Subject: Engagement with ABCs on Budget Considerations

Dear Council Members,

As we continue our efforts to ensure a transparent and collaborative budget process, we would like to inform you that we will be engaging directly with Agency, Board and Commission leadership and their respective boards to discuss their financial needs, project timelines, and opportunities for potential efficiencies.

Our goal is to work together to identify key priorities and explore strategies that align with the City's broader fiscal objectives while maintaining high-quality services for Londoners and fulfilling Council's Strategic Plan. To facilitate these discussions, meetings will be scheduled in coordination with Agency, Board and Commission leadership to ensure their perspectives are reflected in upcoming budget deliberations.

We will be reaching out to Agency, Board and Commission boards to seek delegation status on one of their upcoming agendas to engage in meaningful discussions regarding their budgetary planning and resource allocations.

We appreciate your cooperation and look forward to collaborative conversations to move London forward.

Sincerely,

Elizabeth Pelozo
Councillor, Ward 12
