

Hi Matt

We met at one of the meetings in the summer. I have 2 children at Masonville and live at 38 Cherokee Rd. My husband and I are very concerned about the proposed development and it's impact on our community and the traffic issues. We already see a lot of cut through traffic and can only imagine the increase with this development. Please ensure, with whatever happens, traffic is considered and the safety of our children and residents comes first. We feel we have been let down once already with the previous re-zoning. Please do not let us be disappointed again. Thank you for help with this.
