

Attention: Mayor and City Councilors:

We are writing this letter to strongly urge you to vote against the requested Special Provisions, as part of the amendment to Zoning Bylaw No. Z.-1, Which states:

" to permit a minimum front and exterior side yard depth of 1.5 metres whereas 8.0 is required, to permit a balcony projection in the front and exterior side yard of 0.0 metres whereas 3.0 metres is required, to permit a minimum of 46 long-term bicycle parking spaces whereas 56 is required and to permit a parking setback of 0.5 metres whereas 3.0 metres is required."

This is a Staff recommendation which the planning committee seems to have ignored. Please vote against this provision.

We are not against a smaller, lower apartment building set back farther on the corner of this very busy intersection in Byron.

Thank you,

Ingrid and Jim Clark
