sessions which may be held in accordance with the Council Procedure By-law. Community Advisory Committee meetings may, with the approval of the Municipal Council, be held away from City Hall for a specific purpose.

Community Advisory Committee members may attend meetings in person, or virtually via the Zoom platform facilitated by the Committee Clerk.

4.16 Parliamentary Procedures

The parliamentary rules outlined in the Council Procedure By-law, as amended, shall be observed, as far as applicable, by each Community Advisory Committee; however, Community Advisory Committee members should recognize that many individuals feel more comfortable when exchanging views with their peers in an informal atmosphere where they have an opportunity to appreciate the abilities and knowledge of other Community Advisory Committee members.

4.17 Attendance at Meetings

Community Advisory Committee members are expected to attend all regularly scheduled meetings and participate in working groups/sub-committees as required. Should a member be unable to attend a regular meeting, the Committee Clerk shall be advised in advance of the meeting. Community Advisory Committees may request the Municipal Council to rescind an appointment due to lack of attendance.

Community Advisory Committee members shall be deemed to have resigned their appointments if they are absent from 25% of their regular Community Advisory Committee meetings, without the prior consent of the Municipal Council, unless they are on leave, in which case the continuation of their appointment shall be determined by the City Clerk, in consultation with the Community Advisory Committee Chair.

Community Advisory Committee members shall inform their Committee Clerk of any anticipated absences from upcoming meetings and such advance notice shall be recorded in the Community Advisory Committee's report.

4.18 Community Advisory Committee Agendas

Community Advisory Committee agendas shall be prepared by the Committee Clerk. Agendas shall be distributed electronically to Community Advisory Committee members at least five business days in advance of a meeting. Agendas shall be based on the written communications that relate to matters within the mandate of the Community Advisory Committee.

Agendas should promote transparency and be available to the public, Municipal Council and staff in advance of the meeting. Accordingly, any additional discussion at a meeting that requires a response from staff or results in a recommendation or motion should be noted, in advance, on the Agenda. Community Advisory Committees shall not consider a matter that is not listed on its agenda, unless such a matter is deemed, by the Community Advisory Committee, to be a matter of legitimate urgency. Community Advisory Committee members may provide general information to their colleagues about events or current issues and make a request for information at a future meeting, but any motion requiring action, staff input, or Municipal Council approval should be dealt with at a future meeting with notice to the public via the agenda.

4.19 Community Advisory Committee Reports

Reports of Community Advisory Committee meetings shall be prepared by the Committee Clerk in a format which is consistent with the reports of the Municipal Council's Standing Committees. Community Advisory Committee reports shall be forwarded exclusively to the standing committee to which the Community Advisory Committee reports for its consideration/information.

Where there is a matter that falls within the mandate of a Community Advisory Committee that does not fall within the mandate of the Standing Committee to which it reports, the Community Advisory Committee, through a motion adopted by a majority of its members, may recommend to its Standing Committee that the Community Advisory Committee's recommendation be referred to the Standing

Committee having responsibility for the matter by virtue of its mandate. Similarly, if there is a public meeting being held by another Standing Committee, which is relevant to the mandate of a particular Community Advisory Committee, the Community Advisory Committee may, through a motion adopted by a majority of its members, direct the Chair or his/her designate to make representation, on behalf of the Community Advisory Committee, to the appropriate Standing Committee in order to provide the position of the Community Advisory Committee on matters falling within the Community Advisory Committee's jurisdiction. In these instances, the City Clerk will determine the appropriate Standing Committee for a matter, based on the jurisdictions outlined in the Council Procedure By-law.

A Community Advisory Committee Chair, or their designate, may be requested by the Standing Committee to which it reports to, to be a delegation at the Standing Committee's meeting in order to provide further information or clarification with respect to matters coming forward from the Community Advisory Committee.

4.20 Reporting Time Frames for Matters Referred to Community Advisory Committees

a) Reporting time frames for matters referred to Community Advisory Committees where such matters involve development or business-related applications or initiatives being processed by the City of London for various types of required approvals (hereinafter referred to as "a matter") shall be as follows:

i) when a matter has been listed on the agenda of a Community Advisory Committee for which advice is being sought, that Community Advisory Committee will provide its written advice no later than 35 days after the matter has been first listed on the agenda of the Community Advisory Committee, unless a different deadline date has been requested in the referral request to the Community Advisory Committee for exceptional situations;

ii) when a Community Advisory Committee deems it necessary to refer a matter to one of its sub-committees or working groups for consideration, that particular sub-committee or working group will be expected to complete its review and to report back to its parent Community Advisory Committee in time for the Community Advisory Committee to meet the 35 day deadline or any different specified deadline date;

iii) when it appears to a Community Advisory Committee that it will be unable to meet the 35 day deadline or a different specified deadline date for providing advice on a matter referred to it:

A) the Community Advisory Committee may ask for an extension of the 35 day deadline or of the different specified deadline date, to a date to be suggested by the Community Advisory Committee; however, the decision of Municipal Council with respect to agreeing to such extension will be final; and

B) the Community Advisory Committee, failing the acceptability of the process outlined in section (i) above, may give its Chair (or designate) the power to act with respect to providing a response on the matter by the 35 day deadline or by a different specified deadline date;

iv) when Municipal Council is transmitting matters to Community Advisory Committees for their advice, Municipal Council will be mindful of the established monthly meeting dates or such other regular meeting dates of the particular Community Advisory Committee with a view to maximizing the time available to a Community Advisory Committee to provide its written advice; and

- v) if a Community Advisory Committee has not responded by the 35 day deadline or by the different deadline date, Municipal Council may proceed with the processing of the matter in the absence of advice from the Community Advisory Committee.

4.21 Annual Report and Work Plan

Community Advisory Committees shall develop an annual report to be submitted to its parent Standing Committee outlining the previous year's accomplishments.

A work plan shall be developed and submitted by the Community Advisory Committee to its parent Standing Committee for the upcoming year, for Municipal Council approval. The work plan shall set out proposed initiatives to be undertaken that are directly linked to the mandate of the Community Advisory Committee and the priorities as set out in the City of London's Strategic Plan. The work plan should include any work required under their respective mandate and applicable legislation. The work plan status shall be provided to the parent Standing Committee on a quarterly basis.

4.22 Committee Conduct

Community Advisory Committees, when carrying out their committee responsibilities, are expected to:

- a) abide by the provisions of the Ontario Human Rights Code, the Respectful Workplace Policy, City of London policies and any other applicable related statutes and, in doing so, shall treat every person, including other committee members, employees, individuals providing services on a contract for service, students on placements, and the public, with dignity, understanding and respect for the right to equality and the right to an environment that is safe and free from harassment and discrimination;
