

ATTENTION: MAYOR and COUNCILLORS

We are writing this letter to strongly urge you to vote against the requested Special Provisions, as part of the amendment to Zoning Bylaw No. Z.-1, Which states: to permit a minimum front and exterior side yard depth of 1.5 metres whereas 8.0 is required, to permit a balcony projection in the front and exterior side yard of 0.0 metres whereas 3.0 metres is required, to permit a minimum of 46 long-term bicycle parking spaces whereas 56 is required and to permit a parking setback of 0.5 metres whereas 3.0 metres is required. This is a Staff recommendation which the planning committee seems to have ignored. Please vote against this provision.

We are very concerned that the zoning Bylaws are being ignored. Please vote against this and don't allow the disregard of set bylaws to become a precedent.

Sincerely,
