Work experience: **Most of my career I worked in the health-care system. From 2010 on I have been an elected Trustee for the Thames Valley District School Board.**

Education: **I have a Business Administration diploma, specializing in Business Management, from Fanshawe College in London. Also I have received a certificate from Humber College in Etobicoke as a Occupational/Physiotherapist Assistant.**

Skills: **During my career in health-care I have taken many courses related to care for the frail/elderly over the years. My work at Parkwood Hospital involved work in their Fitness Centre that was set up as a workout centre for people with disabilities. Also, I am currently involved with committees such as the Special Education Advisory Committee for the TVDSB.**

Interest reason: **As a current non-voting member of the ACCAC, through the TVDSB, I feel that I would better serve this committee as a voting member.**

Contributions: **During my tenure with the Education and Awareness subcommittee of ACCAC I have been actively involved in planning the annual Conference for the past two years. With a voting membership I hope to be able to actively work on adding expertise in other areas as well.**

Past contributions: **An example of contributions I have made since becoming a non-voting member in ACCAC is the creation of a wheelchair ballroom dancing class through the Spectrum Program. As a TVDSB Trustee I am active in attending and encouraging plays and concerts put on by children with special needs. Also I have had some involvement with the Special Olympics through my role as TVDSB Trustee.**

Interpersonal: **As a Trustee on the TVDSB I have regular Board meetings as well as numerous committee meetings. Also, as a Trustee, meeting with members of the community as well as teachers and administration in schools has enhanced my abilities to work in collaboration with groups.**

Interview interest: **Yes**
