Application Details

Requested Official Plan Amendment

Consideration of an Official Plan Amendment is proposed to remove the Green Space Place Type on Map 1 of The London Plan and the Open Space and Environmental Review designation on Schedules 4 and 12 of the Southwest Area Secondary Plan (SWAP) associated with the wetlands on the northern part of the subject lands. In the SWAP, the boundary between the Low Density Residential Designation and the Medium Density Residential Designation is interpreted to be Raleigh Boulevard and the Official Plan Amendment will update the designations to reflect the proposed road network.

The Official Plan Amendment is also proposed to redesignate the significant woodland and ecological compensation areas. Consistent with the proposed compensation plan the open space block, which includes the significant woodland, is proposed to be added to the Green Space Place Type in The London Plan and the Open Space and Environmental Review designation in the SWAP to ensure the long term protection of these areas.

This Official Plan Amendment will be considered in conjunction with the Zoning By-Law Amendment (Z-9791) and Draft Plan of Subdivision (39T-24504) also under review for these lands. The OPA will facilitate the development of a residential subdivision with 133 single detached dwellings and townhouse dwellings, and the protection of significant natural heritage features.

Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. The subject lands are in the Neighbourhoods Place Type in The London Plan, permitting a range of low to medium density residential uses as well as mixed-use and commercial uses at appropriate locations to meet the daily needs of neighbourhood residents.

How Can You Participate in the Planning Process?

You have received this Notice because someone has applied to change the zoning of land located within 120 metres of a property you own, or your landlord has posted the notice of application in your building. The City reviews and makes decisions on such planning applications in accordance with the requirements of the Planning Act. The ways you can participate in the City's planning review and decision-making process are summarized below.
